It is definitely impossible for Zara to instruct..."

"In this way, the whole thing seems to be different from what I thought before.

This mysterious master shouldn't act completely based on Zara's likes and dislikes.

He should act based on his own likes and dislikes..."

"Since he is based on his own likes and dislikes as the criterion,

he must target the Banks Family and Zayne and his second child because of his own reasons..."

"The question comes again, when did my Banks family offend him?"

Lord Banks was almost mentally ill, and couldn't figure out what was wrong behind it.

Now he only feels that the whole person is extremely insecure.

After all, the opponent is an existence that can kill several top ninjas with his own hands.

If they really come to the door, the Banks Family's current defensive ability is afraid that it will not be able to withstand it at all!

Thinking of this, he quickly called Bank's Butler.

As soon as the phone was connected, he blurted out and asked: , where are you?!"

Bank's Butler's environment was a bit noisy, and the helicopter engine roared loudly. Bank's Butler shouted:

"Master! I'm going to Mocheng. There are still about 100 kilometers away, and I can arrive in half an hour!"

it's best to let them leave early tomorrow morning, and then

I will dispatch a big plane to pick them up!"

"Okay!" Bank's Butler felt that the situation seemed a bit urgent, and quickly replied: "Then I will try to convince Lord Elms (Wilfred) tonight!"

...

After half an hour.

The tranquility of Mocheng in the middle of the night was broken by a low-altitude, fast-flying helicopter.

The helicopter whizzed past and headed straight to the He's compound.

At this time, Lord Elms (Wilfred) was wearing a thin coat, standing in the

courtyard waiting.

Bank's Butler called him before getting off the plane and transferring to the helicopter.

Originally, Lord Elms (Wilfred) didn't want to see the Banks family at all,

even if it was just the housekeeper of the Banks family, he didn't want to see it.

However, Bank's Butler said that he was sent by Elder Banks,

and he did not look at the face of the monk to see the face of the Buddha.

Lord Elms (Wilfred) felt a little unsure.

He knew very well in his heart that although the Elms family was a martial arts family and was naturally good at fighting and killing,

it was really nothing in front of a big family like the Banks family.

Since ancient times, martial arts masters have always served the rich.

Except for the fledgling stunners, who dares to provoke the rich?

Especially a martial arts family like the Elms family,

who has hundreds of years of foundation, dare not offend the rich and powerful, otherwise if you
