Chapter 631: Invitation to a High-end Cocktail Party

Therefore, for the sake of their respective secrets, the two of them mentioned nothing about that day. It affected neither of them at all. Their relationship was as usual, comfortable and natural.

“Why did you choose such a place?” Jian Ai looked around with amusement. This dessert house was typical of a girl’s style. It did not match Brother Wu Bi’s temperament.

“You don’t like it?” Wu Bi blinked. He chose this place to make Xiao Ai happy.

Didn’t girls like to eat sweet things and come to such a dreamier place?

Jian Ai nodded with a meaningful expression. “I like it. It’s quite good.”

Wu Bi couldn’t help but smile dotingly when he heard this. He pushed the dessert menu with his long fingers and said to Jian Ai gently, “Look, what do you want to eat?”

Jian Ai glanced at it. The names of the desserts were very artistic and looked ambiguous. However, she did not like food that was too sweet, so she casually pointed at a dessert made of green apples. “I want this Green Light Forest.”

Wu Bi nodded and stood up. He walked to the counter to order and returned with a number plate.

After Wu Bi sat down, Jian Ai looked at him and said, “Brother Wu Bi, I let my brother drive the car you gave me before.”

As she spoke, Jian Ai looked a little apologetic. After all, this car was Brother Wu Bi’s birthday gift to her. However, she was still a few years away from getting her driver’s license. It wouldn’t be good to leave that car there forever.

Coincidentally, her brother got his driver’s license after taking the test once, so she let him drive the car.

Initially, she wanted to return the car to Brother Wu Bi, but after thinking about it, she decided not to. She felt that the gift was too expensive, but she knew in her heart that he would not accept the car.

Wu Bi nodded indifferently. “Alright. Since it’s for you, you can arrange anything.”

To Wu Bi, as long as Jian Ai accepted his gift, it was enough.

Jian Ai felt relieved when she heard this. She was afraid that Brother Wu Bi would be unhappy because of this.

“By the way, there’s a high-end cocktail party in a few days. There will be some fun things. Are you interested in coming with me?”

Wu Bi suddenly asked Jian Ai.

Jian Ai was stunned when she heard this. Although Wu Bi might have treated her as a girl who knew little about many things, Jian Ai had taken part in countless high-end cocktail parties in her previous life.

Such cocktail parties usually had to be attended together with a partner. Although Brother Wu Bi was asking her if she was interested, he was inviting her to be his female companion.

She was a little young at fifteen years old, but there was no hard requirement for a couple to attend such a cocktail party. Many people brought their good friends or lovers. Of course, there were also those who brought their sister.

“Why? Did Brother Wu Bi’s good friend already left?” Jian Ai immediately exposed Wu Bi’s intentions, and a trace of interest flashed across her eyes.

Wu Bi paused for a moment before laughing. He shook his head helplessly. “She didn’t leave. I wanted to invite you to go with me.”

At the same time, he couldn’t help but be surprised that Xiao Ai could tell that he was inviting her as his female companion.

The two of them had no distracting thoughts, so Jian Ai naturally wouldn’t refuse Wu Bi’s invitation. Moreover, hearing him say that there would be something fun, she was quite curious. She immediately nodded. “Alright, I received a very beautiful dress on my birthday.. It seems that it’ll be useful now.”

Chapter 632: Five... Five Hundred Thousand?

Wu Bi raised his eyebrows handsomely. “I was still wondering if I should prepare a set for you. I didn’t expect you to come prepared.”

Jian Ai shrugged and didn’t comment.

The cocktail party was in the evening three days later. It was said that this cocktail party would be held once every year in Baiyun City. All the top celebrities in Baiyun City would be around, and even many rich people from other provinces would take part.

...

At Wang Yunfa’s house.

Ever since he got alcohol poisoning the last time, Wang Yunfa had been recovering in the hospital for a month. Now, he was finally discharged and home.

After this incident, although Wang Yunfa didn’t die, he scared himself half to death. After all, he didn’t really want to kill himself. He was just in a bad mood and drank too much alcohol. He didn’t expect to almost drink himself to death.

Li Xia had long cleaned up the house. Wang Yunfa almost died. Even if Li Xia was angry, she could not vent it out now.

“Dad, Mom, sit down first. I’ll go wash apples for you.” Li Xia called for the two elders of the Wang family to sit on the sofa, and she turned to go to the kitchen.

Seeing this, the old lady quickly said, “Xia, don’t be busy. Sit down first. Your father and I have something to say.”

When Li Xia heard this, she could not help but be stunned. She subconsciously looked at Wang Yunfa, who was silent.

Although she was puzzled, she still sat on the sofa obediently.

The old lady sighed first. She looked at her youngest son and then at her daughter-in-law. Then, she said, "Your father and I know that you guys are unhappy because of the house, but since things have already come to this, no matter what you do, it won't help, right?"

"About this matter, Yunfa suffered a loss, so it's reasonable for him to feel upset. But no matter what, we can't risk our lives, right? Your father and I are old, and we can't afford to be frightened like this."

"Mom, Yunfa didn't do it on purpose. Fortunately, it was just a scare but nothing dangerous. Don't worry, I'll look after him in the future and let him drink less." Li Xia was good at talking. She immediately comforted the old lady.

The old man nodded and looked at the old lady. "Alright, stop talking about these things. Let's get down to business."

As soon as the old man finished speaking, Li Xia couldn't help but look at him strangely. Even Wang Yunfa looked up curiously.

Business?

What business?

The old lady took out a red bankbook from her pocket and placed it on the table. She sighed again and said, "Your father and I are giving you this money. Your brother is rich, so we don't have to worry about him in the future. After South City is demolished, your father and I can't spend the demolition fee. We'll give it to you!"

"Demolition fee?" Wang Yunfa was shocked. He quickly reached out to take the bankbook and opened it. His eyes widened when he saw the balance column.

Five... five hundred thousand yuan!

Wang Yunfa felt his head heat up. He didn't even have time to control his expression as a silly smile appeared on his face.

The old man said, "They have not paid the demolition fee yet. Your mother and I borrowed this money from your brother. We'll return it to him when we receive the payment for the demolition fee."

Li Xia took the bankbook, and she was pleasantly surprised to see the numbers on it. However, she was much more reserved than Wang Yunfa, so she only pretended to be shocked. "This... Dad, Mom, are you giving this to us?"

It was not fifty thousand yuan or one hundred and fifty thousand yuan, but five hundred thousand yuan!

In this era, five hundred thousand yuan was undoubtedly an enormous sum for an ordinary family!

Chapter 633: This is the Last Time We're Helping You

The old lady sighed again and nodded. "You don't have to return what we gave you. As long as you lead a good life in the future, it's better than anything! Whether you save this money for the future or take out a portion to do a small business, it's all up to you to decide. Your father and I won't interfere."

The old man couldn't help but add, "But your mother and I have to make things clear first. We're old, and this money can only help you one last time. If you lose this money again, your mother and I won't care about you anymore."

They gave more than half of the demolition fee to their useless son. It could be seen that the two elders of the Wang family usually treat their daughters coldly, but in the face of their sons, even if it was Wang Yunfa, they would try their best to help as they could not bear to let him suffer.

Wang Yunfa was so excited that he wanted to scream. Five hundred thousand yuan! He had never seen so much money in his life.

As if something had instantly swept away the gloom brought by the demolition incident, Wang Yunfa quickly nodded and promised, "Dad, Mom, don't worry. Xia and I will make good use of this money."

The old lady knew her son and knew that he could not be trusted.

Fortunately, Li Xia was in-charge in the eyes of the two elders. The old lady couldn't help but look at Li Xia and say, "Xia, keep this money well. Don't give it to Yunfa so easily and let him spend it."

Li Xia nodded.

The old lady's gaze landed on Li Xia's stomach again. She could not help but remind her, "It's been two months since your results. You don't look pregnant at all. I'm afraid it's because of these troubling matters recently that you haven't been eating well. No matter what, the child in your stomach should come first. You can't neglect it."

If the old lady did not mention this, Li Xia and Wang Yunfa would have almost forgotten that they had a lie to tell.

Fortunately, there was a little fat on Li Xia's waist. Otherwise, how did she look like a pregnant person?

When she came back to her senses, Li Xia quickly smiled and nodded. "Mom, don't worry. I'll take good care of myself."

After sending the old couple off, Wang Yunfa hugged Li Xia excitedly and shouted, "Wife, we have money. Five hundred thousand yuan! We have money!"

Li Xia also had a smile on her face, but she pretended to be angry and punched Wang Yunfa's shoulder. "Look at your useless appearance. Put me down quickly."

"How do we use this money?" Wang Yun released Li Xia and asked with glowing eyes.

"Let me think about it and see if there's any small business that we can do." As she spoke, Li Xia frowned again and looked worried. "My stomach is a problem now. I'm afraid I can't hide it for long."

“What are you afraid of? Let’s give birth now!” Wang Yunfa seemed to have been injected with chicken blood. He exerted strength and carried Li Xia up. Ignoring her screams, he rushed into the bedroom anxiously!

...

At half-past five in the afternoon, Jian Yu drove to Baiyun Commercial Building after work from the entertainment company.

The sleek and stylish Porsche was a global, limited edition sports car. Even in Baiyun City, it inevitably attracted passersby to stop and look.

Jian Yu had been driving this car for a few days. At first, he was a little scared. However, it was a famous car, after all. Its performance was outstanding in all aspects. After getting familiar with it, Jian Yu became more trained.

Jian Yu stopped the car by the road and locked it after getting out. He heard a familiar voice calling his name from behind.

“Jian Yu?”

Chapter 634: Meeting His First Love

The uncertainty in her voice made Jian Yu’s back stiffen.

Although a few months had passed, Jian Yu was still familiar with this voice. Every time his name came out of her mouth, it sounded like a magical power that made his heart flutter.

He turned around and met a pair of sparkling eyes.

The girl was wearing a yellow knee-length dress. Her exquisite figure was perfect and delicate. Her tender, fair, and slender arms were slightly crossed in front of her chest, giving her a slightly uneasy posture. Coupled with her innocent and charming face, there seemed to be a glint in her eyes.

The girl was weak, beautiful, and moving. She was the type of goddess that could move people with a glance and give rise to a desire to protect her.

It was like a lifetime had passed when they met again. Jian Yu was stunned for a moment.

“It’s you?”

When Qiao Yina saw Jian Yu’s face, she exclaimed in surprise. However, after saying this, the atmosphere between the two of them became extremely awkward.

Jian Yu looked at her with mixed emotions. He didn’t know how to face Qiao Yina calmly.

This was his first love, whom he had once sincerely liked and cherished.

Their relationship was as short as smoke and fire. They did not even officially break up before it ended.

Nodding slightly, Jian Yu tried his best to remain calm. He greeted Qiao Yina, “Long time no see.”

This sentence was flat and distant. The doting and tender feelings from before were no longer there, only politeness.

Qiao Yina's heart stopped. She had also thought about whether she would be reunited with Jian Yu in this huge Baiyun City. What would happen then?

Qiao Yina was still very confident in her appearance. She believed that even if she did something to let Jian Yu down, as long as he saw her beautiful and perfect self again, she was confident that Jian Yu would return to her side.

However, the Jian Yu in front of her made her feel unfamiliar. When he saw her, there was only a flash of surprise. She didn't even see any other expression.

Indeed, with Qiao Yina's qualities, it was not by chance that Jian Yu fell for her. However, in Jian Yu's eyes, Qiao Yina was a pure, gentle, and kind girl.

However, after that incident, Jian Yu realized that the pure and kind person was himself.

Qiao Yina bit her lips secretly. Her eyes were filled with pity, as if she wanted to show the excitement of a reunion between lovers.

However, Jian Yu only smiled and said softly, "I still have to buy something. Goodbye."

As soon as he finished speaking, he turned around and intended to leave.

Startled, Qiao Yina instinctively grabbed Jian Yu's arm and said pitifully, "Jian Yu... are you still angry at me?"

Angry?

Jian Yu chuckled and pulled his arm back. He shook his head. "There's nothing to be angry about."

These words were thought-provoking. That incident had dealt a huge blow to Jian Yu, but he already understood.

Some people and some things were not worth getting angry about, let alone talk about forgiveness.

Everyone could make the choice they wanted at a specific moment. Even if they would hurt others, that was their right.

Therefore, Jian Yu had already gotten over it. Since it was her choice, he could only respect it..

Chapter 635: I'm In a Hurry. Goodbye!

However, Qiao Yina didn't seem to understand the meaning in Jian Yu's words. Hearing this, she explained, "Jian Yu, I know I was in the wrong before, but you also know I can't do anything against Liu Yong. I'm doing this to protect you. Otherwise, you might have lost your job and still have to face Liu Yong's revenge!"

Qiao Yina rushed up to Jian Yu with an anxious and sincere expression. "You can be angry at me or you can forget about forgiving me, but I just want you to know that I'm not who you think I am."

Jian Yu looked at Qiao Yina, who had raised her face in front of him, and exhaled lightly. "I've never thought about what kind of person you are, so you don't have to explain this to me. I only know that you made the choice you thought was right. That choice wasn't me. That's enough."

To Jian Yu, he didn't think of Qiao Yina as an unbearable person. Be it she was afraid of Liu Yong or had other difficulties. Because in the end, he was the one left behind.

Had he thought that Qiao Yina chose Liu Yong because of money, he wouldn't have gone to look for Liu Yong.

All of this was because in Jian Yu's heart, Qiao Yina was still the girl who made his heart beat faster.

However, all of this had already dissipated.

He could not change the fact that he was hurt in the process, so Jian Yu was facing Qiao Yina as if he was facing a complete stranger.

He had once truly liked her.

He did not like her anymore.

Seeing Jian Yu's unmoved expression, disbelief filled Qiao Yina's eyes.

This was not the reaction Jian Yu should have when facing her. He should not be like this.

"Jian Yu..."

Qiao Yina softened her voice and reached out to grab Jian Yu's arm again. However, Jian Yu turned his body slightly and avoided her. He said, "That's it. I'm in a hurry. Goodbye."

This goodbye was a true goodbye.

Jian Yu brushed past her and left without looking back.

Qiao Yina's hand froze in mid-air. It was a long moment before it slowly curled into a fist.

Looking back, Jian Yu's figure had long been submerged in the sea of people. Qiao Yina's face was gloomy, and her throat was bitter. She stood there for a long time without moving.

Jian Yu was handsome, had a perfect figure, and had a gentle personality. Other than being a little poor, he was the ideal boyfriend in Qiao Yina's heart. She lost her mind and gave up on Jian Yu back then. In fact, she regretted it the next day.

Although Liu Yong was rich, he was nothing compared to Jian Yu in all aspects.

She gained nothing from Liu Yong. To someone like Liu Yong, no matter how pretty a girl was, he was just playing around. Before long, Qiao Yina could not even see Liu Yong.

She had never completely let go of Jian Yu, and yet today was an unexpected reunion. She thought God had given them another chance, but she didn't expect it to end like this.

Unwilling to give in, Qiao Yina turned to leave, but saw the Porsche parked by the road.

She had just been engrossed in her performance when she suddenly remembered that Jian Yu alighted from this car!

Although she knew little about cars, she could still distinguish between a sports car and an ordinary car.. The car in front of her was expensive.

Chapter 636: Discovered by a Scout (1)

When the two of them were still together, Jian Yu had just been promoted to the head of the bar. His monthly salary was only a thousand yuan.

Moreover, she knew his family's situation. He was not from a rich family. Otherwise, he would not be working in a bar.

At that time, Qiao Yina saw Jian Yu's handsome appearance and didn't mind that he didn't have money.

However, looking at the car in front of her, Qiao Yina couldn't help but ask herself, *'What's going on?'*

Even if someone who knew nothing about cars guessed blindly, this car should be at least a million yuan. Could Jian Yu afford such a car?

Could it be...

A dirty thought appeared in Qiao Yina's mind, and she frowned.

After all, in Qiao Yina's eyes, other than Jian Yu's good-looking appearance, there seemed to be no other way for him to buy such a good car.

Since that was the case, what right did he have to look down on her?

She snorted angrily and turned around to leave in anger.

...

"Mom, I still think that orange bow looks good. The dark green one is too old-fashioned. It's more like it for Dad."

In the famous boutique on the top floor of Baiyun Mall, Jian Yiyi said to Qiao Shuyi.

Jian Yichen, who was on the other side, immediately rebuked, "Orange is too old-fashioned. It suits you! I like the steady dark green!"

"Brat, how dare you say that your sister is old-fashioned?" Jian Yiyi was so angry that her nostrils were smoking. She hated it when others doubted her aesthetics.

The orange color was brighter and more suitable for children.

Why was a thirteen-year-old brat wearing dark green clothes? He was just pretending to be profound!

During the summer break, Qiao Shuyi brought Jian Yiyi and Jian Yichen to the capital. Now that school was starting, the three of them had already returned to Baiyun City. Since they had nothing to do today, they went out to shop.

Seeing the two children bickering, Qiao Shuyi only felt that it was blissful and interesting, but she still tried to persuade them. "Alright, Yiyi, it's not like you don't know that your brother likes these. It's fine as long as he likes them."

"I just don't think it's suitable for him. I'm just suggesting something." Jian Yiyi pouted and snorted.

Jian Yichen's handsome face twitched and revealed a trace of disdain. "Your aesthetics are so exaggerated, yet you still want to lead me astray!"

Jian Yiyi glared at him and stomped her feet in anger. "Mom, look at him. He said my aesthetics are exaggerated!"

"Yichen!" Qiao Shuyi was not biased. She immediately looked at Jian Yichen and said, "You can't say that about your sister."

Jian Yichen immediately turned around and obediently shut his mouth.

"I'm tired from shopping. Let's go down and eat ice cream," Qiao Shuyi suggested.

"I want to eat durian cake," Jian Yichen quickly said.

Jian Yiyi frowned again. "Can you not eat such disgusting things?"

Like Jian Changsheng, Jian Yichen liked to eat durian.

Jian Yiyi, on the other hand, followed her mother, Qiao Shuyi. She didn't eat durians at all.

Qiao Shuyi shook her head helplessly and looked at her daughter. "If your brother wants to eat, let him eat. He won't force you to eat with him."

"But it smells bad!" Jian Yiyi said, as if she had already smelled the stink of durian. She immediately pinched her nose.

Jian Yichen pursed his lips indifferently. "I want to eat durian cake."

At this moment, a thin middle-aged man with bright eyes under his glasses suddenly ran up to them.

Chapter 637: Discovered by a Scout (2)

That person excitedly sized up Jian Yiyi and Jian Yichen from top to bottom, making their scalps tingle.

Qiao Shuyi pulled the two children back warily and looked at the man. "What's the matter?"

Fortunately, that person only had an excited gaze and not a wretched expression. Moreover, they were at a famous boutique and there were people around. Otherwise, Qiao Shuyi might have called the police on the spot.

When the man heard this, he quickly raised the DSLR hanging on his chest and looked at Qiao Shuyi.

"Madam, I'm a scout for an entertainment company. I see that your son and daughter are very photogenic. They're the type of development potential our company is looking for now. Can I take a photo of them?"

A scout?

Hearing this, Jian Yiyi immediately turned on her radar. Without thinking, she nodded quickly. "Alright!"

Jian Yichen frowned. "I don't want to!"

Qiao Shuyi looked at the man and saw that his tone was serious. However, his claim that he was an entertainment company's scout sounded a little sinister.

After all, she rarely interacted with society outside of her family. She only knew a little about these things.

Just as she was hesitating, Jian Yiyi had already made a pose. With a click, the other party had already taken a photo.

Jian Yiyi had a strong desire to show off. Now that there was a camera facing her, she revealed a confident smile and made different poses. She didn't show any fear. She looked like a natural celebrity.

The scout was also excited, as if he had found a treasure. He grabbed the camera and tried his best to capture it. He couldn't help but say, "One more! One more!"

Judging from the scout's technique, he was a professional in photography.

Qiao Shuyi initially wanted to refuse, but she did not expect her daughter to be so passionate. Seeing that she was excited, she did not stop her.

Jian Yichen, who was at the side, looked at his sister twisting around. His eyes were about to roll to the sky, and there was only a word on his face: disdain!

After taking over ten photos, the scout put down the camera and looked at Jian Yiyi's photos through the lens. He nodded. "It's good. This is good too!"

"Uncle, are you really a scout?" Jian Yiyi leaned forward and asked with anticipation.

The scout nodded. "Of course. I'll bring the photos back to the company later. If the company chooses you, someone will contact you."

"Really? Which entertainment company are you from?" Jian Yiyi asked.

When the scout heard this, he handed her a name card and continued, "Leave me a contact number, too. I'll register it behind the photos later. If there's any news, someone in the company will contact you."

Jian Yiyi took the name card and looked at it. On it was printed: *Rose Entertainment Scout Department, Photographer, Zhu Zhi!*

Rose Entertainment...

Jian Yiyi thought for a moment. She usually paid attention to the entertainment industry's news and knew about some big entertainment companies.

However, she had never heard of Rose Entertainment.

On second thought, it might not be a big company so it was normal for her not to know.

But no matter what, as long as she could be a celebrity, it didn't matter if she couldn't sign with a big company in the beginning!

Unexpectedly, Jian Yiyi left her phone number for the scout. The scout noted it down and left with a satisfied expression.

"Yiyi, this is too unreliable!" Qiao Shuyi couldn't help but say.

Who would look for a celebrity on the streets? It sounded funny..

Chapter 638: A Little Like Himself When He Was Young

However, for the current model of creating stars in the entertainment circle, scouts were a very common and important existence. Many currently famous celebrities in the entertainment circle were discovered by scouts on the streets.

Being a scout was not as simple as it seemed on the surface. One could tell the other party's potential in the entertainment circle with just a look. It was not something that could be judged based on beauty.

"She has been talking about wanting to be a celebrity since she was young. If that person was a real scout, it would fulfill her dream," Jian Yichen said indifferently.

Although he didn't like this kind of thing, they were siblings, after all. He knew what his sister wanted.

"Yichen knows me the best!" Jian Yiyi was in a good mood and carefully put away Zhu Zhi's name card.

Jian Yichen said mercilessly, "I'm afraid that you won't give up. In order to fulfill your dream, you might even get Dad to set up a Jian Entertainment Company or something."

Jian Yiyi glared at him. "Rascal, you're talking nonsense again!"

"Alright, stop fooling around. Go and eat." Qiao Shuyi did not take this to heart. After all, in her eyes, such a thing was not reliable.

At the dessert shop, there was a long line in front of the counter.

"Hello, Sir. What would you like?"

Finally, it was Jian Yu's turn. The waiter looked at him and asked warmly.

Jian Yu: "Four durian cakes."

The waiter said, "I'm sorry, Sir. There are only three durian cakes left. Is that okay?"

Jian Yu nodded. "Sure."

At this moment, someone patted Jian Yu's shoulder from behind. Jian Yu turned around and met Qiao Shuyi's apologetic gaze.

Jian Yu frowned in confusion. Qiao Shuyi said embarrassedly, "I'm sorry, young man. Can you give me a durian cake?"

"Mom, I'll eat something else," Jian Yichen interrupted. Although he said that, he had a conflicted expression and was reluctant.

Jian Yu lowered his head and found a brat under his arm.

Jian Yu was stunned. He didn't know if it was an illusion, but he felt that this child's eyebrows were similar to his when he was young.

It was not obvious, but they looked similar.

"Okay." Jian Yu nodded.

"Thank you!" Qiao Shuyi quickly smiled and thanked him.

Only then did Jian Yichen look up and meet Jian Yu's slightly smiling gaze. He felt embarrassed and said weakly, "Thank you, Brother."

Jian Yu smiled and answered gently, "You're welcome."

...

The wild and imposing Hummer slowly stopped in front of the restaurant.

Jian Ai took off her seatbelt and turned to say goodbye to Wu Bi. "I'm leaving, Brother Wu Bi!"

Wu Bi smiled and nodded slightly. "Send me your North City address later. I'll pick you up at six in the evening the day after tomorrow."

Jian Ai nodded. "Alright, I understand."

She pushed the door open and got out of the car. Jian Ai waved at Wu Bi in the car and watched as his car drove away.

"Xiao Ai!"

Guan Tao's voice sounded from the side. Jian Ai looked over and saw Guan Tao running towards her excitedly.

"I finally see you. It's true. I thought you were missing!"

As soon as they met, Guan Tao couldn't help but complain.

Jian Ai smiled in embarrassment. "It's not that exaggerated. It's just that I'm very busy this time. Besides, you found a summer job, so you don't have time during the day.."

Chapter 639: The Gathering Before the End of The Summer Break

During this period, Jian Ai had placed all her energy on mental cultivation techniques and rarely went out. Although she had called Guan Tao a few times during the summer break, their timings never matched, so they never met.

As usual, Guan Tao found a temporary summer job during the summer break to earn some living expenses for the next semester. It was already very late when she got off work every day, so Jian Ai was even more reluctant to ask her out to play after working for a day.

That day, only when Qinghuan returned to Baiyun City could she arrange for everyone to meet with a phone call. Jian Ai and Guan Tao chatted as they entered the restaurant.

In the private room, Lin Yi and Gao Yang had arrived early. As soon as they met, Guan Tao couldn't help but look at Lin Yi in surprise. "Oh my, Lin Yi, did you go to Africa?"

During Lin Yi's summer training at the martial arts school, he was tanned by the sun by a few degrees. His fair skin was gone, and he looked even darker than Yan Tian's bronze skin.

On the other hand, Gao Yang, who was also training at the martial arts school with him, had no such problem. This was because Young Master Gao had always been exquisite. Every morning before he left, he would apply sunscreen. During the training, he would apply it twice. Not only did he not turn tanned, but he even turned white.

Lin Yi smiled indifferently. "It's been a long summer break. I accidentally got a little tanned."

Guan Tao looked at Jian Ai with a suppressed smile and thought to herself, *'Just a little tanned? With a crescent moon on your forehead, you can be Justice Bao.'*

However, Lin Yi didn't care. His skin was the type that would turn tanned once it was exposed to the sun, but it would slowly turn fair when it wasn't exposed to the sun. A child's skin regeneration and melatonin abilities were naturally much stronger than an adult's. After school started, his skin should slowly change back.

Not long after, Yan Tian and Si Yuehan arrived at the restaurant, one after another.

During the summer break, Yan Tian accompanied Xia Qinghuan to the production team in the capital to do odd jobs. These days were not easy for him either. As the master, Qinghuan was always eating and sleeping in the production team, so a slave like Yan Tian would not be much better.

However, when he saw Lin Yi, who had a tan skin because of training in the martial arts school, Yan Tian immediately felt much better.

"I say, you guys are too much. You didn't even discuss this with me!" Yan Tian looked at Lin Yi and Gao Yang and said unhappily.

Lin Yi leaned back in his seat and smiled. "It's not too late for you to go now. Gao Yang and I only learned for a month."

"What's the matter? Can you fly now?" Yan Tian looked at the two of them and asked with disdain.

Gao Yang replied indifferently, "Not to that extent, but one hand should be more than enough to deal with you."

Yan Tian: "If you dare to touch me, I'll scream molestation!"

"Pfft..." Guan Tao couldn't help but spit out a mouthful of tea.

Seeing everyone's gaze on her, Guan Tao coughed and waved her hand. "Continue, continue."

Someone handed a white silk handkerchief to her. Guan Tao was about to reach out to take it when her body froze as if she had thought of something.

When she looked up, the two golden embroidered letters LV entered her eyes. It frightened Guan Tao so much that she quickly tore two napkins. She looked at the puzzled Gao Yang and laughed dryly. "I can use this!"

What a joke. She still owed him the silk handkerchief from before, so she didn't dare to use it again.

Gao Yang wasn't embarrassed. He folded the silk handkerchief elegantly and put it in his pocket.

At this moment, the door of the private room was pushed open again. Xia Qinghuan and Chen Jin walked in together. Seeing that everyone had arrived, Xia Qinghuan immediately waved her hand in embarrassment. "Sorry, sorry. I overslept!"

At this point, everyone gathered again before the end of the summer break.

Chapter 640: It Seems to Be My Problem

When they saw Lin Yi, they reacted the same way as Xia Qinghuan and Guan Tao. They were so scared that they fell backward.

Recognizing the person, Xia Qinghuan widened her eyes and asked, "Damn, Lin Yi, did you apply tanning lotion?"

Lin Yi waved his hand indifferently. "I'm just playing around. I'll be back to white in two days."

"I heard you went to some martial arts school to learn martial arts? Is that true?" Xia Qinghuan looked at them and asked after sitting down. Her gaze landed on Gao Yang as she said in surprise, "Gao Yang doesn't look like someone who would go to that kind of place."

Jian Ai nodded. "Si Yue and I went first. Lin Yi and Gao Yang only went after that. Are you interested? You can also train!"

When Xia Qinghuan heard this, she quickly shook her head. "Forget about me. When I become famous, I'll hire ten bodyguards to protect me every day. I don't need to practice martial arts."

"Qinghuan, are you done filming? When can I see you on television?" Guan Tao immediately looked at Xia Qinghuan and asked.

Xia Qinghuan pursed her lips and said, "I can't say for sure. If it's fast, it should be winter!"

Everyone had not seen each other for the entire summer vacation. It was rare for them to gather before the end of the summer break. The atmosphere was exceptionally lively for a moment, and they kept talking.

During the meal, the girls went to the bathroom together. When Yan Tian saw this, he couldn't help but go up to Lin Yi and raise his eyebrows in curiosity. "What's going on, Lin Yi?"

Lin Yi frowned and looked at him strangely. "What do you mean?"

"Tsk!" Yan Tian glared at him and raised his chin at Jian Ai. "What do I mean? Of course it's about you and Jian Ai! Any progress?"

Lin Yi shook his head. "No progress!"

"Brother, are you sure you can do it? You've been spending the entire summer break with her, but you have made no progress at all?" Yan Tian said in a tone as if he expected better from him. "You've already become like this because of her. Didn't she express anything to you?"

Yan Tian's voice was not loud, but everyone in the private room could hear him. Chen Jin couldn't help but look over curiously, as if he had understood something.

This boy called Lin Yi seemed to like Xiao Ai?

On the other hand, Si Yuehan ate silently. He had never taken such things to heart. That was the Sect Master's private matter.

Lin Yi didn't avoid this topic. After all, he couldn't tell anyone else besides these brothers.

He pursed his lips with a conflicted expression and said, "Actually... it's not Jian Ai's problem. It seems to be my problem."

"What's your problem?" Yan Tian was stunned. He looked at him and asked.

Lin Yi couldn't grasp the problem in his heart. He frowned and took two breaths. In the end, he shook his head. "I can't tell."

He asked himself if he still liked Jian Ai.

The answer had to be yes.

Perhaps he liked her even more than before.

However, after considering it, although they met almost every day at the martial arts school, Jian Ai was still as friendly to him as usual and had never deliberately distanced herself from him.

However, Lin Yi always felt that he was getting further away from Jian Ai. That feeling was very obvious. Even though he spent every day with her, he always felt that he couldn't keep up with Jian Ai.

This feeling did not show any substantial signs. It was purely his feeling.. Moreover, this feeling was getting stronger, so strong that he could not ignore it even if he wanted to.
