

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3216-3217

Hearing Angie's question, Charlie was a little surprised for a while.

This was the second time Charlie heard that, others asked him if he wanted to go to the United States to find his grandparents.

And the last one who asked herself that was Stefanie Sun.

So Charlie told Angie what he had said to Stefanie Sun before, showing that he didn't want to disturb his grandparents who hadn't seen each other in 20 years, or even hadn't seen each other a few times.

Angie heard this, although she understood it deep in her heart, she could still tell from her expression that she felt somewhat sorry for Charlie.

After hesitating for a moment, she said seriously: "Charlie, in fact, for so many years, not only you have been searching for the truth about the murder of your parents, but your uncle and I have been trying every means to investigate when we were looking for you.

The man behind the incident was clear, but for so many years, we have not found any meaningful clues.

Therefore, your uncle and I think that there must be a very powerful man behind this incident, pushing and trading everything.

, If you want to find them by your own ability, I am afraid it will be very difficult."

Orrin Sun also nodded at this time and said, "Charlie, although on the surface, today's society has been integrated globally, when it comes to classifying, the barriers between each class are far beyond your imagination."

"In our country, there are only four or five top families. Even if other families are rich, they cannot be integrated into the circle of top families.

There are many secrets, many special channels and resources, only these few Only the top families can know and master.

This is only in the country. If you look at the whole world, the real top families are those three. Many secrets are only known by these three families.

Many things are possible only with these three families. The investigation came out."

"Who killed your parents? Your grandfather and grandmother probably knew the answer long ago.

Even if they didn't know, if they used their resources, they would surely be able to investigate and find out. So, if you can be with your grandparents If you recognize each other, this mystery may be solved immediately."

Angie also agreed very much and said: "Yes, Charlie, your uncle is right. It's even possible that your grandpa and grandma have already helped your parents get revenge.

If that's the case, you are still thinking about investigating here. Finding out the truth about what happened in the past and finding out the murderer of your parents is probably a useless effort.

Anyway, first recognize your grandpa and grandma, and then confirm this with them is the safest thing."

Hearing this, Charlie was silent for dozens of seconds, and said: "Aunt and Uncle , I understand your truth, but I am not yet mentally prepared for this.

Let me consider this matter again. Think about it."

Angie nodded and said seriously: "Charlie, if you get to know your grandpa and grandma as soon as possible, there is another big advantage, that is, the powerful resources of Anjia.

If Anjia is willing to help you, it will not help you. Getting on the horse is so simple, they can even save you 20 years of fighting."
