

The Amazing Son In Law (Charlie Wade)

Chapter 3510)

When they left Hunter (Hamid)'s headquarters together, Hunter (Hamid)'s adjutant had also brought the five-flowered Zayne out of the bunker.

The war had been going on a few days ago, and Hunter (Hamid) was afraid that Zayne would mess up or run away, so he ordered someone to tie him up.

It was also because of the war that I searched for the bunker that was kept in the dark, and had not seen the sun for several days. The whole person looked very decadent, pale and bloodless.

At this time, there was only one round of sunset left outside, and the golden sunlight spread on Zayne, making him feel like a rebirth.

Under the stimulation of the light, he did not see Charlie clearly, but faced the setting sun, feeling the warmth of the sun shining on his body, and he was full of emotion in his heart.

In the past, he never dreamed that, as the son of banks's family in a rich and enemy country, he would one day fall to the point where he even felt very extravagant when he saw the sun.

Before he could enjoy it for a few seconds, the adjutant behind him urged: "Go faster! Mr. Wade is still waiting!"

Upon hearing the three words of Mr. Wade, Zayne felt a panic in his heart. After turning his head, his eyes adjusted to a few seconds before he saw Charlie with a smile not far away.

Seeing Charlie's face smiling and bathed in golden sunlight, Zayne couldn't help but shudder, and he thought to himself: "This kid looks handsome, he looks even more harmless when he has a smile on his face. , But who would have thought that this grandson could do such a f*cking thing, throwing me into this shabby place and suffer so much..."

From this point alone, this kid is not as good as his old dad bruce, bruce could Not as bad as him..."

While muttering in his heart, Zayne was already brought to Charlie by the adjutant. Charlie looked at him and asked with a smile: "Mr. banks, how do you feel during this time?"

Zayne said with a sad face, "Charlie, just let me go back...This place fights every day, and it really can't stand it... Even if you throw me to Changbai Mountain, it's safer than here..."

Charlie waved his hand: "You don't have to worry about this. Mead is ready to negotiate with the government army. When you come back after Qingming Festival, there will be no more wars here."

After listening to Zayne, he didn't know whether he should be happy or sad.

Charlie checked the time and said, "Let's go, Mr. banks, it's late at night in China, let's hurry up and leave, and we will be able to arrive in Aurous Hill early tomorrow morning."

Zayne hurriedly asked, "Can I meet Zara and fitz when I return to Aurous Hill?"

Charlie waved his hand: "Your son kowtows his head all the way to the Jokhang Temple to atone for your father. Your daughter has been busy with work recently and shouldn't have time to see you, but if you really miss your relatives, I can arrange for you and your brother temporarily. See you, you brothers can get together after you arrive."

When Zayne heard this, he blurted out and asked, "My brother?! You mean...James?!"

James has been missing for a long time.

Zayne knew that James must be in Charlie's hands, but he didn't know where he hid James.

When Charlie said that he wanted to go to Aurous Hill to reunite with his younger brother, he couldn't help but exclaimed, "...he has been in Aurous Hill all the time?"

"Yes." Charlie said lightly: "My friend has a kennel in Aurous Hill. In addition to keeping some fighting dogs, there are occasional people."

Zayne couldn't help but shrunk his neck, and said in his heart: "The kennel occasionally raises some people, is this what the f*ck is talking about?"

"In addition, you asked me to meet with James, do you want to throw me into the kennel too?"

"I have suffered so much in this ghost place, and I finally went back. It was just such a time of worship. Wouldn't it allow me to eat better and live better?"

However, even though he had a lot of complaints in his heart at this time, he didn't dare to say anything more. He knew very well that he had no initiative in front of Charlie.

Therefore, he could only say angrily: "Everything is subject to Mr. Wade's arrangements..."

Charlie nodded: "Let's go, I have to go to Beirut to catch a plane."

Charlie took Chen and Zayne into Said's helicopter. After that, he waved goodbye to Hunter (Hamid) and Said. The helicopter took off quickly and rushed to the Lebanese capital Beirut.

At this time, Lord Wade's subordinate Anthony was already waiting anxiously in Beirut.
