Charlie helped the mother and daughter up,

looked at Kairi Elms – Xion’s Mom, and said: “Ms. Kairi, this time I came to Aurous Hill to see Xion.

Please be sure to keep it 100% confidential. Do not tell anyone, including. People at home!”

Kairi Elms – Xion’s Mom naturally understands that the best way to keep a secret is not to tell anyone, otherwise once a mouth is opened, no matter how small the mouth is, it may be known to outsiders in the future.

If Xion is her own daughter, Kairi Elms – Xion’s Mom can ensure that she will never reveal it to the outside world.

However, other people in the Elms family are hard to say. Even her father may not be 100% trustworthy.

Therefore, for the safety of her daughter. , She will naturally be tight-lipped.

So she said very firmly: “You can rest assured, Master Wade,

I will be tight-lipped about this matter, and I will never tell anyone after

I leave here!”

Xion on the side heard this and hurriedly asked: “Mom, when are you going to leave?”

Kairi Elms – Xion’s Mom thought for a while and said, “I told your grandfather that tomorrow I will go to the Jiaodong Peninsula to find your whereabouts,

so I will go there tomorrow.”

Xion was full of dismay, holding Kairi Elms – Xion’s Mom’s one-armed coquettishly like a little girl:

“Mom...You haven’t seen me for a long time, can’t you stay with me for one more day?”

Kairi Elms – Xion’s Mom sighed and said seriously: “If you leave, of course mom wants to stay with you, don’t say stay with you for one more day, even if you are here with you in the future, mom is willing to...”

Speaking of this, Kairi Elms – Xion’s Mom said helplessly: “But... the whole Elms family knows that I have worked hard to find you.

I told your grandfather this time. No matter what talks to me and what the conversation becomes, I Tomorrow, I must go to the

Jiaodong Peninsula to continue looking for you. If I suddenly stay in Aurous Hill and do not leave, I am afraid your grandfather will become suspicious..."

"Although I don't doubt that your grandpa will harm you,

the Elms family is too mixed and there are too many uncontrollable factors. And although we have broken with the Banks Family,

I always suspect that the Banks Family is observing our movements in secret. Once the Banks Family knows that you are still alive, they might continue to target you."

When Xion heard Kairi Elms – Xion's Mom mention the Banks Family, her expression immediately became resentful,

and she said coldly: "Mom! Our Elms family has dedicated so many years to the Banks Family's industry,

but in the end, the Banks Family not only doesn't miss the old feelings. , I didn't care about family affection,

and even sold me to the Japanese Self-Defense Forces. I will repay this grudge in the future!"

Kairi Elms – Xion's Mom smiled bitterly: "In the eyes of the Banks Family, we are the bodyguards they hired with money.

In ancient times, they were the servants of the nursing home.

They felt that as long as they gave us money, we should work hard for them. In their eyes, we are not worthy of their emotions."

As she said, she sighed and said: "The matter of revenge, Mom suggests that you don't think about it for now.

The strength of the Banks Family is not comparable to that of the Elms family anyway. You will follow Master Wade in the future and you will be at ease.

After being saddled with Young Master Wade, don't worry about seeking revenge from the Banks Family anymore."

Xion red eyes and choked up and said: "I will not give up the matter of revenge.

One year will not work, but three and five years; three and five years will not work, but ten and eight years.

If it is really impossible, it will only be twenty, three years. Ten years, but one day, I will let the Banks Family pay for all this!"

Kairi Elms – Xion's Mom reluctantly said: "The things in your heart, it doesn't make much sense for mom to persuade you,

but you must control your emotions. Now is the key stage of your cultivation level. Don't let hatred become your demon. !"

Xion nodded gently.

Charlie said at this time: "Ms. Kairi, you and Xion have not seen each other for a long time, or you should go back to your room and rest first.

I believe there must be a lot to say between you.

I'll send someone to you soon. For dinner, if you need anything else, feel free to contact the service staff."

Kairi Elms – Xion's Mom bowed slightly and said, "Then thank you Master Wade!"

Charlie smiled slightly and said: "By the way, Ms. Kairi, if you are interested in the Elms family,

we can also discuss cooperation in the future. I will hire you to work with me at that time, so that you and Xion will not be separated. ."

Before Kairi Elms – Xion's Mom spoke, Xion on the side said excitedly: "That's great! Mom, then you will move to Aurous Hill!"

Kairi Elms – Xion's Mom said with a somewhat embarrassed expression: "Master Wade, if you just said that I shouldn't tell others about Xion,

then naturally I can't bring people from the Elms family over and join you with Xion. Cooperation...

But if I can't bring any family over, then I am a disabled person and my ability is really limited.
