

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3460 )

Originally in Charlie's plan, as long as he went to Yeling Mountain to worship the ancestors early in the morning of the Qingming Festival on April 5th.

After attending the ancestor worship ceremony, he returned directly to Aurous Hill, and there was no need to have too much contact with the Wade Family.

However, since Stephen Thompson wants him to go there soon, it doesn't hurt to go there soon.

Although Charlie was a bit repulsive to the Wade Family, he still trusted Stephen Thompson very much.

When Charlie and Isaac Cameron came to the entrance of the VIP lounge together, Zara banks was standing in the corridor calling. She saw Charlie coming, and the two of them met each other. Charlie saw that her brows were frowning, and there seemed to be something. Thoughts.

Immediately, she said to the phone: "Grandpa, I have something wrong now. I will contact you again after the press conference."

After speaking, he hung up the phone and said respectfully to Charlie: you are here."

Seeing that her condition was wrong, Charlie asked, "Miss Banks, what happened?"

Zara banks hesitated for a moment, then plucked up the courage to ask: "Benevolence, can I have a few words with you alone?"

Charlie nodded, and said to Isaac Cameron: "Isaac , you go in first and I will talk to Miss Banks."

Isaac Cameron hurriedly said: "Master, the next few lounges are empty. Today the venue is cleared. You and Miss can find a lounge to discuss in detail. Anyway, our press conference will not start until half an hour."

"Okay." Charlie turned to Zara banks and said, "Miss banks, let's go to the lounge inside."

Zara banks nodded quickly: "Okay."

Charlie and Zara banks came to the innermost lounge, and as soon as they entered the door, Zara banks said anxiously: I saw a CNN press release two days ago in the morning. They said that the world's top The Mercenary Organization Wanlongdian suffered a great defeat in Syria and lost thousands of people. It was the leader of an opposition organization called Hunter (Hamid) in Syria that caused huge losses. I want to ask you, my father. Is it right at Hunter (Hamid)'s base?"

Charlie nodded and admitted generously: "Yes, your father is indeed with Hunter (Hamid)."

With that said, Charlie asked in surprise: "It has been several days since this incident, did you just get the news?"

Zara banks said: "This incident is basically not reported much in China, except that the situation in Syria is relatively turbulent. I found it on an overseas news website this morning..."

After speaking, she asked nervously, "Men, my dad will not encounter any danger in Syria, right?"

Charlie said lightly: "It's okay, don't worry too much, Hunter (Hamid)'s defense is still very solid, and your father's personal safety is absolutely guaranteed."

Zara banks blurted out: "But I heard... I heard that the Wanlong Temple has reached an agreement with the Syrian government to help them eliminate the opposition forces from all over Syria, and then establish their own mercenary base in Syria. In this case, they will spare no effort to eliminate that Hunter (Hamid)..."

For Zara banks, although she was quite critical of many of her father's practices, after all her blood and family relationships are here, so after learning that the situation in Syria is critical, what she worries most is her father's safety.

When Charlie heard this, he couldn't help but asked curiously: "Where did you hear that Wanlong Palace is going to set up a mercenary base?"

Zara banks hurriedly said: "I called Grandpa just now. I wanted to ask him how he knows Syria and the Wanlong Temple. After all, it was the first time I heard about the three words Wanlong Temple. It was him. Tell me this."
