

The Amazing Son In Law (The Charismatic Charlie Wade)

Chapter 3628)

Seeing Charlie suddenly kneeling on one knee, these old loyalists of Bruce back then stepped forward to help, and they were already in tears.

Among them, the oldest old man said with tears: "Master, you can't do it! We are all your servants, how can we receive such a gift from you!"

Charlie said firmly: "Everyone is my father's old ministry, and I can still appear here today. They are all kind to my Wade Family, Charlie is indefinitely grateful!"

The old man hurriedly said: "Master, this is what we should do! In fact, when the old Master had an accident, those of us who were not able to do our best for him by his side were our negligent duty! Over the years, we there is not a day without guilt and self-blame. Now that you finally come back, you can be regarded as giving us a chance to redeem our sins!"

Charlie sighed: "Everyone is serious!"

Immediately, he looked at Dean Zhang of the orphanage and said respectfully: "Dean Zhang, how are you doing?"

Dean Zhang hurriedly stepped forward and bowed respectfully: "Thanks for your concern, Master has been fine recently, but for so many years, I had to conceal your identity from Master for special reasons. Please forgive me, Master."

Charlie arched his hands and said: "Dean Zhang, you are serious. I know you have been protecting me secretly. For so many years, you have worked hard."

After speaking, Charlie looked at everyone again and said sincerely: "Uncles and uncles, you have worked hard!"

The old man said in a hurry: "Master, this is our business!"

Dean Zhang also opened his mouth and said: "Yes, Master! These are our own affairs. Almost all of our lives are given by Master Changying. After a while, Master Zhang can rest assured that if the people from the Wanlong Palace are killed, they must step on our dead bodies!"

Charlie hurriedly said: "You guys, don't need it! For today's matter, I will solve the matter face to face with the Wan Po Army in the Wanlong Temple. Uncles are here. You only need to guard the gate. Don't let other idlers wait to enter the mountain. As for the people in the Wanlong Palace, please be sure to let them in without any hindrance."

"How can this be done!" The old man immediately said anxiously: "Master, we are here today to fight the Wanlong Palace to the end!"

Stephen Thompson hurriedly stepped forward at this time and said, "Everyone, listen to me first! Master is absolutely sure to deal with the Wan Po Army, and you don't want to ruin the good deeds of Master. They go up the mountain!"

Everyone looked shocked.

Several people immediately stepped forward and repeatedly confirmed with Stephen Thompson.

Stephen Thompson said very firmly every time, and this made everyone had to accept this order.

They don't know whether Charlie is really sure to deal with Abbas, but since Charlie and Stephen Thompson have confirmed it several times, they can only do it.

Seeing that they were persuaded, Charlie once again arched his hands at everyone, and said: "You have worked so hard to stay here, and I will go up the mountain first."

After all, Charlie sat back in Stephen Thompson's car and continued to drive to the top of the mountain.

Charlie took the car all the way up the mountain, feeling full of emotion in his heart.

This is the second time he has visited Yeling Mountain, and it is of great significance to him.

On the top of the mountain at this moment, all the direct members of the Wade Family's family have arrived.

In addition, Don Albert, Isaac Cameron and Helena have also arrived.

However, the more than 700 people originally scheduled for the branch of the Wade Family almost ran away last night.

The only thing left is Lord Wade's younger brother, Cash Wade.

And Cash Wade's children and grandchildren have also fled overnight and returned to North America in the early hours of yesterday morning.

As for the other hundreds of people, they all ran home with stars and stars.

They knew that Wanlong Palace was only targeting Wade Family this time, and had nothing to do with these collateral branches of them.

In this case, how could they stay and share the troubles with the Wade Family?
