

The Amazing Son In Law (Charlie Wade)

Chapter 3518)

Just now, I had an analysis with the Hogwitz family and his son and concluded that the person who came would not be James of the Banks Family. At this time, it really looked like a dog.

He never dreamed that the “new neighbor” brought in by Don Albert’s men would turn out to be his elder brother Zayne!

Steve Hogwitz on the side was a little disappointed.

He was looking forward to it just now, and it was his elderly mother who would walk over the red carpet.

As a son, it is indeed a bit unreasonable to look forward to this in my heart.

But Steve also knew very well in his heart that now, except for his mother, he was afraid that no one would be able to rescue himself and Walter.

Moreover, it is useless for a mother to ask the Rothschild family. After all, her own name is not Rothschild, and her mother has no place in front of the Rothschild family. People will not care about the life and death o

f herself and her son.

The only possibility for the Rothschild family to take action is that the mother was also caught by Charlie.

But now it seems that this hope is completely lost.

So, he couldn’t help but ridiculed James, curled his lips and said: “Old banks, in the words of your Chinese people, you are a f*cking crow’s mouth!”

James chuckled twice and ignored him.

Now James, there is no time to quarrel with him, he is still immersed in the shock of seeing his elder brother Zayne, unable to extricate himself.

Of course, apart from shock, James’s heart at this moment can’t help but feel a bit mixed.

Fortunately, he and Zayne have not been able to deal with each other. Originally, when he was locked up here, what he thought about most every day was that it was completely cheaper for Zayne to come in. This made his heart very unbalanced, but now Zayne Like himself, he became a prisoner, and he was a standard hard brother.

The worry is that even the eldest brother Zayne and I have been caught here, it proves that the Banks Family has no resistance at all in front of Charlie and this guy. If you want to leave here, it is even more hopeless...

When Steve saw Zayne, his whole body collapsed.

He doesn't know Zayne, but since the person who came is not his own, it proves that his family is not looking for himself or has not found the right clue.

As a result, I don't even know when and how long I can leave here.

At this time, Don Albert strode over and said to James with a smile on his face: "James, you have been here for a while and have not been in contact with your family. Now your eldest brother is here to accompany you. Are you happy?"

When James saw Don Albert, although he hated Don Albert, he respectfully followed Don Albert's words and said, "Happy...happy..."

"Grass..." Don Albert frowned and pointed at James, and said disgustingly: "You are really unkind as a brother. You are still happy to see that your brother is also a prisoner now?"

James's expression became extremely embarrassing in an instant, and he thought to himself: "If I f*cking say unhappy, you must scold me for taking your kindness as donkey liver and lungs. You old rascal's behavior style, I f*cking figured it out a long time ago. ..."

Wanting to understand this level, James simply lowered his head and pretended to be counseled, and did not answer Don Albert's words.

How could Don Albert let him go so easily. He immediately stepped forward, knocked on the iron railing with a rubber stick, and coldly questioned: "What? Your James's wings are hard now? Why don't you tell me if I talk to you? Pay attention to me?" "No, no..." James shuddered in fright, and quickly said: "Don, you blamed you just now. I am reflecting on myself. Seeing my brother appear here, I must be unhappy in my heart..."
