Chapter 1971

"ah.....Let me go quickly, take your dirty hands away from me, ah.....You are such a despicable and nasty gangster! It's so shameless....."The little princess was shy and angry. She was extremely angry. She kept staring at Ouyang Zhengxiong with ferocious eyes, gritted her teeth, and wished she could immediately lean in and bite Ouyang Zhengxiong's neck.

Ouyang Zhengxiong ignored the little princess. He hugged the little princess and felt the princess's warm body. Looking at the little princess's flower-like face, he felt that his heartbeat began to speed up. What was undeniable was the sight in front of him. This girl is really stunning.

After Ouyang Zhengxiong used Hou Yi Hong to fire three golden swords, the power in his body had been exhausted. In addition, he had not slept all night. He now felt very tired. A wave of sleepiness swept over him. She smelled this little princess The faint fragrance on my body made me feel as if I had entered a fairyland. My body began to become light and airy, and my brain seemed to be hypnotized. I stopped thinking about one thing, fell asleep slowly, and then entered the dreamland.

The little princess was still cursing Ouyang Zhengxiong at first. Later, when she saw Ouyang Zhengxiong falling asleep with her in his arms, she quickly stopped her cursing. After all, the danger caused to him by the enemy when he was asleep was still greater than when the enemy was awake. Sometimes much lower.

The little princess experienced an unusual feeling. She couldn't tell what it felt like. She had never been held in the arms of a strange man before. She usually made others cry for father and mother. Unexpectedly, today she would be held tightly by the man who had enslaved her before. The little princess's brain was constantly running. She wanted to come up with a way to deal with Ouyang Zhengxiong as soon as possible, from luring with benefits to using threats of power, and then using sex to seduce. However, these methods have no effect on Ouyang Zhengxiong. The guy in front of him is very strange. If he were an ordinary person, he would have compromised long ago. People who are unwilling to take the hard way are the hardest to deal with.

While the little princess was thinking, she had to constantly circulate the Qi in her body. She wanted to concentrate the power in her body to break through the acupuncture points pointed by Ouyang Zhengxiong, but after his repeated attempts, she could not break through. Finally, he started to look like he was giving up.

The little princess looked at Ouyang Zhengxiong who was sleeping, and she hated the bastard in front of her.

Ouyang Zhengxiong's hands tightly hugged the little princess's slender waist, and pressed the little princess's plump breasts tightly against his chest. Such an intimate move made the little princess go crazy.

The little princess could feel Ouyang Zhengxiong's body temperature. She felt very uncomfortable. She cursed Ouyang Zhengxiong in her heart:"Oh my God! Let the wind and rain come and blow down the dead branches from the trees. Go to this guy's head and smash him to death. Or God, you can rain down thunder and chop this guy to death. You can just drop a meteor. As long as you can kill this guy, you can do anything. OK....."

But no matter how the little princess cursed Ouyang Zhengxiong, it had no effect at all. Ouyang Zhengxiong slept soundly, with good dreams coming one after another, and a smile appeared on the corner of his mouth.

"This is really a dirty and shameless guy. He smiles so lewdly even when he is sleeping. He is simply a scum, a dirty and shameless guy....."The little princess scolded Ouyang Zhengxiong in a low voice. However, as time passed by, the little princess began to feel very tired. She felt that her body was light and light, as if she was about to ascend to heaven. After last night The fierce fighting and not closing her eyes all night made her even more exhausted than Ouyang Zhengxiong. Slowly, the little princess began to close her eyes, lay on Ouyang Zhengxiong's chest and fell asleep..

It was noon in the blink of an eye, and Ouyang Zhengxiong had woken up from his sleep. A dazzling ray passed through the trees in the forest and shone on Ouyang Zhengxiong's body. He felt very warm, and his body felt extremely comfortable after resting.

But the little princess has not woken up yet and is still drifting in the dreamland. The little princess's crotch is pressed against Ouyang Zhengxiong's shoulder. Ouyang Zhengxiong feels a little sore, but he does not move because he does not want to wake up the little princess.

Ouyang Zhengxiong quietly looked at the sweet sleeping posture of the little princess, but at this moment, the little princess suddenly talked in her sleep:"Scum, stop here, don't run, I will kill you today.....stop....."

Ouyang Zhengxiong muttered in a low voice:"You are really a little devil. You actually have the nerve to say that you are just pretending. You want to kill me in my dream. I must not fall into your hands. I will definitely do it when the time comes." You were cut into pieces by a thousand knives, you were really too fierce, although you look like a weak girl, but after getting in touch with me, I realized that you are really an out-and-out little devil."

Chapter 1972

Not long after the time passed, the long eyelashes on the little princess's eyes moved slightly. The little princess slowly woke up, but her eyes were still sleepy. She was still a little dazed after just waking up.

Ouyang Zhengxiong said to the little princess: "Little devil, you sleep really soundly. I didn't expect you to sleep so peacefully. Your mentality is still good!" The little princess said slowly. After hearing what Ouyang Zhengxiong said, she came to her senses completely. She found that her and Ouyang Zhengxiong's current posture was very intimate, which made her feel very embarrassed as she had never been in contact with a strange man. But after taking a few deep breaths, she quickly adjusted herself, and her face quickly turned cold.

After the little princess simply smoothed her hair, she put on a proud posture and said to Ouyang Zhengxiong: "It's not your turn to tell me what I do or how I sleep. Please consider it carefully." Is your status good? A commoner dares to comment on this princess."

After hearing this, Ouyang Zhengxiong became a little unhappy. Who should weigh him now? So Ouyang Zhengxiong said to the little princess: "What are you talking about? Bullshit, do you think I am really not qualified to talk about you now? You also said that I have to consider myself, and you are the one being imprisoned now. Also, don't you know how much saliva you have left? My chest I'm all wet from you. Do you know that if you continue to sleep, I will drown?"

The little princess's face turned slightly red, and she stammered to defend herself: "You, you..... You stinky thief, stop talking nonsense, I'm obviously not drooling, okay? That's obviously falling into the water. It's very normal to have dew in this weather. How come you don't even have any common sense? Are today's thieves so uneducated?"

Ouyang Zhengxiong looked at the little princess with a slightly red face carefully. Her shy expression made Ouyang Zhengxiong think she was very cute. Ouyang Zhengxiong smiled and said to the little princess: "Hahaha..... You are so cute like this, but as soon as you reveal your devilish nature, it will be completely opposite to this. But if you continue like this, every man will treat you as a treasure! The little princess was furious and said to Ouyang Zhengxiong in a fierce tone: "You scum, it's not your turn to tell me how I am doing, so you should take care of yourself first." Ouyang

Zhengxiong continued to tease the little princess: "It's not my turn to say anything. You will be my wife soon. Can't I still take care of my wife? Isn't it very unusual for a man to comment on his wife?" Is this normal? Can't I find fault with my wife? Also, don't always call yourself the princess, the princess. I won't call you little devil anymore, so that's fine. How about I call you Yu'er from now on?"

"You stinky thief, you are so bold. Can you please stop being so disgusting? I get goosebumps when I hear it. Yu'er, is this what you, a commoner, can call you? What do you think you are?"The little princess angrily scolded Ouyang Zhengxiong.

Ouyang Zhengxiong stood up, then hugged the little princess, and said to the little princess:"I am really bold, can you control me now? What I will do What about some unreasonable behavior? Could you please consider your current situation when you speak?"

The little princess shouted loudly:"Bold, you are such a scum, stinky thief, let me down quickly....."

Ouyang Zhengxiong put the little princess Jiang on his shoulders, picked up Hou Yi's bow and walked out of the forest.

It is noon now, when the sun is at its strongest. The sun is mercilessly scorching the earth, and everything around is extremely hot. The little princess on Ouyang Zhengxiong's shoulder looked very unhappy, and she said angrily Looking at Ouyang Zhengxiong, he said,"You are really a lunatic. Where are you going to take me? Can you put me down quickly?"

Ouyang Zhengxiong answered the little princess with a smile:"Don't you understand where I am going? I wasn't before. Have I already told you that the two of us are going to find a secluded place to live in seclusion so that we won't be discovered by others. Now of course we need to find a place with beautiful mountains and clear waters. After we find that place, we can worship. We are married, and you will become my legitimate wife."

"ah.....You thief is so shameless. Please put me down quickly. You are making me very uncomfortable. Don't you know? I beg you, please stop torturing me like this."

Just when Ouyang Zhengxiong was about to put the little princess down, there were some strange noises in the forest. The little animals seemed to be very panicked and jumped out of the forest one after another.

Chapter 1973

As if these small animals were frightened, they ran very far away one by one. After these smaller animals ran out, some larger predators ran out, one after another. , the strong wind brought by the fast running blew the leaves all over the ground.

Ouyang Zhengxiong hurriedly put the little princess down from his shoulders, then gently picked up the little princess, then kicked his legs and took the little princess to fly up to a big tree.

The little princess didn't feel scared at all. Her eyes were full of curiosity and she looked around. At this moment, as if an earthquake had occurred, the ground suddenly shook. Suning here also shook with it. Not far away, there was a very tall shadow walking over from here.

After Ouyang Zhengxiong saw this huge figure, he felt a headache. He said to himself: "Oh my god, what kind of luck am I? This can allow me to meet ancient giants. Are they not?" Is it very rare? I'm at the edge of the forest. Can I encounter this one in ten thousand chance?"

The moods of the little princess and Ouyang Zhengxiong were completely different. The little princess seemed to be With such excitement, it was as if he had forgotten that he was a prisoner who had lost his freedom.

The little princess sighed and said: "Wow, it turns out that the ancient giants looked like this. They were really very tall. I have really seen a lot of strange creatures in the past few days. Not only did I see flying dragons, I also saw such a tall ancient giant. This trip is really worth it."

Ouyang Zhengxiong said to the little princess: "Of course you are worth it, because you have a husband as good as me, like me Where can you find such a good person?"

The little princess was a little excited at first. After hearing what Ouyang Zhengxiong said, she frowned again. She said to Ouyang Zhengxiong: "You scum, can you? Don't speak. No one will treat you as a mute if you don't speak."

Ouyang Zhengxiong said, "Then don't speak either. Let's hide here quietly. After the ancient giant walks over, we will get up and run away.." Ouyang Zhengxiong looked at the little princess's big eyes, and then whispered: "If you want to lose your life here, when that huge guy comes over later, just scream as much as you want, of course. , I will throw you away as soon as possible, I don't want to be buried with you"

"If you don't want me to talk, then why don't you seal my dumb hole?"

"Do you think I haven't thought about sealing your mouth? But I want to convince people with reason. I want you to slowly learn to listen to me.

After the little princess heard what Ouyang Zhengxiong said, her annoyed opponent Ouyang Zhengxiong said: "What are you thinking about? Why are you still daydreaming?" you damn guy"

"boom!"

"boom!"

"boom!"

As the ancient giant approached Ouyang Zhengxiong and the little princess step by step, the footsteps became louder and louder. Judging from the huge footsteps, we knew that the strength of the ancient giant was very terrifying. Yes, every time he took a step, the whole forest would tremble three times, and the leaves on the trees would fall crazily like a violent storm.

Ouyang Zhengxiong reached out from the tree next to him and pulled the little princess to his side. He wrapped one hand around the little princess's waist, and then whispered to the little princess: "I'm ready, that guy is almost there." Come here, as soon as you make a sound, I will throw you out without hesitation. I advise you not to act rashly. If he kicks you, you will turn into a meat pie."

The little princess said fiercely to Ouyang Zhengxiong: "What are you doing? You stinky thief, take your stinky hands away quickly. Do you think I really don't dare to scream? If you don't take it away, I will really Yelled"

"Do you think I really want to hold you? If I let go now, do you think you will fall? When the time comes, your butt will fall like the Third Prince's. Do you really want that?"

"you....."

This huge ancient giant has arrived about ten meters away from Ouyang Zhengxiong. Ouyang Zhengxiong looked at her tall body. Judging from Ouyang Zhengxiong's experience, this ancient giant was at least 30 meters tall. He had long hair and Like hair, dense and long hair. Except that his body is many times taller than a normal person, there is no difference between him and ordinary humans.

As the ancient giant approached, a strong fishy smell slowly came out. This behavior made the little princess and Ouyang Zhengxiong feel a strong sense of vomiting. Ouyang Zhengxiong quickly covered his mouth and nose with his sleeves to avoid I was stunned by the stink.

Chapter 1974

Ouyang Zhengxiong turned his head and looked at the little princess who had a painful look on her face. Because the acupuncture points of the little princess were tapped by Ouyang Zhengxiong, he could not cover his mouth and nose with his hands. Ouyang Zhengxiong saw the expression on the little princess's face. The little princess also didn't know whether to laugh or cry.

The little princess looked at Ouyang Zhengxiong with expectant eyes, so Ouyang Zhengxiong freed up his other hand, put his hand around the little princess's neck and covered her mouth and nose.

Analyzing the walking route of this ancient giant, it is not difficult to see that he originally wanted to walk towards the open space in front of him, but when he passed Ouyang Zhengxiong, his nose suddenly shook, and then He walked straight towards Ouyang Zhengxiong.

"How could this guy detect this? Is his nose that good? This guy doesn't have a dog nose!" Ouyang Zhengrong felt very incredible. He and the little princess had not made any sound, but they were still discovered by this giant.

Ouyang Zhengrong quickly picked up the little princess and jumped down from the big tree where they were. Then he walked quickly through the woods

"Rumble....."

In the eyes of this giant, these 6,000-meter-long trees are like straw. With a gentle push, the tree will fall over. With a gentle step of his foot, the place where he stepped will collapse. The child became an empty flat land.

The ancient giant suddenly roared, as if calling Ouyang Zhengxiong, they should not run away, as if saying that they were struggling in vain, this huge roar was like a thunder falling from the sky, causing Ouyang Zhengxiong's eardrums hurt.

No matter how fast Ouyang Zhengxiong is, No. 3 and the giant behind him only moved a few steps to close the distance between them. Now the ancient giant is only three steps away from stepping on Ouyang Zhengxiong. Ouyang Zhengxiong and the little princess The situation has become very dangerous. As long as the ancient giant speeds up his pace, the two of them will basically die.

As the big tree was pushed down like a mountain in ancient times, a six-meter-long tree fell in the direction of the little princess and Ouyang Zhengxiong. The frightened little princess shouted: "You

idiot, run fast. One point, you are running so slowly, how can he not catch up with us, run quickly, ah.....You are really stupid....."

At such a critical moment, Ouyang Zhengxiong of course chose to ignore the little princess. He concentrated all his attention and tried every means to get rid of this ancient giant.

Ouyang Zhengxiong almost missed the tree that fell over just now. It can only be said that the speed of the ancient giant was too fast.

Although it was very easy for the ancient giant to catch up with Ouyang Zhengxiong, he seemed to be very cautious. This cunning ancient giant did not slow down because of this, but instead ran faster and faster, moving forward step by step. He stepped forward, but what he didn't realize was that Ouyang Zhengxiong had already flashed to the side when he wasn't paying attention. By the time he reacted, Ouyang Zhengxiong had already carried the little princess and ran to a place more than 20 meters away.

The little princess shouted again:"Why are you so stupid? Find a place to hide quickly. Can you outrun that thing? Why did you stop? Run! If you don't run, he will catch up." Now."

Ouyang Zhengxiong suddenly stopped and I threw the little princess on the ground.

"ah....."The little princess's plump buttocks came into contact with the ground for the first time, and then she let out a painful cry:"Ah.....What are you going to do? It hurts me to death.....You're such a big bastard, ah....."

Ouyang Zhengxiong ignored him. He stretched out his hand and took Houyi's bow on his back. Then he stepped forward with his left foot and put a branch on the bow string with his right hand. His expression was so He was so focused that he seemed to be unable to tolerate everything around him, and could only see the ancient giant in front of him.

He concentrated all his energy and aimed at the ancient giant. He pulled the bowstring with his right hand. The black Houyi bow gradually emitted golden light, just like the power absorbed in the heaven and earth. Pieces of golden light came from him. He Houyi Gong's body radiated out, as if these energies were spreading around him with him as the center.

This huge energy fluctuation has been felt by the ancient giant. The ancient giant recognized Hou Yi Gong at a glance. There was a hint of fear on her face, and he slowed down because of this.

But Ouyang Zhengxiong did not relent because of this. In this vast land, golden light kept pouring out from the ground and rushed towards Hou Yi's bow. The wind was strong and thunder continued. Ouyang Zhengxiong's whole body was emitting dazzling light. These bright golden lights, which made this giant very scared.

Chapter 1975

He actually took one step back involuntarily because of fear, and the fearful expression on his face became deeper and deeper.

The little princess was shocked by Ouyang Zhengxiong's powerful aura. Ouyang Zhengxiong's current appearance made it impossible for the little princess to be associated with that scum. Apart from the fact that they looked the same, there was nothing else between them. The place is the same, but it can be said that it is completely different!

The man in front of me looks so powerful. Every breath he takes seems to be able to destroy the mountains and forests. His powerful aura makes even the devil back away. People who have seen him can't help but feel a sense of worship for him..

Under the suppression of this powerful aura, the ancient giant seemed to have turned into a dwarf. He had already thought that he was not so scary. And this powerful male protagonist in front of him, although his body is not as big as the ancient giant, but in the eyes of others, he is the tallest.

The little princess couldn't help but sigh from the bottom of her heart: "Is this really that scum? Is this still Ouyang Zhengxiong? Why does it feel like he has become a different person?" The sky was covered with dark clouds, there were bursts of thunder, and the golden light on Hou Yi's bow flashed. The golden light was like running water, flowing towards the branch that Ouyang Zhengxiong climbed on.

In just the blink of an eye, the branch had completely turned into a golden sword, with bursts of golden light emitting from it, emitting frightening energy fluctuations.

The place where the golden light pointed was the direction of the ancient giant. He couldn't help but send out waves of chills. He was already so scared that he should be extremely regretful now. He regretted that he had offended someone like Ouyang Zhengxiong. Powerful guy!

Ouyang Zhengxiong saw the opportunity, released his right hand, and launched a golden arrow at a very fast speed. Lightning passed by wherever it went. A golden lightning quickly came to the

giant's eyes, but she It did not hit the giant, but passed by the ancient giant and hit the tallest tree behind the giant.

This tree is the tallest in the forest here. It is called the King of Trees. After the King of Trees was hit by the golden arrow fired from Hou Yi's bow, it instantly turned into powder. Sawdust flew all over the sky. The ancient giant was so frightened that he trembled. He made a strange cry, then turned around and ran away. His huge body trampled in the woods, and patches of trees were trampled down by him. As he ran, the forest began to shake.

The tall body of the ancient giant finally disappeared from Ouyang Zhengxiong's eyes, and the world slowly returned to calm, and the woods suddenly became much quieter.

The golden light on Ouyang Zhengxiong also slowly faded, gradually became lighter, and then disappeared. But the powerful aura in him still remains, giving people a feeling that they can be relied on.

The little princess said with a trembling voice: "Scum.....Ouyang Zhengxiong.....Why did you miss the target? Are you so bad at archery? The ancient giant's body is so big and you didn't hit it. You are really stupid."

The little princess has been frightened by the powerful aura of Ouyang Zhengxiong's body. She doesn't even dare to speak so forcefully now. After knowing that Ouyang Zhengxiong's power has faded, he looks ordinary again, little princess. Then she let out a long sigh. She was actually very afraid of the powerful Ouyang Zhengxiong just now.

Ouyang Zhengxiong said to the little princess: "Do you think I can't hit him? I just don't want to kill him. I think life is not easy for everyone. Very few people come to this forest. Maybe he rarely sees humans, or the humans he sees have hurt him, so he He subconsciously regards us as enemies. After all, a tall man like him, even if he has no ill intentions towards ordinary humans, ordinary humans will treat him as a monster because they cannot communicate with him. In the end, they attack each other. I think he deserves to be alive. You must be very tired! The little princess smiled and said to Ouyang Zhengxiong: "I didn't expect you, a stinky thief, to be considerate of others. It's really beyond my expectation!"

Ouyang Zhengxiong did not answer the little princess's words, but after a long sigh, he said to himself: "I don't know if I will have the chance to realize the realm of true martial arts in this life."

Although Ouyang Zhengxiong spoke very quietly, the little princess still heard him. It was the little princess who said to Ouyang Zhengxiong: "You are quite a stinky guy. Even my master can only

stand in the Mirror of True Martial Arts. Is it just you who is struggling on the edge? I advise you not to set too high goals for yourself. When the time comes, you will be hit and you will no longer have any hope of living."

Ouyang Zhengxiong looked at the sky. The powder from the tree king he just shot was still flying in the air. Ouyang Zhengxiong seemed to be saying to himself:"That thing just now was by no means simple!"

Chapter 1976

The arrow Ouyang Zhengxiong just shot was indeed different from the ones he shot before. The arrow he just shot seemed to have reached the realm of true martial arts in an instant. As long as Ouyang Zhengxiong's skill at that time was enough, he could really shoot down the gods from the sky.

The little princess was unhappy. She felt that Ouyang Zhengxiong was bragging. The little princess said to Ouyang Zhengxiong:"Are you too narcissistic? You are really too shameless. You can't even stand such a big giant." If you can't even shoot, how can you shoot down the god in the sky? Do you really think you are a person?"

Ouyang Zhengxiong became the joker again, and the evil aura on his body has gradually faded away. Fading away, he smiled and said to the little princess:"I am your husband, then who else can I be?"

The little princess looked shy, her little face suddenly turned red, and she angrily scolded Ouyang Zhengxiong. Said:"Bah, who wants to be your wife? You might as well find a dog to be your wife. Are you, a commoner, considered my husband?"

Ouyang Zhengxiong ignored the little princess, and then said to himself He said to himself:"Once the golden arrow is fired from Houyi's divine bow, it will never stop until it hits the target's blood. Do you really think that I didn't shoot accurately with that one? On the contrary, I The shot was very accurate, and it was very easy to kill him, but it was very difficult to achieve the goal of piercing his skin a little bit. I was thinking so at the time, if If I kill that giant, it may cause us the same disaster as you killing the big snake before, so I only use the power of the divine sword to force him to retreat. If my skill is enough, I will have absolute power. I was sure to kill him, but I didn't have such confidence at the time, so I could only scare it away."

"Now I have finally discovered that you, the thief, are not only so shameless, you are also a narcissist! You are simply the most narcissistic man I have ever seen."Although the little princess kept hitting Ouyang Zhengxiong with words, what should be said is that just now, Ouyang Zhengxiong's look really shocked the little princess. The power of the magic arrow in his hand gave

her Very deeply impressed, the little princess had already silently admitted in her heart that Ouyang Zhengxiong had already combined with the magic weapon at that moment. The little princess felt a little angry in her heart. She felt that this matter was a bit unfair, and whispered: "Why on earth is this?" Ah, such an ordinary person can be recognized by Hou Yi's bow. As a princess of Chu, I can only shoot one arrow. It is really unfair."

Ouyang Zhengxiong saw the little princess muttering there alone, so Ouyang Zhengxiong smiled and said to the little princess: "What are you talking about here alone? Are you secretly praising me? Do you like it? I'll just say it directly!"

The little princess looked at Ouyang Zhengxiong with disgust, and said impatiently to Ouyang Zhengxiong: "Who would like a shameless and beautiful guy like you? And can you stop being so beautiful in front of me? I'm almost going to vomit. It's out, you know? Ouyang

Zhengxiong still joked with the little princess: "Let's go, wife, let's find a private place to worship and become husband and wife!" After Ouyang Zhengxiong finished speaking, he picked up the little princess and put it on his shoulders.

Except for the movement of the little princess's mouth, other parts of the little princess were controlled by Ouyang Zhengxiong's acupoints, so she could only He kept yelling and cursing: "You damn thing, put me down quickly, put me down quickly....."

When Ouyang Zhengxiong wanted to adjust the position of the little princess on his shoulder, the little princess seized the opportunity, opened its small mouth, and bit Ouyang Zhengxiong's shoulder hard.

"ah....." Ouyang Zhengxiong screamed in pain, and then said loudly to the little princess: "Ah, you little devil, how can you bite me? Do you still want to eat me? Ah..... Please release your mouth quickly and stop biting....."

Ouyang Zhengxiong stretched out his other hand and pinched the little princess's chin hard. It took a lot of time and a lot of effort to finally open the little princess's mouth.

"thump....."

Ouyang Zhengxiong once again threw the little princess directly to the ground. The little princess's soft butt came into contact with the ground again. This time it seemed that the fall was more painful. The little princess turned pale in pain.

"oh.....ah.....What are you going to do, guy? Don't you know you want to hurt me to death? How about you untie my acupuncture points and I'll throw you to the ground. Come and try this feeling, ah.....You damn thing! Ouch....."

Ouyang Zhengxiong frowned and touched his right shoulder with his left hand, as if the pain just now had not disappeared.

Chapter 1977

After Ouyang Zhengxiong caressed him, he unbuttoned his shirt, turned around and saw a neat row of teeth marks on his shoulders. The little devil had bitten his shoulders into a purple-green color.

"You little devil are so cruel!"

At this time, the little princess had shed tears on the ground, and then said to Ouyang Zhengxiong in a choked voice:"I hurt you to death. You deserve it. Who asked you to bully me?.....Ouch....."

"Uh haha....."Ouyang Zhengxiong couldn't help laughing, and then said to the little princess:"Hey, why are you still crying? How about it? Does it feel good? Do you want to try it again? Look at your butt. You can compete with the third prince to see who is more injured."

The little princess gave Ouyang Zhengxiong a very evil look, and then turned to Ouyang Zhengxiong and said fiercely:"You damn guy, Did this princess ask you to bully me like this? You, a commoner, dare to offend me. I have already kept this account in my heart. As long as you fall into my hands, I will kill you sooner or later. Wow.....It hurts me to death....."

Ouyang Zhengxiong smiled and answered the little princess:"Okay, okay, I know! Wife, actually I know you can't be blamed for this. We haven't eaten for so long. I should have thought that you were hungry earlier, but your husband's You can't eat your shoulders. If I break my arm, who will take care of you in the future? I'll take you to a comfortable place and give you some delicious food."

Ouyang Zhengxiong's face was filled with emotion. With a smile on his face, he picked up the little princess very carefully this time. He didn't give the little princess any chance to bite him. Then the little princess cursed and put Ouyang Zhengxiong on his shoulder.

"Ouyang Zhengxiong, you are such a damn guy. How could you do this to me? Don't I have no respect for this princess? After all, I am also a princess of Chu. Can you put me down? I can walk

by myself. , you put me on your shoulders like this, as if I were the prey you hunted. Can you unlock my acupuncture points and let me walk on my own?"

"You are my wife. How can you let your wife walk by herself? Of course I want to make it easier for you. I will not let you suffer.".....

Ouyang Zhengxiong walked slowly with the little princess. Unknowingly, they had climbed over two mountain peaks. At this time, a light blue jade belt appeared at the foot of the mountain. In fact, it was a clear jade belt. The small river, but it looks light blue under the blue sky and woods. It is formed by the confluence of clear springs in the mountains. It meanders below and can be heard far away from here. The sound of running water sounds like extremely beautiful music in today's hot world.

When the little princess heard the sound of trickling water, she immediately became very excited. Her eyes were golden and her face was full of joy. She said to Ouyang Zhengxiong:"Smelly thief, there is a river in front of you. Get there quickly. I'm almost dying of thirst. I haven't had a drink of water in nearly ten days."

"Oh well! It's not an option to keep walking blindly. Let's go over there to rest, replenish our strength, and get something to eat. I'm also very hungry. After all, I have to carry you, a guy who weighs several hundred pounds."

The joy on the little princess's face suddenly disappeared, because Ouyang Zhengxiong meant that she was a fat person weighing several hundred pounds. Girls hate being told that they are fat, so the little princess felt very angry, so she angrily scolded Ouyang. Zhengxiong said:"You only weigh a few hundred pounds, and you already have ten thousand gold. You are really a heavy and stupid pig. If you don't speak, no one will treat you as a mute.""

"I don't have the same experience as a demon, and I don't want to pay attention to you. Everything you say is right. You can say whatever you like. You are not only a demon, but also a demon with a very powerful mouth, and you can bite people. He is also eloquent and can make wrong things right for you."

They were walking noisily and soon arrived at the river.

The small river was very clear, especially the colorful pebbles at the bottom of the river, which looked very beautiful under the sunlight. The small fish here seemed to As if they were not afraid of people, after Ouyang Zhengxiong and the others came to the shore, the fish seemed to have seen something new and came over in groups.

Ouyang Zhengxiong washed his face with the clear river water, and then he took off his clothes. His own shoes and socks soaked his stinky feet that had not been washed for more than ten days in the river. Of course, these small fish ran away immediately and spit out rows and rows of small bubbles. , they must be scolding Ouyang Zhengxiong, this athlete's foot is too smelly.

Chapter 1978

Ouyang Zhengxiong's feet were soaked in the cold river water, and the hot feeling on his body suddenly disappeared.

Ouyang Zhengxiong deliberately let go of his hands in an exaggerated way. He stretched out his waist, then yawned and said, "Little devil wife, don't be anxious. Just wait there for a while. I'll I'm going to go hunting soon. When I come back from hunting, I will untie your acupuncture points and let you relax. Who said you are my wife? I can't confine you like this." The little princess kept scolding. Ouyang Zhengxiong: "You damn thing, come back to me quickly. How can you leave me here alone? What if a beast comes over later? Let's not talk about strange things like ancient giants. A tiger, I will die in his hands! You damn bastard....."

Ouyang Zhengxiong thought for a while and felt that what the little princess said was not completely unreasonable. Only then did he realize that his thinking was lacking and he did not answer the little princess.

The little princess continued to yell at Ouyang Zhengxiong: "Do you know what it means to treat prisoners preferentially? If you kill me here now, how will you explain to my father in the future? You will be waiting to be raped by two countries." Chase me down. No matter how big the world is, there will be no room for you, you murderous executioner!"

Ouyang Zhengxiong was scolded by the little princess and was speechless: "....."

Ouyang Zhengxiong ignored the little princess, because he hunted very quickly, so he walked towards the forest. Not long after, Ouyang Zhengxiong walked out of the forest again, but he was different from when he went in. He had two snow chickens in his hand. Ouyang Zhengxiong happily said to the little princess: "Dear wife, look at what I brought from hunting. This is very delicious. Now you are in good hands."! Do you know how many people are unable to eat even if they want to?"

The little princess looked towards Ouyang Zhengxiong's hands, and then noticed that Ouyang Zhengxiong was holding two snow chickens with white skin and looked at them. The little princess felt pity for these white shining feathers, so she roared at Ouyang Zhengxiong: "You are really too

cruel. Have these two snow chickens offended you? What a cute two they are. Big bird! I was in the forest, and I was tortured and killed by you, you ruthless, cold-blooded killer."

Ouyang Zhengxiong felt that he had never been so speechless in his life:"....."

The little princess continued to say fiercely to Ouyang Zhengxiong:"You are simply a devil!"

Ouyang Zhengxiong:"....."

The little princess said:"You guys, are you a cold-blooded animal? You have no humanity at all. Even dogs are more understanding than you, you know."

Ouyang Zhengxiong was really impatient after hearing this, so he said to the little princess:"Okay, okay! Oh my god, I beg you, please stop talking, okay? They are just two birds, don't you raise the value of their lives to the level of humans? If you are like you said, If you are so loving, then why were you so cruel to me in the first place and beat me every day? Is this how you show your love? I think you were born by the devil. In addition to being able to talk a little, Another characteristic of yours is that you have a very vicious heart."

After hearing what Ouyang Zhengxiong said, the little princess seemed to realize her mistake, and she did not refute Ouyang Zhengxiong.

Ouyang Zhengxiong found the little princess, stretched out his hand, patted the little princess's body a few times, and then said calmly to the little princess:"Don't be too sad, this world is like this, human beings The jungle is predatory, not to mention these animals? Even if we don't eat these two birds, there will be other beasts in the woods that eat them, not to mention that we only do this to save our lives."

In Ouyang After Zhengxiong's enlightenment, the little princess seemed a lot more optimistic, so Ouyang Zhengxiong touched the little princess's head, but the little princess suddenly showed an expression of disgust. Ouyang Zhengxiong said to the little princess:"What? I'll just Is this annoying to you?"

The little princess said to Ouyang Zhengxiong:"You are indeed annoying to me. Even my master dare not touch my head. How did you catch up? If I hadn't been tapped by you now. If you do, I will definitely beat you up."

Ouyang Zhengxiong said to the little princess in a calm tone: "Well, how should I put it, you should have a better personality in the future! In fact, I don't hate you very much, wait a minute I will unlock your acupuncture points for you, and then you will have some free time, but you must not think about escaping. I will seal all the skills in your body, so that you are no different from those who have not practiced. There's a difference, if you run around, you might become a snack for monsters, and I won't be responsible for that."

Chapter 1979

After hearing what Ouyang Zhengxiong said, the little princess gnashed her teeth and cursed at Ouyang Zhengxiong again. However, Ouyang Zhengxiong ignored the little princess. Instead, he pulled out the long sword from his waist and began to clean up the things he had just captured. feathers of two snow chickens.

After the little princess was free, she looked into the distance, then turned to look at Ouyang Zhengxiong. A very helpless look appeared on her face, and then she turned around and walked towards the river.

But the little princess seemed to be planning something. The moment he turned around, he showed one of her signature smiles, which was the devilish smile that made Ouyang Zhengxiong shudder. Ouyang Zhengxiong did not notice this evil smile of his..

The little princess stepped on the pebbles by the river and walked into the river. The cool river water soaked her clothes all of a sudden. After so many days of long journey, her lips were almost dry from coughing, so he held He sang a song of clear river water, messed up her lips, and then took off the hairpin from her hair.

The little princess's hair was really different from ordinary people's. Her hair was black and shiny, and as slender as a waterfall. After looking at it, she wet her hair with river water, and then swam happily in the river. When they woke up, those little fish seemed to have feelings for the little princess, and they came and went selflessly around the little princess.

Ouyang Zhengxiong had already taken care of the two snow chickens he had caught. After washing them, he strung the snow chickens up with two sharpened wooden sticks and placed them back and forth in the Flame Mountain where he was born. BBQ, and not long after, bursts of fragrance emanated from the two big birds, and the two snow chickens gradually turned into a very appetizing golden color. The animal oil dripped on the fire, and then it made a sizzling sound.

Waves of fragrance came from the river, which made Ouyang Zhengxiong salivate.

At this time, the little princess had already sunk her entire body into the river. It must be said that the little princess held her breath for a long time. It took a full minute for the little princess to surface.

The little princess's body was wet, and her hair was dripping water into the river. The sound of dripping, coupled with her stunning appearance, really made people salivate.

At this time, Ouyang Zhengxiong happened to look back, and unexpectedly saw the scene of the little princess's hibiscus emerging from the water. Ouyang Zhengxiong suddenly became panicked, so he recited Buddhist scriptures to himself: "Amitabha, the colors of all things in the world. , that is emptiness, that is color, color is emptiness, emptiness is color, everything in front of you is false. It is a pleasure to learn it, friends come from far away, and you are not a gentleman. The deceased is like this man, never giving up day and night. All things in heaven and earth are unified. Taiji gives rise to the four images, and the four images give rise to all things....."

Ouyang Zhengxiong tried to recite some things to calm his current bohemian heart.

But he still couldn't help but look towards the little princess. After looking at the little princess in the water for a long time, he couldn't help but think of the scene when he met the little princess for the first time. At that time, the little princess was not wearing any clothes. Her clothes and pure body are like a beautiful angel, and her smile is like an elf in the forest. She is simply a goddess descending to earth.

Ouyang Zhengxiong inserted the two wooden sticks with snow chickens on the ground and slowly walked towards the river. He sat on the bank of the river and stared blankly at the little princess, looking very forgetful.

Gradually, this little girl as beautiful as an elf suddenly brought back Ouyang Zhengxiong's memories. He remembered that he was the little girl he liked before, ____ Lanyu.

But what a coincidence, the person he liked before happened to have the same name as this little princess, but of course Ouyang Zhengxiong knew that she was not this little princess.

Ouyang Zhengxiong's eyes gradually became very blurry, and his memories of more than ten thousand years were suddenly opened. Some memory fragments appeared in his brain irregularly, and he seemed to have returned to ten thousand years ago. His girlfriend was slowly walking towards her, with her sweet smile, big eyes, supple and supple skin, and a laugh like jazz music.

However, Ouyang Zhengxiong soon returned to reality. Ouyang Zhengxiong knew very well that it was impossible for her to appear next to Ouyang Zhengxiong again. The past would always stay in the past. No matter how powerful his family was before, it no longer matters what level he has reached before, or what kind of pressure he has been under before.

The past events were replayed in Ouyang Zhengxiong's mind over and over again. After a long time, Ouyang Zhengxiong gradually calmed down his mood and reviewed some sad things again. Ouyang Zhengxiong was already in tears.

Chapter 1980

Waves of white mist suddenly appeared in the small river, and the area around the little princess seemed to suddenly become boiling hot. Bubbles kept rising from below. There were rolling splashes everywhere on the water, and then waves of water rose up. Heat waves, these mist drift on the surface of the river. The balance in the water was swimming around as if it was frightened.

The little princess stood in the river. She didn't even move, her skin was so fair, and there were faint flowing particles of light on the little princess's body. The mist floating on the surface of the river made the beauty of the little princess even more fresh and refined.

Is Ouyang Zhengxiong so scared? , he knew very well that the little princess's shoe industry was now boiling, and the true energy in the little princess's body was running at an unusual speed. Ouyang Zhengxiong said loudly to himself: "I'm so confused. How could I forget about the Fierce Fire Company? This little devil must have used the energy of the Fire Company to help him break through the seal."

Ouyang Zhengxiong quickly moved toward Running across the river, he came behind the little princess, and then used his two palms to slap the big holes all over the little princess's body.

Ouyang Zhengxiong is also very tired, and there is sweat on his face. In fact, specifically, this disease is not caused by sweat from exhaustion, but because Ouyang Zhengxiong is really a little nervous now, and these dark waters are caused by urgency.

Ouyang Zhengxiong has slapped the little princess's body for more than 20 times, but Ouyang Zhengxiong's rewards have always been blocked by an energy in the little princess's body, and he has been unable to achieve the purpose of tapping the little princess's acupuncture points.

In this way, with the help of the petals of the Flame Lotus, the little princess has broken through the acupuncture points that were originally sealed by Ouyang Zhengxiong, and the true energy in the body is circulating endlessly with the blood throughout the body, and the little princess A protective layer was also formed near his body, blocking all of Ouyang Zhengxiong's palm energy.

Not long after, a powerful force burst out from the little princess. Ouyang Zhengxiong, who was not far from the little princess, was also knocked away and lay in the water.

In a circle with the little princess as the center, a huge wave of water was stirred up. The flaming fire lotus was finally completely absorbed by the little princess. Now the little princess's skill has greatly increased, and she has broken through the acupuncture points sealed by Ouyang Zhengxiong.

After the little princess broke through the acupuncture point, the first thing she wanted to do was to repay the torture she had suffered from Ouyang Zhengxiong these days. The little princess glanced at Ouyang Zhengxiong, and then shouted to Ouyang Zhengxiong: "You want to run away, what do you think?" Can you run past the palm of my hand, you scum, come back to me quickly, I will get back everything you owe me these days."

As the little princess exerted her strength, a huge wave of water came from the river. It was aroused and hit Ouyang Zhengxiong on the back. Ouyang Zhengxiong was pushed forward more than ten meters by the huge impact, and then fell into the water with a face cut into the ground.

The little princess spread her arms and jumped up from the water very easily. Then she performed a light skill and floated on the water. In the blink of an eye, she was in front of Ouyang Zhengxiong. The little princess gritted her teeth and sneered at Ouyang Zhengxiong. Ouyang Zhengxiong's scalp was numb and he had goosebumps all over his body. The little princess said disdainfully to Ouyang Zhengxiong: "How is it? Scum. Didn't you expect that your seal was suddenly broken by me?" Do you know how I got here after so many days? It's time for you to pay me what you owe me today. Now it's my turn to take revenge."

After the little princess finished speaking, she punched him hard. On Ouyang Zhengxiong's chest.

Ouyang Zhengxiong hurriedly turned around and hid, and just like that, he and the little princess fought fiercely. The two of them were tumbling in the water, and their fists and athlete's foot made waves of water splash in the river.

The river suddenly became turbulent, and the surging Qigong caused the water to splash everywhere. The fish and shrimp in the water were occasionally affected by the fight between the two of them, and the fish and shrimp were directly shaken to the shore.

Ouyang Zhengxiong had tried his best to resist the little princess, but the little princess had already practiced to a different level than Ouyang Zhengxiong. Therefore, after Ouyang Zhengxiong fought with the little princess, he was kicked by the little princess in more than ten moves. Zhengxiong's left chest, and then after a splash, Ouyang Zhengxiong fell into the water.

The little princess seized the opportunity and came to Ouyang Zhengxiong's side with a Qinggong water float. Then she used the Xingyun acupuncture technique given to her by her master to seal Ouyang Zhengxiong's acupuncture points in one go.

After Ouyang Zhengxiong's acupuncture points were sealed, the little princess grabbed Ouyang Zhengxiong's clothes and lifted Ouyang Zhengxiong, a man weighing more than 160 kilograms, to the shore alive. I have to say that the angry little princess was really strong. It can lift an adult effortlessly with one hand.
