

The Amazing Son In Law (Charlie Wade)

Chapter 3562)

Charlie didn't expect that Angie also specially prepared a suit for herself.

When he was wondering, Orrin Sun on the side smiled and said: "Your Aunt was afraid that when you came to Eastcliff, you didn't prepare a suit, so I specially asked London's best tailor-made suit master to make one for you."

Charlie thanked: "Thank you Aunt !"

Angie smiled and said: "What are you being polite to aunt? I estimated the size of the suit and gave it to the past. I don't know if you are wearing it. Come and try it."

At this time, Stefanie Sun, wearing a one-piece and nightdress, also walked out of the room with a yawn, and said with a smile: "Charlie, the suit my mother ordered for you is very handsome. It is said that many prime ministers and presidents in Europe and North America, They are all regulars of that master! Go and try!"

Charlie's enthusiasm was difficult, so he followed the mother and daughter to the independent cloakroom upstairs.

The walk-in cloakroom of the Sun family, which is larger than the normal bedroom, is at least more than 40 square meters. Angie took Charlie to the full-length mirror on the whole wall, and then took out a new black suit from the closet next to it.

Stefanie Sun took out an ironed, unwrinkled white shirt and a tie from the closet on the side.

Angie handed the suit to Charlie and said with a smile: "Charlie, try to see if it fits."

Charlie said with a bit of embarrassment: "Auntie Angie, can I try on clothes if I have a room available?"

Stefanie Sun hurriedly said: "Mom, you go out first, otherwise Charlie will be shy, I'll help him change clothes here."

Charlie said helplessly: "Stefanie, I can do it by myself, or do you avoid it first?"

Stefanie Sun curled her lips and said, "I am considered your child bride, and I have to avoid it if I change my clothes..."

Charlie blurted out: "How come you become a child bride..."

Stefanie Sun said earnestly: "I have been betrothed to you since I was a child. What's the difference between this and Yang's daughter-in-law?"

Angie smiled at the side and said: "After you have done it, don't tease Charlie, let's go out first, let Charlie change by ourselves before we come in."

Looking at Charlie, Stefanie Sun smiled badly, took the tie off his shirt, shook it in her hand, and said, "Charlie, I'll tie the tie for you later."

After speaking, he went out of the cloakroom with his mother.

...

At the same time, Helena, who was in Shangri-La, had also gotten out of bed.

Last night, because she was always worried that she would have an incident, she didn't rest the whole night.

At first, I couldn't fall asleep for a long time, and finally fell asleep, but I always had various nightmares, and I slept intermittently for less than two hours.

She was in poor physical condition, and she didn't have enough rest these days when she came to China, and her physical condition was even worse. Therefore, the suffering of last night made her worse.

When she got up, she felt that her heartbeat had been accelerating uncontrollably, almost out of control.

She hurriedly took out a nitroglycerin tablet and put it under her tongue to swallow it, only then did she feel a little better.

However, the state of the whole person is still extremely poor.

Thinking of being at Wade's house almost all day today and tomorrow, Helena couldn't help wondering whether her body could survive.

But she also knew that even if she couldn't make it, she would have to hold on, and whether her mother could depend on her old age basically depended on her own.
