

At School 1061

Chapter 1061: You Know That Girl?

As soon as she finished speaking, Jian Ai looked at Qinghuan and asked with concern, "How are you? Have you been resting well these few days?"

When Xia Qinghuan heard this, she couldn't help but purse her lips. "It's just like that. I've gotten used to it these few days, and it's a little better than before. I just didn't sleep well. But I'm so happy to see you now. I don't have any problems anymore."

Yan Tian watched from the side and couldn't help but say with a jealous expression, "I knew it. She might not be happy to see me, but she'll be happy to see you."

"I'm happy." It was rare for Qinghuan not to give Yan Tian a hard time. Instead, she reached out and pinched Yan Tian's face affectionately. "I knew you would come. Xiao Ai is a pleasant surprise! It's been hard on you!"

When Yan Tian heard this, he smiled in satisfaction.

"I still have two scenes. Wait for me. Let's have lunch together," Xia Qinghuan said at this moment. From time to time, she would turn around to look at the situation.

Jian Ai nodded. "Don't get distracted. We'll wait for you. Tao Zi had to work overtime today and couldn't come. I also brought a camera, so I'll take some photos of you later and show them to her."

Xia Qinghuan quickly said in horror, "No, Xiao Ai, the production team doesn't allow photos. Didn't you see they blocked the paparazzi outside?"

Jian Ai was stunned. "There's such a rule?"

Xia Qinghuan nodded. "Of course. The production team regularly broadcast the stills to the media to promote the movie. Of course, we can't let anyone casually film."

As she spoke, the stage supervisor had already started shouting. Qinghuan didn't have time to say anything else. She only instructed, "In short, don't take photos. Be careful not to get chased out. I'm going."

Jian Ai smiled helplessly and nodded, thinking that she had brought along the camera for nothing.

As soon as they started filming, the scene instantly fell silent. This was the second scene of the plot, where it was Jian Yiyi and Xia Qinghuan's scene.

Jian Ai and Yan Tian sat at the side and watched. After a while, Yan Tian couldn't help but say, "From the looks of it, Jian Yiyi's acting is quite good."

Jian Ai didn't comment and just smiled. In fact, she knew that Jian Yiyi's acting was very good. From the last cut of the school promotional video, it could be seen that she was born to be under the camera.

However, Jian Ai didn't know what Jian Yiyi's true self was. Perhaps even Jian Yiyi herself didn't know.

This was ultimately sad for a person.

As she was observing, Jian Ai suddenly felt an exceptionally focused gaze cast over from afar. Subconsciously, she looked up and met a deep gaze not far away.

Jian Changsheng?

Jian Ai was stunned for a moment. She saw Jian Changsheng standing diagonally opposite her. Seeing that she didn't dodge when she noticed him, he smiled and nodded at her.

After being stunned for a few seconds, Jian Ai reacted slightly, but she showed little enthusiasm. She only nodded symbolically in greeting.

Jian Yiyi was also an actress in the production team. Since she could come to visit Xia Qinghuan, Jian Changsheng was naturally more qualified to visit his daughter.

"Husband, what are you looking at?"

Qiao Shuyi suddenly appeared beside Jian Changsheng. Seeing that his gaze was not on the filming scene, she couldn't help but ask. She followed Jian Changsheng's gaze, and it landed on Jian Ai.

Qiao Shuyi was stunned. "You know that girl?"

Chapter 1062: Does She Have the Potential to Be Famous in the Future?

Jian Changsheng nodded without a trace. No emotions could be seen on his face. He only said calmly, "Yiyi's classmate. That day, Yiyi drank too much alcohol. This classmate took care of her."

Although Jian Changsheng said this casually, it was not a lie. If not for Jian Ai that day, Jian Changsheng would not have been able to find Jian Yiyi.

Qiao Shuyi didn't think too much about it and only nodded in understanding. She sized Jian Ai up and suddenly had some impression.

She couldn't help but say, "Oh... I remember now. On Yiyi's birthday and the day the hot spring villa caught fire, I saw this girl before. I have some impression of her."

Jian Changsheng only smiled and said nothing. He naturally turned his gaze to Jian Yiyi.

At noon, the production team released everyone for lunch on time. Chen Jin had already prepared the dishes in advance. Because Jian Ai and Yan Tian were visiting today, he specially made a few more dishes.

"Why don't you stay here for a day and go back tomorrow?" Xia Qinghuan pulled Jian Ai's hand and said to the two of them.

Yan Tian beat her to it. "Jian Ai is attending a wedding tomorrow, so she has to go back this afternoon. I'll go back with her. Otherwise, she'll have to take the bus herself."

"Attending a wedding?" Xia Qinghuan blinked.

Jian Ai still didn't know about the change in date for Wang Yunzhong's wedding. She couldn't help but nod in embarrassment. "My uncle's second wedding is on the eighth."

When she heard it was serious business, Xia Qinghuan didn't make her stay. However, she said regretfully, "Alright, I initially wanted to bring you around the film base tonight. It's quite lively here at night."

Jian Ai smiled. "It's fine. I'll come over when I miss you."

Xia Qinghuan smiled and nodded, calling for them to sit down and eat.

Chen Jin made six dishes with a small stove. That small stove was a very simple gas stove, and to think that he could make so many dishes with this thing.

Yan Tian also took out a few things Qinghuan liked to eat and placed them on the table. He asked for credit, "The lemon chicken, Fuqi feipian, and braised items I bought for you last night can't be stored for long. Eat them quickly."

"You didn't see it, but Yan Tian couldn't wait to empty the supermarket for you. It's all food," Jian Ai smiled.

When Xia Qinghuan heard this, she couldn't help but reach out to pinch Yan Tian's face. "At least you're considerate. I'll reward you by pinching you with love."

Yan Tian grimaced in pain, but he enjoyed it.

They were all hungry. After sitting down, they ate something to fill their stomachs before chatting.

Jian Ai was chewing on a braised chicken claw. She looked up at Qinghuan and asked, "I saw you and Jian Yiyi acting together just now. You were quite harmonious. Jian Yiyi acted quite well too."

When Xia Qinghuan heard this, she rolled her eyes gently. Although she didn't want to admit it, she had to say, "Indeed. Although I don't have a good impression of her, her acting skills are indeed not bad. It's also much easier for me to act with her. Our scenes were basically over in one take. The director also has a high evaluation of her."

Jian Ai's eyes widened slightly, as if she didn't expect Qinghuan to praise Jian Yiyi. From this, it could be seen that Jian Yiyi's acting skills were so good that Qinghuan could put down her prejudice.

"Do you think she has the potential to be famous in the future?" Jian Ai asked.

Chapter 1063: She Will Be Famous

After all, she was an artist from her company, so Jian Ai still cared about her symbolically. Qinghuan had acted with her before, so she should be more qualified to judge.

When Yan Tian heard their conversation, he pricked up his ears and looked at Xia Qinghuan curiously.

Xia Qinghuan bit the end of her chopsticks and thought about this question seriously. In the end, she nodded gently. "I think she will be famous."

As she spoke, Xia Qinghuan analyzed carefully. "First, I'll put aside my personal prejudice against her and judge her in all aspects fairly. Second, her appearance is the typical image of a fair lady in the entertainment circle. Do you know who I think she looks like these few days? She's a little like Teacher Wang Yu when she was young. I'm not talking about how similar she looks, but her temperament is similar. When she frowns or smiles, she has the shadow of Teacher Wang Yu when she was young."

When Jian Ai and Yan Tian heard Xia Qinghuan's high evaluation of Jian Yiyi, they immediately widened their eyes in surprise.

Wang Yu was an ageless goddess in the entertainment circle. She was almost fifty years old now, but she was still as glamorous as she was in her twenties or thirties. Moreover, when she was young, she was recognized as the national goddess in the entertainment circle. She walked the path of a fair lady, had top-notch acting skills, and was good-looking.

Female celebrities described as fair ladies did not look like fairies. The most important thing was their temperament. Most of them were born with this temperament, which made them appear precious.

Xia Qinghuan actually said that Jian Yiyi belonged to this category. This was what surprised Jian Ai and Yan Tian.

However, thinking about it, Qinghuan's words were reasonable. She first abandoned her prejudice against Jian Yiyi before saying this. She was looking at Jian Yiyi from the perspective of an ordinary person. The audience did not know the real Jian Yiyi, so it was normal for them to see her temperament as a fair lady.

Xia Qinghuan paused for a moment and continued, "The second is that her starting point is high. This is her first movie. You also know the food chain in the entertainment circle. Movie actors are higher than television drama actors and singers. The movie's production team, director, scriptwriter, and script are all top-notch. Although she is the third female lead, her starting point is higher than mine. My first one was a television drama!"

Jian Ai listened and couldn't help but nod in agreement. If the concept of the first point was more vague, the second point was indeed an objective and indisputable fact.

As a newcomer, Jian Yiyi's starting point was indeed very high.

At this moment, Xia Qinghuan exhaled softly and said, "This last and most important point is acting skills. I also said just now that Jian Yiyi's acting skills are very good. In the entertainment circle, especially in the movie circle, acting skills will definitely surpass all other factors, but Jian Yiyi has it. I think it's a waste of her talent to act as Luo Yun. Although this is her first time acting, with her ability, I think she can take on a more complicated role."

"So look, Jian Yiyi has the looks, opportunities, and acting skills. She has everything she needs. As long as she can keep up with her resources in the future, she will become famous!"

Jian Ai raised her eyebrows and teased, "To think that you can analyze her so objectively."

"I don't have any deep hatred for her. I just don't like her. The magnetic field is not right!" Xia Qinghuan said readily.

However, Xia Qinghuan changed the topic. “However, if Jian Yiyi doesn’t face her personality, she will suffer a huge loss in the entertainment circle in the future!”

Chapter 1064: Let Mom Go Back With You

Xia Qinghuan’s words had a deeper meaning. It sounded like a piece of advice, but she would not say it to Jian Yiyi’s face. Even if she did, Jian Yiyi might not listen.

Jian Ai knew what Xia Qinghuan meant. Jian Yiyi was only fifteen years old, but her thoughts were already much more complicated than her peers. She was an ambitious person who lived under her disguise all year round. Over time, she would probably be imperceptibly assimilated. In the end, she probably couldn’t tell which was the real her.

In the entertainment circle, every artist’s strengths and weaknesses would be magnified infinitely under the camera. If Jian Yiyi revealed any flaws, she would become a time bomb that would destroy herself.

She had the potential and capital to become famous, but how long she could remain famous in the end depended on Jian Yiyi’s future.

On the other side, Jian Yiyi was eating with her parents.

Jian Changsheng didn’t tell Jian Yiyi about his visit in advance. It was a surprise, so Jian Yiyi was in a good mood today.

Usually, Jian Yiyi and Qiao Shuyi would eat lunch boxes from the production team together. However, when Jian Changsheng came today, he specially instructed someone to order a meal at a five-star hotel outside the film base.

“Yiyi, eat more.” Jian Changsheng picked up a piece of pork chop and handed it to Jian Yiyi. He looked like a kind father.

Jian Yiyi took a bite and couldn’t help but narrow her eyes in satisfaction. “Delicious.”

At this moment, the surrounding production team members were also eating the usual bento boxes. In fact, the standard of the bento boxes was not bad. There was meat, vegetables, and a bowl of soup. Moreover, the taste was not bad.

However, in Jian Changsheng’s eyes, this bento box was naturally inferior. At least in his heart, his daughter had suffered from eating such bento boxes.

1

Therefore, with just a look, Jian Changsheng frowned. “Is this what your production team usually eats?”

Jian Yiyi nodded. She was already used to it. She immediately said, “The production team is like this. Compared to the other production teams, our bento boxes are not bad.”

Qiao Shuyi also said, “I’ve been eating bento boxes these few days. It’s not bad, but the packaging is a little simple. The taste is not bad, and it’s quite hygienic.”

Jian Changsheng sighed and looked at Qiao Shuyi with heartache. "I've made you suffer."

"Dad, in my opinion, let Mom go back with you in the afternoon," Jian Yiyi suddenly said.

Jian Changsheng and Qiao Shuyi were stunned for a moment before looking at each other.

Jian Yiyi continued, "Mom has been following me here for many days. She should be relieved. I only travel between the production team and the hotel every day. What danger can there be? On the other hand, Mom being here with me will distract me. My heart aches for her."

Qiao Shuyi smiled and said calmly, "Mom isn't tired."

"Mom, go back. I know you're not tired, but the production team's conditions are limited. You don't have to stay here with me." Jian Yiyi looked at Qiao Shuyi with a serious expression. "It's still early before we wrap up. If you keep accompanying me, you'll have to do so for a few months."

Jian Changsheng listened and nodded. "Yiyi is right. Why don't you go back with me? I think this production team is filled with young actors. I don't see any parents following them. Yiyi is a strong-willed person."

1

Chapter 1065: How Did You Find Me?

"I'm still worried." Qiao Shuyi was hesitant. After all, she was a daughter raised by a rich family. How could she leave her alone for a few months?

Jian Changsheng's attitude was the opposite. Since his daughter decided to be an actress, she had to learn to face these things. This was the life in a production team. Qiao Shuyi could follow her once, but not forever. She had to let go sooner or later, right?

However, considering Qiao Shuyi's love for her daughter, Jian Changsheng took a step back. "There's nothing to worry about. At most, you can come to visit her once a week like I do in the future. It's better than you doing nothing and accompanying the production team every day. Yiyi has to film and can't take care of you."

Hearing Jian Changsheng's words, Jian Yiyi's eyes lit up. She quickly said, "Mom! Dad's idea is not bad. If you miss me, you can take a day every week to visit me."

When Qiao Shuyi heard this, she couldn't help but think for a moment. Seeing that her daughter and husband were trying their best to persuade her to go back, she thought about it from another perspective. It didn't seem to be of much use for her to stay here. In the end, she nodded. "Alright, I'll go back with your father. I can bring you something when I come to visit later."

Jian Yiyi quickly agreed. "Yes, Mom, don't worry about me. I'll call you every day!"

Qiao Shuyi could only nod helplessly, but she was not completely relieved.

...

Baiyun Square has always been the most prosperous area in Baiyun City. There were a few large shopping malls and dozens of high-class restaurants there. In an inconspicuous corner of the street behind Baiyun Square was a fast food restaurant called Mr. Burger.

Although this shop was inconspicuous, its business was very popular, especially during the weekend. The customer flow almost never stopped from opening in the morning to closing at night.

This was where Guan Tao worked. She would only come two days a week on the weekend. She would earn five yuan an hour, and she could earn forty yuan if she worked eight hours a day. In 2002, earning forty yuan a day was not a low salary.

To Guan Tao, if she could earn eighty yuan in two days on the weekend, she would have enough living allowance for a week. She could even save up some money.

Although it was past mealtime, there were still many customers in the shop. Guan Tao was wearing an ill-fitting work uniform, and her main job was to take orders and clean the dining table.

Guan Tao was burying her head in cleaning the mess left behind by the customers who had just left. The door of the fast food restaurant was pushed open from the outside, and the wind chimes inside made a crisp sound.

"Welcome to Mr. Burger!" Guan Tao shouted in a loud and sweet voice. She turned around. "Please come in..."

She looked up and saw that the person standing at the door was Gao Yang!

Gao Yang was wearing a camel-colored windbreaker with a pair of black slacks and white sneakers. He blinked at Guan Tao.

Guan Tao was stunned on the spot before suddenly coming back to her senses. "You... Why are you here?"

As she spoke, Guan Tao had already walked forward and stood beside Gao Yang. She looked around and asked, "How did you find this place?"

She didn't remember telling Gao Yang where she worked.

Gao Yang's expressionless face softened the moment Guan Tao approached him. Hearing this, he said softly, "I saw the advertisement for this shop in your book."

Chapter 1066: This Is a Surprise

Guan Tao widened her eyes in surprise when she heard that. She suddenly felt amused and said, "Advertisement? What if I casually picked up the flyer on the street? Are you so sure that you came over?"

"I'm not sure," Gao Yang answered calmly, "So I came over to try my luck."

Looking at Gao Yang's indifferent and righteous appearance, Guan Tao's heart warmed, but she smiled helplessly.

He was always like this. He was very intelligent, but he always did things that surprised her.

If he wanted to look for her, he could have just asked. Why would he come over to try his luck based on a flyer? What if she was not around? Wouldn't he have made a wasted trip?

Gao Yang seemed to have seen through Guan Tao's thoughts and blurted, "This is a surprise!"

Guan Tao: "..."

Gao Yang retracted his gaze from Guan Tao and slowly looked around the shop. It was clean and tidy, and there was a unique fragrance from the hamburger shop.

Seeing this, Guan Tao couldn't help but ask, "Do you want to eat something? Our burgers are delicious!"

She thought Gao Yang would refuse, but he nodded. "Alright."

"Then sit inside." Guan Tao was delighted. She pulled Gao Yang to an empty seat and sat down. "Wait a moment."

As soon as she finished speaking, she turned around and went to the counter.

"Tao Zi!"

At this moment, a slightly plump woman in her thirties suddenly appeared beside Guan Tao, scaring her.

"Oh, Boss, you scared me." Guan Tao patted her chest, looking shocked.

This person was Mr. Burger's boss, and her husband was the chef in this shop, Mr. Burger himself.

The boss noticed what had happened as soon as Gao Yang entered, but she was too far away to hear Guan Tao and Gao Yang. She couldn't help but ask curiously, "A friend is looking for you?"

Guan Tao nodded in understanding.

"It's your boyfriend, right?" the boss asked again.

Guan Tao blushed, but she still nodded.

"He's quite handsome. Not bad, Tao Zi!" The boss smiled and said, "Order a set meal for him. It's my treat!"

When Guan Tao heard this, she quickly shook her head. "No need, Boss. I'll pay you."

"Child, you've been working here for so long. Can I still charge you for a set meal? Be obedient!" the boss said.

1

Guan Tao could only agree. "Thank you, Boss."

Gao Yang sat not far away, his gaze never leaving Guan Tao until she walked towards him with a plate.

"This is our shop's signature meal. It's on the boss. She didn't charge us." Guan Tao placed the plate in front of Gao Yang and sat opposite him.

Gao Yang looked down. The set meal was very simple. There was a burger, a set of fries, a pair of chicken wings, and a drink.

“Try it. It’s all freshly made. It’s delicious when it’s hot.” Guan Tao looked at Gao Yang and raised her eyebrows.

Gao Yang nodded and picked up the burger to open the packaging. He took a bite. The chicken cutlet inside was juicy and slightly spicy. Coupled with the lettuce balls, freshly baked bread, and the special salad dressing, it was very delicious.

Gao Yang was a little surprised. It was a pure surprise for the delicious burger. He seemed to understand why there were customers in the shop at this time.

“How is it? It’s delicious, right?” Guan Tao looked at Gao Yang expectantly.

Gao Yang was not stingy with his praise and said bluntly, “It’s not inferior to any restaurant I eat at!”

Chapter 1067: I Want to Accompany You

Guan Tao couldn’t help but look delighted. “Good that it suits your taste!”

At this moment, another customer entered the shop. Guan Tao quickly stood up and said to Gao Yang in embarrassment, “Eat first. I still have work to do!”

Gao Yang nodded slightly.

Everything looked exceptionally natural. Neither of them felt uncomfortable, and Guan Tao did not feel inferior because Gao Yang saw her working here. This was the real her, her real life.

Gao Yang also knew this.

However, when Guan Tao was greeting the customers, she turned around to look at Gao Yang and realized that he had run to the counter and started chatting with the boss.

When she returned to the counter after ordering for the customer, she heard Gao Yang say to the boss, “Thank you.”

“What are you talking about?” Guan Tao felt uncertain for no reason and looked at Gao Yang and the boss with question marks.

Gao Yang only pursed his lips slightly and revealed a faint smile. He turned around and returned to his seat to eat.

The boss, on the other hand, looked at Guan Tao with a motherly smile. This made Guan Tao’s hair stand on end. She urged, “Boss, what did he say to you?”

“Nothing.” The boss pursed her lips and smiled. “He just asked if I was still hiring part-timers during the weekends.”

“Ah?” Guan Tao was shocked and her eyes widened. “What... what does he mean?”

The boss raised her eyebrows slightly. "Tao Zi, you also know how busy our shop is during the weekends. There are only the two of us in front. I still have to keep an eye on the counter, so haven't I been recruiting recently?!"

As soon as she finished speaking, the boss lowered her voice and said to Guan Tao, "Your boyfriend said that he's willing to come over to be a part-timer, but I can only give him four yuan an hour. You also know that I give you five yuan because you've worked here for a long time, but he said that it was no problem!"

Guan Tao: "..."

Of course, there was no problem because this was not a matter of money, okay?!

Gao Yang working in a hamburger shop? Did that sound any different from a ghost story?

Guan Tao was about to look for Gao Yang when the boss stopped her. She looked at Guan Tao and said, "Tao Zi, your boyfriend seems to be from a rich family. He's willing to do this because he wants to accompany you."

Guan Tao was stunned. Of course, she knew that Gao Yang was not here for a four yuan an hour salary.

However...

There was no need to do this.

Guan Tao did not think that rich people could not work part-time jobs, but it was a matter of suitability.

Gao Yang did not like to smile. Those who did not know him would think that he was angry at any time, as if someone owed him money.

He did not like noisy environments. Children with extremely high decibels often appear at hamburger restaurants. Even with her good personality, she would often frown at being agitated. How could Gao Yang stand it?

She did not want Gao Yang to make things difficult for himself because of her.

She walked to Gao Yang and sat down. Guan Tao lowered her head slightly, looking like she had something to say.

Gao Yang looked at her with the half-eaten burger and said gently, "Did I make things difficult for you?"

"No." Guan Tao quickly shook her head. When she looked up again, her eyes couldn't help but turn red. "But you don't have to do this. This isn't something you should do."

"There's nothing that should or shouldn't be done," Gao Yang said gently. "It's just whether or not you want to do it."

Guan Tao looked up at him and met Gao Yang's wise and affectionate gaze. "I want to accompany you."

Chapter 1068: Sweetheart Index of 100!

'I want to accompany you.'

Gao Yang's tone was extremely light, but seriousness filled his words.

Guan Tao's heart trembled, and a strong sense of security instantly surrounded her. She looked at Gao Yang and felt exceptionally relieved again.

Only someone who had her in their hearts would say this.

Gao Yang continued slowly, "That day, Yan Tian asked me why I was willing to let you work at a fast food restaurant after getting together with you. If you needed money, why didn't I just give it to you directly?"

When Guan Tao heard this, she pursed her lips tightly and suddenly became nervous.

She was most afraid that Gao Yang would mention this problem. This was a real problem, a problem of class, and even a problem of family background.

Guan Tao's inferiority complex when facing Gao Yang stemmed from this. She knew very well that she and Gao Yang were not from the same world, and she knew this better than anyone.

Gao Yang looked at Guan Tao calmly and said, "I said if that was the case, the significance of my presence by Guan Tao's side will change."

Guan Tao frowned slightly, as if she didn't understand what Gao Yang meant.

Looking at her puzzled expression, Gao Yang smiled. "Yan Tian had this expression back then."

As soon as he finished speaking, Gao Yang continued to explain, "I'm with you purely because I'm attracted to you. I like the shining points on you that others seem to find inconspicuous, points that even you're not even aware about. It's enough for me to be by your side, see you when I miss you, and know that you have me in your heart as well."

"I don't want to forcibly change your current life because of my presence. This will make you feel at a loss because I know you're not the kind of girl who will casually accept help from others. Even if that person is me, you'll feel pressured."

"That's why you're still on the track of your original life. I don't mind you working part-time. I'm also willing to walk into your track and experience your life so that the two of us can get closer."

"I think all of this is especially beautiful. It's something good you brought me."

This seemed to be an explanation, but it was actually a lot of explicit words of love. When Gao Yang said them, Guan Tao felt a little numb.

At this moment, her entire body was weightless, and her brain seemed to have stopped thinking. She only looked at Gao Yang's serious expression and felt that the sunlight behind him was so dazzling and stable that it wrapped her up warmly.

After a while, Guan Tao slowly came back to her senses. Then, she lowered her head with a red face. The aftereffects of these words of love had just started.

On the other hand, Gao Yang didn't seem to think that he had said anything mushy. He calmly lowered his head and looked at Guan Tao's face from below. He raised his eyebrows and said, "So that's it. It's not a tough job. If you can do it, so can I."

At this point, Guan Tao was speechless. In addition, it was difficult for her brain to think, so she subconsciously nodded.

Seeing this, Gao Yang's expression softened, and he sat up straight. "The fries are also delicious."

Only then did Guan Tao look up at Gao Yang with a bright smile. She said softly, "You have to promise me that if you can't do it, tell me. You can't force yourself."

"Alright!" Gao Yang agreed.

Chapter 1069: Help Me Apologize to Her

In the afternoon, Wang Yunmei, Wang Yunzhi, and Jiang Chunfen were doing beauty treatments in Shuiyun Club when they received a call from Wang Yunzhong.

Of course, the matter was to inform Wang Yunmei about the change in the wedding date. Moreover, from Wang Yunzhong's tone, he didn't seem to be angry at Wang Yunmei for abandoning his wedding. Instead, he comforted Wang Yunmei.

Wang Yunmei didn't care. She dared to do this back then because she didn't expect Wang Yunzhong to invite her again.

"Brother, I won't forget your gift, but I won't be going to the wedding." Wang Yunmei lay on the beauty treatment bed and held the phone. She said seriously, "I'm not looking for trouble for no reason. It's your wedding day. You don't want to see Mom and me standing there coldly, right? It won't be good if we argue and disrupt your big day, right?"

"Don't, Xiao Mei!" When Wang Yunzhong heard that Wang Yunmei didn't want to come, he quickly said, "Since Brother is getting married, how can you not come? Don't worry, I've already rebuked Mom. She admitted her mistake and was very sincere. She also promised not to say anything she shouldn't say in front of you in the future."

1

"We only have four siblings in our family. How can I count on someone like Yunfa? You also know that I'm a person who cares about my face. It's not that I want you and Zhi to support Brother, but when the time comes and Zhi is the only one around, will you feel good?"

"Listen to me. Don't stoop to our mother's level. Besides, she knows her mistake now. Don't worry, Xiao Mei. Nothing unpleasant will happen again. I promise you!"

Wang Yunzhong said a lot of things in a hurry. It was obvious that he was afraid that Wang Yunmei wouldn't go.

When Wang Yunmei heard Wang Yunzhong's words, she felt conflicted. She thought that since her brother had already said this, what else could she say?

In the end, Wang Yunmei sighed softly. "Alright, I'll go then. When is the date?"

"The twenty-eighth. I'll send you the invitation later." Wang Yunzhong's tone was delighted as he quickly answered.

Wang Yunmei didn't ask about anything else. Anyway, she didn't care about the wedding. When the day came, she would bring the betrothal gift and a mouth. She just needed to eat and drink well.

Just as he was about to hang up, Wang Yunzhong quickly said, "Xiao Mei, Xiao Mei, Brother still has something else..."

Wang Yunmei paused and asked, "What's wrong?"

"On Chunfen's side... I..." Wang Yunzhong stammered and couldn't say anything. He looked embarrassed.

Wang Yunmei couldn't help but look at Jiang Chunfen, who was lying on the beauty treatment bed beside her. She slowly said, "Alright, I'll pass on the news of the change in wedding date to her. You don't have to worry."

"No, no. That's not what Brother meant..." Wang Yunzhong panicked and quickly said, "I was so hot-headed when I sent her the invitation before. I initially didn't want her to attend the wedding. Later, I realized that I didn't consider this matter well and seemed a little wicked."

If word got out that he invited his ex-wife to his second marriage, it would be a joke. Wang Yunzhong regretted it.

When Wang Yunmei heard his words, she couldn't help but chuckle. "Brother, you still know that you did something wrong? What do you want now?"

Wang Yunzhong said embarrassedly, "I mean, aren't you close to her now? Help me tell her that we have rescheduled the wedding, so she doesn't have to attend. Then, help me apologize to her. Brother really can't open his mouth."

Chapter 1070: I Want to Walk Around

When Wang Yunmei heard this, she felt a little funny in her heart. Over the years, her impression of Wang Yunzhong had always been a person who thought highly of himself and acted very seriously at any time.

This was the first time she had seen Wang Yunzhong admit defeat. Although it was over the phone, Wang Yunmei seemed to have already imagined Wang Yunzhong's appearance at this moment.

Unknowingly, from the beginning, Wang Yunzhong was purely trying to be friendly to Wang Yunmei. Now, he seemed to have gradually taken off his mask, making Wang Yunmei feel her brother was more real in front of her.

"She's with me now. I'll help you clarify things with her later." Wang Yunmei softened her tone and agreed.

On the other end of the phone, Wang Yunzhong heaved a sigh of relief. "That's great. You've helped Brother a lot. Otherwise, the wedding day will be very awkward. It's settled then. Bring Xiao Yu and Xiao Ai along then."

After hanging up, Wang Yunmei couldn't help but chuckle. Then, she turned to the other two and said, "Brother's wedding has been rescheduled to the twenty-eighth."

From Wang Yunmei's words during the call just now, Wang Yunzhi had already heard most of it. When she heard this, she couldn't help but say, "It's expected. What does he want? Did he invite you?"

"Yes, he said a lot of things. Anyway, I have to go," Wang Yunmei said.

Wang Yunzhi frowned slightly. "Isn't he afraid that you and Mom will argue again?"

"From his tone, he doesn't seem to be afraid. He said that Mom apologized to him and promised him. We don't know if it's true or not." Wang Yunmei smiled and said, "Anyway, I understand now. Sometimes, the old lady's words are unpleasant. I'll bear with it if I can. If she says anything unbearable, I won't tolerate it anymore."

As soon as she finished speaking, Wang Yunmei looked at Jiang Chunfen. "Sister-in-law, Brother asked me to tell you he apologized for inviting you to the wedding. He didn't consider it well."

Jiang Chunfen was stunned for a moment before sneering. "Why didn't he tell me himself?"

"Don't you know him? He must be afraid of losing face," Wang Yunmei said.

Jiang Chunfen only decided to go because she was angry at Wang Yunzhong. She had never thought of attending his wedding.

When Jian Ai received this news, she was already on the way back to Baiyun City with Yan Tian.

After answering her mother's call, Jian Ai smiled helplessly at Yan Tian and said, "My uncle's wedding has been rescheduled. If I had known, I would have stayed behind to accompany Qinghuan for another day."

"They informed you one day about the date change?" Yan Tian was shocked. "Oh well. I would have asked the driver to turn around and go back if it were two hours earlier."

Jian Ai didn't know why the date had been changed, nor did she know about her mother's conflict with the old lady. She didn't take Wang Yunzhong's wedding to heart. Whether it was changed or not, didn't seem to have anything to do with her. Anyway, she would go when he got married.

The car returned to Baiyun City after night fell. Yan Tian couldn't help but ask Jian Ai, "Where are you going? Should I send you back to North City?"

Jian Ai was about to nod when her heart changed. She blurted out, "Send me to Baiyun Square. I want to walk around."

"By yourself?" Yan Tian asked curiously.

Jian Ai nodded. "Yes, can't I?"

Yan Tian quickly raised his shoulder. "Of course. I was just asking."
