

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3579 )

Stephen Thompson said with great surprise: "Really?! That...that's really great!! With the strength of Master Charlie, given time, he will definitely become the head of the Wade Family!"

Orrin Sun solemnly nodded his head: "As you said, charlie becoming the master of the Wade Family is only the first step. To avenge and lead the Wade Family to the top of the world is the ultimate goal! Orrin Sun will also devote himself to it. Do everything I care for the family and lift the sedan chair for charlie!"

Hearing this, Stephen Thompson immediately knelt on one knee, and said with gratitude: "Mr. sun, you are very loyal to Young Master bruce, please be respected by the whole world!"

Orrin Sun hurriedly helped him up and said in earnest: "You don't have to give me this big gift in the world, you and I will be comrades and comrades-in-arms in the future! We must work together, meet the inside and outside, and clear all obstacles for Charlie to inherit the Wade Family!"

Stephen Thompson nodded his head: "The Four Seas understand! This is what I have been waiting for for the past twenty years!"

Orrin Sun nodded and smiled, and said, "Okay! With your words, I'm relieved!"

After that, he said again: "charlie is ready, you should go in with me first."

"Good!" Stephen Thompson followed Orrin Sun and stepped into the sun's villa.

Seeing Charlie, Stephen Thompson said with surprise on his face: "Master, you are so energetic in your outfit today!"

Charlie smiled slightly: "By the way, didn't you say that your relatives would go to the house before nine o'clock? Why did you temporarily change it to half past nine?"

Stephen Thompson said awkwardly: "There was an emergency, so the master delayed the time by half an hour."

After all, Stephen Thompson said again: "It was Princess Helena who had a heart attack and was sent to the hospital. It was finally considered that she was out of danger."

Stefanie Sun exclaimed: "Huh? That Helena really had a heart attack?"

Stephen Thompson nodded and said, "Yes, and the situation was very dangerous at first. The doctor said that he would not survive for a few hours, but he was better afterwards."

Stefanie Sun looked at Charlie and said in surprise: "Charlie, you are too good! That Helena must have bitten her right middle finger, right?"

Charlie smiled and said, "If you don't see it through, you can't say it. It's boring to always say it so straightforwardly."

Stephen Thompson smiled and said, "I just noticed that Princess Helena's right hand finger has indeed been bitten. The young master is still very powerful, and the wonderful hand is rejuvenated!"

Orrin Sun and Angie were confused when they heard it. Angie couldn't help asking: "What are you talking about, why didn't I understand?"

Stefanie Sun smiled and said, "Mom, this is a long story. Let me tell you after I send Charlie back!"

Stephen Thompson also said, "Master, it's nine o'clock already, let's start quickly."

"Okay." Charlie nodded, and said to Stefanie Sun:, since Stephen is here, don't send me off, lest you toss."

Stefanie Sun immediately refused: "No! Then I want to go too! It's not far anyway!"

Orrin Sun opened the mouth and said: "Stefanie, today is the Wade Family meeting with foreign relatives, not outside or receiving other guests, so don't join in the fun."

Stefanie Sun pouted: "Then it's a big deal, I won't get off the bus when I get to the place, and I will send Charlie to wade's house, and I will directly follow our family's motorcade back."

Orrin Sun smiled helplessly: "Okay, since you are willing to toss, then go."

"Hehe." Stefanie Sun stuck out her tongue and hurriedly took Charlie's arm and said, "Charlie, let's go!"
