

The Amazing Son In Law (Charlie Wade)

Chapter 3067

Don Albert asked, "Master Wade, how many people do you want? What are your requirements?"

Charlie said, "People. It's all men, and you want the kind of burly guy who often practices fitness and is full of tendons. It would be great to have scars on his face and neck. As for the number of people, two to three hundred are the lowest. The more the better."

Don Albert asked with a look of surprise: "Master Wade, are you trying to lead people to fight with others?"

"No." Charlie waved his hand and said, "I want them to pick up the plane at the airport."

"Pick up?!" Don Albert was confused, and didn't know what medicine Charlie sold in his gourd.

However, Isaac Cameron on the side immediately understood, and he couldn't help but smile and said, "Master, are you planning to help the gangster on the road to pick up Rishab as a fan?"

"Yes!" Charlie said with a smile: "Do you like pomp? Then make this pomp a bigger one for him!"

Talking. Charlie informed the two of his detailed plans.

After listening to Isaac Cameron, he was shocked and said with a smirk: "Master, your way of doing things is too bad. If you do this, I think Rishab will definitely have to retreat... .."

Charlie smiled and said: "He'd better leave the circle obediently. Otherwise, even if he doesn't take the initiative to leave the circle, I will find a way to get him out of the circle."

With that said, Charlie said with a somewhat contemptuous expression: "I will never allow this kind of rubbish to appear at the concert on the day of my birthday."

...

Two hours later, a private jet landed at Aurous Hill Airport.

As soon as the plane landed, it was taken directly to the hangar by the guided vehicle.

Rishab's makeup artist just helped him with his makeup.

At this time, there was a Toyota Coaster parked next to the plane, which was a shuttle bus specially used to pick up and drop off VIPs at the airport.

However, Rishab was not in a hurry to get off the plane, but while looking in the mirror and checking his makeup, he asked Simi: "Check with that Wandy to see if the fans are in place."

Simi hurriedly agreed, and then sent a video call to Wandy.

Wandy quickly connected, and when she saw Simi, she smiled and asked, "Miss Simi, has Mr. Rishab landed?"

Simi nodded and said, "We have landed, but we are still in the hangar and haven't left. I want to ask if you are ready there?"

Wandy hurriedly switched the camera for the video call and used the rear camera to take pictures of the three hundred courtesy ladies at the exit of the airport arrival hall, and said, "Look, Miss Simi, our people are already in place, and I specially asked them to temporarily prepare banners, and the slogans have been aligned with them, and they will definitely build up the momentum at that time."

Rishab leaned over and took a look, and found that there were indeed a large number of young and beautiful girls who were clustered near the arrival gate of the airport, and the formation was indeed very strong.

So, he breathed a sigh of relief and said with satisfaction: "Since everything is ready, we will pass now and arrive in about ten minutes."

Wandy blurted out: "Okay Mr. Rishab, we are waiting for you in the arrival hall."

Simi hurriedly asked: "Miss wandy, are you in the arrival hall of the main terminal? Don't make a mistake!"

Wandy pointed the camera at the sign of the airport and said seriously: "The main terminal is the arrival hall. It's just after the luggage carousel. Don't worry, you can't go wrong!"

"That's good." Simi was completely relieved.

After hanging up the video, she said to Rishab: "Master, we can get off the plane!"

Rishab was in a bad mood along the way.

However, just after seeing the hundreds of courtesy ladies in Wandy's battle in the video, his mood instantly improved a lot.

To be honest, he has never done anything less to buy fans to pick up the phone before, but he has never been able to buy so many high-quality fans once.

In the past, this kind of thing was done in cooperation with the group leader. The group leader had the resources of some extras, and the women who were recruited were all kinds of. But good-looking and good-bodied people are in the minority after all.

But this time is different. This time, the girls who came here were all those slender and beautiful temperament girls who were taller than 1.68 meters, and one or two of these girls were inconspicuous. But if one, two hundred, two or three hundred are put together, the visual effect will definitely explode!
