### Chapter 1368 Red Carpet

Xiao Tong went forward to confirm that Jian Yiyi's makeup and hair were alright. Then, he said to another assistant, "Get the fur shawl. Quickly!"

The other assistant's name was Qiqi. Seeing this, she quickly nodded.

Looking at the group of people surrounding her, Jian Yiyi felt smug and enjoyed it. However, she was still good at pretending as before. All the staff around her treated her as a well-behaved and polite girl.

This year, her persona in the entertainment circle was the same. She was gentle, quiet, and natural. Fans called her the white moonlight of the entertainment circle, and no one could taint her.

"Brother Xiao Tong, there's no need to wear a shawl. The car is already here. Don't make people wait," Jian Yiyi said gently and pretended to stand up.

Seeing this, Xiao Tong quickly said, "You still have to wear a shawl. It's cold outside today. Don't get sick."

As soon as he finished speaking, Qiqi returned with the shawl. After everything was prepared, a group of people escorted Jian Yiyi out of the dressing room and bumped into another group of people.

"Yiyi!"

The other party was none other than Wang Mingxiao, who worked with Jian Yiyi on 'Interweaving Night' back then!

Back then, Wang Mingxiao fell in love with Jian Yiyi at first sight. The two of them often interacted with each other in the production team of 'Interweaving Night.' Although they were not in the same company, they even collaborated twice later.

Wang Mingxiao admired Jian Yiyi as usual, but she became famous too quickly. Although Wang Mingxiao was quite famous now, he was still inferior to Jian Yiyi.

"Mingxiao!" Jian Yiyi still greeted Wang Mingxiao warmly when she saw him. This was because their fans knew they were close friends.

Jian Yiyi, who was wearing a gorgeous gown and exquisite makeup, shone even more in Wang Mingxiao's eyes. The smile on her face was as dazzling as the sun.

Every time he saw Jian Yiyi, Wang Mingxiao's heart couldn't help but fluctuate.

"Yiyi, you're walking the red carpet with Mingxiao today," Xiao Tong suddenly reminded her.

Jian Yiyi was stunned for a moment before it turned into surprise. "Really? That's great! I was worried about walking with someone I'm not familiar with. It's great if it's Mingxiao!"

Her tone was friendly, and it was obvious that she did not treat Wang Mingxiao as an outsider.

Wang Mingxiao's heart rippled when he heard this. The smile on his face exuded happiness.

After the two of them got into the car and walked towards the venue not far away, the assistant, Qiqi, couldn't help but say to Xiao Tong, "Brother Xiao Tong, what's wrong with the organizer? With Yiyi's status, how can she walk with Wang Mingxiao?"

Obviously, everyone knew that Wang Mingxiao could not match up to Jian Yiyi, especially in the entertainment circle. If a man and a woman matched on the red carpet, they had to be on par. If there were no actors at Yun Buyao's level who could match her, Yun Buyao would walk alone instead of finding a lower ranking person to match her.

Xiao Tong sighed helplessly when he heard that. "Forget it. If it were anyone else, Brother Jie would have negotiated with them. However, the other party is Wang Mingxiao, an old friend Yiyi knew when she entered the industry. The other party must have found the organizer and wanted to take advantage of the red carpet to raise his status. We can't say anything."

"Besides, it's not like you don't know Yiyi's personality. She won't be calculative about such a thing. She's afraid of being with strangers, so she might as well be with Mingxiao!"

When Qiqi heard this, she couldn't help but purse her lips and mutter, "I heard from the company that Wang Mingxiao almost signed with our company in the beginning. In the end, because he offended someone he shouldn't have offended, the contract he received was ruined."

"With his conditions, if he signs with our company, his development will be better than now!"

Xiao Tong smiled and nodded. Everyone in the company knew about this, so it was not considered news.

The red carpet at the venue was broadcasted live to the entertainment channel. Jian Yiyi's car slowly stopped at the end of the red carpet. The security guard quickly went up to open the car door!

The first to get out of the car was Wang Mingxiao, who was wearing a black suit. He had a youthful and handsome face, short hair, and a sparkling diamond earring on his left ear.

"Wang Mingxiao! Wang Mingxiao!"

"Mingxiao, I love you!"

"He's so handsome! Help..."

There was no lack of Wang Mingxiao's fans at the scene. When they saw him, they couldn't help but shout crazily.

Wang Mingxiao smiled and turned around to pull Jian Yiyi out of the car.

"Yiyi! Number one in the world!"

"Yiyi! Number one in the world!"

"Yiyi... she's so beautiful..."

"You can't hold hands! Jian Yiyi, what are you doing?! You can't hold hands! No!"

As soon as Jian Yiyi appeared, the decibels at the scene were much higher. It was obvious that Jian Yiyi's popularity was not fake.

She was wearing a white floor-length evening dress with a slit on the side, revealing Jian Yiyi's long and beautiful legs. The low-shoulder design revealed her exquisite collarbone. Coupled with her good looks, it was not an exaggeration to say that she was like a fairy that had descended to the mortal world!

She raised her hand and slowly hooked Wang Mingxiao's arm. The two of them looked at each other and smiled. They were a perfect match, as beautiful as a painting!

An ear-piercing scream broke out again!

Spotlights and flashbulbs lit up and shot at the two of them from all directions!

"Yiyi, Mingxiao, to the left. Look to the left!"

"Yiyi, Mingxiao, look here!"

"Yiyi, Yiyi will take a few photos alone..."

"Give me a few more styles! Yiyi is so beautiful!"

The photographers were all very professional and knew who they could sell more magazines with their photos.

Jian Yiyi also scored full marks in the eyes of the entertainment reporters. She had never been perfunctory in taking photos. She smiled brightly and styled her posture easily. She often gave the entertainment reporters red packets to comfort them.

After walking across the red carpet and entering the interview area, the reporters swarmed forward. In an instant, over ten microphones with different television station logos appeared in front of the two of them!

"Yiyi, first of all, congratulations on being nominated for the Star Award for the Best Supporting Actress!" One of the reporters was the first to speak. "Mingxiao, also congratulating you for being nominated for Best Supporting Actor!"

"Thank you!" The two of them thanked him in unison.

It turned out that 'Interweaving Night' had sold well at the box office during the summer release. The new actors' performance of Chu Lingfeng's popular suspense masterpiece had received good reviews. It could be said to be a double harvest at the box office.

Xia Qinghuan lived up to everyone's expectations and was nominated for the Best Actress in all the movie awards this year. Jian Yiyi and Wang Mingxiao were also nominated as the supporting actress and supporting actor in a few awards. The most valuable one was the Star Award, one of the three grand awards!

"Yiyi, Mingxiao, are you confident in bringing the trophy home?" one of the reporters asked.

Jian Yiyi had always been modest in front of others and never boasted. She couldn't help but reveal a shy smile and look at Wang Mingxiao.

Seeing this, Wang Mingxiao took the initiative to continue, "I don't know if I can win an award, but I believe Yiyi will be fine!"
