## Chapter 2951

Isaac Cameron realized that the matter might be a bit serious, and hurriedly arranged for his subordinates to follow along.

The monitoring at the entrance of Shangri-La is very complete, it can be said that there is no dead angle coverage of 36 degrees.

So Isaac Cameron's men quickly found the license plate number of the taxi through surveillance video.

Immediately afterwards, they immediately found the taxi that was pulling work in the urban area through the city's taxi positioning system.

In order to form an absolute deterrent to the taxi driver, Isaac Cameron specially transferred Caesar from Don Albert, and asked Caesar to come forward and talk to the taxi driver.

The taxi driver didn't expect it. It even alarmed the four heavenly kings under Don Albert's hands, and at the same time he was shocked and frightened, he immediately remembered what he could remember. All of One Five One Ten are retelled.

Mai and Mike, the grandparents and grandsons, talked about this Felix year on the way to Phoenix Mountain.

At that time, the two didn't care too much about the taxi driver, after all, they didn't talk about anything that was prohibited or sensitive.

And they also feel that it is impossible for a taxi driver to talk to Banks's family. And what does it have to do with that master Felix.

But they didn't even dream that Charlie found the driver along the way.

Therefore, the driver told Caesar that the two people in the car, one old and one young, talked about Felix all the way. He said that he was going to Phoenix Mountain to meet the person named Felix, and he also said something about metaphysics. People don't understand things, so the driver doesn't take it too seriously.

When these words reached Charlie's ears, Charlie first hit a question mark in his mind.

"Felix?"

"I've been in Aurous Hill for so long. I haven't heard of this person before. Could it be that he also came from outside?"

Thinking of this, Charlie called Orion Exeor again.

As soon as the phone call, he said politely: "I'm sorry MR. Exeor, I still have someone, I want to ask you about it."

Orion Exeor smiled and said, "Speaking of Master Wade, the old man will know everything!"

Charlie asked, "I wonder if you have ever heard of a person whose name is Felix."

"Felix?!" Orion Exeor's voice suddenly increased by nearly an octave, blurting out: "How can Charlie have anything to do with this person?!"

Charlie frowned. Asked: "MR. Exeor, do you know him?"

Orion Exeor replied truthfully: "I can't talk about acquaintance, but this person has long been notorious. Basically, everyone in the overseas feng shui metaphysics circle knows him."

"Oh?" Charlie asked curiously: "What is this person's background?"

Orion Exeor said: "He is one of Jamal Gibson's three true disciples!"

Charlie frowned: "Jamal Gibson? What is it for?"

Orion Exeor explained: "About forty years ago, there was a well-known Feng Shui metaphysics master named Jamal Gibson in Hong Kong."

"No one knows where he came from, only knowing that he had just made his debut, and he relied on his ability. He has gained a firm foothold in Hong Kong."

"After that, he started to establish sects and recruit disciples. For a while, he was in the limelight. Many Hong Kong rich and Big brothers were his disciples..."

"I have met this person several times, and I have cooked wine and talked with him about the ancient and modern times, so I know him better. This person is very good. He is not only good at ventilation and water mystery, but also proficient in Gu technique metaphysics. I am very capable. Got it!"

"It's not like our feng shui master, who only knows the techniques of feng shui mystery and I Ching gossip, but is not proficient in gu techniques and the killing methods such as lowering the head."

Orion Exeor said this, and went on to say: "The Felix year went to Jamal Gibson about thirty years ago. I met him when I visited Jamal Gibson in Hong Kong thirty years ago."

"Oh?" Charlie asked very curiously: "Since this Jamal Gibson is famous, how can Felix as his apprentice be so notorious?"
