

The Amazing Son In Law (Charlie Wade)

Chapter 3607)

Yuhiko Ito smiled and said, "Nanako, you are the president of the Ito family. You don't need my consent to make any decisions."

Nanako Ito pursed her mouth, tears burst into her eyes instantly, and choked with sobs: . Charlie, he... is in trouble..."

"What?!" Yuihiko Ito exclaimed: "MR. Wade is in trouble? A person with such a supernatural power as MR. Wade shouldn't have any real trouble, right?"

Ito Nanako's tears were already out of control, and sobbed: "Charlie...this time... was approached by the world's top mercenary organization, Wanlongdian... It is said that the Wade Family and the Lord of Wanlongdian have a bloody feud, and the other party has gone now. The Wade Family seeks revenge..."

"Wanlong Hall?!" Ito Xiuhiko only felt dizzy in his brain, blurted out: "How can the Wade Family provoke the Wanlong Hall..."

Ito Nanako shook his head and said, "I don't know the specifics. I only know that Wanlongdian has already killed the Wade Family today, leaving more than a hundred coffins, saying that they are going to destroy the Wade Family..."

Ito Yuihiko asked her: "You urgently summoned all the ninjas of the four major families to go to Eastcliff to help MR. Wade?"

"Yes!" Ito Nanako resolutely nodded and said, "Charlie is kind to me. Now he is in trouble, I can't just sit back and watch!"

Ito Yuhiko said with a complicated expression: "But...the ninjas of the four major families are not the opponents of the Wanlong Palace..."

After speaking, Ito Yuihiko said again: "I still know a little bit about the situation in the Wanlong Palace. There are tens of thousands of elite mercenaries and more than a hundred top masters. This kind of strength, in addition to the world's top three families, any one The business family can't afford it, including us."

Speaking of this, Takehiko Ito paused slightly, and continued: "A few years ago, the Yamaguchi group had conflicts with the Wanlongdian in the Middle East for some illegal business. At that time, hundreds of members of the Yamaguchi group were subordinated to the Wanlongdian. The tactical team of less than twenty people killed all of them, and none of them survived. Since then, the Yamaguchi team, who is walking horizontally in the country, will detour when they hear the three words Wanlongdian..."

Ito Nanako blurted out: "dad, I can't take care of this anymore. In any case, I will try my best to help Charlie, even if I die in China, I will do my best!"

Looking at Ito Nanako's unwavering expression, he was silent for a while, then sighed and waved his hand weakly and said, "Go! Since you have decided, I will say no more, but there are two things to tell you."

Hearing this, Ito Nanako was delighted and hurriedly said, "dad, please tell me!"

Takehiko Ito said very seriously: "The first thing is that many so-called warriors are not truly brave, but people often say that they are fearless if they don't know. At that moment, don't let the ninjas of the four major families know who the enemy they are going to face this time, otherwise, I believe none of them dare to get on the plane."

Nanako Ito bit her lip and nodded heavily, "dad, Nanako knows!"

Ito Yuihiko nodded, looked at her with some dismay, and said lovingly: "The second thing, no matter what, You have to live! dad has already lost his legs. If I lose you again, my life will be no more. significance."

Ito Nanako burst into tears, and immediately knelt on the ground, took Ito Takehiko's hand, and choked with sobs: "Don't worry, Nanako will do her best!"

Ito Yuhiko didn't control his emotions either, and two lines of tears rolled down.

Afterwards, he looked at Ito Nanako and said with emotion: "No matter, Nanako, DAD will go to Eastcliff with you!"

Nanako Ito asked in surprise, "DAD, do you want to go too?"

Ito Yuihiko nodded and said seriously: "MR. Wade is so kind to the Ito family. Now that he is in such a big trouble, I should go and help!"

In fact, Ito Yuhiko didn't say anything. He looked at Ito Nanako and said in his heart: "Nanako, you are the only daughter of your dad. If you go to Eastcliff this way, you will die,
