The Amazing Son In Law Chapter 2733 | The Charismatic Charlie Wade Chapter 2733

2733

Hearing that it was a call from the Wade Family, not only Kairi couldn't believe it, but Wilfred (LORD Elms) was also shocked.

Just when Kairi was surprised, Isaac Cameron asked: "Ms. Kairi, is it convenient to talk now?"

Kairi recovered and hurriedly replied: "Convenient, please say."

Isaac Cameron smiled and said: "That's right, our young master,

would like to invite Ms. jairi to meet and have a chat. I wonder if ms. kairi has the time?"

"Meet and chat?" Kairi asked puzzledly: "I don't know what your young master wants to talk to me?"

Isaac Cameron said: "Of course it is about cooperation. Our young master hopes to discuss

with the Wade Family and Elms family whether there is a chance to develop in-depth cooperation."

Kairi suddenly hesitated. She was planning to go to the coast of the Jiaodong Peninsula to find clues about her daughter.

At this time, she really didn't have any intentions to discuss cooperation with the Wade Family's young master.

However, thinking of the special situation of the Elms family and the urgent need to find a strong attachment, she hurriedly said: "Mr. isaac

, when and where would your young master want to meet? If my time doesn't allow it, not Can someone from the Elms family go over to meet him?"

Isaac Cameron said: "Our young master is now in Aurous Hill.

The sooner we meet, the better, but if it's someone else, it's okay. Our young master called for an interview with Ms. Kairi."

When Kairi heard this, her face suddenly became embarrassed.

She is going to Jiaodong Peninsula, but Aurous Hill is in another direction, so if she agrees

to go to Aurous Hill, she will inevitably delay the plan and itinerary to find her daughter.

However, her father, Wilfred (LORD Elms) hurriedly winked at her and signaled that she must agree to it.

Seeing his father's face full of nervousness and expectation, Kairi struggled for a while, and had to speak:

"Then... well, since Master Wade thinks of me so much, then I will go to Aurous Hill to see him."

After all, Kairi asked hurriedly: "I am in Mocheng. The nearest airport is hundreds of kilometers away from me, and there should be no direct flight to Aurous Hill from there.

If the fastest is possible, I might be able to reach Aurous Hill tomorrow. May I ask Will Master Wade have time tomorrow?"

Isaac Cameron said: "If Ms. Kairi is convenient, I can arrange a private jet to pick you up."

After a pause, Isaac Cameron said again: "Well, Ms. Kairi, you give me your current address.

I will arrange a helicopter to take you off from the nearest airport, and then arrange a private jet to wait at the airport,

and the helicopter will pick you up. After the airport, the private jet should also arrive. At that time, you can directly take the private jet to Aurous Hill. If you hurry, you will be there tonight."

"So anxious?!" Kairi suddenly couldn't understand.

She couldn't figure out why the Wade Family Master was so anxious to see herself.

Even if you really want to reach a cooperation with your own, there is no need to panic like this.

Because, according to Isaac's plan, would cost millions of dollars to pick himself up to Aurous Hill.

First, the helicopter has to fly a total of 700 to 800 kilometers back and forth, and then the private jet has to fly more than 5,000 kilometers back and forth. This is really a big move.
