Chapter 1370 The Dress Was Beautiful

Because of the different popularity, Xia Qinghuan and Lu Xiao stayed on the red carpet for a longer time than the others. The photographers wanted to smash the shutter before stopping.

After walking across the red carpet, the two of them arrived at the interview area. Entertainment reporters swarmed over. Lu Xiao gentlemanly supported Xia Qinghuan and stood there. Only then did they smile and greet the reporters!

From the moment Xia Qinghuan appeared, everyone focused their attention on the dress she was wearing. A reporter immediately spoke first, “Qinghuan, there should be many clothing brands wanting to collaborate with you on the red carpet this time, right? I wonder which brand’s new dress you’re wearing today? It doesn’t seem to have appeared at the fashion show before?”

The other entertainment reporters nodded one after another. As entertainment reporters, they knew a thing or two about the fashion world.

!!

The dress Xia Qinghuan was wearing today was so eye-catching. If it had appeared at the fashion show, someone would have an impression of it.

Could it be a new product that has not been released yet?

When Xia Qinghuan saw everyone had placed their attention on her appearance at first glance, she couldn’t help but reveal a satisfied smile. She didn’t hide it and said bluntly, “This dress isn’t from a brand.”

Without waiting for anyone to be puzzled, Xia Qinghuan explained, “It’s true that many fashion brands have extended an olive branch to me because of the red carpet style of this banquet, but I’ve already decided to wear this dress from the beginning.”

“My good friend made this dress herself. It was handmade. It was just made two days ago!”

“A friend made it?” The reporter who asked the question just now couldn’t help but be slightly surprised. He asked, “Are they a famous fashion designer?”

After all, Xia Qinghuan was a celebrity in the entertainment circle now. It was not surprising for her to know a few fashion designer friends.

Xia Qinghuan smiled and shook her head. “No, she’s my classmate, but she’s especially talented in fashion design. She has her own sketchbook, and it’s filled with styles she designed herself. Back then, I accidentally saw the design plan of this dress and was stunned by it. My friend saw I liked it, so she made it for me!”

Classmate...

Wouldn’t she be the same age as Xia Qinghuan and only seventeen or eighteen years old?

Everyone present was shocked and speechless. Even Lu Xiao couldn’t help but blink. They were not shocked by the age of the classmate Xia Qinghuan mentioned, but by her acuity and design sense of fashion at such a young age.

If Xia Qinghuan didn’t say it, everyone would think that her dress today was custom-made. Who would have thought that a high school student made it?

Although they were shocked, the reporters didn’t continue to ask about the details. After all, the fans wanted to see the two celebrities.

Another reporter immediately said, “Lu Xiao, as the Best Actor in the Star Award two years ago, you’ve also won the Galaxy Award for Best Newcomer. I wonder if you have any expectations for Qinghuan’s nomination this year? After all, you collaborated with her debut work!”

Letting Lu Xiao evaluate Xia Qinghuan was full of gimmicks. These entertainment reporters indeed scored full marks for their professional skills.

When Lu Xiao heard this, he immediately looked at Xia Qinghuan with admiration in his eyes. Then, he slowly said, "To be honest, when I first saw Qinghuan, I was moved by her sincere acting skills. Back then, I even reported Qinghuan to the company as a newcomer immediately, hoping to sign her!"

"I specially bought tickets to support 'Interweaving Night.' To be honest, I was indeed stunned. Compared to Qinghuan, who worked with me before, 'Interweaving Night' completely shocked me. As a newcomer, she's extremely talented."

"Qinghuan won the Best Newcomer Award and Best Actress Award from the Galaxy Award this year. It's enough to show that the mainstream have recognized her acting skills. I naturally have expectations of her for the nomination for the Star Award. I also believe that Qinghuan will meet everyone's expectations and not disappoint everyone!"

From Lu Xiao's words of praise, it was enough to show his approval and love for Xia Qinghuan.

"Qinghuan, as a senior, Lu Xiao gave you such a high evaluation. What do you want to say to him?" The reporter aimed the camera at Xia Qinghuan.

Xia Qinghuan smiled at Lu Xiao and said in a relaxed tone, "I think Brother Lu Xiao is right!"

As soon as she finished speaking, everyone present laughed. This was Xia Qinghuan's cuteness.

She was real, frank, and not pretentious. She never belittled herself and had a high level of self-awareness. She was very confident in her abilities.

At this moment, in Zhonglou District, Guan Tao was watching a live broadcast in front of the television. Seeing the clothes she had designed appear on such a dazzling red carpet, GuanTao was extremely excited.

At that time, Qinghuan liked the dress she had designed, so Guan Tao wanted to make it for her. However, Qinghuan never told her she would wear this dress to the red carpet.

Seeing the reporters' evaluation of this dress, Guan Tao cried excitedly. This also gave her even more determination.

At this moment, a message came from her new phone. Guan Tao quickly wiped her tears and picked it up. It was from Gao Yang. There were only four words: "The dress is beautiful."

Guan Tao immediately smiled. Every time this happened, Gao Yang would always appear to encourage her.

"Tao Zi."

At this moment, her mother's voice suddenly came from behind her. Guan Tao was shocked and quickly turned off the message on her phone.

Her parents did not know that she was dating, and she did not want her parents to know, so she had always been very secretive.

"Mom." Guan Tao looked up in shock. Her mother had already walked to the sofa and sat down.

Yang Ju was a female worker at the clothing factory. She was almost forty years old and had been married to her husband, Guan Youan, for twenty years. Although her life was tough, fortunately, the couple had good personalities. Her daughter was also hardworking and relied on her hard work to get a full scholarship to study in a noble high school like Erzong.

Her daughter's excellence was also a comfort for the couple during their poor days.

Yang Ju sat down beside Guan Tao and looked at Xia Qinghuan, who was being interviewed on television.

This was her daughter's good friend and classmate. Her daughter had mentioned this friend's excellence to her more than once. At this moment, Yang Ju's attention was on the dress this classmate was wearing.

“This dress is the one you made a while ago, right?” Yang Ju slowly said.

Guan Tao couldn't help but be shocked. She said nervously, “Mom... I...”

“Mom knows...” Yang Ju interrupted Guan Tao's horror and said calmly, “You secretly did not want Mom to see you. Mom accidentally saw you.”

Seeing this, Guan Tao couldn't help but lower her head in shame. “Mom, I'm sorry. I won't dare to do it again.”

She knew her family's financial situation. Her parents worked so hard to provide for her to go to school. She should not do anything other than studying to hurt her parents' hearts at this age.

No matter how much she liked it, she should not do it now.

“That's not what Mom meant. Mom doesn't blame you!” Yang Ju said.
