My stumped leg is thanks to your magical medicine, but he didn't expect that you would even sponsor me such a large sum of money.

Until now, my team has lost a lot of talents. I have never had the opportunity to replenish it.

Now I have plenty of funds on hand. I plan to bring the old department together and increase the size of the team as much as possible.

“If it is a modern warfare, your base area will be completely useless. The other side dispatched several sorties of bombers.

Or simply launch a few tactical missiles, and it will blow you straight to the ground.

“But fortunately, everyone can’t fight the modernization war, so it makes sense for you to engage in infrastructure construction!”

“Moreover, the more you do this, the more you have to strengthen your own base area!

“For example, you can launch the soldiers, the construction of a large number of air-raid shelter in the village, Artillery hole,
