Great achievement! Buqi San and Body Rejuvenation Decoction are one of the most important

core strengths of the Elms family so far. Without these two things, how can I get through the three meridians?

How can I establish the status of the Elms family?!”

Kairi Elms – Xion’s Mom hurriedly said, “Dad, I’m really not talking about it.

When you see this pill, you will naturally understand...”

Lord Elms (Wilfred) did not believe Kairi Elms – Xion’s Mom’s words at all, sighed, and said, “Kairi Elms – Xion’s Mom,

I have already thought about it. When the Banks Family’s 2 billion payment is in place,

I will give you another 200 million to find Xion’s funds. ,

So you have a greater chance of finding Xion, what do you think?"

Kairi Elms – Xion's Mom asked helplessly: "Dad, have you agreed to Bank's Butler?"

"Yes." Lord Elms (Wilfred) said: "I promised Bank's Butler.

I will announce this decision to the Elms family later. At 10 o'clock tomorrow morning,

I will leave for Southaven."

Kairi Elms – Xion's Mom knew that there were many things that he could not tell his father on the phone,

and he would not believe many things even if he said them.

For example, if you tell him that your current Ren Vessel has become a big deal,

he will definitely think this is a fantasy.

If he told him that someone had given himself a kind of medicine, he only needed to take one medicine to make his cultivation progress

by leaps and bounds, and even get a qualitative breakthrough, then he would not believe that all of this was true.

If a person is limited by inherent cognition, it is difficult to believe in things outside the scope of his cognition.

Unless, let him see it with his own eyes, or even experience it with his own eyes.

Otherwise, it makes no sense to say anything.

So, Kairi Elms – Xion’s Mom hurriedly said: “Dad, don’t rush to agree.

Even if you agree, don’t take the whole family with you.

Wait for me for a while. I have very important things to tell you face to face.

I’ll go back early tomorrow morning, and I should be there in the afternoon as soon as possible!”

Lord Elms (Wilfred) said: “Kairi Elms – Xion’s Mom,

**I have promised Bank's Butler, maybe he has already told Mr. Banks about the situation now."**

**Kairi Elms – Xion's Mom hurriedly said, "It doesn't matter if he agrees.**

**The Banks Family can sell their own flesh and blood.**

**What if we turn back? The key thing I want to report to you is related to the future of the Elms family.**
