to make this money.

Maybe, there will be countless hardships waiting for Elms's family in the future.

At this time, he didn't know whether he was right or wrong in leading the Elms family to the south.

Just when he was melancholy, a familiar footstep sounded from far to near.

Before he turned around, he had already guessed that the eighth achievement

was his daughter Kairi Elms .

However, before turning around, he couldn't help frowning again.

I thought to myself: "Although Kairi Elms 's strength is good, he does not have such good control over

his body and breath! From the feeling, this person's strength should be more than one level higher than that of Kairi Elms !"

“Who would this person... be?”

At this point, Lord Elms (Wilfred)’s heart couldn’t help but become vigilant.

He suddenly turned around, and the internal strength in his body had been raised from his dantian to his hands,

in case he needed an emergency shot.

However, when he turned around, he realized that the person walking towards him was indeed his daughter,

Kairi Elms .

Kairi Elms at this time seems to be the same as when he left yesterday.

However, when Lord Elms (Wilfred) felt it carefully, he felt that Kairi Elms

today seems to be very different from yesterday!

This kind of contradictory feeling is like seeing the same pool of water after a day,

and it still looks like the same size and same ancient well.

But today I feel that this same pool of water seems to be much deeper

than yesterday!

He subconsciously asked: "Kairi Elms , you...how are you..."

Kairi Elms hurriedly interrupted him and said, "Dad, can

I talk to you in private?"

As soon as Kairi Elms spoke, Lord Elms (Wilfred) immediately felt that this daughter,

her own control of breath is indeed much more subtle.

Don't look at just saying a word, but only the involuntary control of Kairi Elms 's

breath when speaking can be seen.

She is no longer what she used to be.

So, he temporarily suppressed the surprise in his heart, and hurriedly said:

"Go, go to my study!"

Kairi Elms followed her father, and the two hurried to the study in

the backyard.
