

My Rejected Assassin Queen Chapter 4 - Long Dinner: 2 / Departure

Chapter 4: Long Dinner: 2 / Departure

Phoenix's POV

I looked at Nikesh to see if he was okay and not injured but Justin was blocking me! Nikesh was so pissed that he got up and left to go to the table.

"What are you doing!?" I yelled at him.

"What was he doing behind you!" He yelled ignoring my question.

"He was hugging me!" I yelled back.

This time I heard everyone come in but I didn't care at all.

"You're such a slut! I'm your mate and yet you parade yourself to him! And I can't believe you! An omega of this pack was sitting beside the future alpha and beta!" He yelled at me.

My dad's growl had cut off our argument. I put my hand up to stop him and Justin Looked confused once again!

"Oh, I get it! You're whoring around with Ethan as well as Nikesh! You're such a fucking slut! Yo-" I cut off his rant.

"You think I'm such a whore when I could feel you whoring around! I felt it all night! You call yourself my mate! And here you call me a slut! And FYI, I am supposed to be here!" I yelled at him.

"What do you mean!" He yelled at me.

"I don't have to answer you," I yelled back at him.

I was about to walk away when he yelled at me again.

"Answer me!" he yelled in his alpha voice.

I slowly turned around to meet his eyes.

"That will never work on me!" I said to him.

He looked shocked. The angry again. He walked towards me and started talking again.

"You will not take another step near my daughter!" He yelled furiously.

Justin stopped in his tracks. All of a sudden Ethan came in and he sensed the tension in here.

"Uhh, sis it's time," He said.

I nodded my head and left the room. Nikesh was already outside by the cars ready to leave.

"Let's just go to the airport," Rock said

I nodded my head hopped in the SUV with Nikesh and Ethan. Arghh! The Worst way to leave.

Justin's POV

As we ate I wondered why mom and dad were so kind to that omega beside Ethan and Nikesh. She avoided me like a plague.

When she got up Nikesh followed behind. I saw him with his arms wrapped around her and my wolf surfaced and threw him off her!

As I did she looked pissed. As we argued Alpha Rock intervened and said that she was his daughter. Then it clicked!

She's an Alphas daughter!!

I realized that she left the room. Dad said we were going to the airport but I am still clueless

Gosh! I'm such an idiot!

We got to the airport and We all got out. Nikesh and Ethan went to go check-in and I assumed Hayley just tagged along to get away from me.

They came back and headed towards the food court. Nikesh and Phoenix went to Mac Donalds to get coffees. They came back and just sat there in silence.

"Why didn't you tell me!" I questioned her.

"Didn't tell you what?" She asked completely annoyed.

"Tell me you were not an omega!" I half yelled.

Ethan growled at me.

"You didn't give me the chance when You rejected me! She yelled.

I was about to say something when a flight number was called and Ethan said it was time.

We all got up and Nikesh and Ethan hugged them before they went. I stared at Phoenix and she too was hugging them. She whispered something in Mom's ears and she nodded.

"Well. Bye, mom and dad." Ethan said.

"Bye Evie and Rock," Phoenix said.

Before I knew it, Nikesh, Ethan, and Phoenix walked off to the jet. Then again, it was too late before Phoenix was also going with them.

I turned to mom and asked where they were going but she said she didn't know where. And who knows long they were gonna be.

I had no lost my mate...

And I might never see her again...
