

The Amazing Son In Law (Charlie Wade)

Chapter 2788

Fitz nodded in satisfaction and smiled longingly: “At that time, this mysterious Mr. B will definitely become a hot spot for discussion on the whole network!”

Speaking of this, he suddenly had an idea and blurted out: “By the way, you have to call me a prize-winning event at that time.

Under this hot topic, users who support and encourage Mr. B will have Chance to participate in the lucky draw!”

The assistant hurriedly asked: “Master, how do you set the prizes for the lottery?”

Fitz smiled and said: “Since I want to have fun with the people, I have to be more generous, so let me draw a first prize, two second prizes, three third prizes, and the first prize.

It is a Rolls Royce. A Phantom; the second prize is a Bentley Mulsanne; the third prize is a Mercedes-Benz big G!”

The assistant exclaimed: “Master, your drawing is too big...”

As far as I know, the biggest prize in the online lottery has not exceeded one million...”

Fitz laughed and said triumphantly: “It’s just to be big! What a person is 10,000 yuan in cash and tens of hundreds of money, this is too boring,

small, not enough to force the topic to the hottest, so we directly Draw tens of millions of luxury cars

and there are six in one draw! At that time, the draw time will be extended a bit, one month! This month is enough to stir up the heat!”

The assistant quickly agreed and said, “Good master, I will let the notary department come out for notarization

at that time to ensure that the activity is true and effective, so that netizens can participate boldly and confidently!”

“Okay!” Fitz nodded in satisfaction, and said: “This matter is left to you.

I must fire up the heat to the extreme. In addition, I will recruit a large number of naval forces and push hands to let them.

Send me a soft article on the Internet!”

The assistant hurriedly asked: “Master, do you have a designated category and direction for the advertisement?”

“Of course!” Fitz smiled: “Be sure to find me those famous influencers, internet celebrities, and opinion leaders who are very famous in marriage and love, and it is best to choose more women

Tell them that when writing soft articles, The tone must be crazy envious of Stefanie Sun’s care and love for a man with such a heart.

At the same time, he must express his envy for Stefanie Sun and his love for Mr. B, and create Mr. B’s personality of a peerless good man!”

The assistant was also a little excited and said: “When the time comes, I will strengthen a few people to label the mysterious Mr. B,

who is infatuated, affectionate, hard-working, and rich! I will definitely become the national husband who is crazy and obsessed

by girls all over the country!”

Fitz said with a smile but a smile:

“The gold content of the four words “National Husband” is really too low. These days, all kinds of

cats and dogs dare to claim to be national husbands.

I still don't want to grab this title.

The assistant thought that he had hit the horse's leg with a flattery, and hurriedly changed his words:

“Yes, yes, you, as the young master, can you compare to those so-called national husbands!”

“By the way, Master , because there is a “Sun” in Miss Stefanie Sun's name, her fans use homophonic

sounds to give her a nickname “Little Auntie”, so Miss Stefanie Sun is a national aunt,

then you will naturally be Uncle National!”

“Hahaha!” Fitz nodded repeatedly and said happily:

“Uncle National, not bad, not bad, I like this title!”

As he was talking, his cell phone rang suddenly.

It was his grandfather Lord Thorne who called.

Fitz felt a little big head.

He knew that his grandfather had been desperately looking for the

whereabouts of his mother and sister during this period. Delay him.

In fact, Fitz has been completely enlightened since talking with his father Zayne.

He is not very interested in finding his mother and sister,

because he knows that the best situation right now is

that his grandfather's reputation is completely ruined and he has to push his father to the stage.

Moreover, because of the mother and younger sister's affairs, grandpa feels a little bit guilty for himself and father,

so it is very likely that he will inherit the Banks Family in the future.

In this case, he really has no motivation to find his mother and sister.

However, he didn't dare not answer his grandpa's call, so he had no choice but to answer the call.

When I was about to ask Grandpa what was going on,

Lord Thorne on the other side of the phone asked, "Fitz, where are you now?"

Fitz hurriedly said: "Grandpa, I'm talking about business, what's the matter? Are you doing anything?"

Lord Thorne blurted out: "Go home, your mother and your sister are back!"
