

The Amazing Son In Law (The Charismatic Charlie Wade Chapter 3820)

Speaking of this, her eyes formed into two slits with a smile, and she held up a gold brick, dancing and saying: "But it's really shocking to change this 4 million into gold! This golden look is too Happy!"

Charlie nodded and said: "I originally wanted to change it to cash and bring it back, but after thinking about it, there is no precious metal reserve in my home, so I might as well keep these ten gold bricks as deposits at home. , Can carry inflation."

Elaine nodded repeatedly, and said in agreement: "Yes, that's right! Now housing prices are not rising, and stocks are falling like dogs, so the price of gold is stronger!"

As he said, Elaine looked at Charlie with a little embarrassment, and smiled: "Oh my son-in-law, you see that your mother has never played with gold bricks in this life. This thing is shiny and heavy. It feels pretty good, or you Give mom a piece and let mom be okay and have fun with it?"

Claire couldn't help crying or laughing, and blurted out: "Mom, who have you ever seen a gold medalist..."

Elaine took it for granted and said: "Didn't you listen to others? Everything is available! Just this big golden brick, it's okay to hold it in your hand as a dumbbell to keep fit!"

Charlie immediately smiled and said, "Mom, you are right, just hold it and play as a dumbbell!"

When Elaine heard this, she hugged the gold bricks in her arms with great joy, and said happily, "Thank you, my good son-in-law!"

Claire hurriedly said, "Mom, this is a reward from Charlie, so why don't you just follow along..."

Elaine grumbled dissatisfiedly: "Claire, this is a gift from Charlie to his mother, it is Charlie's heart, why are you always disappointed here..."

Claire said earnestly: "I'm not disappointed, I'm afraid you will fix some demon moth..."

Charlie persuaded Claire from the side: "Once Claire is done, let her play with her if she likes it, just leave it alone."

Elaine held the gold bricks and said to Claire: "Claire, Charlie doesn't have any complaints, so stop nagging here."

After she finished speaking, she rolled her eyes, looked at Charlie, and said with a smile: "Charlie...my good son-in-law...that...mother is going to discuss something with you?"

Charlie's routines for Elaine were already familiar. Before Elaine could go down, he asked her directly: "Mom, you want to say that it is not convenient to have only one dumbbell. You have to have two and one in each hand. Is it suitable to exercise?"

Elaine slapped his thigh, and said excitedly: "My dear son-in-law, you still know me best! You said this dumbbell, isn't it all paired with each other? It's called fitness by alternating hands one by one up and down. If I only have one, maybe one arm will be thick and the other will be thin..."

Charlie nodded, and directly picked up a gold brick, stuffed it into her arms, and said cheerfully: "Come! Take it! Take both of you! It's all for you!"

Elaine was very happy, with a gold brick in one hand, happily sitting on the sofa and shaking like a tumbler.

Seeing her like this, Claire was helpless or helpless. In the end, he could only say a word to remind: "Mom! You can't secretly sell this gold brick!"

Elaine quickly agreed and said, "Oh, don't worry, I will never sell!"

Claire sighed and said to Charlie: "Husband, I suggest you go to the bank to rent a safe tomorrow and put all these gold bars in the bank. It is not safe to keep them at home after all."

Elaine became angry, and said dissatisfied: "Claire, you were here all night and insinuated about me. Is your mother so unreliable in your eyes? Charlie keeps these gold bars at home, and I can still steal them. How does it go?"

Claire hurriedly said, "Mom, I didn't mean that...I think so many gold bars are kept at home, in case it is not safe to be a thief..."

After speaking, he said: "Your two I suggest you deposit it in the bank. If you really want to exercise, I will buy you a pair of ladies dumbbells tomorrow."

"I don't!" Elaine hugged two gold bricks and muttered: "I will use them and put them under my pillow when I sleep at night!"

Charlie winked at Claire at this time and said, "Okay, Claire, do whatever mom likes, so don't worry about it!"
