### Chapter 651: You Look Troubled

The rooftop of Shuiyun Club was also built into an elegant and quiet sky garden. Because smoking was completely prohibited in the club, this became the best venue for customers and employees to smoke.

There were few people on the rooftop. Jian Changsheng casually found a sofa and sat down. He took out a branded cigarette from his pocket and handed one to Li Qiang.

Li Qiang reached out to take it and sat down on the sofa opposite Jian Changsheng. He was holding the cigarette in his hand, but he wasn't in a hurry to light it. Instead, he looked at Jian Changsheng.

"Why did you suddenly bring Shuyi to the cocktail party today? It's rare," Li Qiang calmed himself down and looked at Jian Changsheng.

Jian Changsheng lit his cigarette and handed the lighter to Li Qiang. Then, he smiled and said, "Ever since Shuyi married me, she almost never attended such a famous cocktail party. Sometimes, I feel I owe her. If I have the chance in the future, I will bring her to such events more often."

Li Qiang nodded slightly when he heard this. He looked into the distance and didn't know what to say.

The two of them had grown up together. Jian Changsheng knew Li Qiang very well. He knew that whenever Li Qiang appeared in this state; he had something on his mind.

Jian Changsheng frowned and leaned forward. "What's wrong, Qiangzi? You look troubled."

Li Qiang looked away and revealed a relieved smile. He gently shook his head and said, "Nothing. I just thought of something. It's nothing."

Although Li Qiang was struggling in his heart, his mind remained calm.

It was true that Changsheng's daughter was at the cocktail party, but Changsheng didn't know that Li Qiang couldn't tell him about this because he didn't know if Jian Changsheng could control himself.

Would it satisfy him with just looking at her from afar, or would he rush up and reveal his identity?

Qiao Shuyi was still present. Li Qiang knew he couldn't take this risk. Li Qiang didn't want this matter to disrupt Changsheng's current life.

Not just Changsheng, but also Meizi. He and Changsheng should respect Meizi's wishes.

With this thought in mind, Li Qiang couldn't help but reveal a relaxed smile. He leaned back and said to Jian Changsheng, "East Sea Real Estate's amusement park project caused quite a stir a while ago. I remember you said that this company's registered capital is only one million yuan. Can they support such a big project?"

Although Li Qiang was not from the real estate world, he knew that if a real estate company's registered capital was only one million yuan, they would not even consider it a small-scale company.

An amusement park project. From the name, one could tell how expensive it was.

However, Li Qiang still didn't know that he had personally 'sponsored' Jian Ai for the start-up capital of East Sea Real Estate.

"This company has a lot of liquid capital and has been collaborating with Century Group. I believe it will be the same this time," Jian Changsheng said. He smiled bitterly and shook his head. "To be honest, our Jian Group was planning and developing this amusement park project before. I just didn't expect that we would be one step slower than East Sea Real Estate."

Not only was the project proposal slow, but even the land they valued had been snatched by the other party again.

When Li Qiang heard this, he couldn't help but raise his eyebrows in surprise.. "Oh, to compete with the Jian Group on a project, it seems that East Sea Real Estate has done a good job in terms of their forward-looking planning."

### **Chapter 652: This Company Has to Be Guarded Against**

Jian Changsheng was a person who could easily face reality. He had the same thoughts as Li Qiang regarding East Sea Real Estate.

He nodded. "This company is not as simple as it looks. In the beginning, I did not take it seriously, but now, it has successfully attracted everyone's attention."

"What do you mean?" Li Qiang frowned and asked, "Are you thinking of arranging someone on their company?"

Placing a business spy was a common trick among large corporations. Of course, not everyone could do such a thing. It had to be thorough and secretive because once someone would discover such dirty tricks, not only would the 'spy' not be able to survive in the circle in the future, but the company who planted the spy would also be despised.

However, even so, such things were still common in the business world. But even with Jian Changsheng's upright personality, he actually often did such things.

If he wanted to succeed, he had to use some methods.

However...

Jian Changsheng exhaled softly and said, "This company is like an impenetrable egg. I chose two top-notch people in the industry for an interview, but none of them passed."

"Ah? They saw through you?" Li Qiang said this and shook his head in disbelief.

How could they be seen through during the interview?

Jian Changsheng shook his head. "The reason the other party gave was that their personal development ideals were not compatible with the company. However, the more this company is like this, the more curious I am. I'm curious about the people in this company."

"The general manager of East Sea Real Estate is also here today," Li Qiang changed the topic and said.

Jian Changsheng nodded. "I saw him. I saw him twice at the auction before, but we didn't interact much. There was always a young girl beside him before, but I didn't see that girl today. He brought Yun Buyao to attend today's cocktail party!"

"Yun Buyao?" Li Qiang was shocked when he heard this. He cracked his mouth and said, "It seems that this person is indeed not simple!"

As people in the business world, they could occasionally interact with celebrities in the entertainment circle, such as finding a spokesperson for the company's products or inviting celebrities to perform at the annual meeting.

However, Yun Buyao was on a completely different level from the average celebrity in their eyes.

"Changsheng, we have to guard against this company. Be prepared and pay attention to it," Li Qiang couldn't help but remind him.

Jian Changsheng had already listed East Sea Real Estate as one of the Jian Group's major competitors. Although this company had little registered capital, it would amaze everyone once it made a move in the past few months. It was difficult not to notice this momentum.

Jian Changsheng pursed his lips and put out the cigarette in his hand. He nodded.

In the banquet hall, Jian Ai was still eating in the buffet area. All the food for this gala was prepared by the chef at Shuiyun Club. Every dish was delicious. Jian Ai didn't know if it was an illusion, but she felt she was especially hungry tonight. Now, she couldn't stop eating.

At this moment, Jian Ai, who was eating alone in the buffet area, suddenly saw a figure holding a fork and plate.

The two of them instinctively looked up at each other. However, what they saw stunned them.

Jian Ai had a puff in her mouth. When she saw Ji Haoxue without makeup in front of her, she immediately recognized her.

Shock flashed across her eyes.. Jian Ai swallowed the puff and looked at Ji Haoxue. "Haoxue?"

### **Chapter 653: My Brother Is Also Very Handsome**

Ji Haoxue stared at Jian Ai for three seconds before shock filled her face. She blinked her big eyes and said, "Sister... Sister Xiao Ai?"

As if she was too shocked to meet Jian Ai at the Langxing Gala, although Ji Haoxue already recognized Jian Ai, she still asked questions.

Jian Ai was also a little surprised. She immediately couldn't help but look at Ji Haoxue from top to bottom. Then she revealed a relaxed smile and looked at her. "I didn't expect to meet you here. How is it? Is your body completely recovered?"

At that time, Ji Haoxue had already fainted when Ji Haoyu carried her away, but Jian Ai did not know if she was injured.

Ji Haoxue nodded excitedly. The moment she opened her mouth, her eyes couldn't help but turn red. She looked up at Jian Ai and said in a choked voice, "I'm sorry, Sister Xiao Ai. I've always wanted to call you to thank you. But when I think about how I almost implicated you, I feel so guilty. I'm sorry."

Seeing Ji Haoxue's tone and attitude, Jian Ai felt her heart ache. She was almost kidnapped, but she still thought that she implicated her.

Thinking of the pain and pleading in Ji Haoxue's eyes when Helena walked up to her with the dagger, Jian Ai couldn't help but raise her hand to touch her face. "It's fine. If I were afraid of being implicated, I wouldn't have saved you back then. Now that both of us are fine, isn't that the best outcome?"

Although Ji Haoxue knew that Jian Ai would not hate her because of this, she still heaved a sigh of relief when Jian Ai said this herself.

It was true. From the beginning, these inexplicable pressures and struggles were all given to her.

Ji Haoxue nodded hard and smiled.

The knot in her heart dissipated, and Ji Haoxue's small eyes looked around uneasily. "Sister Xiao Ai. Who are you here with?"

Fortunately, she did not ask if Brother Yu was here. She knew how to be reserved.

"One of my brothers brought me here."

Ji Haoxue heard the difference in Jian Ai's words. It was obvious that the brother was not Brother Yu. Otherwise, she would have told her directly.

Ji Haoxue could not help but feel disappointed, but she did not show it. She only said to Jian Ai, "I see. I came with my brother, too."

Hearing this, Jian Ai's expression froze because she already knew that Ji Haoxue was Ji Haoyu's biological sister.

Before she could react, Ji Haoxue's voice sounded again. "Sister Xiao Ai, you're so beautiful today. This dress is so beautiful, and your hair is so beautiful. You're like a fairy."

"My brother is also very handsome. Let me introduce you guys later!"

Ji Haoxue was as passionate as usual towards Jian Ai.

However, when Jian Ai heard this suggestion, she wanted to turn around and leave.

Ji Haoyu? Haha, forget it.

However, she was embarrassed to refuse Ji Haoxue directly. Jian Ai smiled dryly and said, "I've already seen your brother last time, so there's no need to specially get to know him again."

"Oh, that's right!" Ji Haoxue pretended to be enlightened. Last time, her brother arrived in time to save her and Sister Xiao Ai.

Although she did not know what had happened that time, her brother said so.

## Chapter 654: See You At the Rooftop

Taking advantage of the time when Ji Haoxue turned around to get food, Jian Ai subconsciously looked up to search for Ji Haoyu.

In the past, Ji Haoyu was a god of plague in her eyes. In short, nothing good happened every time she bumped into him.

Now, Jian Ai could vaguely feel that the Ji Haoyu she saw was not the real him.

That cold and arrogant figure with murderous intent. Even if she thought about it now, she could still feel the strong pressure and magnetic field.

For some reason, Jian Ai was even more unwilling to approach this man. He was dangerous, mysterious, and unpredictable.

However, fate was indeed wonderful.

Jian Ai looked up and met Ji Haoyu's deep eyes without finding.

In the sofa area in front of her, Ji Haoyu casually placed one hand on the sofa and crossed his legs. The smile on his lips was faint, and his eyes were filled with a layer of mysterious meaning. He looked at Jian Ai with an inexplicable smile.

His gaze seemed to tell her, 'Little girl, stop looking. I'm here.'

Jian Ai stopped breathing and did not dodge. She just looked at Ji Haoyu blankly.

Jian Ai did not look as tender as before. She was lively, beautiful, and natural. This fresh image made Ji Haoyu, who was already very interested in her, light up.

The smile in his eyes intensified. This girl looked so beautiful!

Ji Haoyu tilted his head slightly at Jian Ai. It looked like a casual action, but it was elegant and charming, with a trace of playfulness.

Seeing this, Jian Ai rolled her eyes at him mercilessly!

In the next second, Ji Haoyu slowly stood up and raised his head towards the roof of the lounge. Then, he turned around and walked towards the spiral staircase at the end.

Obviously, he was inviting Jian Ai to meet him on the rooftop.

Jian Ai wanted to refuse, but Ji Haoyu was a person who would do anything. Helpless, she took a deep breath and said to Ji Haoxue, who was eating heartily not far away, "Haoxue, I'll look for you later."

Ji Haoxue had a cake in her mouth. She nodded with wide eyes and waved at Jian Ai.

After going up the spiral staircase, Jian Ai went straight to the rooftop. Ji Haoyu leaned against the fence at the edge and looked at her with his hands in his pockets.

Jian Ai restrained her expression and walked up to him. She met his gaze without hiding.

Looking at her fearless expression, Ji Haoyu suddenly chuckled. Then, he slowly looked at Jian Ai from top to bottom and then from bottom to top.

Seeing this, Jian Ai immediately glared and instinctively took a step back. She looked at Ji Haoyu and said coldly, "What are you looking at?"

"Looking at you!" Ji Haoyu smiled, but it was impossible to tell the truth from his tone. "You look good!"

As if she did not expect Ji Haoyu to say that she looked good so bluntly to her, Jian Ai was stunned. When she reacted, her face instantly turned red.

It was not that Jian Ai could not accept praise, but Ji Haoyu's sudden praise was even more terrifying than seeing a ghost.

"Are you crazy?!" Jian Ai pretended to be angry to hide her panic. She glared at Ji Haoyu. "Tell me if there's something. Otherwise, I'm leaving!"

As soon as she finished speaking, she turned around and walked towards the entrance of the roof.

Unexpectedly, Ji Haoyu's voice sounded indifferently from behind her. "Thank you."

Jian Ai paused and turned around to look at Ji Haoyu with a puzzled expression. There were three question marks above her head.

Ji Haoyu handsomely curled his lips and repeated in a particularly serious tone, "Thank you for what happened that day."

Chapter 655: I'll Take It as if I Kissed a Piece of Pork

Under the night sky, Ji Haoyu's eyes were shockingly bright, as if stars were sparkling in his eyes.

With a burning gaze, he smiled and looked at Jian Ai seriously.

However, facing Ji Haoyu, who had suddenly become serious, Jian Ai frowned in discomfort and felt a chill in her heart.

As if Ji Haoyu had already caused side effects, Jian Ai's thoughts were: 'What is this person up to again?'

As if seeing the unconcealed hesitation in Jian Ai's eyes, Ji Haoyu's expression immediately darkened. He said seriously, "Am I not sincere enough now? What kind of reaction is this?"

Jian Ai looked at him deeply and said truthfully, "I'm not used to you being so serious all of a sudden."

Jian Ai scolded herself in her heart. She hated him when he was indecent. Now that he was serious, she was not used to it.

Was she a masochist?!

Ji Haoyu raised his handsome eyebrows. He looked at Jian Ai in both anger and amusement and asked, "What do you mean by that? Was I indecent in your eyes before?"

When Jian Ai heard this, she gave him a look that said, 'Of course Ji Haoyu would interpret the rest of her meaning himself.'

Seeing this, Ji Haoyu's expression immediately darkened. What kind of image had he established in front of this girl?

He was talented, handsome, elegant, humorous, and rich.

He was probably the only person in the world who was like this. However, Jian Ai's image of him was an indecent person!

Ji Haoyu felt very hurt. Didn't he just kiss her once?

It was his first kiss, too. She did not suffer a loss!

That incident was an accident.

Ji Haoyu opened his mouth, and Jian Ai quickly raised her hand to stop him.

"Don't mention that matter anymore. I'll take it as if I kissed a piece of pork!"

"Sister, kissing me is better than kissing pork, right? Am I even less than a piece of pork in your eyes?" Ji Haoyu glared at her, and grievance filled the words he had said.

"Who are you calling sister?!" Jian Ai glared at him and corrected him. "You kissed me, not I kissed you. Besides, what else can I do if I don't think of you as pork? Accept it gladly? Dream on!"

Ji Haoyu nodded angrily.

He knew he had indeed made a mistake when he saw those pink lips back then.

Ji Haoyu waved at Jian Ai and said, "Come over. I'll tell you a joke."

Jian Ai didn't move and looked at him like she was guarding against a thief.

Tsk!" Ji Haoyu frowned and waved his hand again. Come here. It's really a joke. I've been relying on this joke for twenty years."

Jian Ai looked around. Many people on the roof looked at them curiously. It couldn't be helped. Ji Haoyu was the focus of attention wherever he went.

Taking a deep breath, Jian Ai thought that Ji Haoyu probably wouldn't dare to force a kiss on her in such a place. She pursed her lips and took two steps forward

Standing in front of Ji Haoyu, Jian Ai looked up at him and said, "It better be a joke. If I can't laugh, I'll push you down from here."

"It's especially funny. Listen carefully!" Ji Haoyu looked at Jian Ai and said, "A girl suddenly rushed to the police station to make a report. The police asked her what had happened. The girl cried and said that someone on the street forcibly kissed her."

## **Chapter 656: It's a Pity You're Not Worthy of Me!**

Then the police asked again, what did that person look like?

The girl suddenly stopped crying and said with a red face, I didn't see it because I habitually closed my eyes.

Jian Ai looked at Ji Haoyu expressionlessly. "That's all?"

"Isn't it funny?" Ji Haoyu looked at Jian Ai and asked.

Jian Ai's expression became even fainter. She looked at Ji Haoyu as if he was a fool and said, "Are you telling me I should call the police?"

Ji Haoyu: " "

Jian Ai said, "There's no need to. It's not that disgusting now that I think of you as a piece of pork."

Ji Haoyu: "

"Since it already happened, why don't you try to think of it in a better way? For example, try to savor it and enjoy it? Ji Haoyu couldn't help but feel that his intelligence had been insulted. Because, at this moment, Jian Ai looked at him as if she didn't think he was very smart.

When Jian Ai heard this, she immediately frowned. She shrunk her head and looked at Ji Haoyu with disdain. She said coldly, "Pervert!"

As soon as she finished speaking, she turned around and wanted to leave.

Ji Haoyu grabbed Jian Ai's wrist and said anxiously, "If you care so much about that matter, I'll take responsibility

Jian Ai pulled her hand back forcefully and looked at Ji Haoyu in confusion.

"You want to take advantage of me again?

At this moment, Ji Haoyu was a little angry at Jian Ai's impervious attitude. He immediately took a deep breath, looked at her, and said in an extremely serious tone, "I don't want to take advantage of you. Moreover, my conditions aren't bad, right? You don't like me?

At this moment, to Ji Haoyu, this matter already involved the charm he was proud of.

Because he could see the hatred and disdain in Jian Ai's eyes.

As if she did not expect Ji Haoyu to say things like 'My conditions aren't bad, right? You don't like me? Jian Ai could not help but chuckle.

Then, she sized Ji Haoyu up from head to toe with her naked eyes. Then she shook her head. "It's a pity you're not worthy of me!"

Ji Haoyu: ".

His expression was as ugly as if he had eaten a fly. In Jian Ai's eyes, she felt  
ery satisfied.

The two of them had crossed swords so many times. This was the first time she  
had seen Ji Haoyu suffer in front of her. It turned out that it was so satisfying  
to have a sharp tongue

It was a simple foul mouth, but there was extreme enjoyment!

Hahaha!

Jian Ai screamed at the sky in her heart, but she turned around without batting  
an eyelid.

However, before she could take a step, Ji Haoyu grabbed her again!

"What's wrong again?!" Jian Ai looked back at him impatiently.

Ji Haoyu stared straight at her and said word by word, "Do you despise me that  
much?

Looking at the expression in Ji Haoyu's eyes, the words Jian Ai wanted to blurt  
out were stuck in her throat.

Her saintly heart haunted her. When facing Ji Haoyu, she actually felt bad?

However, Ji Haoyu's expression was too.. Jian Ai couldn't describe the feeling.

It was like a perfect child's unwillingness when he was being denied.

Jian Ai paused and looked at Ji Haoyu. "Do you like me?"

Ji Haoyu was stunned. A trace of doubt flashed across his eyes, as if he did not  
react to Jian Ai's sudden question.

"Heh" Jian Ai smiled helplessly and sighed. "Isn't that it? You don't like me,  
and I don't like you. How are you going to be responsible?"

### **Chapter 657: You Look Like a Fool Today!**

When Ji Haoyu heard this, he did not know what went wrong in his mind. In a  
moment of heat, he said, "How would you know if you don't try?"

Jian Ai immediately looked as if she had seen a ghost. "Try to like you?"

That expression stabbed Ji Haoyu's 'weak heart again. It was unknown where

his stubbornness came from, but Ji Haoyu nodded gently. "You should try!

This time, Jian Ai smiled. She couldn't help but laugh.

After a while, she held her stomach and held back the tears that were about to fall from her eyes. "This is the joke you want to tell me, right? It's quite funny" Haoyu:"

He finally regretted teasing this girl a few times back then.

Unexpectedly, his image seemed to have completely collapsed in her heart, and it was the kind that was difficult to rebuild.

Ignoring Ji Haoyu's dark expression, Jian Ai laughed until she was out of breath and said, "You should be more indecent. You look like a fool today!

With that, Jian Ai slightly raised her dress and walked towards the entrance of the roof.

Ji Haoyu did not stop her and only looked at Jian Ai's back. Ji Haoyu did not know what his current state of mind was. It was a little complicated, and he felt. disappointed?

"Ah

Unexpectedly, before Ji Haoyu could think too much, Jian Ai's scream came from afar.

Jian Ai had just walked out when she suddenly knelt on the ground for no reason.

Seeing this, Ji Haoyu quickly strode forward and rushed to Jian Ai.

Jian Ai fell down because she was surprised. Her fair and tender palm accidentally rubbed the ground, and a layer of skin immediately broke.

"What's wrong?" Ji Haoyu squatted down and asked with a frown. His eyes were filled with concern.

The pain in her palm made Jian Ai take two deep breaths. Then she pointed at her dress. "I think my high heels are stuck in the crack"

The evening dress fell to the ground and covered Jian Ai's entire lower body.

When Ji Haoyu heard this, he reached out and lifted Jian Ai's dress!

“Ji Haoyu, you’re a pervert!” Jian Ai immediately snatched her dress and glared at Ji Haoyu with her starry eyes. “Nothing good happens every time I see you!”

Ji Haoyu’s expression froze, and his face turned slightly red. Not only was he not angry, but he also explained, “I’m sorry. I didn’t mean to.”

As he spoke, he reached out to hold Jian Ai’s arm. He exerted some strength and pulled her up from the ground.

At this moment, people had already surrounded them. These big shots in the business world of Baiyun City were naturally familiar with Ji Haoyu. They could not help but look at Jian Ai’s face curiously, as if speculating about the relationship between Jian Ai and Ji Haoyu.

“Take your feet out of your heels first. I’ll help you take the heels out,” Ji Haoyu said to Jian Ai with a serious expression.

Jian Ai met Ji Haoyu’s gaze. Seeing that he did not seem to be joking, she obediently took her feet out of her heels.

After taking two steps back, everyone saw a silver high heel stuck in the crack of the cement.

Ji Haoyu bent down and gripped the high heels tightly.

Jian Ai: !!

Ji Haoyu: “.

Everyone present was speechless.

Her heels were out, but the heel was still stuck in the crack.

### **Chapter 658: Don’t Move Around Lest You Expose Yourself**

“You did it on purpose, right?” Jian Ai looked at Ji Haoyu expressionlessly and said calmly.

She was not that angry anymore because her heart was already numb.

Ji Haoyu held the heelless high heels with an embarrassed expression. He also looked like he wanted to explain but was too lazy to.

Because from Jian Ai’s expression, he knew that no matter how he explained,

in her eyes, he did this on purpose.

The atmosphere froze. The surrounding people didn't know what to do when they saw this ridiculous scene. They only looked at Jian Ai and Ji Haoyu blankly. After a long time, just as Jian Ai was about to hobble back herself, Ji Haoyu unexpectedly tilted her body and picked her up horizontally in the next second. Jian Ai looked panicked. Just as she was about to struggle, she saw Ji Haoyu smiling as he looked down at her in his arms and said calmly, "Don't move around lest you expose yourself."

"Put me down" Jian Ai glared at Ji Haoyu, but there were people around her, so she didn't struggle.

As if he had suddenly grabbed Jian Ai's weakness, the corners of Ji Haoyu's mouth raised into a smug and evil smile. He said firmly, "I won't!"

As soon as he finished speaking, he carried Jian Ai and strode away, leaving the people behind him in a mess.

It was not until the two of them disappeared from the rooftop that everyone regained their senses and started talking

That's Young Master Ji's girlfriend? She doesn't look old!

"Young Master Ji is only in his early twenties. That girl is quite pretty.

I wonder which family's daughter received Young Master Ji's favor."

"I think I saw that girl in the cocktail lounge just now. She was eating alone."

Without Ji Haoyu present, these people didn't deliberately control their voices when they spoke. Jian Changsheng and Li Qiang in the crowd had different expressions, but they couldn't hide their shock.

Jian Changsheng frowned. Even though Jian Ai's appearance had changed, he recognized her at a glance.

However, he did not expect that she knew Young Master Ji of the Ji Group and that their relationship was not ordinary.

Jian Changsheng didn't know if it was the couple others were talking about, but Young Master Ji was famous for having a weird temper. It was obvious that

their intimate contact just now was not an ordinary relationship.

Could it be that the person supporting her was Young Master Ji?

This idea shocked Jian Changsheng. If what he thought was true, even the Jian

Group could not compete with a real estate company the Ji Group supported.

The Ji Group was as rich as a country. Even if the Jian Group was the best in Baiyun City's real estate world, in front of the Ji Group, there was a noticeable difference between an ant and an elephant.

Li Qiang's expression was equally fascinating. He also didn't expect

Changsheng's daughter to be related to Young Master Ji.

Li Qiang tuned to look at Jian Changsheng and saw that his expression was not good. His heart trembled, and he asked tentatively, "Changsheng, do you know the girl from just now?"

Jian Changsheng nodded. Seeing this, Li Qiang's breath stopped for a moment.

Then, Jian Changsheng slowly said, "This girl is the girl I just told you about.

The manager of East Sea Real Estate, Bai Zhou, always brings her along"

When Li Qiang heard this, he couldn't help but heave a sigh of relief. It seemed that Jian Changsheng didn't know that the girl was his daughter.

#### **Chapter 659: Am I Too Turbid, or Are You Too Innocent?**

In the main hall of the cocktail party, everyone was casually chatting, with wine glasses on their hands. The atmosphere was very lively.

Because East Sea Real Estate's amusement park project was famous in Baiyun City, and that the female companion of the manager, Bai Zhou, was the superstar Yun Buyao, this alone made others very curious about East Sea Real Estate.

"Miss Yun Buyao, can you give me an autograph? My son likes you very much."

"Mr. Bai, I'm the chairman of Yanghong International. This is my name card. I hope I can collaborate with your company in the future."

There was a constant stream of people around the two of them. It was obvious that they were in high demand at today's Langxing Gala.

Bai Zhou did not refuse anyone. No matter who it was, he would politely greet and talk to them.

On the other hand, Yun Buyao's smiling face froze. She finally found an opening and couldn't help but say to Bai Zhou, "I can't smile anymore."

"Then go to the sofa and rest for a while," Bai Zhou said softly.

Yun Buyao nodded. This kind of business cocktail party was definitely very boring for her. She only knew a little about what others were talking about, and most of the time, she was confused. However, at this moment, there was a commotion. Low cheers sounded.

"Look, isn't that Young Master Ji?"

"Yes, who is he carrying?"

"I don't know!"

"Eh? Isn't that the girl Boss Wu brought over?"

"Ah? Are you sure?"

"I'm sure. When I greeted Boss Wu, she was standing beside him. That dress was so beautiful. I won't remember it wrongly."

"Then... what's going on now?"

"I don't know. Don't talk nonsense. That's Young Master Ji!"

Yun Buyao and Bai Zhou also followed everyone's gaze and saw Ji Haoyu carrying Jian Ai as he walked over quickly.

Yun Buyao immediately widened her eyes. "Sect... Sect Master?"

As soon as she finished speaking, she turned to look at Bai Zhou and asked, "Didn't you say that you're here on behalf of the company?"

Bai Zhou was also stunned because he didn't know that the Sect Master would come to the Langxing Gala. The Sect Master didn't tell him!

Moreover, what was going on? Why was she being carried?

"Who's the handsome man holding the Sect Master? Do you know him?" Yun Buyao knew that her reaction also surprised Bai Zhou, so she asked again.

Bai Zhou naturally knew Young Master Ji from the Ji Group.

At the gambling table in Macau, the Sect Master met Young Master Ji once, but Bai Zhou did not know if they knew each other.

However, looking at the situation, Bai Zhou couldn't help but mutter, "She... she should know him!"

How could he carry her if she did not know him?!

The surrounding discussions entered Yun Buyao's ears, making her vaguely guess that this handsome man holding the Sect Master was not a regular person.

“Who is this person? I think everyone seems to be afraid of him,” Yun Buyao lowered her voice and asked.

Bai Zhou explained, “Ji Group’s eldest grandson, Ji Haoyu.”

Yun Buyao immediately widened her eyes. Even if she was from the entertainment circle, the Ji Group was the most highly regarded corporation in China. Who didn’t know them?

When she reacted, Yun Buyao exclaimed agitatedly, “Oh my, the Sect Master is good!”

Bai Zhou immediately glared at her. “Nonsense. Be careful not to offend the Sect Master.”

“He’s already carrying her. Am I too turbid, or are you too innocent?” Yun Buyao said indifferently. It was obvious that the jade-eyed fox only believed in her eyes.

A smile formed on Ji Haoyu’s lips. He looked straight ahead and did not care about the gazes and discussions of the surrounding people..

Jian Ai, who was in his arms, was like a salted fish that had completely given up on resisting. She let him carry her around ostentatiously. Her face was expressionless, and she looked like she had nothing to live for.

She no longer wanted to resist anything when it comes to Ji Haoyu because God wanted to stand on his side forever.

She was just a fairy that God abandoned.

Such a huge commotion naturally attracted everyone’s attention. Wu Bi was still looking for Jian Ai, who had suddenly disappeared. But seeing this scene, he couldn’t help but freeze on the spot.

Was the boss carrying Xiao Ai?

Like the others, Wu Bi also had a shocked expression on his face. Just as he was hesitating about whether to go forward, Ji Haoyu turned the corner and walked from the center to the sofa area on the right.

He gently placed Jian Ai on the sofa. Ji Haoyu looked down at her and said, “Wait for me.”

Jian Ai looked up at him, not knowing what he wanted to do.

Ji Haoyu took out his phone from his pocket and quickly dialed a number.

“I’m at Shuiyun Club for the Langxing Gala. Send a few pairs of high heels over,” Ji Haoyu instructed on the phone.

The person on the other end said something. Ji Haoyu turned around and asked Jian Ai, “What’s your shoe size?”

Jian Ai: “...”

Shaking her head, Jian Ai said, "No need. I'll ask Manager Bai to send me a pair of shoes later."

When Ji Haoyu heard this, he said into the phone, "Take a few pairs of size 35, 36, and 37."

Jian Ai widened her eyes and quickly said, "I'm a 35!"

Why didn't this person listen to her? She already said that there was no need!

Ji Haoyu raised his eyebrows smugly and said, "Size 35. Pick some nice styles for girls fifteen or sixteen years old."

With that, Ji Haoyu hung up and sat down beside Jian Ai unceremoniously.

Seeing this, Jian Ai reached out to push Ji Haoyu's arm. "Stay away from me. You're crushing my invisible wings!"

Ji Haoyu looked at her without moving and whispered, "If you're naughty again, I'll kiss you!"

Jian Ai: "..."

You win!

Jian Ai glared at him fiercely and turned away from him.

Ten minutes ago, Jian Ai, who was secretly happy that she made Ji Haoyu suffer, was beaten back to her original form.

Indeed, she would always be the angry one in the end.

"Xiao Ai!"

At this moment, Wu Bi still walked over worriedly. After all, the boss' temper was not something ordinary people could handle.

Hearing Wu Bi's voice, Jian Ai quickly turned around. Her expression instantly changed, and she revealed a dazzling smile. "Brother Wu Bi!"

Ji Haoyu looked at the smile on Jian Ai's face and felt his chest tighten. His expression immediately darkened.

She was smiling so widely that the corners of her mouth reached behind her ears.

"Are you okay?"

'Wu Bi sat down beside Jian Ai and asked softly.

Jian Ai had the attitude of a sister in front of Wu Bi, so her actions and expressions were very natural. Hearing this, she shook her head and pursed her lips. Then, she said, "My heel accidentally got stuck in the crack in the ground just now. The heel got separated when I was pulling my leg away."

'Wu Bi nodded in understanding.

So that was the reason. No wonder the boss was carrying her.

"You brought her here?"

Ji Haoyu suddenly looked at Wu Bi and asked. There were no fluctuations or emotions on his face.

When Wu Bi heard this, he looked up at Ji Haoyu and nodded.

Jian Ai looked at Wu Bi and then at Ji Haoyu.. She asked, "You... know each other?"
