**Bank's Butler smiled and said: "Master said, if the Elms family is willing to continue cooperating with the Banks Family,**

**it will arrange for someone to sign the contract as soon as the Elms family arrives in Southaven.**

**The billions we have paid are also paid in place.**

**We used to pay monthly remuneration, so we won't be so troublesome in the future and we will pay them all annually!"**

**"Oh, that's great!"**

**Yoel was extremely excited.**

**Two billion a year is already very powerful.**

**If it is a one-time payment, it is even more remarkable.**

**If you pay monthly, you will lose a lot of interest.**

**Put two billion in the bank, just let the bank's fund manager operate it,**

and the one-year yield can reach more than 10%, which is two billion!

Lord Elms (Wilfred) was able to calculate this account,

and he was naturally happier in his heart, so he said readily: "Bank's Butler,

in this case, let's make preparations separately.

I will tell the whole family to pack up, and you and Master Banks will report back here. Circumstance, then arrange buses and planes."

"Okay!" Bank's Butler said excitedly: "In this case, please ask Mr. Elms to prepare a room for me,

and I will go back to the room to coordinate these things."

Lord Elms (Wilfred) nodded and said to Yoel: "Yoel, you come to make arrangements for banks butler!"

Yoel hurriedly laughed and said, "No problem, no problem! Housekeeper, please come with me!"

Banks butler hurriedly said: “Yoel, you must arrange a warm room for me.

It’s too cold and I can’t stand it...”

Yoel smiled and said: “Don’t worry, the Elms family only practises people who sleep in an unheated house,

and the rest is heated by the floor. The room is nearly 30 degrees Celsius,

and there is no problem wearing short sleeves!

“That’s great!” Bank’s Butler wrapped a heavy down jacket and blurted out:

“Take me over, my scorching face is about to crack...”

Yoel hurriedly made a gesture of inviting, and said: “banks butler

, please here!”
