So she had no choice but to speak: “Brother, you guessed it right,

it was Benevolence who saved me and mom...”

Fitz groaned in his heart.

“Sure enough...”

“He is is still so hot... Grandpa has never seen your benefactor,

so you can guess that it is him. If he doesn't remind me,

I'm afraid I can't think of this level at all...”

So, he deliberately pretended to be very excited, and said excitedly:

“Oh! It really is my benefactor! That's great! Zara,

when will you take me to see my benefactor, I must thank him in person!”

Zara hurriedly said, “Brother, I don't know where the benefactor is...”

Fitz asked in surprise: "What do you mean?

Didn't you see your benefactor?"

Zara said: "I saw it, but my benefactor did not reveal anything,

and told me to keep my mother secret. I don't even know what is his last name,

and my mother and I were indeed restricted by my benefactor before.

Freedom, we don't know any more information."

As she said, she was afraid that Fitz would not believe it, and then said:

"I think himself is a very mysterious person, and he doesn't want to say anything.

You know this too. When you save us for the first time, don't say anything about him.

I don't even want to say a word to the two of us. Maybe this top player has such a temper..."

Fitz couldn't help being disappointed when he heard this.

He didn't doubt that Zara said this.

Because that benefactor is indeed very low-key, and very cold,

unwilling to leave any clues to others.

Thinking of this, he hurriedly said: "In my opinion, Blessed Man must be in Aurous Hill.

Then we can continue to look for his whereabouts.

This time the scope is much smaller than before. I think we should be able to find some clues!"

Zara was afraid that his brother would see the clue, so he pretended to agree with him and nodded again and again:

"Brother, you are right! I was thinking about this just now.

Since this time I can narrow the scope to a city in Aurous Hill,

It should be much easier to find Blessed Man!"

After finishing speaking, she hurriedly said again: "But we must keep a low profile and not look for it with fanfare.

After all, he is just under En Gong's nose, and he doesn't want us to find him.

If he notices him, maybe he will get angry, even Maybe I will leave Aurous Hill!"

Fitz also agreed with Zara's words and hurriedly said:

"Don't worry about this, I will find a way!"

When he got the information he wanted, Fitz said to Zara: "Zara,

you must be tired too, so take a rest early.

Let's discuss what's the matter tomorrow!"

Zara nodded: "Okay brother."

Fitz stood up and said, "Okay, I will go back to my room and rest."

Zara sent Fitz to the door and returned to the bed.
