

The Amazing Son In Law (Charlie Wade)

2777

Thinking of Bruce, Kairi Elms – Xion's Mom couldn't help but think of Zayne.

She has been with Zayne since his youth, so she knows Zayne's youth very well.

She knew how good Bruce was back then, and she also knew that Zayne back then had been living in the shadow of Zayne.

Suddenly, she felt a bit of irony.

At that time, Zayne was crushed by Bruce in all aspects,

but he was not convinced at all in his heart.

It was not until Bruce's death that he finally breathed a sigh of relief.

However, who would have thought that Bruce's son is now incredibly good.

Although Kairi Elms – Xion's Mom saw Charlie for the first time today,

but Charlie was able to quietly rescue her daughter from the Japanese Self-Defense Forces, and kept secrets so that

everyone could not find anything about her daughter.

The slightest message proved that Charlie's strength was by no means ordinary, even terrifying.

It seems that it just saved Xion's life, but in fact he caused the entire Japanese Self-Defense

Force to lose face in front of him!

You can see the leopard in the tube.

Just this incident is enough to prove that Charlie is beyond imagination.

In addition, what shocked her even more was that Charlie could easily get his daughter's

Ren Vessel to the realm of Dacheng easily!

This is equivalent to a miracle in the eyes of martial artists.

It is not an exaggeration to say that it is a miracle.

After all, the practice of martial arts is often the effort of most of your life.

Practicing martial arts is no different from Yugong Yishan.

Every martial artist is pursuing the ultimate Dacheng,

but no one knows what Dacheng looks like.

They can only do their best in their lifetime.

If they do their best and still can't get a big success,

then let their children and grandchildren continue to move

towards the big success on their own basis.

Just like Yugong Yishan, he is gone, and there are children and grandchildren,

and there are endless children and grandchildren.

And what did Charlie's actions mean?

To use a very appropriate analogy,

what Charlie did is equivalent to completely removing the

huge earth boulders that would need to dig at least 20 years!

This ability is called supernatural power.

There is also Charlie's pill,

which is even more magical than can be described in words.

Kairi Elms – Xion's Mom felt that if this kind of magical medicine was sold out,

even the martial arts family in the world would lose their fortunes,

they would desperately compete.

What about one billion? What about two billion? Relying solely on cultivation and the aid of those medicinal materials,

even if one billion is used, it may not be able to achieve the effect of this pill.

For people who practice martial arts,

nothing is more important than improving one's cultivation level.

Therefore, from these aspects, Kairi Elms – Xion’s Mom even feels that Charlie is very likely to step on the banks family

and even the top families in the country by his own efforts in the future.

Thinking that her daughter seemed to have a strong loyalty to Charlie,

and behind this loyalty, there was an obvious girl’s mind, so Kairi Elms – Xion’s Mom asked Xion: “Xion,

you and Ma tell the truth, do you feel that way towards Master Wade in your heart?”

Xion said a little embarrassingly: “Mom, what are you talking about...

Charlie is not only my savior, but also my mentor,

and my continuous breakthroughs in cultivation are all because of his help. ,
