

The Amazing Son In Law (Charlie Wade)

2836

On the way, I just met Yoel, Kairi Elms 's eldest brother.

Yoel was about to say hello to her father.

He suddenly saw Kairi Elms by his side.

She was surprised and asked, "Kairi Elms , Dad didn't say you went to Jiaodong Peninsula yesterday.

When did you come back? !"

Kairi Elms quickly replied: "Brother, I just came back, and I have something to communicate with Dad."

Yoel's cultivation is not much different from Kairi Elms ,

or even slightly inferior, so he can't see the changes in Kairi Elms 's body.

He felt that Kairi Elms 's sudden return was definitely related to his father's promise of cooperation with the Banks Family.

He guessed that, as Xion's mother, Kairi Elms would definitely not want the Elms family to continue

cooperating with the Banks Family,

so she came back in a hurry, it must be to block this cooperation.

So he hurriedly said: "Dad, there are only a few hours left before departure.

Let's hurry up and prepare.

Have all your things packed up? If they are not packed, I will arrange for someone to go there and give it to you.

You help!"

Lord Elms (Wilfred) said: "I'm almost done packing,

you can go to work first, I have something to talk about with Kairi Elms."

said in a hurry: "Dad, don't take too long. We can't afford to delay the Banks Family.

We have said that we will start at ten o'clock,

and I estimate that the car will start loading at seven or eight o'clock."

Lord Elms (Wilfred) knows what Yoel said

He is afraid that he will change his mind after talking with his daughter Kairi Elms .

Lord Elms (Wilfred) is indeed very guilty for his daughter Kairi Elms , but he is also very clear that he cannot change his mind at all,

because this is of great significance to the Elms family.

As the head of the Elms family, he is not allowed to be inspiring.

So he said to Yoel: "You should prepare, or start loading your luggage at eight o'clock as planned,

and the whole family will leave on time at ten o'clock."

Yoel was relieved when he heard this, and said with a smile:

"That's OK, Dad, I'll make arrangements now."

Kairi Elms did not speak on the side, but he also heard some subtleties in the dialogue between his father and elder brother.

He smiled helplessly and thought to himself: “Dad seems to be unswerving to cooperate with the Banks Family now.

His old man has always said what he said, but I’m afraid that after waiting ten minutes, he will personally break his own set of people who insisted on his promise...”
