

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3547 )

After finishing speaking, he looked at Stefanie Sun and Stephen Thompson again, and blurted out angrily: "Miss Stefanie and Stephen, you must have seen what Charlie did just now. Have I wronged him?"

Jon Wade is not a reckless man. The reason why he wants to say this is to let Stefanie Sun and even Stephen Thompson hear him.

Jon Wade felt that Charlie did take the initiative to touch Helena's finger just now, and he buckled this shit basin for him, and he had to continue without picking it up!

Stephen Thompson was somewhat embarrassed. He didn't know why Charlie did this, but Stefanie Sun said firmly, "Jon Wade, don't bite with a dog! My brother Charlie's ability, you don't even know! He said that if Miss Helena bit her right middle finger at a critical moment, then there must be his reason!"

"There's a reason for a fart!" Jon Wade snorted coldly: "I think you are fascinated by him! I advise you to keep your eyes open!"

Stefanie Sun said angrily: "Don't talk nonsense, you don't need to worry about my business!"

Charlie didn't feel angry at Jon Wade's performance at all, and just said indifferently: "Okay, don't yell like a shrew here, I'm done. As for how you think it's your freedom. If nothing else, I will leave first."

Jon Wade screamed: "You stop me! You haven't given me a reasonable explanation for this matter yet!"

Charlie smiled and ignored him. Instead, he looked at Helena and asked her: "Miss Helena, do you think I need to explain in detail?"

When Helena heard this, she suddenly shook her head nervously and said, "No need, no need."

After speaking, she turned to look at Jon Wade and said firmly: "I believe Charlie did it out of good intentions. He is definitely not what you think."

"I..." Jon Wade almost fell over in a breath.

He never dreamed that Helena would actually help Charlie to speak.

Although he couldn't figure out the reason, since Helena had said so, if she still held onto it, it would appear that she was making use of the question. If she went to the grandfather to file a complaint, she would not be 100% reasonable.

So, he could only nod his head and said coldly: "Okay! I won't pursue this matter for the time being!"

After that, he looked at Charlie and said in a bad tone: "Charlie, grandpa said, you have been wandering for so many years, and you just returned to Eastcliff today. You must go back to Wade's house first. The team is already here. Come back with me. Bar!"

Charlie snorted: "Heh... I'm sorry, go back and tell him that I will go to Wade's house tomorrow."

After saying this, he looked at Stephen Thompson again and said with some respect: "Stephen, please help me with your hard work. I will go to Uncle sun's house today, and I will be there tomorrow morning."

Stephen Thompson didn't dare to say more, he nodded respectfully, and said, "Good Master , I will give back to Master."

"Yeah." Charlie nodded slightly, and said to Stefanie Sun who was beside him: "Stefanie, let's go."

Stefanie Sun immediately agreed: "Good Charlie!"

After speaking, he immediately pulled Charlie and turned to her Volvo.

Jon Wade sullenly shouted behind him: "Charlie! You have to figure out that if you don't go back with me, it's Grandpa who rebelled against me!"

Charlie said without looking back: "Love whoever!"

After finishing speaking, he pulled Volvo's co-pilot away and sat directly in.

Stefanie Sun started the car, kicked the accelerator, and the car drove out of the gap between the two Rolls Royce...
