

The Amazing Son In Law (Charlie Wade)

2765

Isaac Cameron naturally knew that Charlie asked himself to invite Xion, who had been in Shangri-La for a long time.

So he immediately said respectfully: "Master, wait a minute, I'll go please!"

Seeing Isaac Cameron leaving, Kairi Elms – Xion's Mom was astonished in her heart.

She really couldn't figure out what kind of deceased she and the Wade Family Young Master would have in common.

After all, I saw him for the first time today,

I don't even know what his name is, let alone what kind of young master he is from the Wade Family.

However, she did not ask more, after all,

she knew very well, as long as she waited patiently for a few minutes, the answer would naturally be revealed.

At this moment, Xion was waiting anxiously in the room.

Since Charlie decided to let her meet her mother, she has been waiting for her mother's arrival.

However, Charlie did not communicate with her the progress

of this matter in real time, so she also didn't know when her mother could arrive in Aurous Hill either.

Just as she was thinking about it, Isaac Cameron rang the

doorbell outside the door.

Xion hurried to the door and opened it. When he saw Isaac Cameron, he couldn't help but blurt out and asked,

"Mr. isaac, is my mother here?"

Isaac Cameron nodded slightly, and said: "Ms. kairi has arrived, and is now in my office, chatting with the young master,

the young master asked me to invite you over."

Xion suddenly became excited and blurted out: "Then take me there!"

Isaac Cameron said: "Miss , please come with me."

On the way to Isaac Cameron's office, Xion's heart,

because of excitement and excitement, beating faster and more frequently than normal.

When she came to the door, the whole person was already a little uncontrollable.

Before Isaac Cameron helped her open the door,

Xion couldn't wait to push the door in.

As soon as she entered the door, she saw Kairi

Elms – Xion's Mom sitting on the sofa, her tears rolled down, and she choked up in her mouth: "Mom..."

Kairi Elms – Xion's Mom heard the sound of mom, and she stood on the spot as if she had been struck by lightning.

She subconsciously followed the prestige, and she realized that her daughter Xion, who was unsure of her

life and death, and who had been thinking about her for a long time, was standing at the door!

At this moment, she was so excited that she couldn't be more excited, and she blurted out and exclaimed: "Xion?! Is it really you?!"

After she finished speaking, she hurried to Xion's place, raised her remaining left arm, reached

out to touch her face, and choked up: "It's really you Xion, my baby girl... Mom, isn't it a dream? ..."

Xion grabbed her mother's hand and cried and said, "Mom, you are not dreaming... It's really me... I'm not dead..."

At this moment, Kairi Elms – Xion's Mom's emotions were completely out of control.

She took Xion into her arms and cried and said, "Xion, it was so hard for mom to find you..."

Mom thought she would never see you again in this life. It's..."

Xion hugged her mother tightly with both hands, and said sadly: "Mom, I also thought that I would never

have a chance to see you in my life, and I would never have a chance to fulfill my filial piety..."

After finishing speaking, she looked at Charlie not far away and choked up:

"Thanks to Mr. Charlie's rescue in Tokyo, otherwise, I'm afraid I would have been executed long ago..."

Kairi Elms – Xion's Mom hurriedly turned around, looked at Charlie shocked and moved, and asked, "Master Wade, you saved Xion?!"

Charlie smiled slightly and said indifferently: "When the accident happened, I happened to be returning home by boat,

so I rescued her and brought her back.”

After speaking, Charlie said again: “By the way, Ms. , I have kept Xion in Shangri-La during this period, and did not allow her to contact the outside world. I am sorry that you have been worried for such a long time. Please don’t be offended.”

Kairi Elms – Xion’s Mom hurriedly said, “Where are you, Master Wade? You saved my only daughter.

I am grateful that you save her. Why are you going to be surprised...”

With that said, Kairi Elms – Xion’s Mom suddenly discovered that her daughter Xion seemed a little different from before.

After practicing martial arts for many years, she noticed that Xion’s current aura was much more stable than before,

and also a lot stronger, and she asked in surprise: “Xion, your martial arts cultivation level has broken through?!”

Xion nodded repeatedly and said, “Thanks to Mr. Charlie’s initiation,

he helped me completely open up the Ren Vessel and let me succeed in it. In addition, I have been staying in the hotel room during this period of time,

practicing hard. Consolidating the cultivation base, so the strength has also been greatly improved!”

Kairi Elms – Xion’s Mom stunned and said: “What? Your lineage is fully established and completely opened up?!”

Kairi Elms – Xion’s Mom, who has practiced martial arts for half a lifetime, knows very well what it means to get through Ren Mai.

People have eight channels of strange meridians, and those who can get through the two channels of the

governor and governor are already top masters for ordinary people.

If you can get through more meridians, that would definitely be a master of martial arts.

But even a martial arts master who can get through half of the odd meridian and eight meridians, on average,

can only get through 50 or 60% of each meridian.
