

My Rejected Assassin Queen Chapter 15 - Réunion Part 2

Chapter 15: Réunion Part 2

Winter's POV

Before seeing Olivia.

I ate in silence just wondering what to do. I guess Ethan saw my conflict on what to do.

"Don't worry Lil sis, Phoenix has a plan," he said still looking at his phone.

I looked at him confused.

"What do you mean?" I asked confused.

"I mean. You will know when the time comes today," he said mysteriously.

Gosh. I swear. He and Phoenix are basically the same person. He got up and walked out the door. Then Nikesh comes in. My heart begins to quicken.

"Hey babe," he says while flashing his million-dollar smile.

My knees go weak. I am practically melting right now.

"Hi," I say trying to keep my cool. He just chuckles at my reaction. Knowing fully well what effect he has on me. He comes to me and hugs me from the back. Sparks flying all around my body.

"Well. I would love to stay here and hug you all day, but I got stuff to do OK." he says in my ear.

"Ok. But when will you finish?" I asked him.

He let go of me.

"In like an hour. I and Ethan got to take care of some things. Meet me in the clearing in an hour OK?" he said.

"OK" I replied as he kissed me.

He left and now it was only me. So I decided to go to the workout room. I started with a 10-minute full speed run, then 200 pushups and situps then started working on my archery. I got a couple of shots in until I saw the time. It's was 12.45 PM. So I decided to go take a shower.

I left my hair in its natural wavy state and added a little makeup, but not too much. I went back downstairs to see Nikesh all sweaty. And let me tell you, he is damn sexy when he's shirtless when finishing his workout.

I basically eye raped him but I will never say that out loud. I looked back up to his face and saw him smirking.

"Like what you see mate?" he asked still smirking.

I bit my lip.

"Nahhhhhh I've seen better," I say.

His eyes turn dark and before I knew it he had my hands pinned to the wall and his other hand roaming the back out of the back. That exact touch made me weak and wanting more.

His head came to my neck, I felt his hot breath fanning me as he made his way up to my ear.

"Say it," he said huskily.

I couldn't contain my need for him to touch me as he pulled his hand away from my back painfully slow.

"Say it and I will take you where you stand." He said huskily.

Damn this greek god before me.

And as if he knew what I was gonna say he whispered.

"We will continue this soon." Then he pulled away completely and left me standing there. I was panting heavily.

I went to the kitchen and just then I saw a letter. Curious I go pick it up.

Come to the clearing south from here.

Where you will meet the one you desire to seek.

Come now before the clock strikes two.

So that you may come to collect your prize that awaits and long overdue.

- P.P.R

I sigh. I swear Phoenix and her riddles. Although it does keep me on my toes when I find out. I look at the time. 1.30 PM.

I head out and walk towards the Southern side. I knew exactly where she wants me. It took me a while and I made it. I saw birthday decorations, I saw Ethan, Nikesh, Aunt Evie, Uncle Rock, and a few of the pack members.

I spotted Phoenix, she was talking to someone. But before I could figure out who Phoenix moved to the side and there she was. It was her. She wore a high waist baby blue skinny jeans, a crop top with a baggy jumper. And her necklace. The necklace that mum gave to us before we separated.

"Olivia" I whispered.

"Winter" Olivia replied shocked.

I nodded my head slightly and that was all it took before I met her half way though the clearing to have her in my arms.
