

Attributes 1551

Chapter 1551

So Gu Shaoyang walked back towards Li's courtyard without any hesitation.

But what Gu Shaoyang didn't know was that when he just turned around, the two ordinary-looking people had already started to show other faces, and then quickly left the place.

When Gu Shaoyang returned, he had already told Luo Zishan and Li Zhou about the news they had just heard.

After several people listened, they were really excited.

Tianci really feels that this matter is not that simple.

He looked at Gu Shaoyang and said to him: "It's really just what you accidentally heard. It's not the news that others specially disclosed to you."

Of course Gu Shaoyang knew what Tianci said, that's because of this matter, if someone else said it to him, it must be someone else's deliberate attempt to seduce him, a trap for him.

Gu Shaoyang shook his head and said: "They are just two very ordinary farmers, they look like this place sells vegetables, so I accidentally heard it."

Tianci really believed what Gu Shaoyang said. Then Gu Shaoyang continued to look at Luo Zishan and Li Zhou and the others, and said to them: "In this case, we all should go to the suburbs without further delay. Let's take a look."

Of course Luo Zishan was very anxious. After all, he felt that what the Demon King of the Demon Clan was doing was really too much about Lizhou.

He looked at Gu Shaoyang and said to him: "Okay, then since in this case, let's set off now."

As he said that, he was wearing purple clothes and had already stood up from the chair and wanted to walk towards the door.

Li Zhou was really anxious at this time. Although he did not speak, he and Luo Zishan The movements were indeed the same.

Both of them had already walked towards the door.

Tianci and Gu Shaoyang looked at the two people in such a hurry that they could only follow behind them.

Without any hesitation, they had already When we arrived at the suburbs, it was just like what the two farmers said just now. Once we entered this area, we could already see the area outside the city.

There were no people around here, and there were several people guarding that area. Once someone approaches, they will immediately drive all these ordinary humans aside.

Gu Shaoyang felt that the news they heard was really true.

Gu Shaoyang looked at them and said to them:" In this case, let's all be careful and go in first?

To be honest, a few people had already circled half of the forest. Fortunately, no one was watching, so they had already circled back to the courtyard again.

When they approached this courtyard, it looked really ordinary from the outside.

Gu Shaoyang and the others had already climbed into this courtyard very easily. It looked like there were indeed some demon soldiers guarding this place.

The more Gu Shaoyang looked at it like this, the more he felt that it was really possible. He didn't expect that it would take no effort at all.

I had already heard the news while I was on the avenue.

Luo Zishan looked at them and said to them: "They are really the devil's soldiers."

Gu Shaoyang nodded. Although he did not speak, he also saw the appearance of the other soldier.

Luo Zishan looked at Gu Shaoyang and the others, and said to them: "We have to go into the house now to find out."

After all, from the outside, it looks like a very ordinary courtyard, and some people are guarding other things. Do not know at all.

Li Zhou looked at Gu Shaoyang at this time and wanted Gu Shaoyang to make a correct judgment for him.

After all, he was really confused and had no idea.

Gu Shaoyang looked at Tianci and said to him, "Let's go in and find out."

Tianci nodded and said, "Yes, otherwise, if there is no news, our trip would be in vain."

So everyone hit it off and everyone was already heading towards We have already walked in the direction of that house.

When they approached the house, they didn't attract anyone's attention, so Gu Shaoyang and the others sneaked into the room very easily.

This room looked like a very ordinary house. Although the decoration design inside was very good and very luxurious, Li Zhou's parents were not found.

Gu Shaoyang felt that it was not in this place, because they had made a mistake in their judgment.

Just when they were about to leave this place, they heard the sound of laughter in the courtyard.

Gu Shaoyang wondered whether he was really farming.

Gu Shaoyang looked at the crowd and said to them: "Everyone, be careful."

After all, this man's laughter was specifically to attract the attention of Gu Shaoyang and others.

Several people opened the door and walked out.

He didn't expect that what he saw was a man wearing black clothes.

Chapter 1552

The man's black robe included the entire person, and the man looked very tall and tall, wearing a big hood.

Although you can't see clearly what it looks like, you can tell that this person is definitely not an ordinary person.

Luo Zishan immediately became very excited. He looked at Gu Shaoyang and said to them: "I didn't expect that it was the Demon King Long Hanming of the Demon Clan."

Gu Shaoyang and Li Zhou, as soon as they heard what Luo Zishan said, immediately, he was even more shocked and began to seriously look at the man in front of the basketball.

There were many demons standing behind the man, and their men were all ready to catch Gu Shaoyang and the others.

The demon king took off his huge hood, and Gu Shaoyang and the others could see clearly what he looked like.

The particularly big eyes give people a rather scary look, and his skin is also very dark. I didn't expect that the Demon King looks like this and is not good-looking.

Shaoyang looked in the direction of the Demon King and said, "Didn't you think that this time you guys deceived a few of us here because of this trick?" At this time, Gu Shaoyang no longer knew that all these things were done by the Demon King. If he comes up with a plan, then he is really a fool.

Sure enough, after the Demon King heard what Gu Shaoyang said, he chuckled, looked at Gu Shaoyang and the others and said to them: "When you guys left last time, I had already tortured the lion monster, and he had already told everything. Everything has been explained."

After Liran heard the words of Lion Warcraft, Luo Zishan could no longer control his emotions.

He suddenly changed back to his true form, and turned out to be a Qilin Beast Demon King.

When he saw the other party, Long Hanming really didn't expect that the Qilin beast cub was not dead yet.

So Long Hanming looked at Luo Zishan's transformed body and said to him: "You are actually the remaining cub of the Qilin Beast family."

Qilin Beast was really very angry. He howled and turned to the Demon King. The direction is about to pounce.

When Gu Shaoyang saw this moment, he was really nervous. After all, the opponent had a large number of people and Gu Shaoyang and the others could not fight against the opponent for a while.

So he immediately called out Luo Zishan's name and shouted: "Luo Zishan."

Luo Zishan stopped immediately. He wanted to rush out, then bared his teeth and turned towards the demon king's body. Looked in the direction.

The Demon King chuckled, looked at Gu Shaoyang and the others, and said to them: "It really took no effort to catch the son of the Li family couple today, and then caught such a little kid."

When he finished speaking, he seemed to be in a very good mood.

Gu Shaoyang looked at the opponent's demon king and knew that he was already trying to win against them.

Gu Shaoyang looked in the direction of the Demon King and said to him: "You have captured my friend's parents and set up such a trap. Tell me what you want to do today." The

Demon King chuckled and looked at Gu Shaoyang as if The same leader among them all.

Looking directly at Gu Shaoyang, he said to him:"Is it because of them that you personally took action?"

Of course, Gu Shaoyang did it for his friends. He looked in the direction of the devil and said to him,"What does this have to do with you?" Do it."

The Demon King said to him:"It's best to advise you, a young man, to leave this place quickly, otherwise, you will be implicated by them."

Gu Shaoyang didn't care about these things at all. After all, for Gu Shaoyang, together That's the most important thing. Gu Shaoyang looked at the Demon King and said to him:"You are so despicable and have left such a trap for us. It seems that you want to catch all of us in this place today."

Gu Shaoyang felt that the devil wanted to say these nice things to him because he just wanted to divide them. Sure enough, the devil's plan was revealed.

He did not continue to talk nonsense with Gu Shaoyang and the others. Instead, he looked at Gu Shaoyang and the others and said to them:"Catch all these people immediately. Don't hurt their lives."

For the Demon King, Li Zhou His surname is still very important, otherwise, how could he blackmail his parents.

Gu Shaoyang looked at it immediately, and Li Zhou, Tianci and the others said:"Everyone, be careful, this guy is definitely not easy to deal with." The

Qilin Beast was very excited at this time, looked at Gu Shaoyang and the others, and said to them:"I Come and deal with that Demon King."

Gu Shaoyang really felt that the Demon King was really powerful, and was afraid that the Qilin Beast would be in any danger.

She looked at him and said to her:"Be careful."

The Qilin Beast nodded its huge head, and then it turned towards the Demon King and pounced on him.

Chapter 1553

The Demon King did not expect that this guy's hatred for him was still so deep.

He waved his wide black sleeves and already knocked the Qilin beast to the other side.

Then Long Hanming stepped back.

One demon soldier after another was seen attacking in the direction of Gu Shaoyang and the others.

Gu Shaoyang immediately had a long sword in his hand and attacked a demon soldier.

Gu Shaoyang dodged left and right, his movements were very brisk and very skillful, and the demon soldiers did not hurt him at all.

Moreover, when Gu Shaoyang looked at the demon soldiers, they were not particularly powerful. He probably did not expect that Gu Shaoyang and the others were so powerful, so the other party was killed very easily by Gu Shaoyang.

Gu Shaoyang looked at the other person's body, and it turned into the body of a monster. He really couldn't bear to look at it, it was so ugly.

As for Tianci on the other side, although it was more difficult to fight against the monsters, he still had the upper hand, and Gu Shaoyang was already relieved.

Looking at Lizhou's side, it is even more spicy. Every time he encounters a monster, he will completely defeat it with three or two moves.

Gu Shaoyang knew that Tianci was really angry at this time. He had never had an outlet to vent, so meeting these people today also allowed him to find a place to attack.

In just a few moves, Gu Shaoyang killed two more demon soldiers with a roundhouse kick and his own sword.

Then move closer to God's direction, little by little.

When he looked at Tianci, his whole body felt as if he had been fished out of the water, dripping with sweat.

It seems to Gu Shaoyang that there is really a big gap between him and these monsters when they are fighting against each other. After all, everyone is very strong because of the height of the monsters, and Tianci is a girl after all, so his physical strength is limited.

Gu Shaoyang looked at Tianci and said to her: "Is it okay?"

Tianci shook his head slightly and said to him: "These guys are really very strong, and there are too many people."

After all, there were about twenty or thirty people on the other side. There are only four of them, which is really a lot of pressure for them.

Gu Shaoyang said to him: "As long as we capture the demon king of the demon clan, it will be a very good opportunity for us to escape."

Although he said this, Gu Shaoyang knew that it would be very difficult to escape..

Gu Shaoyang looked at Tianci and said to him, "Hold on a little longer."

Tianci nodded and looked at Gu Shaoyang, knowing what Gu Shaoyang was going to do at this moment.

He said to Gu Shaoyang: "Be careful."

After Gu Shaoyang nodded, he rushed towards Luo Zishan.

When Gu Shaoyang landed next to Luo Zishan, he took his sword and stabbed in the direction of the Demon King.

The Demon King was fighting against Qilin Zeng, so he was a little slow to Gu Shaoyang's movements for a while.

After he used his sleeve to block it, he didn't expect that Gu Shaoyang would have completely cut off one of his sleeves with a snap.

The Demon King completely exposed his particularly strong shoulder-tied arms.

He looked in the direction of Gu Shaoyang and narrowed his eyes slightly. It was really dangerous.

He looked at Gu Shaoyang and said to him: "I didn't expect that a small human like you is really very capable and can actually hurt me."

Gu Shaoyang ignored the other person's words and looked in the direction of the Qilin Beast, and said to him: "The two of us will cooperate."

The Qilin Beast spoke human words, looked at Gu Shaoyang, and said to him: "Okay."

At this time, Luo Zishan really wanted to kill this demon king right away, to avenge the blood feud of his family.

Gu Shaoyang and Qilin Beast match well together.

When Gu Shaoyang just dived upward, he didn't expect that the Demon King himself would swing a palm and hit Gu Shaoyang far away.

The Qilin Beast directly used its own body to meet Gu Shaoyang's body.

Gu Shaoyang completely rode on the Qilin Beast, looked in the direction of Luo Zishan, and said to him: "Thank you, brother."

Then Gu Shaoyang moved forward again, dived in the direction of Long Hanming, and already rushed over.

Long Hanming was really disturbed by the confrontation between Gu Shaoyang and Qilin Beast.

So he stepped back slightly, looked at Gu Shaoyang and the others, and said to them: "Since you are so stubborn, don't blame me."

When he said this, he could already see the black devilish energy. It began to slowly spread around his body.

The Qilin Beast looked at Gu Shaoyang and said to him: "Be careful, this guy is very powerful."

Chapter 1554

Of course Gu Shaoyang knew that the Demon King was completely pissed off by them at this time.

She looked at Luo Zishan and said to her: "Prepare to escape with the last blow."

At this time, Gu Shaoyang really felt that if they continued to entangle with Long Hanming like this, the devilish energy would become more and more powerful for them. Not a good consequence.

Although Qilin Beast didn't want to run away at this time, it wanted to kill Long Hanming completely in this place.

But he also knew that this was not the best time for them to kill each other.

So she nodded, gritted her teeth, looked at Gu Shaoyang, and said, "I know."

When she said this, Gu Shaoyang had already taken the sword and stabbed Long Hanming first. passed.

After all, it would take a certain amount of time for Long Han Meditation to launch this attack.

The Qilin Beast didn't hesitate at all. It opened its big mouth and bit into Long Hanming's arm.

The actions of Gu Shaoyang and Luo Zishan really affected Long Hanming.

Long Hanming staggered and stopped his attack.

Gu Shaoyang saw that the other party hesitated at this time, so he shouted loudly to Li Zhou and Tianci, and said to them: "Retreat quickly." As he spoke, several people were already standing in the air, facing the distance, and Go away quickly.

Li Zhou and Tianci also followed Gu Shaoyang, and they had already left the courtyard.

Then Gu Shaoyang saw several of his friends, all of whom had left the courtyard at this time.

When the other party wanted to pursue him, he already took out three explosive fireballs in his hands and threw them in the direction below.

There was a huge explosion in an instant, and his fireball was specially developed to make it easier for Gu Shaoyang and the others to escape.

So when the fireball exploded, a thick white smoke instantly appeared, blocking all the people in the courtyard below.

So they fled this place very quickly.

After leaving the wilderness suburb, several people returned to the city very quickly.

When he returned to the city, he calmed down his breathing and was already in the city, walking very leisurely without attracting anyone's attention.

Gu Shaoyang and the others were afraid that someone could follow them, so they walked around many places before returning to Li's Manor.

When he just came back, Gu Shaoyang was completely exhausted and sat down directly on a chair next to him.

At this time, Luo Zishan was in a really bad mood. She was wearing a purple robe. Although she looked dirty, her face was indeed very dark.

He sat on the Taishi chair, feeling very depressed and silent.

Gu Shaoyang looked at Li Zhou on the other side. At this time, his whole body had shrunk like an eggplant beaten by frost.

Tianci was even more embarrassed at this time. He was wearing a white robe that had already become dirty.

Gu Shaoyang looked at Tianci and said to him: "Go back to your room and rest first."

When Tianci was about to say no, Gu Shaoyang continued to say to her: "You have had a hard enough day. Go back and rest first. I have Let the two of them talk about the matter."

Tianci also knew that when the boys were together, they had many topics to talk about together, so she did not continue and stay in this place any longer."

After all, today's battle really cost him a lot of physical strength.

Tianci nodded, then stood up and looked at them, and said to him: "In that case, I'll leave first."

As he spoke, Tianci walked back towards the back hall.

Gu Shaoyang looked at Luo Zishan and said to him: "You just saw Long Hanming's big reaction, and you have said before that you and He has a lot of hatred. Can you tell me about this now?"

Because Gu Shaoyang knew that he must ask the ins and outs of this matter clearly, otherwise, Luo Zishan will do many impulsive things in the future, which will be very dangerous for their entire small group..

Luo Zishan heard Gu Shaoyang say this and said nothing, as if he was thinking.

After all, he had promised his father before that he could not tell other people these things.

But Luo Zishan thought for a long time. At that time, he felt that Gu Shaoyang and the others were all his brothers.

At this time, Li Zhou also looked in the direction of Luo Zishan, wanting to get a definite message.

After Luo Zishan thought for a while, his whole person completely wilted.

He lay on the table next to him and said to Gu Shaoyang and the others: "You all already know that I am a Qilin Beast."

Chapter 1555

Gu Shaoyang nodded and said: "I know, your body is a Qilin Beast."

Then Luo Zishan continued to look at Gu Shaoyang and the others, and said: "Our entire Qilin Beast family, at this time, I am the only one left."

Gu Shaoyang had heard of such a thing before, although he felt very sorry for Luo Zishan.

But he still looked at Luo Zishan and said to him: "I also know this, and then."

Gu Shaoyang knew that at this time, he was not the time to be merciful, but to listen to Luo Zishan continue to explain the ins and outs of everything. , make it clear to yourself.

Li Zhou also knew that Luo Zishan must be feeling very uncomfortable at this time, but they were completely in the same situation now, so he did not speak, waiting for Luo Zishan to continue explaining to the two of them..

Luo Zishan lay down for a long time, sighed, and then sat up.

He looked at Gu Shaoyang and the others and said to them: "Okay, then I will tell you everything."

Then she laughed very self-deprecatingly and said to Gu Shaoyang and the others. : "It's nothing more than some tricks used by the demon clan to fight for the throne."

Then Luo Zishan began to look at Gu Shaoyang with burning eyes, and said to him:"Our Qilin Beast family used to be the king of the entire demon clan. My My father was the last demon king."

Gu Shaoyang didn't expect such a thing. He was really in disbelief. He looked in the direction of Luo Zishan and said to him:"That means you are the last and only one in the Qilin Beast family. The survivors are the true successors of the Demon King."

Luo Zishan chuckled, and his laughter was even more self-deprecating.

He said to Gu Shaoyang:"Do you think I can still become the real Demon King and inherit the Demon King's throne?"

Gu Shaoyang felt that the current Demon King was completely a very mature existence, and Luo Zishan wanted to usurp this The throne is really not easy.

She looked at Luo Zishan and said to him:"We will discuss this matter in the long term. Can you tell me what happened to you?"

Luo Zishan nodded, then looked at Gu Shaoyang and the others, and said to them : "Our Qilinmon family has inherited many kings from the demon clan before, and they are the real demon kings."

"But I didn't expect that he actually followed my father, gained my father's trust, and finally set a trap and killed my father."

"Then my whole family was poisoned to death by him."

"Because I was very young at that time, my uncle the Lion Demon King rescued me and placed me in the human world, so I lived in that ordinary forest for thousands of years, and slowly began to transform. human form."

Gu Shaoyang seemed to be lighthearted when he heard Luo Zishan say this, but he also knew that there were many secrets in it that Luo Zishan had not told him.

But Gu Shaoyang knew now that Luo Zishan There is hatred between the entire family and the Demon King.

It seems that the situation is similar to that of Lizhou's family. Gu Shaoyang really couldn't help but sigh.

He looked at the two people and said to them:"I didn't expect you two. Your personal enemy is actually the same person. In this case, you can really share the same hatred together."

When he said this, Gu Shaoyang was already looking at Luo Zishan and Li Zhou.

The two looked at each other at this time, and then they both completely withered. After all, they also knew that their opponents were too powerful. Too powerful.

Gu Shaoyang was indeed very excited. He looked at them and said to him:"Okay, okay, let's all calm down. Now we know that Lizhou's family actually has today's gossip treasure map. caught the attention of several of them"

"Moreover, your family, Qilin Beast, is trying to usurp the throne, so as long as we completely defeat this demon king, for us, that will be the final victory."

The two people looked at Gu Shaoyang and felt that what Gu Shaoyang said was very simple, but it was very difficult to do it.

Luo Zishan poured a basin of cold water on it, looked at Gu Shaoyang, and said to him:"You don't know How powerful is the Demon King? Even my father was lost to him due to conspiracy and tricks."

At this time, Luo Zishan really felt that he was a particularly useless Qilin beast.

At this time, Li Zhou was even more depressed. He looked at Gu Shaoyang and said to him:"I don't even know where my parents are being held now. I don't know the place, so I really have no clue on how to save my parents."

Gu Shaoyang looked at the two people with such depressed expressions and said to them:"It's okay. Let's go explore the demon clan's forbidden area tonight and explore again."

Chapter 1556

Several people did not expect that he continued to say to them: "Maybe the Demon King thinks that a few of us have escaped at this time, so he will make the next move."

Gu Shaoyang really felt this way, no matter what he was thinking, or Gu Shaoyang has found such experience.

Therefore, Luo Zishan and Li Zhou completely believed in him.

Luo Zishan said to him: "We have to go back to the demon forbidden land we went to for the first time."

Gu Shaoyang nodded and said, "Yes, isn't that the base camp of Long Hanming?"

Luo Zishan nodded, he He also knew that that was his base camp, but he didn't expect that Gu Shaoyang could guess that Long Hanming should have returned to his palace at this time.

Gu Shaoyang said to several of them: "Since this is the case without further delay, let's all leave now. How are you two? Are you okay?"

After all, she looked at them both, and they seemed to be very tired.

But Luo Zishan and Li Zhou, without any hesitation, nodded and said to Gu Shaoyang: "It's okay, let's all set off."

After all, it was already sunset, and if you wanted to get to the place where the demons were, it was too It takes this time.

So Gu Shaoyang and the others walked all the way out of the city. They saw that there was no one outside the city, and then the sky slowly began to darken. They stood in the air and flew towards the direction of the demons.

After flying for about two hours, several people were really exhausted and had reached the edge of the demonic realm.

Luo Zishan was once again familiar with the road, stepping on the very familiar footprints, and already walked in the direction of the Demon Clan's forbidden area.

When looking at the huge mountain range and the huge manor, several people once again dived in very lightly.

Although they were cautious the first time they entered, it was indeed very easy this time. When they reached this point, they were already near the room where the Demon King was.

Unexpectedly, I heard the voices of two people talking inside.

And the voice didn't seem to be restrained at all. It was really loud and seemed to be very angry.

Gu Shaoyang, Luo Zishan and the others looked at me and I looked at you, and then they jumped towards the house.

A few people gently opened the tiles of a house.

But what he didn't expect was that through the room, Gu Shaoyang saw a person wearing a yellow dragon robe, and that person looked very tall and was talking to Long Hanming.

The momentum of both people is very strong, and when they talk, they don't give in to the other.

At this time, Li Zhou was really shocked.

He immediately withdrew his eyes, then looked at Gu Shaoyang and the others and made gestures, explaining that this person was Jin Zongdi, the king of Jin Kingdom.

Li Zhou gestured with the shape of a crown, and Gu Shaoyang understood it completely. He didn't expect that this time, Long Hanming and Jin Zongdi were colluding together.

Just listen to Long Hanming say to Jin Zongdi: "I just laid a trap. I didn't expect these young people to be really powerful. They escaped."

Jin Zongdi really He was very angry. He slapped the table next to him, looked at Long Hanming, and said to him: "You are simply a waste. You are just a few young people. I asked you to catch a few of them, but you were able to be beaten by them." Several people ran away"

"It will be very difficult to catch Li Zhou next."

Gu Shaoyang didn't expect that they were targeting Li Zhou.

And Long Hanming was even more angry. Seeing Emperor Jin Zong's bad attitude when talking to him, he immediately stared at his eyes and his tall body Already stood up.

He looked at Jin Zongdi and said to her: "I also saw my own old enemies, so I must want to catch them, but those young people are very powerful and have already escaped. Okay, what can I do."

At this time, Emperor Jin Zong looked at the way Long Hanming was talking to him and the way he looked angry. He didn't expect that he would see his old enemy.

Gu Shaoyang immediately looked in the direction of Luo Zishan..

At this time, Luo Zishan was really very angry. He stared at his eyes and looked in the direction below.

Long Hanming, who was below, sighed and said to Emperor Jin Zong: "It's just the two of us. Did you kill that Qilin Beast cub before?"

When he said this, Emperor Jin Zong suddenly stood up, supporting the table next to him with his hands, looking at Long Hanming, and said to him: "I didn't expect that little Qilin beast cub. came back.

Long Hanming nodded and said, "Yes, I didn't expect that guy to be still alive.""

Chapter 1557

Gu Shaoyang looked at Li Zhou and Luo Zishan at this time, looking at the two people full of anger at this time.

Gu Shaoyang was really afraid of the two of them, so he rushed down in anger. At that time, it would be a very dangerous thing for them.

Fortunately, at this time, the two of them still had some sense and did not rush down immediately.

At this time, Emperor Jin Zong looked at Long Hanming and said to him: "Then the couple still haven't told you where the Bagua treasure map is."

Long Hanming became very angry when he mentioned this question. Looking at Emperor Jin Zong, he said to him: "It's not like you don't know that these two people have always been very stubborn. They must have been very angry when they were arrested by the two of us. How could they do it so easily?" Tell us about today's Bagua Picture?"

Emperor Jin Zong became even more angry and said, "If we can catch that Li Zhou, the couple must have rubbed their weakness and will tell us this problem."

Long. Of course, Han Ming was also aware of this problem, so she looked at Jin Zongdi and said to her: "Then who made that little bastard slippery? It is really very difficult to catch."

When she said this, The two of them had already begun to complain about each other.

Gu Shaoyang felt that they had heard a lot of news and really wanted to leave this place immediately.

Otherwise, if they were discovered by Long Hanming and Jin Zongdi, they would really be unable to survive.

Gu Shaoyang immediately made a gesture and asked the two people to follow him and leave this place.

Although the two of them were very reluctant, Luo Zishan and Li Zhou still followed Gu Shaoyang when he moved.

When several people left the Demon Clan, Luo Zishan was already very angry. He looked at Gu Shaoyang and said to him: "I didn't expect that the death of my parents would be the same as the King of Jin, Emperor Jin Zong." There is a certain connection."

At this time, Li Zhou did not expect that his parents were arrested, and they actually wanted to arrest him and blackmail his parents.

Gu Shaoyang looked at the angry look of the two people and said to them: "Let's not talk about this matter for now. Let's go back and discuss it later."

As he spoke, Gu Shaoyang flew towards the direction of their city.

When Li Zhou and Luo Zishan flew back to the courtyard with a few people behind him, they landed directly in the garden and did not return to their rooms.

In the pavilion in the garden, Gu Shaoyang looked at the two of them and said to them: "You two are in very danger at this time. Long Hanming and Jin Zongdi will definitely not let you two go."

Gu Shaoyang said After saying this sentence, both Li Zhou and Luo Zishan's eyes were very angry and turned red.

He looked at Gu Shaoyang and said to him: "These two guys are so hateful, we will definitely seek revenge on them."

Of course Gu Shaoyang knew that they all had hatred for each other.

Gu Shaoyang still comforted the two of them and said to them: "We are still very young now, and they have their own power now, so we must act carefully and make all plans. After that, we will have more chances of winning."

When Gu Shaoyang said this, Luo Zishan and Li Zhou slowly calmed down, and their anger calmed down their excited emotions.

The two looked at Gu Shaoyang and said to him: "I know that we will not implicate you in any way."

Of course, this was not the issue Gu Shaoyang was talking about, but he also knew that the two friends were afraid of implicate themselves at this time. Bring bad luck to yourself.

Gu Shaoyang said to them: "Don't worry, we all will find a way."

Gu Shaoyang himself really didn't expect that he must have offended someone because he was thinking about Li Zhou's parents, so he was arrested. , it can be saved very easily.

But I didn't expect that after arriving at this place, things would start to become more and more complicated.

Gu Shaoyang felt that it was really difficult for him to help these two friends now.

But Gu Shaoyang has never been a person who shrinks when encountering difficulties. He feels that since he has already encountered such a thing, shrinking is meaningless for her. The most important thing is to get rid of this situation. When he overcomes difficulties, he will definitely find a breakthrough.

Time passed little by little, and Gu Shaoyang and the others separated because their discussions failed.

Slowly, another half month has passed.

Every day, Gu Shaoyang and the others would go out to look for news, hoping to get clues that would help them take revenge.

Chapter 1558

But what I didn't expect was that Jin Zongdi and Long Hanming were really well hidden, and they didn't even have any information at all.

Gu Shaoyang and Li Zhou were really worried.

Li Zhou felt completely powerless today and looked sick. Gu Shaoyang was really worried about him. He knew that Li Zhou had been exhausted mentally and physically these days, so he must have slowly begun to recover. I can't stand it anymore.

Gu Shaoyang looked at Li Zhou and said to him: "If it doesn't work, you can go find Jin Qiuming and see if Jin Qiuming can give us more news."

Although Jin Qiuming is the national preceptor of the Jin Kingdom, Jin Qiuming At this time, they had too much time to take care of themselves, so none of them had ever approached Jin Qiuming, for fear of causing trouble to others.

But at this time, Li Zhou really had no strength at all.

She looked at Gu Shaoyang and said to him:"In this case, I won't come forward. Go and help me find Jin Qiuming and see if Jin Qiuming can provide us with more information."

Because it is really true. There is no other way, Jin Qiuming is their last resort.

Gu Shaoyang thought about it and it was okay. After all, Li Zhou's appearance at this time would really attract a lot of people's attention, so he might as well let him go by himself.

He looked at Li Zhou and said to him:"In that case, you should have a good rest at home and don't go out to look for news today."

Li Zhou nodded. At this time, he had a fever and felt uncomfortable. , I really can't move at all.

So he looked at Gu Shaoyang and said to him:"Sorry to trouble you, brother."

After Gu Shaoyang nodded, he already looked at Tianci and said to him:"You go with me."

After all, Gu Shaoyang is also very temperamental sometimes. , not as nice as Tianci's words, and Tianci and Jin Qiuming have met before.

Tianci nodded and said to Gu Shaoyang,"Okay."

The two of them had already walked out of the yard.

The place where the Grand Master of the Kingdom of Jin lives is well known to everyone. He is a figure below one person and above ten thousand people, so the place where he lives is really very big.

Gu Shaoyang and the others only walked two blocks before they saw the Imperial Master's Mansion.

The two of them saw the magnificent Imperial Master's Mansion in front of them. It really covered a very large area, and there were two young men guarding the entrance. They saw the situation in the courtyard.

Although I only saw a little bit of the scenery inside the courtyard, I could tell that it was really luxurious and beautiful inside. Many of the rockery and water features could be seen from outside the courtyard.

When the two saw this place, Gu Shaoyang had already taken a step forward and wanted to pay homage to the Imperial Master.

But immediately there was a Xiaosi blocking the way of Gu Shaoyang and the others.

The boy Gu Shaoyang was looking at said to her, "I'm here to see the Imperial Master."

The other party was really disdainful of ordinary young people like Gu Shaoyang, and said to them: "Our Imperial Master is nothing. Everyone wants to see me."

Of course Gu Shaoyang knew this. He looked in the direction of the guard and said to him, "Just say my name is Gu Shaoyang, and your Imperial Master will naturally come to see me."

The young man looked at the two people in front of him carefully. Seeing that Gu Shaoyang and Tianci were very popular and dressed very unusually, he couldn't make up his mind for a moment.

Then he looked at Gu Shaoyang and said to him: "Wait a moment, I will report to our steward."

As he spoke, he walked into the courtyard.

Tianci followed Gu Shaoyang. The two of them didn't speak all the way, just stood there quietly.

After a while, I saw a steward walking out in a hurry.

He looked at Gu Shaoyang. The two young men were really undecided.

Gu Shaoyang didn't. When the two people were talking, he had already clasped his hands in his fists, looked at the person in charge, and said to the two of them: "I am your friend Jin Qiuming, so as long as you say my name, he will come to see me."

The manager looked at Gu Shaoyang in disbelief and called out Jin Qiuming's name. Not many people in the entire Jin Kingdom dared to say this. It seems that this young man His status is really extraordinary.

But what he said he didn't know was that Gu Shaoyang really didn't know what kind of status the other party had. For him, the name was just a code name, and if he wanted to ask to see the Imperial Master, he would definitely have to call the other party by his first name..

He looked at Gu Shaoyang and said to him: "Then do you have an invitation or a greeting card?"

When Gu Shaoyang heard that these two people were asking for things, she shook her head and said to him: "As long as you say my name, he will He will come to see me, you can go and ask."

Chapter 1559

As he spoke, the person in charge looked at Gu Shaoyang who was really talking and couldn't hide. He should really know the imperial master. He said to Gu Shaoyang very respectfully: "Okay, young master, please wait a moment." , I will inform you."

Then the person in charge disappeared and walked into the interior of the compound.

Within a quarter of an hour, Gu Shaoyang and Tianci had already seen Jin Qiuming walking out with starry strides.

Because he really didn't expect how two young people like Gu Shaoyang would suddenly come to see him.

He thought that something big must have happened, so they came directly to his door. He was also afraid that Gu Shaoyang and the others would expose themselves if they stood in front of the door for too long, so he was really very worried at this moment. anxious.

When Gu Shaoyang saw Jin Qiuming, he clasped his fists and saluted very respectfully, saying, "Hello, uncle, I am Gu Shaoyang."

Jin Qiuming didn't want to attract other people's attention, and then looked at Gu Shaoyang very affectionately and said to him Said: "Hello, hello, I didn't expect that you, a young man who I haven't seen for many years, would come to see me in person. How are your parents?"

Of course Gu Shaoyang knew that Jin Qiuming was doing this to deceive others. So he looked in the direction of Jin Qiuming and said to him: "They are all very good. We haven't seen each other for 5 years, so my father and mother wanted me to come and say hello to you. It just so happened that I also had something to do here.."

Jin Qiuming was really satisfied when he saw Gu Shaoyang cooperating with him. It seems that this young man is really very smart and he immediately knew what his situation was like at this time.

She pulled Gu Shaoyang and said to him: "If that's the case, let's go in and talk."

The two of them really sang along and walked inward without attracting anyone's attention.

While talking, the two of them had already walked to Jin Qiuming's study.

As soon as he entered the study room, Jin Qiuming was already very nervous. He looked at Gu Shaoyang and said to him, "Why are you here? Haven't I told you everything I know?"

He looked at Jin Qiuming. With a nervous look, he also knew that they were really putting themselves in a difficult position this time when they came to Jin Qiuming to ask about the true whereabouts of Li Zhou's parents.

Gu Shaoyang looked at Jin Qiuming and said to him: "It's true that we have been looking for the whereabouts of Li Zhou's parents for a while without any results, so I would like to ask the Imperial Master if you have any news about his parents and can you tell us anything about them?" With help."

Jin Qiuming sat directly on the Taishi chair next to him, looked at Gu Shaoyang and the others and said to them: "Long Hanming and Jin Zongdi are also very repulsive to me at this time, so I really I don't know."

Gu Shaoyang was actually not surprised at all that Jin Qiuming could say this. He also knew that the other party was really difficult to deal with at this time, but Gu Shaoyang and the others had found many places, but none of them They found out about Li Zhou's parents, so they were really anxious, and came to find Jin Qiuming out of desperation.

Gu Shaoyang looked at Jin Qiuming and said to him:"We received false news from the Demon King Long Hanming before, but there was no news about Li Zhou's parents in that place, so we fell into the trap. In the end, Li Zhou has been in prison because of this incident. I have always been depressed, so I wanted to look for any clues that could give us a direction to investigate."

After hearing what Gu Shaoyang said, Jin Qiuming really didn't expect that it seems that this child Li Zhou is very important to the investigation. He really cares about his parents' affairs, and I think Li Zhou is really a very filial child.

He really liked and envied the mutual help between these young people.

Jin Qiuming felt that these friends of his were also young friends, but he did not expect that these little interests had already begun to fall apart. He could only sigh after thinking about it.

Gu Shaoyang looked at Jin Qiuming sighing at this time. He was really confused, so he didn't know what happened.

He looked at Jin Qiuming and said to him:"If this matter is really very difficult, then we can all continue and look for information, and don't bother you, the Imperial Master, anymore." Hearing

Gu Shaoyang say this , Jin Qiuming has taken back the thoughts that he had just run away.

She looked at the young man Gu Shaoyang and said to him:"No, I just suddenly remembered some other things."

Tianci sat next to Gu Shaoyang. Although he had not spoken all this time, his observation skills were outstanding. Very strong, and girls' minds are inherently more delicate. Of course, he could see Jin Qiuming's loneliness at this time.

Tianci looked at Jin Qiuming and said to him:"We really care about Lizhou very much."

Chapter 1560

"Although there has been a sudden change in Li Zhou's family and such a big thing has happened, we still hope that we can help him."

"So, uncle, if you really know some information, please tell us so that we can avoid running around like headless flies."

Hearing what Tianci said, Jin Qiuming already looked in the direction of the very beautiful little girl wearing a pink dress.

Of course she knew that this little girl was the daughter of the dean of the academy, but the other party was also a She is a very talented and learned little girl. He also knows what Tianci means by these words.

Of course, he also likes this little girl Tianci very much. He did not expect that this little girl is really a very loyal person. People.

But Jin Qiuming really didn't know the news about Li Zhou's parents. After all, the other party had moved to several places now. Although he had certain connections before and could find the news, but now, they are completely It had been cut off by Long Hanming and Jin Zongdi.

So he paused for a moment.

He looked at Gu Shaoyang and Tianci and said to them:"I also know what you two young people are thinking, but I Now I really don't know where the couple are at this time.

Then he continued to say to Gu Shaoyang and Gu Shaoyang:"They have been transferred again by the Demon King, but don't worry, I will definitely do my best to find out the news about them, and then I will contact you."."

Gu Shaoyang was very happy when he heard what Jin Qiuming said. After all, if the other party can help him, they will also save a lot of effort.

Moreover, Gu Shaoyang and the other young people are new to this place. Without his own connections, it is really not easy to quickly find out the news about Li Zhou's parents.

What's more, the Demon King Long Hanming and Jin Zongdi will always release false news to themselves. Gu Shaoyang They are also very nervous at this time, fearing that the next time they get the news, it will be false news.

If they have the help of Imperial Master Jin Qiuming, then no matter what they do, they will definitely get twice the result with half the effort.

Gu Shaoyang has stood up He stood up, clasped his hands in his fists, and looked in the direction of Jin Qiuming.

Gu Shaoyang said to Jin Qiuming: "Thank you very much. Your Majesty the National Preceptor can help you this time. If we get the news, please don't worry, we will definitely not betray you. If you can't find the news, we will try our best to find it ourselves."

Jin Qiuming is really pleased. Seeing that the two young people Gu Shaoyang are very good, and he is really willing to help them, not only to help these young people, but also because of Li Zhou's parents He was originally his friend, and he also wanted to rescue the two people.

So Jin Qiuming nodded, looked at the two young people and said to them: "Don't worry, I just have a little bit of news these days. And I heard some news, I don't know if it is true or not, and I want to tell a few of you about it."

When Jin Qiuming said this, his whole face began to sink slowly, and his hands were grasping the back of the Taishi chair next to him, holding on tightly. It looked like it was really... He was very angry.

When Gu Shaoyang saw Jin Qiuming's facial expressions and movements, he knew that it was definitely not an ordinary matter. If Jin Qiuming wanted to talk to him, it must be about Li Zhou's parents.

After thinking about it like this, Gu Shaoyang must have I just feel that this matter will not be particularly easy. Otherwise, even if Jin Qiuming has experienced ups and downs, he will definitely not put these things in his heart.

Gu Shaoyang looked at Jin Qiuming and said to him: "It's still Please tell me, Sir, what happened."

After Jin Qiuming thought for a long time, she looked at Gu Shaoyang. Jin Qiuming was also afraid that these two young people would do it because she was too young and would not be able to do so many things by then. She was also afraid that because of this This incident involved them all in the country, and the two most powerful people put several of them in danger.

Jin Qiuming looked at Gu Shaoyang and Tianci, and after looking at them for a while, they felt that these two The young man is still very responsible, so he feels that it is not easy to get the couple out on their own. It is not easy to cooperate with Gu Shaoyang and the others. Maybe the chance of winning will be greater by then.

So after Jin Qiuming figured it out, he felt that he could really cooperate with these young people on this matter. When he looked at Gu Shaoyang and Tianci, the two I was also looking at Jin Qiu Ming.

It could be seen that Jin Qiu Ming's eyebrows were tightly knitted at the beginning.
