The Amazing Son In Law (Charlie Wade) 2839

I discovered this time that we are nothing more than frogs at the bottom of the well.

The so-called four big martial arts families are just four small groups of self-righteous students among elementary school students.

A master of, turning his hands into the clouds and turning his hands into the rain is far beyond our reach!"

Lord Elms (Wilfred) couldn't wait to ask: "Kairi, tell your dad,

what adventure did you have when you went to Aurous Hill this time?!

Who is that Young Master Wade?! Could it be that he helped you realize Ren Mai?!"

Kairi Elms nodded, and said, "Dad, the strength of MR. Wade is unfathomable!

And the luckiest thing is that a man with magical powers like MR. Wade would take the initiative to cooperate with our Elms family!

This is for us Elms family. , Is the real perfect opportunity!"

Lord Elms (Wilfred) was impatient and asked: "You haven't said how Master Wade made you improve so fast!?"

Kairi Elms said with emotion: "My daughter is fortunate to have received a god pill from Master Wade.

After taking it, the second channel of Ren Du has been greatly improved.

Not only that, but I feel that my body is much stronger than that.

It has risen more than one step before!"

"God pill?!" Lord Elms (Wilfred) was silly, and blurted out with a face full of disbelief:

"Our ancestors of the Elms family for hundreds of years have exhausted all kinds of methods to search for the

best medicinal materials in the world, and even some of them will be I am soaking in the medicine jar, but there is still no one who has a great success in the veins. What kind of magical pill can have this magical effect?"

Kairi Elms took out two seemingly unpredictable pills from his pocket, handed them to Lord Elms (Wilfred), and said,

"Dad, these two are the god pill I said.

It was Master Wade who asked me to bring it back to you.

Master Wade said. If the Elms family agrees to cooperate with him,

he will provide the Elms family with five divine pills and a salary of 100 million yuan each year."

Lord Elms (Wilfred) took the pill with both hands,

feeling terrified in his heart, and blurted out:

"Is this magic pill really that god?!"

Kairi Elms pointed to herself and said seriously, "Dad, don't you think I have become a master of the pulse?

If you don't believe it, you can take one to try the effect."

Lord Elms (Wilfred) was eager to try and blurted out:

"If this god pill really has such a powerful effect, then

the Elms family will definitely look forward to this young Master Wade in the future!"
