Bank's Butler stood up and said to Lord Elms (Wilfred): "Lord Elms,

if that's the case, then I went with Yoel. In addition, our Mocheng is too far away, and the transportation is inconvenient.

I guess it's necessary to coordinate planes and buses.

It's been several hours. It's almost twelve o'clock now.

We are tentatively scheduled to leave at ten o'clock tomorrow morning. What do you think?"

Lord Elms (Wilfred) nodded without hesitation:

"No problem, tomorrow at ten o'clock, we will leave on time!"

Bank's Butler smiled and clasped his fists, and said,

"Lord Elms, then I will retire first!"

After that, he followed Yoel to the guest room.

When Lord Elms (Wilfred) was left alone, he suddenly stunned.

Thinking of his daughter Kairi Elms – Xion’s Mom,

he felt more or less unbearable and guilty.

He knew that he could not give up the opportunity of become Huang Tengda just because of his daughter’s thoughts.

Therefore, he did not hesitate to agree to the Banks Family’s request for cooperation.

Now, the only thing he worries about is not knowing how to talk to Kairi Elms – Xion’s Mom.

If Kairi Elms – Xion’s Mom knows, will he blame himself for it.

Thinking of this, he couldn’t help feeling:
“Kairi sees Xion more importantly than herself.

If I go to work with the Banks Family again, she will definitely not forgive

me if I want to do this...”

“However, with the Banks Family’s two billion dollars in hand,

I can give Kairi more money by then, so that she can continue to search for Xion. This is also a solution.”

“At that time, Kairi will not have to go to Banks’s house.

Just take the money from Banks’s house and continue to search for Xion outside.

Even if you never find Ruoli, let her keep looking for it, she can have a thought. miss you.....”

At this point, he felt a little relaxed.

Looking at the time, although it was a bit late, it was nothing to a practicing family like Kairi Elms – Xion’s Mom.

So he took out his cell phone and called Kairi Elms – Xion’s Mom.

He felt that some words still need to be clarified in advance.

If you wait until tomorrow after the whole family has gone to Southaven, and then tell Kairi Elms – Xion's Mom,

then she will definitely complain about herself.

First move with affection, understand with reason, and then combine with the promise of funds,

perhaps it will enable her to understand herself and accept her own arrangements!
