The Amazing Son In Law Chapter 2756

So he called Isaac Cameron and asked him: "Isaac, has Xion's mother set off?"

Isaac Cameron hurriedly said: "Master, just received a report from his subordinates that Kairi has already

taken a helicopter to the airport and is expected to be in Aurous Hill in about three and a half to four hours."

Charlie calculated the time, and said that it was fast and fast for more than three hours, and there was no need to toss home again.

After all, his wife Claire was definitely not at home at this time.

So he directly drove back to Shangri-La, planning to take a rest and wait for Kairi's arrival.

...

At the same time, Suhangsu Villa.

Lord Banks hadn't waited for Zayne's response, and he was more or less drumming in his heart.

It stands to reason that Zayne went to see Ito Yuihiko this morning, and now it is time for lunch,

no matter whether his talks with Ito Yuhiko go well or not, he should always report to himself on the progress.

So he took out his phone and called Zayne.

A cold prompt came from the other end of the phone: "Sorry, the user you dialed has been turned off."

Lord Banks's heart suddenly thumped!

"That's bad!" He blurted out, "is probably an accident!"

The housekeeper hurriedly took out his mobile phone and said, "I'll call the young master's men."

After speaking, the phone immediately dialed out, and soon there was a prompt to shut down.

His expression changed and he made several calls in a row, but the result was the same.

So he said nervously, "Master, all four of them are turned off..."

Lord Banks shuddered and blurted out: "It's over! It's over! It must have fallen into the hands of others just like Shoude..."

butler asked nervously, "This...what is the big man in Aurous Hill?! Could it be that the Wade Family is doing a ghost in the back?!"

Lord Banks frowned and said, "Hurry up and arrange for someone to check and see if Zayne left Shangri-La before his disappearance.

If not, then the Wade Family's suspicion is naturally the greatest! I must let Lord Wade give me an explanation!"

"Good lord!"

Butler immediately figured out a way to find all kinds of relationships, searching for the trajectory of Zayne.

Soon, the results came back, and all aspects showed that Zayne did not leave Shangri-La today.

This made Lord Banks furious immediately.

He didn't expect that the Wade Family would dare to directly attack his son.

Moreover, since Zayne was caught by the Wade Family, so is James 90%!

Afterwards, he made a direct call to Lord Wade.

As soon as the call was made, Lord Wade's voice came over: "Oh, why would Brother Wade call me?"

Lord Banks directly cursed angrily: "Lord Wade! Don't f*cking be close to me, I ask you, where is my son Zayne?!"

Lord Wade didn't expect that Lord Banks would explode as soon as he came up, and asked in a cold voice,

"What a joke! How do I know where your son is?"

Lord Banks gritted his teeth and said: "Should fucking pretend to be confused with me! Zayne stayed at your Wade Family's Shangri-La Hotel in Aurous Hill last night.

After getting up this morning, the person disappeared completely. Who else did it if you didn't do it?!"

Lord Wade was shocked.

He subconsciously asked: "Lord Banks, is this true?"

Lord Banks cursed: "Nonsense! How can I do this with you? If you don't give me an explanation for this matter,

I will make you Wade Family pay the price if I fight this old life!"

Lord Wade almost immediately concluded in his heart that this matter must have something to do with Charlie.

However, he naturally couldn't speak directly to Lord Banks, so he said: "Lord Banks, I can swear to God what you said,

I don't know Lord Wade! And I have never instructed anyone to do anything to your son! Since you said that the person disappeared in

Shangri-La of my Wade Family, then I will ask about the specific situation first, and after I understand the specific situation, I will give you an explanation!"
