

At School 711

Chapter 711 Didn't Expect High School Students to Be So Childish Too

Xia Qinghuan pursed her lips and nodded. "That's true. However, the entire school knew what Jian Yiyi did before. Her reputation in school is not good, to begin with."

Everyone looked at each other and couldn't help but sigh when they thought of what had happened.

That incident caused Lin Yi a lot of trouble, making him bear the name of a 'scumbag' for a long time.

However, high school students were forgetful.

The gossip in school changed so quickly that most people forgot about it after a few months. "Sister Xiao Ai!"

As they were chatting, Ji Haoxue suddenly appeared behind Jian Ai with a plate.

Seeing Ji Haoxue, Jian Ai was delighted. "Haoxue!"

As she spoke, Jian Ai moved closer to Guan Tao and made room for Ji Haoxue. "Come and sit here. There are many people in the cafeteria at noon. It's not easy to find a seat."

Ji Haoxue did not hesitate and sat down. She did not forget to nod and greet Jian Ai's friends politely. "Hello, seniors."

Ji Haoxue was wearing Erzhong's school uniform today, and the dirty braid on her head had naturally been removed. She looked very quiet and obedient. Now that she was so polite, it immediately made them have a better impression of her.

Jian Ai didn't forget to introduce Ji Haoxue to them. "This is my little sister. Her name is Haoxue. She's also a Year One."

When the others heard this, they all smiled at Ji Haoxue as a form of greeting.

Jian Ai turned to look at Ji Haoxue and asked, "How is it, Haoxue? Are you used to China's high schools?"

Ji Haoxue had once told Jian Ai that she had been in Australia for the past three years in junior high. Overseas schools were still very different from China.

As expected, Ji Haoxue frowned and shook her head. "I'm not used to it, but this is only the first day. I'll take it slow, so I can get used to it, eventually."

Jian Ai nodded and asked, "Were you divided into classes already? Which class are you in?"

Ji Haoxue said, "This class is only temporary now. We have to take the examination tomorrow and then be divided into classes according to our results."

As she spoke, Ji Haoxue revealed a hard expression. "The teaching model abroad is different from China's. The knowledge learned is also different. I feel that I'm in danger this time."

"Just do your best." Jian Ai raised her hand and gently touched Ji Haoxue's head, as if encouraging her.

Ji Haoxue nodded slightly and smiled brightly at Jian Ai.

On the other hand, Jian Yichen was eating with his head lowered. Even if he could feel the girls' gazes on him, he remained expressionless, as if he had not seen them.

Li Yunmei looked at Jian Yichen and said to Jian Yiyi, "Yiyi, look at these girls from Erzong. Their eyes are on Yichen." Jian Yiyi smiled disapprovingly and said smugly, "Of course. Yichen was the most handsome boy in his school when he was in junior high."

A girl like Jian Yiyi, who liked to be noticed, naturally wouldn't let go of any opportunity to be the focus of attention.

Now that her brother was the new king of popularity in school, as his sister, she felt honored. Being around him meant that she had received attention as well.

Jian Yichen, who was eating, turned cold when he heard this. He looked up at the two people in front of him and said disdainfully, "I didn't expect you high school people to be so childish!"

Jian Yichen did not like being looked at like a 'monkey,' let alone the title of 'school beau'.

Chapter 712 Why Are You Chasing Me?

In the third year of junior high school, he was inexplicably called the most handsome boy in school by the girls in school. Unexpectedly, in high school, he still could not escape the fate of being the 'new school beau'.

In Jian Yichen's eyes, these things were extremely childish. He did not know these people at all, and these people were wasting their time and energy on an unrelated person like him.

Foolish!

Jian Yiyi and Li Yunmei pursed their lips and smiled at each other.

Jian Yiyi knew her brother very well.

She knew her brother disliked such superficial things. In his words, they were malnourished. His typical sentence, 'Girls are trouble', was also born because of the troubles the infatuated girls in junior high caused him.

"Yichen, people have eyes and mouths. You naturally can't control what others want to do! So be calm. Who asked our Yichen to be so good-looking!" Jian Yiyi said as she looked at Jian Yichen. Li Yunmei nodded at the side. "That's right, Yichen. Many boys are envious. They can't get this treatment even if they want it."

When Jian Yichen heard this, he snorted in disdain. It was obvious that he did not care about this envy.

However, things often went against their wishes. Originally, he was only the most handsome boy in the Year One cohort. After Jian Yichen's appearance in the cafeteria during lunch, in the afternoon, the entire school knew that a new school beau had appeared in Year One. He was extremely handsome and had a cool iceberg face.

Jian Yichen's name finally reached Jian Ai's ears.

So his name was Jian Yichen...

In the afternoon, the temperature in Baiyun City plummeted. Dark clouds pressed down from the sky, and it looked like it was going to rain.

Jian Ai stood outside Erzong and called Jian Yu. "Brother, drive and pick me up. I think it's going to rain." "Alright, wait for me at the bus stop."

"Alright, if my phone runs out of battery, pick me up at the bus stop."

After hanging up, she switched her phone off because of the low battery.

Beep! Beep!

Jian Ai was about to walk towards the bus stop when a horn sounded behind her.

She instinctively turned around and saw a sapphire blue sports car behind her. Behind the windshield, Ji Haoyu was smiling at her. Jian Ai shivered as if she had seen a ghost and ran.

In the car, Ji Haoyu's handsome face darkened when he saw this. He stepped on the accelerator and chased after her.

Her legs were no match for four wheels... Jian Ai stood by the road and looked at Ji Haoyu, who had leaned over slightly to peek his head out of the car. She asked unhappily, "Why are you chasing me?"

Ji Haoyu also looked at Jian Ai with an angry expression. "Why are you running?"

Jian Ai: "I..."

That's right. Why was she running?

It was broad daylight, and there were students from school around. Was she afraid that he would snatch a civilian girl?

However, just now, she instinctively ran away...

Seeing this, Ji Haoyu pushed open the door of the front passenger seat and said to Jian Ai, "Get in!"

Jian Ai took a step back and looked at Ji Haoyu warily. "My brother is driving to pick me up later. Moreover, you must have come to pick Haoxue up because it's about to rain, right?"

"I'm here to pick you up. Get in the car!" Ji Haoyu said seriously.

Damn it!

Jian Ai looked at Ji Haoyu's frown with a questioning expression.

Ji Haoyu felt inexplicably guilty under her gaze because he was indeed here to pick Haoxue up.

However, when he saw Jian Ai, the only thought in his mind was to let Jian Ai get in the car.

As to why she should get in the car, Ji Haoyu did not know either. In short, she should get in the car first.

Chapter 713 Why Don't We Date?

Their eyes met.

After a while, Ji Haoyu couldn't help but sigh softly. He looked at Jian Ai and said, "If you're not getting in, I'll get out of the car!"

"Don't!" Jian Ai quickly raised her hand and looked at the crowd. Many people were already looking at her curiously.

Thinking of the commotion Ji Haoyu's sudden appearance in school caused last time, Jian Ai felt it was better for her to get in the car.

In the next second, Jian Ai got into the car reluctantly and closed the door.

Seeing this, Ji Haoyu smiled in satisfaction.

"Don't pull a long face. It's going to rain soon. Shouldn't you feel touched that I appeared in front of you?" Ji Haoyu looked at Jian Ai's dejected face and teased her.

Jian Ai glanced at him and asked unhappily, "What do you want? If you have something to say, say it. If not, I'll get out of the car."

"Of course there's something," Ji Haoyu said.

Jian Ai was not anxious. Instead, she looked at him expressionlessly. "Tell me, what is it?"

Even so, Jian Ai was already mentally prepared that Ji Haoyu had no proper business.

Unexpectedly, Ji Haoyu smiled and said, "Why don't we go on a date?"

When Jian Ai heard this, she turned around and wanted to get out of the car.

She knew this person could not say anything serious.

Seeing this, Ji Haoyu quickly reached out to hold her. "Hey, hey. Let's just have a meal!"

Hearing this, Jian Ai stopped what she was doing and turned around to meet Ji Haoyu's gaze. He repeated, "Have a meal. Let's have a meal."

"Just a meal?" Jian Ai calmed down and looked at Ji Haoyu with suspicion.

Ji Haoyu nodded. "Just a meal!"

He was not experienced in dating, so he would start with the most basic first. No matter what, he had to get this meal first.

Jian Ai thought she would go to a restaurant alone when she returned to South City. Now that Ji Haoyu wanted to treat her to a meal, she thought she would go.

The main thing was that she could not back down now. At the school gate, she was afraid that Ji Haoyu would do something out of line and cause trouble for her.

"Alright," Jian Ai answered, but she sounded reluctant.

Ji Haoyu did not care. He immediately raised his lips smugly and started the car. Seeing this, Jian Ai looked at Ji Haoyu in surprise. "Eh? You're not waiting for Haoxue?" Ji Haoyu handsomely turned the

steering wheel with one hand, and the car instantly turned around on the road. He smiled indifferently. "Both of us are eating. Of course, we can't bring anyone else!"

"No..." Jian Ai was speechless. When the car drove away from two intersections, she asked, "It's going to rain soon. What will Haoxue do?" Was he actually her biological brother?

"Don't worry, she's not a child anymore," Ji Haoyu said. He couldn't help but turn to look at Jian Ai and say, "If you have the energy to worry about Haoxue, why don't you use some of it and worry about our relationship?"

"What's there to worry about?" Jian Ai answered casually. She thought for a moment and added, "I have nothing to do with you!"

"Hah..." Ji Haoyu snorted and sighed softly. "Alright, a cooked duck is stubborn."

As soon as he finished speaking, Ji Haoyu's phone rang.

He slowed the car and picked it up. It was Haoxue!

Ji Haoyu stopped the car by the road and picked up the phone. "Hello."

Chapter 714 Can You Send Me Home?

At this moment, Ji Haoxue was standing outside Erzong. She held her phone in one hand and looked around for Ji Haoyu's car.

As soon as the call connected, Ji Haoxue quickly said, "Brother, didn't you say that you were here? Where are you?"

"I've arrived and left again!" Ji Haoyu said into the phone.

Ji Haoxue was stunned. "Ah? What do you mean by left again? Aren't you here to pick me up?"

"I suddenly have something on." Faced with Ji Haoxue's question, Ji Haoyu felt a little guilty.

"It's going to rain soon. What should I do?" Ji Haoxue asked unhappily. Her brother was usually quite reliable. What was going on today?

Ji Haoyu was about to say something when Jian Ai suddenly snatched the phone away. Jian Ai put the phone to her ear and said, "Haoxue?" Ji Haoxue was shocked, but she immediately recognized Jian Ai's voice. She couldn't help but be surprised. "Sister... Sister Xiao Ai?"

"Yes." Jian Ai sighed softly and said to Ji Haoxue, "How about this? Go to the bus stop on the right side of the school. My brother will be there soon. Ask him to drive you home."

Ji Haoxue was initially a little unhappy. But when she heard Jian Ai's words, she instantly became energetic. "Ah? You want me to take Brother Yu's car?"

"Yes, my phone ran out of battery. I can't call him anymore. Help me tell him I went out with Ji Haoyu and that he doesn't have to worry," Jian Ai said calmly. "Okay, I understand, Sister Xiao Ai. Go on a date with my brother."

"Yes," Jian Ai answered casually and only reacted after hanging up.

Date? Who said she was going on a date with Ji Haoyu?

"Can you not call me by my full name? Didn't I tell you to call me Haoyu?" Ji Haoyu said as he drove.

Jian Ai leaned against the passenger window and said mercilessly, "Don't disgust me."

Ji Haoyu held back his laughter. It was obvious that he was teasing Jian Ai.

On the other side, Jian Yu quickly arrived at the bus stop outside Erzong. A luxurious and cool sports car stopped and instantly attracted the attention of many students.

Jian Yu sat in the car and looked at the road. He didn't see Xiao Ai.

Just as he was about to call his sister, he saw Ji Haoxue suddenly appear by the road and wave at him.

Haoxue?

Jian Yu was slightly stunned and quickly rolled down the window. Before he could say anything, Ji Haoxue rushed to the window and said, "Brother Yu, Sister Xiao Ai left. She asked me to take your car back."

"She left?" Jian Yu was a little confused. Didn't his sister ask him to pick her up? Why did she leave early?

"Where did she go?" Jian Yu asked.

Ji Haoxue smiled mysteriously. "She went out on a date with my brother!"

Haoxue's brother...

Wasn't that Young Master Ji?

Jian Yu was shocked. After a while, he blinked. "With Young Master Ji?"

Ji Haoxue nodded. "Yes!"

When did this happen? It was too sudden!

Jian Yu couldn't digest this fact, but since Haoxue had conveyed it, it should be true.

Xiao Ai and Young Master Ji sounded weird. They were not from the same world!

Jian Yu was still a little confused when Ji Haoxue's voice sounded again. "Brother Yu, can you take me home?"

Jian Yu quickly turned around and nodded. "Of course. Get in."

Ji Haoxue was overjoyed. She opened the car door and sat in happily.

"Where is your home?" Jian Yu looked at Ji Haoxue and asked softly.

Ji Haoxue was about to blurt out the location of the Ji residence when she changed the topic in the next second. "Brother Yu, I'm a little hungry. Can you accompany me to eat something first?"

Chapter 715 Why? Are You Concerned About Me?

This was a rare opportunity. She did not want to waste it like this. She had to think of a way to spend more time alone with Brother Yu.

Ji Haoxue's thoughts were also very simple, and she did not have such a strong goal. She was just satisfied that she could stay with Jian Yu for a while longer.

Jian Yu naturally wouldn't think too much about it. When he heard that Ji Haoxue was hungry, he immediately nodded. "Alright, let's eat something first. Then, I'll send you home."

"Thank you, Brother Yu!" Ji Haoxue was filled with joy. Such a gentle and considerate Brother Yu was simply perfect.

He was much better than her unreliable brother!

"Ahchoo..." Ji Haoyu suddenly sneezed and rubbed the tip of his nose gently.

Jian Ai was shocked. Seeing this, she looked at Ji Haoyu and asked, "Do you have a cold?"

Ji Haoyu smiled handsomely and glanced at Jian Ai. "Why? Are you concerned about me?"

"Tsk." Jian Ai rolled her eyes. "Don't think too highly of yourself."

The car stopped in front of a pure Japanese-style house. Ji Haoyu parked the car and said casually, "We're here. Get out."

Jian Ai threw her bag under the seat and opened the car door.

This was a Japanese restaurant. She didn't know if Ji Haoyu was lucky to pick Jian Ai's favorite food.

As Ji Haoyu entered the restaurant, the server in Japanese clothes quickly welcomed him. "Hello, welcome."

The moment she opened her mouth, she spoke in Japanese.

Jian Ai only knew a little Japanese as she learned it at university in her previous life.

"Two people. I want a tatami suite."

Ji Haoyu said to the waiter in very standard Japanese.

Jian Ai was shocked. "You know Japanese?"

When Ji Haoyu heard this, he looked at Jian Ai and raised his eyebrows smugly. "You fell in love with me?"

Jian Ai: "Get lost!"

The tatami suite was only half covered by a canvas. Customers had to take off their shoes outside and sit on the tatami inside to eat.

Jian Ai liked Japanese cuisine, so she knew the etiquette of Japanese restaurants.

After sitting down, Ji Haoyu pushed the menu to Jian Ai. "I don't know what you like to eat, so I chose what I usually like to eat. See if there's anything you want to eat."

Jian Ai wanted to say that she also liked Japanese cuisine, but she swallowed the words.

However, Jian Ai did not stand on ceremony with Ji Haoyu. She ordered everything she liked and then returned the menu to Ji Haoyu. "I'm done ordering!"

Seeing this, Ji Haoyu took the menu and returned it to the waiter. "That's all."

Jian Ai was stunned. "Aren't you going to order?"

Ji Haoyu said directly, "What you ordered just now were all my favorites. I'll eat with you."

Jian Ai: "..."

After the waiter left, only the two of them were left in the entire space. Perhaps because of the weather, the entire shop was silent today.

Ji Haoyu sat cross-legged and poured a cup of green tea for Jian Ai.

I Then, he personally seasoned the wasabi for her. Everything looked very natural.

Seeing this, Jian Ai returned the wasabi Ji Haoyu had mixed and said calmly, "I don't like to eat it with seasonings."

Ji Haoyu was stunned. "Eh? Me too!"

Jian Ai was speechless.

A scam?

"Why did you season it if you don't eat it?"

Ji Haoyu: "I made it for you!"

Jian Ai: "..."

Chapter 716 I'll Give You an Additional Point

Jian Ai's speechless expression fell into Ji Haoyu's eyes. He leaned forward slightly and looked at Jian Ai with a smile in his eyes. He whispered, "Look, aren't the two of us a perfect match?"

Compatible my ass!

Jian Ai pushed the wasabi in front of Ji Haoyu again. "Eat it yourself. Don't waste food!"

Ji Haoyu smiled and leaned back, lying on the tatami.

He was wearing a light gray shirt and a pair of dark blue jeans. Jian Ai had seen him in a suit shirt, shorts, and slippers before, but this was the first time she had seen him dressed so casually.

It was more pleasing to the eye.

Ji Haoyu didn't move after lying down. Jian Ai couldn't help but lean forward to look.

He had his hands behind his head, and his eyes were closed. His long and curled eyelashes were like two thick fans that exuded peace. He looked exceptionally relaxed. Not long after, even his breathing became uniform.

Jian Ai was stunned. He fell asleep?

“Am I good-looking?”

Just as Jian Ai was stunned, Ji Haoyu’s voice suddenly sounded. Jian Ai was shocked and quickly sat back down.

At this moment, the waiter pulled open the curtain and walked in with a large plate of fresh sashimi.

Ji Haoyu sat up straight and looked at Jian Ai with a smile in his eyes. However, he said nothing. Instead, he casually called out, “Eat quickly.”

As he spoke, he took the initiative to put a fresh sea urchin in front of Jian Ai.

Jian Ai didn’t stand on ceremony and picked up her chopsticks to eat.

There were all kinds of fresh sushi, delicious sushi, and heavenly tempura... Delicacies delighted Jian Ai’s body, mind, and taste buds at the same time. It had to be said that the restaurant Ji Haoyu chose was not inferior to the Japanese restaurant in the dark alley that Brother Wu Bi brought her to back then.

Jian Ai had tried many Japanese restaurants in Baiyun City, but this one was second to none.

Compared to Jian Ai, who was eating heartily, Ji Haoyu ate little. Instead, he watched Jian Ai eat most of the time.

Seeing that she could stuff an entire piece of sushi into her mouth and that her small cheeks were puffed up, Ji Haoyu’s mood inexplicably became relaxed. A smile filled his eyebrows, and the expression in his eyes subconsciously became gentle.

“Is it delicious?”

Ji Haoyu looked at Jian Ai and spoke. His tone had unknowingly softened.

Jian Ai wasn’t perfunctory. After all, delicious food was innocent. Hearing this, she nodded. “It’s delicious. I’ll give you an additional point.”

The joy in Ji Haoyu’s eyes intensified. It was rare for Jian Ai to give him a positive evaluation, and he instantly felt that this day was complete. “I still have points in your heart?” Ji Haoyu smiled.

Jian Ai raised her eyebrows. “Everyone should have a weighing scale in their hearts to measure others. With me, sixty points is a pass, eighty points is outstanding, and one hundred points is perfect!”

“Perfect? There’s still someone who reached perfection in your heart? I mean boys!” Jian Ai also aroused Ji Haoyu’s curiosity.

“My brother and my cousin are perfect here!” Jian Ai said as she stuffed another piece of sushi into her mouth.

When Ji Haoyu heard this, he couldn't help but chuckle and shake his head. "Other than family." "No!" Jian Ai said frankly.

Bai Zhou was a chatterbox.

Si Yue was solitary.

Xiao Zhen. Yes...

In comparison, Chi Yang was close to perfection. He knew all kinds of living skills, was warm and considerate, and fought well. He was simply a necessary person for almost everything

Chapter 717 Damn, Brother Yu Was Holding Her Hand

"What about me?" Ji Haoyu suddenly looked at Jian Ai and asked seriously, "What level am I at now?"

"You?" Jian Ai looked at Ji Haoyu's serious expression and couldn't help but reveal a disdainful look.

"You're far from it. You're at negative one hundred points. I added one point to your score just now, so it's negative ninety-nine points now. There's still a lot of room for improvement. Work hard, youth!"

Negative ninety-nine points? Hearing this number, Ji Haoyu knew that the scale in Jian Ai's heart was not reliable.

"You're being biased against me. What did I do to you that I lost one hundred points immediately?" Ji Haoyu protested unhappily. Dissatisfaction filled his face. "I want to appeal!"

"I reject the appeal!" Jian Ai said bluntly, "I will decide the score. This is your score!"

"You're a dictator. It's considered tyranny. I'm a handsome and elegant house husband. First, I never killed anyone, and second, I never set fire to anyone. Why did I start off with negative points?" Ji Haoyu was also more serious now. He looked at Jian Ai with a serious expression. "I... I'll appeal again!"

"I reject it again!" Jian Ai looked at Ji Haoyu and said seriously, "Since you just looked down on the court and contradicted me, I'll deduct ten points from you!"

Ji Haoyu: "..."

Wasn't that a score of negative one hundred and nine now?

"You..." Ji Haoyu made Jian Ai laugh in anger. "You are too inhumane! So I have an extra point for treating you to a big meal, but ten points were deducted for defending myself? I didn't benefit from anything, but I even have to return you nine points?"

Jian Ai: "I'll deduct another ten points!" Ji Haoyu: "..."

Damn, nineteen points were deducted from him.

Jian Yu drove Haoxue to Baiyun Square.

In the front passenger seat, Ji Haoxue looked at Jian Yu, who was driving, like a love-struck fool. Brother Yu, who was driving seriously, was too handsome. She almost pounced on him a few times.

"I initially wanted to take you out to eat pizza, but thinking about how you've been abroad before, you should be tired of eating that. I'll take you to a place you've never been to," Jian Yu said to Ji Haoxue as the car stopped by the road.

Ji Haoxue regained her senses and quickly nodded. "Alright, thank you, Brother Yu."

She looked fine on the surface, but her heart was racing. Ji Haoxue rubbed the corners of her clothes excitedly. Oh my, Brother Yu was too considerate. She was going to die!

Jian Yu brought Ji Haoxue around the bustling area of Baiyun Square and entered a food street not far behind.

"Have you been here before?" On both sides of the road were small shops that had everything to eat. Ji Haoxue shook her head. "No!"

Jian Yu smiled. "I come here often. There's a small restaurant here. The steamed food is delicious, but the environment might not be good. Don't mind it."

"No, no!" Ji Haoxue quickly waved her hand. "I'm happy no matter what Brother Yu brings me to eat." The small restaurant was in the middle of the food street. At this moment, it was mealtime, hence people flocked to the small restaurant. It was obvious that business was good.

Since she was young, Ji Haoxue had almost never come to such a food street to eat. The scene of people squeezing and tables facing each other made her feel helpless for a moment, afraid that she would accidentally bump into others.

In the next second, Jian Yu grabbed her wrist and pulled her back. At the same time, his gentle voice sounded above Ji Haoxue's head. "Be careful."

Ji Haoxue's eyes widened suddenly. She looked at Brother Yu's hand, which was holding hers. Her pretty face slowly turned red, and her heart beat wildly.

Chapter 718 How Long Had They Been Together?

All of this happened too suddenly. Ji Haoxue's mind was blank, and she completely lost the ability to think independently.

Jian Yu held her wrist and squeezed her into the shop. It was not until they had ordered something and found seats to sit down that her rationality returned.

Her face was burning. Ji Haoxue lowered her head shyly and did not dare to look at Jian Yu's face.

Jian Yu seemed to have noticed her abnormality and said embarrassedly, "There are more people on the food street at this time. The space in the restaurant is small. Do you feel hot?"

Obviously, Jian Yu thought the reason for Ji Haoxue's blush was because it was too hot in the shop.

Ji Haoxue didn't need to think that her face was as red as a monkey's buttocks. Hearing this, she quickly nodded in agreement with Jian Yu. "Yes, it's a little hot."

At this moment, the waiter came over with brown sugar ice jelly. Jian Yu pushed a portion to Ji Haoxue and said softly, "This is brown sugar ice jelly. Try it." "Thank you, Brother Yu." Perhaps because Jian Yu

was holding her hand just now, Ji Haoxue's words had an inexplicable trace of a girl's coyness, making her look exceptionally cute. The cold ice jelly was matched with sweet brown sugar, soft red beans, and smooth roasted grass jelly. When she ate it, Ji Haoxue's eyes lit up. She said in surprise, "Yes... It's too delicious!"

Jian Yu couldn't help but smile. "Eat more."

Crab roe soup dumplings, steamed chicken feet with black bean sauce, garlic pork ribs, and steamed dumplings. Jian Yu ordered a lot of dishes. Each one was served with the steamer and was very delicious.

Ji Haoxue did not expect the food made in this inconspicuous shop to be so delicious. Or did she think everything was delicious because she was with Jian Yu?

Ji Haoxue ate happily, but Jian Yu sat at the table in a daze. He couldn't help but worry about his sister.

Dating at fifteen years old was not something to be surprised about, but when he thought that the person was Young Master Ji, he had to think too much.

He did not think that Ji Haoyu was a bad person, let alone worry that his sister would not protect herself well.

However, in the eyes of ordinary people like them, Young Master Ji could not be considered an ordinary person. Even if their family was considered rich now, they were still not on the same level as Young Master Ji.

It was strange that the two of them were together. Jian Yu couldn't figure it out. Under what kind of opportunity did they get together? How long had they been together? "Brother Yu, what's wrong? Why aren't you eating?" Looking at the slightly stunned Jian Yu, Ji Haoxue couldn't help but blink and ask him.

Jian Yu's thoughts were interrupted. He regained his senses and said gently, "I'm not that hungry."

"Even if you're not that hungry, you should at least eat a little. I can't eat so much alone!" Ji Haoxue said and picked up a crab roe soup dumpling for Jian Yu with her chopsticks. She also picked up two pork ribs and a steamed dumpling for him. "Eat. It's so boring for me to eat alone."

"Alright, I'll eat with you." Jian Yu nodded with a smile and started eating.

Seeing this, Ji Haoxue smiled brightly.

"Jian Yu?"

As the two of them were eating, an excited and uneasy voice suddenly sounded from behind Jian Yu.

Jian Yu's back stiffened. He didn't need to turn around to know who this voice belonged to.

Ji Haoxue happened to be facing the door, so she looked up at the person who suddenly appeared behind Brother Yu and called his name.

Chapter 719: No One Was Worthy of Brother Yu

Jian Yu turned around at the same time and met Qiao Yina's gaze.

Qiao Yina was wearing a sports outfit today, but even so, it couldn't hide her pitiful temperament. Especially when she looked at Jian Yu, her expression was thirty percent wronged and seventy percent pitiful. She looked like an injured rabbit.

Ji Haoxue looked at the girl in front of her and instinctively felt a trace of hostility, but she did not show it.

"I didn't expect to meet you here." Qiao Yina smiled, but it was a sad smile.

Jian Yu looked at Qiao Yina and heard her words. His heart fluctuated.

He had brought Qiao Yina to this shop before. The shop remained the same, but the people had changed. The two of them even bumped into each other here. It looked ironic.

Jian Yu nodded and hid his emotions. He said to Qiao Yina calmly, "I brought my sister to eat something."

Only then did Qiao Yina look at Ji Haoxue. She had heard Jian Yu mentioned he had a sister he doted on. It must be this girl.

Smiling, Qiao Yina greeted, "Hello."

Ji Haoxue was wondering if she should talk to the other party because she felt that this girl's gaze at Brother Yu was strange. She did not like it.

Before she could say anything, Jian Yu said, "Sit here. We've already eaten."

As soon as he had finished speaking, Jian Yu looked at Ji Haoxue.

Seeing this, Ji Haoxue understood and quickly stood up. "Brother Yu, I'm full."

"Let's go," Jian Yu said.

Ji Haoxue nodded. "Yes!"

Without looking at Qiao Yina again, Jian Yu and Ji Haoxue walked past her and out of the shop.

Qiao Yina looked at Jian Yu's determined back and pursed her lips with unwillingness in her eyes.

"Nana, who is this person? He's quite handsome!" the girl beside Qiao Yina asked curiously, as if she didn't feel the strange magnetic field between the two of them.

Qiao Yina's expression disappeared. When she looked up, her expression had changed. She smiled. "My ex-boyfriend. He looks okay, right?"

"He's amazing!" The girl exclaimed in a low voice and then said in disbelief, "You're willing to give up on such a handsome man?"

"What's there to be reluctant about?" Qiao Yina pretended to be indifferent. "If the old doesn't go, the new won't come!"

“Alright, being pretty is amazing. If it were me, I would definitely hug him tightly and not let go!” The girl teased.

1

Jian Yu and Ji Haoxue walked on the food street one after another. Ji Haoxue looked up at Jian Yu’s back from time to time. From the moment she came out of the shop, she could feel that Brother Yu was different.

Although she had never been in a relationship, she still had a girl’s intuition. From the short conversation between Brother Yu and that girl, she seemed to have heard that the two of them had an unusual relationship.

If she guessed correctly, that girl should be Brother Yu’s ex-girlfriend.

However, even though she had an affirmative guess in her heart, Ji Haoxue still asked nothing. With her current identity, it didn’t seem suitable to ask Brother Yu such a private question.

Since that girl was already his ex-girlfriend, she did not want to know about the past.

In short, in this world, other than Ji Haoxue, no one was worthy of Brother Yu.

Chapter 720: You Scared Me Just Now

The air was so humid that dark clouds seemed to press down on their heads.

However, even after Ji Haoyu sent Jian Ai back to South City, no rain fell from the sky.

Jian Ai could not withstand the temptation of delicious food. She accidentally ate so much that she did not even have the strength to talk after getting out of the car. She waved her hand as she walked into the yard, as if to say goodbye to Ji Haoyu.

Ji Haoyu placed a hand on the window and watched Jian Ai enter the house with a smile. Only then did he laugh and shake his head.

She could eat quite a bit with a small body.

When she reached home, Jian Ai threw herself on the sofa and took a deep breath. Her stomach felt uncomfortable, and she felt that even her breath smelled like seafood.

Not long after, she fell asleep on the sofa.

When she opened her eyes, Jian Ai was woken up by the thunder outside. The house was dark, and outside was the sound of rain and explosive thunder.

She stood up and switched on the lights. The clock on the wall pointed to half-past one in the morning.

Rubbing her dizzy head, Jian Ai went to the bathroom to wash up before returning to her room and getting into bed.

...

The next day, all the high schools in the city underwent the preliminary examination. The examination papers were set by the City Education Bureau, and all the high school students in the city would be ranked in the final results together.

Jiang Chunfen drove Wang Zimeng to Yizhong early in the morning before driving to the company.

Perhaps because the road was too slippery after the rain, and Jiang Chunfen was wearing high heels, she slipped after getting out of the car. She was caught off guard and immediately leaned back.

“Ah!”

Jiang Chunfen couldn't help but exclaim. She initially thought that she would embarrass herself in front of the company building, but a strong arm suddenly reached out and caught her.

Jiang Chunfen's unbalanced heart was still beating wildly. She felt her center of gravity stabilize and couldn't help but heave a sigh of relief.

“Sister Fen, are you okay?” A magnetic and pleasant voice sounded behind her with a smile.

Jiang Chunfen felt that this voice was familiar, but she didn't remember it immediately until she stood up and turned around...

She was shocked and took two steps back in panic. “Vice President Qiao.”

The person who caught her was none other than the Vice President of Rose Entertainment, Qiao Yuan. Jiang Chunfen was the financial manager of Rose Entertainment.

2

Qiao Yuan was wearing a black suit. The collar of his shirt was slightly open, and he did not have a tie. He did not look that serious.

Coupled with his smiling phoenix-shaped eyes, he looked even more approachable.

Seeing Jiang Chunfen's reaction, Qiao Yuan smiled instead of being angry. The smile in his eyes widened as he teased, “Look at how scared you are. Am I ugly?”

These words were obviously a joke. Although Qiao Yuan was already thirty-five years old this year, there was no trace of a middle-aged man. His facial features were good, and his short hair was neat. He had phoenix-shaped eyes and a delicate nose. His skin was fair, and he looked talented.

Most importantly, he was outstanding, talented, and a bachelor. He was the perfect lover in the eyes of many single women in the company.

However, he was in a high position. Before Jian Yu took over, he was the leader of Rose Entertainment. These single women did not have the guts to chase him, even if they wanted to.

Jiang Chunfen was almost five years older than Qiao Yuan and had more social experience than other women, so she was not as afraid of Qiao Yuan as others. However, she did not expect that the person who caught her was Vice President Qiao. She was a little frightened.

“No, you scared me just now!” Jiang Chunfen regained her senses and smiled at Qiao Yuan.

Qiao Yuan also looked at Jiang Chunfen and smiled. “You scared me. Don’t wear high heels when it’s raining. If I didn’t have sharp eyes and agile hands, wouldn’t you have suffered a huge fall?”
