

Attributes 1231

Chapter 1231

"Go, hurry up and notify the people in the back mountain to come and support!" The leader told his men to go find someone for support.

Gu Shaoyang felt that these people were really no match for him, and it was just a good opportunity to practice his body while fighting with these people, and for Gu Shaoyang to challenge the limits of his body.

Because he practiced a magic power inside that could be transferred instantly. Gu Shaoyang used this trick to make the group of people spin around.

Seeing this, the leader originally wanted to keep Gu Shaoyang alive so that he could know more of the secrets inside, but now the situation is like this. It seemed that it might be better if he had to kill Gu Shaoyang.

On the other side, the leader found those carefully selected people and told them

"Regardless of life or death, the things on Gu Shaoyang must be kept safely!"

When Gu Shaoyang saw something was wrong, Gu Shaoyang took out a sword and started fighting with a few people.

However, because Gu Shaoyang had already consumed some spiritual energy by fighting with that group of people just now, and now so many strong people came, Gu Shaoyang had some tricks. I couldn't stand it.

After a while, these people surrounded Gu Shaoyang. Gu Shaoyang insisted on arguing with these people, but Gu Shaoyang couldn't fight with so many people, so he was held down by a few strong people. The leader When I saw Gu Shaoyang being caught, I felt so happy.

"Oops, why don't you run away? It seems you are not very powerful. You are in my hands now!" The leader touched Gu Shaoyang's face and teased Gu Shaoyang.

"Oops, I said, what's the matter with you, Gu Shaoyang, we were down there for so long, why did you, you, you get caught, now it's better!"The branch is still complaining to Gu Shaoyang

"Don't worry, I still have a way with these few people, but I can't continue to argue with them in this situation. What do you know?"

"How arrogant!"But Zhi Zhi still believes in Gu Shaoyang's strength.

"Yes, yes, elders, you are amazing. I, Gu Shaoyang, am convinced of the defeat. Let's do this. You see, each of us is half, so we are all better."Gu Shaoyang thought about calming their emotions for a day.

"Half for each person, that was just now, now you are all under our system, why don't you plan to hand them all over, you don't want your life anymore!"This group of people are simply pushing their limits.

But Gu Shaoyang could only endure it for the time being, and threw out three shiny golden objects. The group of people were attracted, thinking that these were the treasures that Gu Shaoyang brought out from inside.

"Just wait, now!"Gu Shaoyang informed Zhi Zhi.

Gu Shaoyang took the opportunity to sow discord,"Brother, if you don't go and take a look, you just look at me here. How can you let them monopolize such a good thing!"

The brothers who were pressing down on Gu Shaoyang glanced at each other and felt that Gu Shaoyang was right. If they took it for themselves, wouldn't they get nothing?

"Xiaosi, please keep an eye on him, don't let him go, let's go take a look!"As he spoke, a person was left watching Gu Shaoyang. Gu Shaoyang saw an opportunity. He got rid of this person in a few seconds.

So Gu Shaoyang began to run away. One person spotted Gu Shaoyang running away,"Boss, Gu Shaoyang ran away.!"

But the boss who saw these treasures didn't understand, because he had been here for more than a month and couldn't bear it anymore. It was good to get these. The leader had to pretend to be perfunctory: "Go and send It's great to catch a few people!"

So Gu Shaoyang was chased by several soldiers again.

Although Gu Shaoyang was a little weak, he was more than enough to deal with these soldiers. Gu Shaoyang dealt with these soldiers in three strikes.

Gu Shaoyang, who had escaped, was quickly looking for a place. Recover your strength first

"It's really yours, Gu Shaoyang, but what did you throw to them? This didn't give them an advantage in vain!"

"How could I possibly give them real things, a bunch of fools? They were just turned into stones by me. As long as I leave and there is a certain distance, the things will turn into stones again!"

On the other side, a group of people were looking at the treasure thrown out by Gu Shaoyang

"Boss, show me!"

""Pah!" The leader hit him all at once.

"Don't move. This is a good thing. I'll take it back and study it carefully. I won't allow you to move around here!" But no one knew that he just wanted to keep things for himself.

A group of people were still looking at the spirit stone thrown down by Gu Shaoyang happily, but at this time Gu Shaoyang had already fled far away.

The spirit stone slowly turned into stone, and a group of people shocked

"This, what is going on?" They were at a loss.

"Boss, this must be a different stone, after all, it was brought up from below, there must be something different!"

The leader went up and slapped him, "Pa, you are stupid!" As they spoke, they hit him with stones.

Only then did they realize that they had been deceived.

"This Gu Shaoyang is really insidious and cunning!" An elder said viciously.

Chapter 1232

"Now it's better. I've lost both my life and my money. I've been here for so long in vain!" A few people complained to each other.

Suddenly they thought that they had just sent someone to follow Gu Shaoyang, so they quickly contacted them again, hoping to get some news.

"Didn't you just send someone to follow Gu Shaoyang? How is he?" Just when they thought there was still hope, they didn't know that the few people they sent out had already been eliminated by Gu Shaoyang.

"I, I...I don't know, boss." The man hesitated and couldn't speak.

"Trash, trash, you bunch of useless things, you can't even look at a single person, keep looking for me!"

Just when the leader was furious, Gu Shaoyang had already found an inn with the branches and stayed there comfortably.

"Alas, guest sir, you are here!" The innkeeper noticed that someone was there and greeted him hurriedly.

"Give me a room"

"Okay, sir, come with me."

It was getting late, and Gu Shaoyang took the branches and entered the inn under the leadership of the shopkeeper.

On the other side, because he didn't get what Gu Shaoyang brought, the leader was even more furious. He ordered everyone who was going back to rest to go out and look for it. Gu Shaoyang is not allowed to rest if he cannot be found.

At this time, in the inn, Gu Shaoyang got a chance to be promoted because he just fought with them. Of course, Gu Shaoyang cannot give up such a rare inspiration in vain.

Think about it, the last promotion failed because of an encounter. He arrived at Huajing, and this time he finally caught an opportunity, but he must not give up again or be disturbed.

However, although he failed to be promoted last time, fortunately he helped Huajing and Feng Li, and also used him. It was a good thing that he had done something good when he got the opportunity for promotion.

Thinking like this, Gu Shaoyang took out some spiritual stones and threw them to the branch, "Little guy, you eat here, I'm going to practice, don't disturb me."

Zhizhi diluted the spirit stone obediently, but Zhizhi became very angry when he thought that he was not allowed to come out when he was fighting with a group of people outside.

"Gu Shaoyang!" Zhi Zhi yelled.

Gu Shaoyang opened his eyes and glared at Zhi Zhi. Only then did Zhi Zhi realize that Gu Shaoyang was practicing and needed to be quiet. The branch turned around and quietly diluted the spirit stone. However, the more Zhi Zhi thought about it, the angrier he became.

He felt that he also had some strength. Why should he let himself do nothing in vain? The more Zhi Zhi thought about it, the angrier he became, but because Gu Shaoyang was practicing, he had to endure it for now. Gu Shaoyang continued to practice, and this time he succeeded. Now Gu Shaoyang is no longer the same after his promotion just now. The Gu Shaoyang from before is gone.

"You, as far as you can help me, if they find you, it will be your turn to talk to me now. You are really overestimating your abilities!" Gu Shaoyang got out of bed after practicing and looked at the tree branches that were diluting spiritual power.

"Only then did Zhi Zhi realize that Gu Shaoyang did not let himself be exposed to protect himself."Zhi Zhi thought for a while, but it was true that as he was, how could he fight with a group of strong young people.

On the other hand, they did not give up looking for Gu Shaoyang, and sent people everywhere to look for Gu Shaoyang every day.

"Look, has this person seen it?"A man held a portrait of Gu Shaoyang and asked people one by one on the street.

"No, no."

What they don't know is that Gu Shaoyang has been resting in the inn these days. The increase in his skills has made him strong enough now.

"Come on, I'll take you outside to see the world."A stranger walked towards the branch.

The branch was confused and at a loss."You, who are you? How do you know me?"

"Hahaha, it's me."Actually, this person is Gu Shaoyang, but he used the disguise technique to prevent someone from finding him.

"Remember, my name is Gu Li from now on!"Gu Shaoyang took the branches and prepared to set off.

"Boss, let's go."The boss is also a bit unfamiliar, because he has received many guests these days, and the innkeeper can't remember it clearly.

After greeting him, Gu Shaoyang left.

At this time, a group of soldiers walked into the inn, and Gu Shaoyang passed them by. be recognized

"Boss, has this person ever lived in your place?"The innkeeper looked carefully

"Come and come"

"Are you sure it's this person?"

"I'm sure he came in when it was dark one night."

So the innkeeper led the people to the room where Gu Shaoyang lived upstairs, but when he opened the door, there was no one there.

"This, I don't know when I can leave?"

"waste!"

The soldiers were furious and felt that Gu Shaoyang had not gone far, so they ran out and continued to search.

At this time, Gu Shaoyang was already sitting at a stall eating, and saw a group of soldiers on the road. They took Gu Shaoyang's portrait and asked one by one.

"Have you seen this person?"

"No"

"Think about it!"The soldier put the knife on the man's neck

"Sir, I really have never seen it before!"

When they were looking for Gu Shaoyang, they didn't know that he was far away in the horizon and right in front of them, and Gu Shaoyang watched them looking for him in a very playful way.

Chapter 1233

On the streets, many soldiers were still looking for Gu Shaoyang's portrait.

Suddenly a soldier stood in front of Gu Shaoyang, "Young man, have you seen this person? There is a reward for helping us find this person."

When Gu Shaoyang heard that this group of people had really gone to great lengths to find him, they even provided information to each one. Everyone was sharing some silver. At this time, Gu Shaoyang was holding the cake in his hand and crossing his legs.

"This, I have some impressions, is he tall and seems to have some scars on his body?"

Gu Shaoyang described his original appearance. When the soldiers heard that this was Gu Shaoyang, wasn't it?

"That's right, have you ever really seen it?"

The soldiers searched for a long time and finally got a little bit of news about Gu Shaoyang, so they all opened their eyes wide and waited for "Guli" to tell them the news about Gu Shaoyang.

And Gu Shaoyang saw the expectant looks on the soldiers' faces, He rolled his eyes and said, "Go in that direction."

Gu Shaoyang grinned faintly, but it was fleeting. Then he stretched out his hand again, pointed a way very casually, and then continued to lower his head and eat the food in his bowl.

And the soldiers who listened to "Guli" pointed the way After learning the direction of Gu Shaoyang's disappearance, he specially thanked him.

"Thank you, little brother, you helped me a lot!" For the information "Gu Li" provided about Gu Shaoyang, the soldier specially gave him some more money. Before leaving, he patted Gu Shaoyang on the shoulder to express his gratitude. After the soldiers left, Gu Shaoyang picked up the I looked at the sling of money and thought that I would still be living here for a while, and I couldn't live without food and drink. These idiots even came to give me the money. It really took no effort at all.

"Gu Shaoyang, you are so smart!" The branch still praised Gu Shaoyang.

At this time, the owner of the restaurant came over and said, "Young man, have you really seen that person?"

"how?"

"These people have been here for more than just a day or two. They are here every day with portraits and asking questions. A while ago, some people came here and lied about it just to get money. But when they were discovered, they were killed on the street!"

After hearing this, Gu Shaoyang felt a chill in his body. He didn't expect that this group of people would be so stupid and actually hurt innocent people.

So Gu Shaoyang decided to tease them and teach them some lessons.

At night, Gu Shaoyang quietly followed the soldiers and arrived at the leader's place.

"How is it? Did you gain anything today?"

"Sir, today we did find a person who has met Gu Shaoyang. However, according to the location, we did not find Gu Shaoyang's person, but we found some strange things. Gu Shaoyang seems to have been there!"

"Trash, don't forget what happened when you were deceived by those people last time, be careful!"

"Yes, my lord!"

Gu Shaoyang decided to teach the leader a lesson, so Gu Shaoyang was about to take action.

But Gu Shaoyang seemed to have stepped on something under his feet and made a sound.

"Who, who is where!"

Gu Shaoyang hurriedly hid.

A group of soldiers rushed over, but no one was found. They thought they were wild cats and dogs, so they didn't pay attention.

In the dead of night, Gu Shaoyang began to find the leader's house. Inside, and ran out in a hurry afterwards.

On this day, when the soldiers saw that the leader had not come out yet, they thought something had happened, so they rushed in and found that the leader was lying on the bed with his eyes open, but they could not do anything. He couldn't move.

In fact, he was trapped by Gu Shaoyang's magic. Everyone had no choice but to come up with suggestions.

So they called in people with good medical skills in the city to come and treat him.

"I have been a doctor for so many years and I have never seen anyone like you. I don't know what to do with you? The soldier held a knife on the doctor's neck, "No matter what you do, you must cure me!"

"Yes, yes, I will try my best!" The doctor was so frightened that he broke into a cold sweat.

After a day, the leader finally returned to normal.

But he couldn't remember exactly what happened. He thought he was haunted by some evil spirit!

"Remember, you have to be careful these days!"

"Yes, my lord!"

"You guys please step back first, I'll take a rest!"

The leader was puzzled. He was possessed by some kind of evil spell.

He suddenly thought of Gu Shaoyang. Could it be him, but he had disappeared for such a long time.

At this time, Gu Shaoyang He had decided to start his second promotion. After practicing the last time, he found that he could be promoted again. He decided to find another inn and concentrate on training. In the evening, Gu Shaoyang was going to have a good rest and then be promoted another day.

Gu Shaoyang was going to place the branches. He was about to rest, but when he was looking for a branch, he found that the branch was missing.

Gu Shaoyang panicked and got up to go out to find the branch. When he walked to the inn, he found the branch.

Gu Shaoyang picked up the branch and returned to the inn.

Chapter 1234

"You little guy, what are you doing? Do you know that you are very dangerous?"

It turned out that Zhi Zhi secretly ran to the house of the group of soldiers that day, saw the leader being teased by Gu Shaoyang, and talked to Gu Shaoyang

"Then why don't you just kill him?" Zhi Zhi was confused. With Gu Shaoyang's ability, it was more than enough to deal with him.

Gu Shaoyang didn't want to hurt innocent people, he just wanted to teach him a lesson.

"Next time you sneak out, don't come back!" Gu Shaoyang threw the branch aside angrily and went to bed. When the branch saw Gu Shaoyang quietly hiding aside, not daring to speak, he knew that he must have offended Gu Shaoyang this time.

On this day, Gu Shaoyang began to practice and be promoted. If this promotion is successful, Then Gu Shaoyang will once again break through the limits of his body and will be even more powerful.

Gu Shaoyang is being promoted, but the spiritual power of his promotion has become stronger. Somehow, it was sensed by the leaders of the gang.

"It's Gu Shaoyang, it must be Gu Shaoyang. With such great spiritual power, call the brothers quickly. Let's go and search along this place. Gu Shaoyang must not have gone far!"

At this time, Gu Shaoyang didn't know that he had been discovered.

"With a "bang" sound, a group of people broke into the door.

Gu Shaoyang was frightened.

Gu Shaoyang was still using the disguise skill at that time, and he did not look like Gu Shaoyang.

A group of people came in and were confused, and found that it was not Gu Shaoyang.

"Who are you, Gu Shaoyang?"

When Gu Shaoyang saw this, they obviously didn't recognize him.

"Say, where is Gu Shaoyang going?"The soldiers put their knives on Gu Shaoyang's neck.

"He, he escaped through the window!"Gu Shaoyang felt that this place was not suitable for fighting, and it was easy to hurt innocent people because of the large number of people, so he thought that they should be sent away first.

"You two hold him down here and don't let him escape. The others follow me!"As he said that, the leader led a group of people away.

Only two people were left to look at Gu Shaoyang.

Seeing them walking away, Gu Shaoyang secretly put the branch in his pocket and quickly dealt with them to look at them. The two men turned back into Gu Shaoyang.

At this time, the people chasing them realized that they had been deceived, and quickly brought them back, only to find two soldiers lying on the ground.

"Oops, we've been fooled, let's give chase!"

A group of people chased after Gu Shaoyang's aura and ran into a silent forest. However, because it was dark, Gu Shaoyang hid in the trees and they did not notice it.

But Gu Shaoyang's aura stayed here.

The leader People were very sure that Gu Shaoyang was in this place, so they searched everywhere, and he himself kept searching

"Gu Shaoyang, come out quickly, I know you are here, stop hiding!"

However, just as the leader searched together for a long time without seeing Gu Shaoyang, just when the leader was about to move to another place to continue the search.

"With a swish, a black shadow quickly flashed past him. Before the leader could react, Gu Shaoyang suddenly flew down from the tree and came to him.

"Why do you call me grandpa?"

Gu Shaoyang became very arrogant as soon as he landed, not taking the leader and his men seriously at all.

"Gu Shaoyang! Today is your death day! If you don't hand over your things quickly, I can keep your whole body!"

The leader responded directly to Gu Shaoyang's arrogance, seemingly not afraid at all.

"Just you, why do you want to get the treasure in me, you are a bunch of cowards!" Gu Shaoyang couldn't help but feel a little funny looking at the people who surrounded him but didn't dare to take action, but he just shook his head in contempt in his heart.

"You'd better hand it over obediently, otherwise don't blame us for being rude!" The leader seemed to be well-intentioned to discuss with Gu Shaoyang, but his words had no effect on Gu Shaoyang.

Because Gu Shaoyang didn't take them seriously at all,"It's just you, don't expect to get anything from me.!"Gu Shaoyang flicked his sleeves and stood tall.

As soon as he finished speaking, another group of people immediately appeared and surrounded Gu Shaoyang.

What? Do they think they can have strength in numbers?

Gu Shaoyang He sneered in his heart, and his body started to move. Soon he flew up and started fighting with a group of people surrounding him.

Although the battle was fierce, Gu Shaoyang had the upper hand, but he never thought that the branches in his arms would actually be in his arms during the fight. He accidentally fell out!

Moreover, he was kicked away by the people surrounding him, making it impossible for Gu Shaoyang, who originally wanted to pick up a branch, to get away.

"What's this?"

By chance, the branch that was kicked away fell right in front of the leader. The leader saw that Gu Shaoyang was a little nervous about the branch, so he picked it up from the ground, held it in his hand and began to look at it.

When Gu Shaoyang When he found that the branch that should have fallen to the ground now appeared in the leader's hand, he began to panic, but fortunately, he did not show it.

Chapter 1235

The branches must be supported! Don't move at this time! If the leader finds out that you are my spiritual pet, then you will definitely be torn into two pieces by the leader!

And there's a good chance you'll be taken over by him! So you must hold on!

Gu Shaoyang was worried that the branch would lose his temper in the hands of the leader, so he quickly communicated with him telepathically and told him to be careful.

After Gu Shaoyang's words reached Zhi Zhi's heart, Zhi Zhi, who had originally wanted to beat the leader, suppressed his temper and did not dare to move.

And what Gu Shaoyang told Zhi Zhi was not entirely to intimidate him. After all, the leader wanted to grab any good thing he saw, and he must be even more itchy for a rare spiritual pet like Zhi Zhi.

So what Zhi can do is to completely disguise himself as a little Zhi who has not yet become an expert. Only in this way will he not receive the attention of the leader.

It's best to be as Gu Shaoyang expected. After hearing Gu Shaoyang's instructions that the branch didn't move, the leader looked at it for a long time and found nothing, then threw it aside.

"What, just a branch!"

The leader threw away the branch and continued to look up in the direction of Gu Shaoyang. When Gu Shaoyang saw the branch that was thrown to the ground and did not dare to move, he rushed over to pick it up.

But just when he wanted to go over, he sensed the branch. What's in my heart.

Don't come here! Come here after you've dealt with them all! I can hold on myself!

Zhi Zhi also understands its own value, so he doesn't dare to act rashly.

After Gu Shaoyang reached an agreement with Zhi Zhi, for those who pursue The people who killed him were even faster and more accurate. In a short time, there were not many people around him left.

When the leader saw that Gu Shaoyang was so powerful and the people he brought could not intimidate him at all, He had no choice but to take action in person.

But when the leader just approached Gu Shaoyang and felt a little bit of the spiritual power around him, the leader immediately noticed something was wrong!

This spiritual power? How could it be so familiar? Why am I familiar with Gu Shaoyang's spiritual power? Power, as if he had just seen it? What is going on?

Just when the leader was puzzled, his eyes suddenly shifted to the branches. At this time, he immediately remembered that he had felt such a strong force just now. The instant spiritual power comes from the branches!

And why the branches have the spiritual power of Gu Shaoyang, it must be because the branches have been staying with him before. Over time, the branches will be contaminated unconsciously!

Because the branches have been contaminated these days He has also been practicing with Gu Shaoyang. Although his spiritual power is far inferior to Gu Shaoyang, he was still discovered.

After the leader discovered this, he immediately turned around and ran towards the branch. When Gu Shaoyang felt that something was not right, He quickly prepared to save the branch.

But he was still a step too late. When he arrived at the branch, the leader had already started to run away with the branch, leaving only a bunch of soldiers to fight with Gu Shaoyang.

Since there were more of them, Gu Shaoyang was a little nervous. It was difficult, but fortunately, Gu Shaoyang knocked down all these people soon.

At this time, the leader had disappeared, but what they didn't know was that Gu Shaoyang and the branches had a sense.

Gu Shaoyang kept walking along the sense, but suddenly it became very weak. , because the leader was diluting the spiritual power in the branches, and after a while he found the branches

"Hand it over quickly!"

The leader felt that he was no match for Gu Shaoyang and had gained some spiritual power, so he threw down the branches and prepared to escape.

But in the end he still couldn't defeat Gu Shaoyang, so Gu Shaoyang solved them. He picked up the weak branches from the ground and left..

Late at night, Gu Shaoyang took Zhi Zhi back to the inn and began to recuperate his body.

Gu Shaoyang picked up the branch and examined it carefully, but the branch no longer had that much spiritual energy. Gu Shaoyang also spent a lot of spiritual energy when fighting with them.

Gu Shaoyang examined the branch. After a while, he began to transport some spiritual power, and then gave the branch some spiritual stones to let it recover on its own. Just like that, Gu Shaoyang started to be promoted again.

This time no one came to disturb him, and soon, Gu Shaoyang completed his second promotion.

And the branch He has returned to normal and has more spiritual power than before.

After practicing, Gu Shaoyang has become more powerful. In the past few days, Gu Shaoyang has been walking in the street with tree branches.

Gu Shaoyang was doing chivalry on the street and left many good people there. reputation. What

Gu Shaoyang didn't know at this time was that another group of people were eyeing him, because last time Gu Shaoyang thought he had eliminated all those people, but the leader was still breathing.

He wrote a few lines on the ground The meaning of the word is that Gu Shaoyang once used five keys to open the treasure land and brought out a lot of good things. They all wanted to snatch it, but failed and were killed by Gu Shaoyang in the end.

And a group of people happened to be passing by. , found the place where Gu Shaoyang and the others fought, and found the bodies of the group of people.

Chapter 1236

At first they didn't pay attention.

Continuing forward, I found the body of the leader, and next to it were the words he wrote with his last breath.

After a group of people saw the traces left by the leader, they started looking for Gu Shaoyang and wanted to get more spiritual power.

"Search them to see if there is any important information."

So they started looking for things about Gu Shaoyang, and sure enough they found a portrait of Gu Shaoyang on a soldier.

So several people took the portrait of Gu Shaoyang and started searching along the road that Gu Shaoyang had walked.

At this time, Gu Shaoyang was a knight because of the Zhengyi was already very famous, and a team of people had found the place where Gu Shaoyang had been.

At this time, Gu Shaoyang had stayed here for many days after his second promotion and decided to move forward.

Gu Shaoyang returned to the inn to pack up The good things took the branches and left.

Gu Shaoyang didn't know what would be waiting for him ahead.

Along the way, Gu Shaoyang carried the branches as usual, looking for more spiritual power while walking.

On the other side, the group of people passed by They used the portrait to find the inn where Gu Shaoyang had stayed. However, when they arrived, Gu Shaoyang had not left.

They had to continue searching all the way.

"Do you think what he left behind is false?"Because Gu Shaoyang has not been found, these people began to wonder whether it was true.

"Regardless of whether it is true or not, let's look for it first. If it is true, then our strength will be greatly enhanced!"

"Ha ha ha ha....."Several people laughed.

They continued searching along the way, and finally found Gu Shaoyang at a resting place in front.

"Look, this person looks exactly like the person in the portrait!"Several people observed Gu Shaoyang from a distance.

"Don't act rashly yet, I'll go ahead and inquire about it first."

Just like that, one person went forward to inquire, while a few people stayed there and waited for the news.

At this time, Gu Shaoyang was eating in front of the restaurant,"Hey, brother is alone, how about we eat something together."The man walked up to Gu Shaoyang and confirmed again and again that he was the person in the portrait.

"No."

Gu Shaoyang felt a little strange and ignored him, but continued to finish his meal and left.

"Yes, this man looks exactly like the person in the portrait, but his appearance doesn't look like that kind of person!"

A few people decided not to act rashly first, and to observe and observe before deciding to take action.

Gu Shaoyang continued walking, but realized that someone was following him, so he became extra cautious.

However, when Gu Shaoyang reached an intersection, several robbers came out, nothing more than that. They were just trying to steal money, but these mortals were no match for Gu Shaoyang.

Gu Shaoyang got rid of them in a few moments.

The group behind found that Gu Shaoyang did seem to have some ability, so they were ready to take action.

One night, Gu Shaoyang was resting, and suddenly This group of people came over and surrounded Gu Shaoyang,"I heard you have a lot of treasures, why not share them!"

"Who are you?"Gu Shaoyang couldn't help but feel a little confused when he saw that they not only knew that he had a treasure on him, but also sounded very sure. But more importantly, he felt danger.

"You don't have to worry about this, just hand over the things and we'll let you go!"

The robber picked up the knife and wanted to put it on Gu Shaoyang's neck, but before he could put it on, Gu Shaoyang had already turned around and wiped his neck first.

In an instant, the man died, and everyone around him was Bloodthirsty maniacs. After they saw that their partners had lost their breath, several of them stepped forward one after another, as if they wanted to seek revenge on Gu Shaoyang for their accomplices. However, the strength of these few people was not enough for Gu Shaoyang. So in no time, they began to beg Gu Shaoyang for mercy.

"uncle! please! We are blind! Offended! Please let us go!"

It only took an hour for this group of people to go from being high-spirited at the beginning to begging for mercy now.

And Gu Shaoyang saw that they were all little robbers, so he rarely argued with them, but they knew he had this precious thing on him. He couldn't let them tell the story, so Gu Shaoyang prepared to erase part of their memories.

In this way, they would not expose himself, and he would not have to be cruel to them. This would kill two birds with one stone. At this time, Gu Shaoyang It was also a sudden kindness, but he didn't think about it, but the other party didn't appreciate his kindness!

Just when Gu Shaoyang was about to erase their memories, a person suddenly took out a flare. Before Gu Shaoyang could stop it, It was placed in the sky.

The flare was very bright, and soon it illuminated the increasingly gloomy sky as if it were daytime. After seeing the flare, the people who received the flare ran in a straight line in the direction where they were.

Originally, Gu Shaoyang only thought that they were It was the robbers who passed the news to their own home, so they didn't take it to heart, let alone run away.

Chapter 1237

At this time, on the other side, it is the day when the masters gather together once a year.

Suddenly they saw an aurora appear in the sky. This aurora was a signal bomb emitted from the direction of Gu Shaoyang.

"Look, what is this!"

"Yes, why is there a kind of spiritual power? Do you feel it?"

Everyone speculated, and suddenly one person thought, "Could this be the legendary signal bomb? It is said that this signal bomb is unique and will not be released unless there is something special!"

As soon as this person's words came out, the people around him became curious. After a while, everyone looked at each other and decided unanimously.

"Come on, why don't we go take a look and see what this light is all about."

Soon, the group of them set off in a common direction. Their speed was extremely fast, and no one wanted to let them go. Some people saw them running wildly and thought they were organizing some kind of competition. On the other side, there were also Unknown to him, danger was quickly approaching him. At this time, Gu Shaoyang and Shuya were preparing to collect some more spiritual power for practice.

But just when they got up and prepared to rest for a while before continuing to collect spiritual power, they suddenly Suddenly a group of people swarmed up behind him, and then Gu Shaoyang and Zhi Zhi were surrounded by them.

"Be sensible and hand over your things quickly!"

Suddenly surrounded by a group of masters, Gu Shaoyang was a little dazed for a moment, but he reacted after a while, and then he took the branch into his arms to prevent him from being discovered.

Just after he picked up the branch, Gu Shaoyang quickly He quickly fell into the battle, and Gu Shaoyang has been promoted twice in a row, and his strength has improved a lot than before.

So now, although it is a bit difficult to fight against them, he will not be beaten.

Therefore, Gu Shaoyang spent a lot of time With the power of two tigers, they finally eliminated the people they were chasing.

In the end, Gu Shaoyang found out that it was the leader who left Gu Shaoyang's message on the ground after he eliminated the group, and that led to the group being killed. People were chasing him again.

Gu Shaoyang felt that he had too many treasures on his body, and there might be people chasing after him, and he would be missed by too many people, so Gu Shaoyang planned to continue walking to a farther place, where Then no one would know him.

As for other masters, by the time they arrived, Gu Shaoyang had already left, and the only ones left behind were a group of corpses.

"There is also body temperature. It seems that this battle has just ended, and Gu Shaoyang must not have gone far yet!" One of the people touched the dead body on the ground and noticed that there was still some body temperature.

"Let's take a look and see if there are anyone who is angry. Maybe we can get the whereabouts of Gu Shaoyang from them!"

After saying this, several people began to examine the bodies of this group of people.

"I don't have it here!"

"I don't have one here either!"

Gu Shaoyang was very cautious this time.

"Let's keep moving forward and look for him. I guess that person hasn't gone very far yet."

The masters did not give up and continued to search.

At this time, Gu Shaoyang was running around with the branches, and the sky was getting dark. Gu Shaoyang decided to find an inn to stay for a night.

When he arrived at the inn, Gu Shaoyang used his disguise. He changed himself into a different person again, and he wanted to fool around for the time being.

Gu Shaoyang felt that carrying the branch all the time was not an option, and if he was caught with the branch, he would be implicated, so he wanted to find a safe place for the branch. The place was settled.

So Gu Shaoyang got up early in the morning to leave, without thinking of taking the branch with him.

The branch sensed it, "What are you doing? Don't even think about leaving me. You forgot that I have your blood in my body. This is a contract.!"

Gu Shaoyang turned around and thought, it was right. So he took the branches and continued to set off.

Gu Shaoyang was walking on the street and suddenly saw a gangster, so he secretly cast a spell to subdue him, and the scene of Gu Shaoyang's spell was just caught by the master. It was discovered that several people felt that Gu Shaoyang was unusual, so they went to take a look.

Several experts were also very powerful and saw through Gu Shaoyang's disguise skills immediately, and felt that Gu Shaoyang was the person they were looking for.

"There, chase!"

Gu Shaoyang ran away quickly after knowing that he was exposed.

He suddenly disappeared and said, "Right in front, chase me!"

In his haste to escape, Gu Shaoyang accidentally escaped to a banquet.

However, Gu Shaoyang's sudden appearance was mistaken for an assassin by others and he was suppressed.

"Sir, I think this man is sneaky and he must not be a good person!"

Gu Shaoyang was pressed in front of Ma Xiaoer.

"Listen to my explanation, I am not a bad person!" Gu Shaoyang was suppressed by several people. Since it was someone else's banquet, Gu Shaoyang did not take action. He just wanted to explain clearly. Just when Gu Shaoyang raised his head and was about to explain, he suddenly noticed something unusual. The person standing in front of Gu Shaoyang at this moment The person was Ma Xiaoer who went to the Devil's Forest with him to hunt for treasure.

Chapter 1238

"It's me, you don't recognize me!" Gu Shaoyang was very excited when he saw that it was Ma Xiaoer, and at the same time he breathed a sigh of relief silently in his heart.

Because he and Ma Xiaoer had an intersection and their relationship was pretty good, so when Ma Xiaoer was around, Ma Xiaoer He will definitely help him. Gu Shaoyang is very sure about this.

But now, because Gu Shaoyang used the disguise technique on his face, Ma Xiaoer didn't recognize his unfamiliar face when he saw it.

"Now these little thieves are really insidious and cunning, even I don't take them seriously!"

"Oh, it's really me, Gu Shaoyang! It's me, you idiot!" Gu Shaoyang directly called out Ma Xiaoer's nickname in public.

Ma Xiaoer was stunned because not many people knew this nickname, and when Gu Shaoyang said his own name, Ma Xiaoer also felt that it was very familiar.

"Say, who are you? Let him go first!"The people who were suppressing Gu Shaoyang also let go of Gu Shaoyang.

"Me, I am Gu Shaoyang!"As he said this, Gu Shaoyang changed back to his original appearance.

When the disguise on his face disappeared, Ma Xiaoer recognized him immediately, but when he saw Gu Shaoyang's very familiar face, Ma Xiaoer was very surprised.

Because Ma Xiaoer The waiter came back from the Devil's Forest first and hadn't seen Gu Shaoyang for a long time. He didn't expect to meet him here today.

"It's really you, I recognized you just like you did!"

After recognizing Gu Shaoyang, Ma Xiaoer immediately patted Gu Shaoyang on the shoulder, and the two began to get familiar with each other.

Soon Ma Xiaoer led Gu Shaoyang towards his territory with a smile, and followed Ma Xiaoer Behind his back, Gu Shaoyang also knew that now he finally found his own backer!

"By the way, Brother Gu, we haven't seen each other for a long time since we last said goodbye. I didn't expect that we would meet again in this way today. How offending!"

"Yes, it's been a long time since I last saw you, and it's really thanks to you that you saved me today!"Gu Shaoyang clasped his fists in front of Ma Xiaoer to thank him. As soon as Ma Xiaoer heard what Gu Shaoyang said, he immediately knew that something must have happened to Gu Shaoyang.

"By the way, Brother Gu, why do you suddenly appear here? What you said sounds like something happened. You might as well tell me about it and see if I can help you in any way."

Gu Shaoyang and Ma Xiaoer talked about how they spent their whole journey. Ma Xiaoer was shocked when he heard a series of things happened after he came out of the Devil's Forest.

"It's really not an easy journey for you, Brother Gu, so why are there still people chasing you now?"

"It's not like that person just set off a flare and attracted a bunch of martial arts experts!" When Gu Shaoyang mentioned the signal, he felt that he was one head and two bigger.

Gu Shaoyang also didn't understand why a small signal bomb actually attracted such a group of people. After Gu Shaoyang finished telling his story, he suddenly remembering that Ma Xiaoer suddenly left the Devil's Forest for the sake of his old friend's child, he immediately asked Ma Xiaoer about which child

"By the way, how is the child? Is he feeling better?"

Hearing Gu Shaoyang's concern, Ma Xiaoer immediately explained to Gu Shaoyang, because it was thanks to Gu Shaoyang that he was able to successfully bring back his old friend's child.

"No, it's much better now. Thanks to Brother Gu, I was able to safely go in and take out enough magic cores. Now the child has fully recovered and is just like a normal child!"

When Ma Xiaoer talked about this, he was full of gratitude to Gu Shaoyang, and just as they were talking warmly, a little girl walked towards them.

Ma Xiaoer saw the little girl After that, he immediately picked him up from the ground, then pointed his finger at Gu Shaoyang, and then taught the little girl

"Call me uncle!"

"Hello uncle!" The little girl was also very obedient. She snuggled into Ma Xiaoer's arms and called out to Gu Shaoyang with a sweet voice.

"Go play, isn't it? Today is the child's birthday party."

After taking Gu Shaoyang to see the child he rescued, Ma Xiaoer continued to introduce it to Gu Shaoyang. When he saw the child growing up healthily, Gu Shaoyang was very happy. The same

was true for Ma Xiaoer. He saw the child growing up healthily. In his heart, he was worthy of his old friend, and he was satisfied.

After a while, Ma Xiaoer signaled the soldiers at home to come over, "Find a few people to guard the door these days. No one is allowed to go in without special circumstances. If there is anything suspicious, The people came back quickly to report, and by the way, they sent a few people to the streets to see if anyone was looking for anyone."

Because Gu Shaoyang was being chased, Ma Xiaoer could only use his connections to help Gu Shaoyang.

"OK! Go here, little one!"

"In this case, why don't you rest at my home for a while for the next few days, and then you can leave after a period of calm."

When Ma Xiaoer heard these things about Gu Shaoyang, he felt that his journey was really not easy.

Chapter 1239

And how dangerous the situation is now, so Ma Xiaoer suggested.

Gu Shaoyang didn't like to trouble others, so when he heard Ma Xiaoer's proposal, his subconscious mind was to refuse.

But just when he was about to say the words of rejection, he immediately took them back.

"Then I will trouble you these days."

In turn, Gu Shaoyang turned his refusal into a promise, because there are people outside now chasing him everywhere, and there are too many people chasing him.

So instead of running around constantly, he might as well rest here for a while, It would not be too late to leave after the outside calmed down a bit and his own strength improved a bit.

After Gu Shaoyang agreed, Ma Xiaoer immediately took Gu Shaoyang to his home and provided him with a place to temporarily avoid danger.

"Brother Gu, please live here temporarily. It is sparsely populated, and this place is private to me. No one else knows about it, and it is relatively safe for you."

After Ma Xiaoer brought Gu Shaoyang to a safe place, he gave him a detailed introduction. After the introduction, Ma Xiaoer left, leaving Gu Shaoyang alone to rest at the place Ma Xiaoer introduced.

Just at the place where Ma Xiaoer introduced After leaving, Gu Shaoyang released the branches from the ring space

"Master, you almost suffocated me to death. Why didn't you let me out just now when your friends were here?"

After Zhi Zhi came out of the space ring, he wandered around the house to familiarize himself with the environment. After entering the house, Gu Shaoyang went directly back to the room and began to sit cross-legged and practice.

Originally promoted twice in a row, Gu Shaoyang thought that his strength was already very strong, at least to say the least. His strength is still a level that not many people can reach.

But this time after he came out of the treasure land, he found that things were completely different from what he imagined.

Because the masters chasing him were more powerful than the others, and even gave him some tricks He can't stand it anymore, so he is hiding here now.

Therefore, he needs to seize the time to practice while he is resting and no one is chasing him.

Although the time is short, he may not be able to cultivate anything big, but his powerful strength It was accumulated bit by bit, so Gu Shaoyang didn't want to give up this little bit of time.

On the other side, the branch that was originally wandering in the room started looking for him when he found that Gu Shaoyang didn't answer him when he was talking.

"Owner? Master, where have you been? You are not in any danger, are you?"

Zhi Zhi, who didn't find Gu Shaoyang at first, looked at the empty house and was very anxious. At this time, he didn't care that he might be exposed.

Zhi Zhi was focused on Gu Shaoyang, and finally he found him in the room. Gu Shaoyang.

Because Gu Shaoyang was already immersed in cultivation, he ignored Zhi Zhi's shouting. Zhi

Zhi was relieved after discovering Gu Shaoyang. When he saw that Gu Shaoyang had devoted himself to cultivation, Zhi Zhi was not to be left behind. He immediately sat on Gu Shaoyang and started practicing.

However, when Zhi Zhi was practicing, he specially arranged a layer of enchantment in the room. Although his strength was not as good as Gu Shaoyang's, the enchantment was only a deception.

Fortunately, Zhi Zhi's enchantment was still able to There is some obstruction. For example, when Gu Shaoyang and Zhi Zhi were practicing in the room, a thief with low cultivation suddenly broke into their house.

However, because of the barrier of branches, the thief could not enter where Gu Shaoyang and Zhi Zhi were. Only in this place, Gu Shaoyang and Zhi Zhi could concentrate on practicing without being disturbed.

It was already three days after the two of them recovered from the practice.

"This time I practiced really well, I feel refreshed!" Gu Shaoyang got up from the bed, stretched, and was in a very good mood.

When he walked out of the door, Gu Shaoyang touched the enchantment of the branches with a wave of his hand. After going out, Gu Shaoyang found traces of someone coming outside their door.

But here Ma Xiaoer once told him that he was the only one who knew, so Gu Shaoyang thought that Ma Xiaoer had been here, but he couldn't open the barrier, so he left.

And it was precisely because of Gu Shaoyang's idea that he was attacked again. Targeted.

One of the main reasons why Gu Shaoyang was targeted was because of the thief who tried to break into their room.

The thief originally wanted to see if they had anything good, but when he went there, he found that he had nothing. Where Gu Shaoyang and the others were The room was blocked by a barrier, so the thief found nothing.

After the thief went to the street, he saw an announcement announcing that he was looking for the person, and there was a reward, so the thief wanted to lie, so he told the address of the person on the announcement, but in fact He didn't know it at all.

But it turned out that he was mistaken, because the thief thought he was lying, but in fact it happened to be correct. What he said happened to be the address of Gu Shaoyang and Zhi Zhi.

Chapter 1240

When those who were chasing them arrived at where Gu Shaoyang and Zhi Zhi were, they immediately rounded them up.

Facing the sudden pursuit, Gu Shaoyang and Zhi Zhi didn't care about anything else and immediately turned around and ran away. Fortunately, their reaction speed was fast enough, so those who were chasing them failed to catch up.

Gu Shaoyang and Zhi Zhi also escaped, but after their approximate location was discovered, Gu Shaoyang and Zhi Zhi did not dare to stay for a long time, so Gu Shaoyang led Zhi Zhi to find Ma Xiaoer

"Waiter, our place has been exposed, I'm afraid we can't stay here for long. Thank you very much for your hosting these days, but hopefully we will meet again later!"

Gu Shaoyang didn't want to leave, but he reflected that his presence would bring trouble to Ma Xiaoer. After all, he was not alone. He had a child to take care of.

So after thinking about it, Gu Shaoyang decided to leave, and Ma Xiaoer knew After this news, I prepared to retain him

"Brother Gu! You have only been here for three days! You might as well rest for a few more days!"

"It doesn't matter if that place is discovered, I'll just find another place for you!" Ma Xiaoer pulled Gu Shaoyang, a little apologetic in his eyes. He always felt that he had not taken good care of Gu Shaoyang.

So he tried his best to keep them, but in the end Gu Shaoyang refused.

So he and Zhi Zhi set out to avoid the pursuit. The road is long. Gu Shaoyang used to travel alone, but now with Zhi Zhi accompanying him, his life has become much easier, and the road will not be so boring, because Zhi Zhi is a talker.

Gu Shaoyang has been with him all day long, kept chanting in his ears. At first, Gu Shaoyang thought it was good to have a spiritual pet to accompany him, but after a while, Gu Shaoyang couldn't stand it anymore.

So he directly threw the branch into the space ring and waited for him to be alone. Talking to myself inside

"It's finally quiet!" Now Gu Shaoyang was finally at peace, and he came to the seaside unknowingly.

Seeing the endless sea, Gu Shaoyang's heart seemed to have increased a lot, and after walking on the seaside for a while, he was ready to leave.

Because around the seaside they are all small villages. If he stayed here, he would definitely bring unnecessary trouble to them. Therefore, Gu Shaoyang did not want to break the tranquility here. But just when he turned around and was about to leave, he suddenly saw something in the distance. A small island emerged. From a distance, the island seemed very small.

However, Gu Shaoyang became interested in looking at the small island, so he took advantage of the dusk and after the fishermen had gone to sea to return home, he headed towards the small island. The small island flew away.

When he stood in mid-air and got closer to the island, Gu Shaoyang discovered that this small island was not small at all. On the contrary, it was very big.

But what was very strange was that there were no fish around the island, as if there was something unclean on the island.

So Gu Shaoyang ignored his curiosity and landed on the island, and after landing on the island, Gu Shaoyang finally The branch that was trapped in the space ring was released

"Where is this?"When he came to a strange place, Zhi Zhi talked less. He looked extra cautious when clinging to Gu Shaoyang.

When Gu Shaoyang saw him looking so cowardly, he didn't say much. He just silently despised him in his heart: He is not usually very courageous. Why? Why did the chain fall off at the critical moment!

Shaking his head helplessly, Gu Shaoyang could only wander around with the branches. After walking around

, Gu Shaoyang found that the island was overgrown with weeds, and there was no trace of human life at all. It seemed It's like a deserted island.

The reason why there are no fish around the island may have something to do with the island itself. This doubt is what Gu Shaoyang is curious about.

And now they are being hunted and there are no good places to choose from, so Gu Shaoyang He planned to stay on the island temporarily and explore the secrets of the island.

After making the decision, Gu Shaoyang began to build a house. Because there were many trees on the island, Gu Shaoyang directly cut down the trees to build because he only needed one person to live in. The place was small, and he was the only grown man living there, so it didn't take long for him to build a house. Because the desert island was in the middle of the sea, storms often hit. Therefore,

Gu Shaoyang double-reinforced the house for stability. The roof was also specially reinforced to prevent leakage due to rain.

In this way, Gu Shaoyang built his own place to live. After the construction was completed, he did not rest immediately, but began to practice, because it was already dark..

In this way, time passed quickly. Gu Shaoyang practiced in bed for another three days, and his own strength improved a lot. He was also very satisfied with the results of his own training.

"The weather is really nice today! Let me see what is so unique about this desert island!"

Taking advantage of the nice weather, Gu Shaoyang finally walked out of the room. He came to the island and started to explore around. As a result, he made a full tour.
