At 11:45 noon, Charlie drove slowly into Aurous Hill University of Finance and Economics.

At this time, the school had reached the lunch break. There were many students on the campus roads who were walking in groups,

most of them were walking towards the cafeteria and dormitory, and some seemed I am going to have a meal outside of school.

Ziva Hank asked Charlie: "MR. Wade, will my father go to dinner? Do you want to contact him?"

Charlie nodded and said with a smile: "I'll send him a voice call in a while, don't say anything."

Ziva Hank knew that Charlie only wanted to surprise his father, so he agreed: "Okay..."

Charlie parked the car under the administrative office building, and then called Hank via WeChat.

As soon as the voice call request was sent,

I was immediately connected to the convenience, and then Hank's voice came over:

"Charlie, how are you there?! Is there any progress?"

Charlie said: "Uncle hank, don't worry, my situation is a

little bit complicated here, and I can't tell you in one sentence or two sentences."

Hank asked hurriedly: "Then have you seen Ziva?"

Charlie replied: "Not yet. The opposition guards are very strict. I'm still trying to find a way."

With that, Charlie asked him, "Has Uncle had lunch?"

Hank said with emotion: "Why am I still in the mood to eat?"

From last night until now, I have been uneasy. At first I called you several times and

it showed that I was not in the service area. There should be no signal on your side?"

Charlie explained: "There is definitely no communication signal,

so I can't make and receive calls normally, but I have a satellite Internet device here

, which can be connected via satellite, but the data

rate is a bit expensive."

Hank didn't notice anything abnormal, but couldn't help but sighed: "This matter is really troublesome for you..."

Regardless of whether you have a chance to see Ziva in the future or have a chance to save her,

you must ensure your own personal safety."

Charlie smiled and said, "Uncle, don't worry,

I will bring your daughter back home in peace."

As he said, he hurriedly said: "Uncle, I will hang up first, and I will tell you when there is progress."

Hank had no choice but to say: "Then you must pay attention to safety!"

Charlie ended the voice call, and Ziva Hank beside him couldn't help asking him:

"Then what shall we do next?"

Charlie turned off the car and took out two disposable masks.

After putting them on, he said to Ziva Hank:

"Put on the masks and let's go directly to your dad's office. He must be there."

Knowing that Charlie wanted to surprise his father,

Ziva Hank said with a smile: "Do you think my father can't recognize me if I wear a mask?"

Charlie smiled and said, "I bet that as long as you don't talk, your dad will definitely not recognize you."

"Impossible." Ziva Hank shook his head and said confidently:

“My dad and I just don’t talk very well, but it doesn’t mean that our relationship is very tense and rusty.

He must have recognized me at a glance.”

Charlie smiled slightly: “If you don’t believe me, try it.

You can knock on the door later and see if he can recognize you.”

Ziva Hank pouted his lips: “Okay, if you lose, please eat!”

After speaking, he immediately put on the mask in cooperation.

After the two got out of the car, they walked directly into the office building. Ziva Hank followed Charlie and said in a nervous voice,
