

# The Amazing Son In Law ( The Charismatic Charlie Wade )

## Chapter 3629 )

Charlie got out of the car, seeing that there were only so few people on the scene, he asked in a cold voice, "Isn't it said yesterday that more than 700 members of the Wade Family from all over the world came to participate in this ancestor worship ceremony? Gone?"

Lord Wade said embarrassingly: "Charlie, as the so-called catastrophe is about to fly, they know that we are inevitable this time, and naturally it is impossible to die with us. It is natural to leave overnight."

Charlie snorted and said lightly: "Who is the big list yesterday? Give it to me."

Uncle Corran Wade stepped forward somewhat depressed, and handed a thick roster to Charlie's hands, and said angrily: "Here! Look at it for yourself."

Charlie directly threw the roster to Corran Wade, and said coldly: "Immediately notify everyone on this who should have come but didn't come! If they don't show up within an hour, I will have to give them one by one tomorrow. Kneel down at your feet, three times and nine bows all the way to make atonement!"

Corran Wade suddenly didn't know what to say. Jon Wade on the side said with a sullen expression: "Charlie, okay... the old clothes and the old clothes are boring, and abbas will be there after another hour. It's here, and death is imminent. Do you still say such pretending words, does it make any sense?"

Charlie frowned and looked at him, and asked, "What? Didn't you get enough slap yesterday?"

Jon Wade took a few steps back in shock, and said angrily: "Go, go, I shut up, I shut up! It's only an hour anyway, I'm here to see how you solve abbas!"

Charlie didn't bother to pay attention to him, turned to look at Corran Wade, and said lightly: "Call one by one immediately!"

Corran Wade had no choice but to take out his mobile phone and call them one by one.

I made dozens of phone calls in a row, and no one can get through.

Corran Wade opened his hand helplessly: "There is no way, they are all turned off, and I believe they won't be able to turn on until tomorrow."

"Okay." Charlie nodded blankly, and said: "Then wait and see tomorrow these seven hundred people line up and kowtow up the mountain."

At this time, Orrin Sun also drove up the car after recounting the past with Bruce's old ministry.

As soon as the car stopped, the Orrin Sun family walked out of the car, and the Wade Family members were all stunned.

Lord Wade was most surprised. He asked Orrin Sun dumbfounded: "You... why are you here?"

Orrin Sun stepped forward and said respectfully: "Uncle Wade, Bruce is my eldest brother, and Charlie is my future son-in-law! How could I not come for such an important thing!"

Lord Wade's eyes were reddish, and he sighed, "You are loyal...you are righteous, and your uncle understands it! But this kind of thing is not a joke. I advise you to hurry back with your wife and children! In any case, the Wade Family can't do it. You drag into the water!"

Orrin Sun said firmly: "Uncle, what are you talking about! I am Orrin Sun, and you must be aware of it. I will never leave Yeling Mountain until this matter is resolved today!"

Lord Wade wanted to say something, but he hesitated for a while, and finally turned into a sigh: "Hey! Loyal! You are good! Chang Ying didn't see you wrong!"

Each of the Wade Family members is a little bit distressed. Corran Wade is very depressed. He and his son have been ignored by the old man since yesterday. Now even Orrin Sun can be praised by him. He is even more upset. Looking at Orrin Sun, he can't bear it. Resident complained: "Orrin Sun, you are also the Patriarch of the Sun family worth hundreds of billions at any rate. If you really come to help, why don't you even bring a helper? Just your family of three, how can you help?"

Orrin Sun said earnestly: "Big Brother Corran, I originally wanted to bring up all the people in the Sun family, but that would add chaos to Charlie, so I won't be superfluous."

Corran Wade curled his lips and said disdainfully: "Add chaos? The most fearful thing now is to add chaos! The Wanlong Palace will be up at eight o'clock. I really want to see just such a small number of people and how to deal with it."

Lord Wade glared at him and was thinking of reprimanding. Stephen Thompson received the report from the walkie-talkie and ran to Charlie and said, "Master, the people at the foot of the mountain said that there are a few cars that insist on going up the mountain, and that they are yours. What is the last name."

Charlie nodded and said, "It is indeed my people, let them come up."

"Okay!" Stephen Thompson immediately picked up the walkie-talkie and said, "Let them go up!"

Everyone in the Wade Family was a little surprised. They didn't expect Charlie to even find a helper.

At this moment, Brenden Wade whispered to Myles Wade and others around him: "I don't know what kind of helper Charlie can find!"

Jon Wade sneered and said with a black face: "What kind of reliable helper can he find? I think it is just like that Don Albert and Isaac Cameron, just a few soil buns from Aurous Hill!"
