

The Amazing Son In Law (Charlie Wade)

Chapter 3462)

Zara banks looked at Charlie's unwavering eyes and sighed deeply.

At this moment, she felt a bit of guilt deep in her heart.

In fact, she also knew that Charlie was telling the truth. If it weren't for the face of her and Xion, her father Zayne would not have the opportunity to live in Syria.

Being able to go to Syria is already Charlie's openness to him.

At this time, I was begging Charlie to take a step back, which was indeed a bit too much.

Therefore, she said to Charlie with great ashamedness: "I'm sorry, my benefactor, I was wrong. When you made this decision, I accepted your three-year agreement. I shouldn't come to you again at this time. Take a step back..."

Charlie waved his hand and said indifferently: "After all, he is your father. It is natural for you to beg for him."

After all, he checked the time and said, "Okay, let's stop here. The press conference is about to begin, and you have to prepare."

"Okay!" Zara banks nodded, and said, "I'll go over the speech with Miss Ito again."

At this time, Charlie was also secretly thinking: "It seems that I have to go to Syria again in these two days!"

Charlie felt that going to Syria by himself was simple.

He could still use the method of opening the umbrella at a low altitude last time, and I believe he would be able to easily bypass the Wanlong Temple.

However, if he wanted to bring Zayne out surrounded by more than 10,000 people, it would definitely not be an easy task.

So, go there early and prepare more time to see if there is a good way.

Otherwise, if the ancestor worship ceremony is delayed and Zayne can't let Zayne go to his parents' grave and kowtow to admit his mistake, how should I explain to my parents?

Moreover, Charlie was somewhat worried as to whether Hunter (Hamid)'s defense could withstand the attack of 10,000 or 20,000 soldiers in the Wanlong Palace.

If after a period of time, the Wanlong Palace sees that the siege is unsuccessful and becomes red eyes, and is willing to pay tens of thousands of people with the government to kill Hunter (Hamid), then Hunter (Hamid) may not be able to stop it.

So I go as soon as possible to determine both things, so as not to have more dreams in the future!

...

Charlie and Zara banks came to the VIP lounge together. Ito Nanako, Jasmine, and Ziva Hank were all sitting on the sofa at this time.

Nanako Ito was holding a few manuscripts and was communicating with Ziva Hank. Seeing Charlie coming in, there was a burst of joy in her eyes. She quickly stood up and said with a smile: "Charlie-jun, you are here!"

Charlie gestured to her with a slight smile, and Ziva Hank also stood up and said with a little nervousness and shyness: "Mr. Wade, you are here..."

Seeing Charlie, Jasmine also got up and said respectfully: "Master wade, you are here!"

Charlie smiled and nodded to a few people, and said, "You will be working hard later, take care of this conference. Let's Yisu Shipping, two beautiful shareholders, one beautiful CEO, and another. Beautiful strategic partners, you four beauties can take out one at random, all of them are like a beautiful country. I believe today's press conference will definitely make people impressed!"

Jasmine couldn't help smiling and said, "Master wade, you are too good at us. If you want to say that the country is beautiful, they are all three. I am old, and I can't afford these four words... and I am today. The three of them are the protagonists who come to make soy sauce."

Nanako Ito said immediately: "Sister Jasmine, you are too modest. Of the three of us, you are the most feminine. If you really want to say that the country is beautiful, I think you are the only one!"

Jasmine couldn't help laughing: "Oh, Nanako, you've been in China for these days, and you haven't learned anything else, but you can learn how to speak scenes!"
