

Attributes 2021

Chapter 2021

The burning smell of the white-haired old man had spread everywhere. It was a faint smell of meat mixed with the smell of burnt clothes. Then Ouyang Zhengxiong said to the old witch: "Senior, I see You'd better treat his injuries first. He has a burning smell now. If you don't know, you might think we are eating barbecue in this yard."

"Hahaha....." What Ouyang Zhengxiong said made the old witch laugh loudly, and then the old witch said: "Well, for your sake, I will spare this old guy for once. By the way, what is your boy's name?" "What's your name? I don't know you yet? Are you new here?"

Ouyang Zhengxiong replied very politely: "Old senior, I am indeed new here. My name is Ouyang Zhengxiong."

"Ha ha..... You boy, I remember you, you are quite good at talking."

After the old witch finished speaking, she began to recite a relatively long spell. Who told her to start chanting the spell? The old poisoner's body began to glow with bursts of holy white light. Unexpectedly, this spell was still It was quite powerful. The burnt areas on the old poisonous body immediately came back to life.

Soon after, the white light on the old poisonous body gradually faded away, and she completely recovered. Now she has become the lively old man she once was. The depressed look on his body has completely dissipated.

Ouyang Zhengxiong secretly sighed in his heart: "These magics are so magical. No wonder there are more and more people practicing magic now. Magic does have its own uniqueness." "

Obviously, this advanced recovery magic caused the old woman to lose too much power. A tired look appeared on her face. Then she said to Ouyang Zhengxiong: "You kid is quite good at life. If you were here... If you encounter someone who bullies you here, you must tell me and I will help you stand up."

After the old witch finished speaking, she gave Old Poison a vicious look.

Old Poison also said to Ouyang Zhengxiong: "Young man, I think you are also a good person. Don't worry, as long as I am here, no one will I will bully you, and I will try my best to protect you. No matter how powerful that bastard is, he still has to eat, and he has to eat! Unless he doesn't eat or drink, I will definitely be able to poison him."

After the old man finished speaking, he also gave the old witch a look.

"snort."

The old witch snorted unconvinced, then floated into the air, and then flew away in the distance.

Ouyang Zhengxiong asked the old man: "The yard of this old man who studies magic has been completely destroyed. Where does she live now? ah? I can't live here anymore, right?"

The old monster explained: "Don't worry about her, that old witch is very smart and she knows how to enjoy herself. She won't stay in this bad place."

After Ouyang Zhengxiong heard what the monster said, he was very happy. He was glad that there was finally one less destructive maniac around him. Now as long as the old poison in front of him leaves here, his personal safety will be almost guaranteed. Guaranteed, you no longer have to worry about sudden explosions next to you or old poisonous things crawling into your yard or even your own bed.

"Oh, if that senior doesn't live here, where will she move to?"

"Isn't it right there in your backyard?"

""Plop", Ouyang Zhengxiong sat directly on the ground, with a sad look on his face

"Hey, young man, why did you just sit on the ground? The ground is very dirty. Aren't you afraid of being dirty?"

After a long time, Ouyang Zhengxiong said to the old monster: "Old senior, those insects and snakes in your yard will not crawl to my side. I am very afraid of those things. I was attacked by your yard today." I was shocked by all the situations inside. I am still in shock now."

"They generally won't crawl around, so you don't have to be afraid."

After hearing the word "general", Ouyang Zhengxiong felt guilty for a while, and then continued to say to the old poison: "Old senior, what do you mean by 'general'? Is it possible that they will crawl towards me? Over here."

The old monster did not immediately answer Ouyang Zhengxiong's words. He stood there and thought carefully, and then said to Ouyang Zhengxiong: "Well, they really won't run around unless they encounter the same earth-shattering noise as today. If so, they are still very quiet and will never run around. What I mean is that as long as the old witch doesn't do these things, then there will never be any of my little darlings here."

"pong!"

In the blink of an eye, Ouyang Zhengxiong disappeared from his yard and returned to his room in an instant. He didn't even say hello to the old poison in front of him when he left.

Chapter 2022

"Today's young people are really impatient and have no patience at all. I also have some medicine here to prevent my little babies from accidentally getting you. Forget it, I'll help you prepare the medicine next time. Bar!" After the old poisonous man finished speaking, he jumped lightly on the wall of Ouyang Zhengxiong's yard, and then climbed into his own yard.

Ouyang Zhengxiong saw the old poisonous man's actions through the window, and then sighed in his heart: "As expected. It's 'Qineng Mansion'. These people are really weird. They are really weird to the extreme. I really can't accept their character. If these two old guys next to me continue to argue like this every day, how can I practice in the future?."

In the blink of an eye, it has been the fifth day that Ouyang Zhengxiong came to Qineng Mansion. Today is a little different from usual.

A young and beautiful woman knocked on the door of Ouyang Zhengxiong's courtyard. Ouyang Zhengxiong didn't know who was knocking outside. Who was it? She thought it was the two old guys from before, so he showed an impatient expression and opened the door. When he opened the door, he saw that it was a beautiful woman, so Ouyang Zhengxiong immediately put away his impatience. A faint smile appeared on her expression.

Although the beauty in front of her was not as beautiful as Princess Chu Yue, she was definitely one of the outstanding ones. Her body exuded a touch of otherworldliness. Temperament, this person has a very peaceful feeling

"Hello, Princess Ouyang."

Ouyang Zhengxiong hasn't talked to a strange girl for a long time, so he became a little stuttering:"You.....hello"

"Mr. Ouyang, my name is Nalan Rubing, and I am also from this Qineng Mansion."

"Hello Miss Nalan, it's such an honor for you to be my guest. Come in and sit in the room!"

In this way, Nalan Rubing entered Ouyang Zhengxiong's house, and then she said to Ouyang Zhengxiong:"I learned from Princess Chu Yue that Mr. Ouyang, your skills have been lost. In medicine, I still do After some research, I want to try to help you restore your skills from this aspect."

"Are you here to help me recover my skills?"

Nalan Rubing's answer was very calm:"Yes, Mr. Ouyang"

"Maybe you can't do it anymore. My power has been abolished by others. This is not something that ordinary medicine can solve. Maybe you don't understand my situation!"

"I have a method here. As long as I use silver needles to grasp acupuncture points all over your body, and then use this method to stimulate your body's potential, it stands to reason that this can help you restore your skills."

Actually, Ouyang Zhengxiong's skills have been restored a long time ago, but he still doesn't want others to know that he has recovered his skills. He wants to hide this matter and cover it up thoroughly, so Ouyang Zhengxiong smiled at this A young lady said:"Then there is Miss Launerland. Nalan

Rubing said calmly:"Master Ouyang, there is no need to be so polite to me. We are all members of the Chu State. Helping you is what I should do.""

After saying that, Nalan Rubing opened a jade box that she carried with her. After opening it, rows of golden needles were revealed. These golden needles sparkled and reflected each other.

"Mr. Ouyang, please take off your coat."

Ouyang Zhengxiong took off his coat as she said, and then her tights were exposed.

"Mr. Ouyang, please take off all your clothes from the waist up."

"this....."The beautiful woman in front of him looked at Ouyang Zhengxiong as if she was admiring an object. This made Ouyang Zhengxiong feel very embarrassed, but he still dragged the clothes off his body while he was dillydallying.

Nalan Rubing walked gently towards Ouyang Zhengxiong with the jade box. The faint fragrance from her body floated into Ouyang Zhengxiong's nose.

"These days, Mr. Ouyang, have you felt any physical discomfort?"

"In addition to losing my skills, my mental outlook has not been as good as before. Other than that, I have no other discomfort."

"Oh, all right."

Ouyang Zhengxiong felt the faint fragrance close at hand with his heart. He closed his eyes and enjoyed it, completely intoxicated by it. Nalan Rubing seemed to see what Ouyang Zhengxiong was thinking, and then used her slender He took out a golden needle with his finger and inserted it into an acupuncture point on Ouyang Zhengxiong's chest.

"ah....."Ouyang Zhengxiong screamed in pain.

Nalan Rubing's face was unusually calm, as if nothing happened just now. Then he took out a second golden needle and inserted it into another acupuncture point of Ouyang Zhengxiong with perfect accuracy.

When the third needle was inserted, Ouyang Zhengxiong felt less pain. Then Ouyang Zhengxiong secretly sighed: "Although this beauty looks submissive, she really has a big temper."

Chapter 2023

Not long after, Ouyang Zhengxiong's body was already covered with needles. The true energy in Ouyang Zhengxiong's body was ready to move. However, with Ouyang Zhengxiong's efforts, he finally forced the true energy to disperse in every corner, so that The beauty in front of Lang Lang found that he had recovered his skills.

Nalan Rubing opened her slender fingers and massaged Ouyang Zhengxiong where the needles were inserted. She did not miss every place where the needles were inserted. During her massage, a kind of hot energy came from Nalan Rubing's fingertips penetrated Ouyang Zhengxiong's body.

At this time, Ouyang Zhengxiong realized that the beautiful woman in front of him had extraordinary abilities. The true energy flowing out of her fingertips stimulated every acupuncture point of Ouyang Zhengxiong, which made it more difficult for Ouyang Zhengxiong to control the true energy in his body. got bigger

"You must calm down, come and calm down....." Ouyang Zhengxiong kept reminding himself in his heart that this would allow him to better control the flow of Qi in his body. Otherwise, if he was not careful, his Qi would be exposed, and the recovery of his skill would be revealed.

After continuing the treatment for half an hour, Ouyang Zhengxiong was already sweating profusely, and his body was sweating as if he had taken a bath.

Nalan Rubing seemed to be very tired, her face had turned red and her breathing had become rapid.

Ouyang Zhengxiong looked at the beautiful woman's curvy figure in front of him, and suddenly felt a strange feeling in his heart.

Nalan Rubing seemed to feel the strange light coming from Ouyang Zhengxiong's eyes. Then, a look of anger appeared in the corner of her eyes, and she said very coldly: "Master Ouyang, if you want to recover your skills as soon as possible, you'd better not think nonsense." Well, this will only make our efficiency even lower. You should concentrate on running your previous skills so that we can increase the chance of success."

After Nalan Rubing finished speaking, Ouyang Zhengxiong closed his eyes. He opened his eyes and began to slowly adjust the true energy in his body, allowing the true energy to flow slowly in the body. He had already felt that after so many golden needles were stuck on his body, all the

meridians in his body felt... It was extremely comfortable, so he did not miss this opportunity to practice the Xuan Gong passed down from his family.

But Ouyang Zhengxiong couldn't move the energy quickly, because if he circulated the energy in this way, he would reveal that he had recovered his skills, so he moved slowly and practiced the skills. After half an hour, Ouyang Zhengxiong clearly felt that the true energy in his body slowly grew stronger, and his skills improved significantly. When Ouyang Zhengxiong opened his eyes for the second time, Nalan Rubing was already looking at Ouyang Zhengxiong with a calm expression.

"How is it? Now do you feel that the true energy in your body is flowing rapidly?"

"Why don't I feel anything? I don't feel the real energy surging."

"Don't you feel it at all?"

Ouyang Zhengxiong shook his head, and then said to Nalan Rubing: "I really didn't feel it at all."

After listening to Ouyang Zhengxiong's words, Nalan Rubing put on a thoughtful look, and then said: "This way..... Why is there no effect at all? Maybe it was because I was delayed for a long time when I went to the construction site, so the effect is not so obvious now, but it doesn't matter. We can continue this treatment tomorrow. I believe that after a period of treatment, you will The skill will be restored to some extent. Ouyang

Zhengxiong pretended to be very grateful and said to Nalan Rubing: "Then I really have to thank Miss Nalan. Thank you very much.""

After saying that, Nalan Rubing pulled out the golden needles inserted in Ouyang Zhengxiong's body one by one, and then put them into the jade box that contained the golden needles before.

Ouyang Zhengxiong sent this beauty out of his In the yard, when Nalan Rubing left, Ouyang Zhengxiong still looked at his back reluctantly. It was not until the beautiful woman in front of him completely disappeared from his eyes that Ouyang Zhengxiong slowly walked back to his yard. Ouyang

Zhengxiong Zhixiong said to himself in the yard: "It is really a blessing to have such a beautiful woman come to help me treat me. She is so calm and has an extraordinary temperament. She is like

a goddess descending to earth, and she does not compete for anything in this world. , truly a peerless beauty that is rare to see in a hundred years."

"Okay, you kid, what are you thinking about? You smile so obscenely and lustfully. I really want to beat you. Please stop smiling like this. You really deserve a beating."The old weirdo suddenly poked his head out of Ouyang Zhengxiong's yard. On top of her white head and his shoulders, there were two big green spiders.

"How could I smile so obscenely? I didn't even smile just now. Did you see it wrong? Don't talk nonsense."

"You said you weren't smiling, but look at the tears on your lips dripping to the ground, and you're still making useless excuses."

Chapter 2024

"What you said really made me dizzy. I already told you that I didn't laugh obscenely."Ouyang Zhenxiong said very helplessly.

This old poison showed a disrespectful look, and then said to Ouyang Zhengxiong:"In all these years, I have never seen anything wrong. Please tell me the truth quickly. Did I recruit you with the bad intention of the girl who healed you just now?"

"Senior, you are wrong. It turns out that you have been spying on me here. You have caused me no privacy at all."

"I'm not spying on you, I'm just out of curiosity. You said such a beautiful beauty suddenly appeared in a man's yard. Who wouldn't have wild thoughts? I just accidentally heard something and saw something. I wasn't spying on you."

"This is called accidental. Did you accidentally see the whole process so clearly?"Ouyang Zhengxiong was very speechless.

"Yes, I did see it by accident. By the way, how could you lose your lifelong skills? Since you have lost it, why would the eldest princess call you to Qineng Mansion? What kind of skills do you have that would make the eldest princess accommodate you like this?"

"this....."Since Ouyang Zhengxiong had promised the King and Princess of Chu not to tell anyone about how he could draw Hou Yi's bow, Ouyang Zhengxiong didn't know how to answer this question now. He could only slowly think about it. Ways to deal with it.

The old poisonous man felt very strange, so he said to Ouyang Zhengxiong:"You don't have to worry about anything. The people here are very united. There are no secrets here. If everyone here is plotting against each other, it will be so big." Why does the princess keep you here with peace of mind? The people here are very loyal to Chu State, and they will never leak any secrets."

After Ouyang Zhengxiong thought for a while, he felt that what this old poisoner said was indeed true. It makes sense, so Ouyang Zhengxiong answered the old poisoner's question truthfully:"It's Houyi's bow of Chu State. I can pull it open, and I can pull it open several times in a row."

"What?"Ouyang Zhengxiong's answer immediately frightened Lao Du,"Ouch!"Old Poison was so frightened that he fell off the courtyard wall. After a while, he calmed down his surprised heart, and then said to Ouyang Zhengxiong:"Hou Yi's bow is not an ordinary person. He can draw it. Since If that's the case, why would you still lose your lifelong skills? I really don't understand who made you lose your skills. Who has such great ability?"

"The story here is very long. When I have time later, I will tell you in detail."

Old Poison didn't wait until Ouyang Zhengxiong had time. Now he was very curious. It could be said that it was very difficult to wait every minute. So Old Poison said to Ouyang Zhengxiong:"It doesn't matter, you don't have to. You said it in such detail, just tell me briefly what the specific situation is. I really want to know who has such a great ability now."

"If I want to put it simply, it is.....Um.....His skills were crippled by a demon."

The old poisoner said:"Is this the end? Ouyang

Zhengxiong replied:"That's it. Don't you want to give a brief answer?" This should be the short answer!"

"this.....If I ask you to give a brief answer, it doesn't have to be so simple! This is really too simple."

Ouyang Zhengxiong:"....."

Just as he was talking to Old Poison, a deafening explosion suddenly came from Ouyang Zhengxiong's backyard, and then Old Poison screamed miserably: "My dear mother, why doesn't this destructive maniac stop, my baby?" We must be frightened by her."

After the old poisonous man finished speaking, he hurriedly climbed over Ouyang Zhengxiong's courtyard wall and jumped into his own courtyard.

Ouyang Zhengxiong let out a long sigh, then returned to his room, and began to do it with his legs crossed.

The true energy in Ouyang Zhengxiong's body began to surge crazily, and he began to emit dazzling golden light outside his body. His body was completely immersed in this golden light.

After about half an hour, Ouyang Zhengxiong slowly put away his true energy. Just like that, the golden light on his body slowly dissipated. Ouyang Zhengxiong jumped up and felt that his body was full of energy. At this time He really wanted to look up to the sky and scream!

Nalan Rubing's medical skills are indeed superb. After her treatment, the Qi in Ouyang Zhengxiong's body was working like crazy. Now he feels comfortable and refreshed, and he has a feeling that his skills have improved a lot.

Ouyang Zhengxiong suppressed the urge to look up to the sky and scream. He ran into the yard and hit the ground hard with his right fist. This punch made the whole yard shake.

"Rumble."

Chapter 2025

The punch Ouyang Zhixiong just punched in the yard was very powerful. In Ouyang, a deep crack immediately appeared in the ground that became the center. The scope of this crack was very wide, fully two meters wide..

The scream of the old poisoner came again from the yard next door: "Damn you, you damn old witch. This is sold out. I will definitely give you a harder poison next time."Xiaobai, don't run."

Ouyang Zhengxiong's hands actually inspired gleaming sword energy. The golden edge of the sword energy sent the dust on the ground flying everywhere. After a while, the dust floating in the sky cleared the cracks on the ground. Overwhelmed.

Ouyang Xiong was extremely excited because his family's dazzling skills finally broke through the restrictions of the second heaven. He finally entered the third heaven. It can be said that he has waited for ten thousand years. It has been a long time, but now his eyes are full of tears, and his heart can be said to be full of pride.

The next day, Nalan Rubing came to Ouyang Zhengxiong's yard again. He clearly felt that Ouyang Zhengxiong had changed, and it was difficult to With the change in his expression, the man standing in front of her seemed to have completely changed. However, his appearance did not change at all, but he now had a faint smile and those very deep eyes.....There seems to be an indescribable temperament and an unusual sense of confidence.

Nalan Rubing asked Ouyang Zhengxiong:"Have your skills recovered? Did you feel any changes after yesterday's treatment?"

"Nothing has changed. Why do you suddenly ask me this?"

Nalan Rubing said:"I came here today and I feel like you have completely changed. I feel like something has happened to you. Do you know that your temperament has completely changed? Doesn't this mean that your skills are different?" Have you been restored?"

Ouyang Zhengxiong was shocked when he heard Nalan Rubing's words, and then quickly tightened his skills. He smiled slightly and said to Nalan Rubing:"Is it your illusion this time? How could I have recovered my skills? If I really recovered, of course I would be the first to thank you. Why would I bother you to come to me again?"

After Nalan Rubing heard what Ouyang Zhengxiong said, he suddenly returned to his calm posture, and then said to Ouyang Zhengxiong:"What you said may be right. Maybe I did have an illusion. Now I'm starting to think... You treat it."

This time the treatment took a little longer than the last time. This time the acupuncture treatment lasted for an hour. After Nalan Rubing left Ouyang Zhengxiong's yard, Ouyang Zhengxiong hurriedly ran to his room and closed the door tightly..

After making sure that the door was closed, he did not forget to check through the window to see if there was anyone in the yard. After making sure that no one was watching him, he sat cross-legged on the bed.

Ouyang Zhengxiong quickly moved his whole body. Under his stimulation, his true energy circulated rapidly in all the blood vessels in her body, but the effect this time seemed not as obvious as the first time, and could even be said to be far inferior to The first acupuncture treatment.

Ouyang Zhengxiong slowly opened his eyes, then took a long sigh and said to himself: "It seems that there is really no shortcut for my wife, and every step must be taken one step at a time." walk out."

From then on, Nalan Rubing would come to Ouyang Zhengxiong almost every day, but she would not perform acupuncture treatment on Ouyang Zhengxiong every time. Sometimes she would use a special technique to hit acupuncture points all over Ouyang Zhengxiong's body. , helping Ouyang Zhengxiong open the veins in his body so that the true energy can flow.

Slowly, the two of them gradually became familiar with each other, and Nalan Rubing no longer had the indifferent expression every day like before. After treatment, they would occasionally chat.

When Ouyang Zhengxiong was chatting with Nalan Rubing, he accidentally learned that although Nalan Rubing was a member of Qineng Mansion, she did not live here. , he usually lives in his own home.

Her father is an official in the imperial court, and his official position is not very low. She and Princess Chuye have been good friends since they were young, so she can often go in and out of the royal book collection. She also learned all her medical skills from the Royal Library.

When she heard Nalan Rubing mention the Royal Library, Ouyang Zhenxiong's eyes shone brightly. He looked like a woman with a lot of martial arts skills. Where the secret book is, there may be records of classical exercises from thousands of years ago. Whenever he thinks of this place, Ouyang Zhengxiong will become very excited, because it is rare to see books on classical exercises now, so he If you want to get the classical skills training tutorials you want through the royal library, because all your skills were cultivated 20,000 years ago, the headquarters may give up the previous practice to practice new things.

Chapter 2026

Ouyang Zhanxiong praised Nalan Rubing: "I really admire Miss Nalan now. Miss Nalan is really a genius. She can learn most things by herself without a teacher." Yes, admire....."

Nalan Rubing said calmly:"Actually, my talent is not very high. The main thing is that those things are not particularly difficult. As long as you are willing to work hard and pay, anyone can do it."

Ouyang Zhengxiong sighed:" How can anyone do it? Miss Nalan is really too humble. Don't be so humble in front of me, because I have witnessed all your abilities. You can definitely be said to be the master among masters."

Nalan Ru Bing said:"Really anyone can learn it. These things are really simple. I believe that with Mr. Ouyang's qualifications, he can learn what I have learned in my life in a very short time."

Ouyang Zhengxiong smiled at him Nalan Rubing said:"Miss Nalan, please stop joking with me. I am a person from the mountains. I don't even know the words. How could I learn such profound things?" What

Ouyang Zhengxiong said made me laugh. Nalan Rubing was very surprised, because the education in Chu State is very good, and there is almost no charge to study in Chu State, so almost everyone knows daily writing. Nalan Rubing asked Ouyang Zhengxiong in surprise:"you.....Do you really not know the words, not at all? Ouyang

Zhengxiong replied very calmly:"I'm not lying to you. I really don't know a word of mine. I can't even write my own name, let alone read those profound books. For me, It is simply difficult to reach the sky."When he said this, Ouyang Zhengxiong felt an inexplicable feeling of loneliness in his heart. Although what he just said was false, it contained a trace of real emotion.

"In fact, I am an orphan. I was abandoned by my family in the mountains when I was a child. A kind-hearted hunter picked me up and I was adopted by him. My adoptive father's family life was already very poor and there was no extra money for me to go to school. My adoptive father left me when I was 16 years old. From then on, my life began to become bleak. I lived in a daze every day. Even I didn't know what the hope of life was....."

When Ouyang Zhengxiong said this, tears suddenly flowed out of his eyes, but he held it back and did not let the tears flow out, because there were real emotions in it. Since his skill failed to advance and retreated, everyone except him His father believed in him, but no one in his family was willing to believe in his abilities. It can be said that life was dark at that time.

Ouyang Zhengxiong continued:"Although my adoptive father could not understand my school life like other children, he still raised me, gave me the warmth of family as much as possible, and also

gave me some life skills. But after I lost my father at the age of 16, I had no choice but to help rehabilitate myself. But at that time, I was young and weak. When I was hunting in the mountains again, I encountered a ferocious beast. I panicked and ran away, but the ferocious beast kept chasing after me.....Every time it comes to winter, the weather becomes extremely cold, and the heavy snow in Lu Ting also covers the ground. The heavy snow in winter has reached my knees, but my living conditions are not good, and I can't even wear shoes. Every day, I rely on thin clothes to avoid the mental and physical torture of nature, hiding in my dilapidated wooden house and shivering....."

"When I was young, I lost my warmth and food.....Every time winter comes, I will keep praying to God to stop it from being so cold and to calm down the wind and snow as soon as possible.....But God doesn't always go as I wish. The winter is so long and cold. Sometimes I can only eat food once every six or seven days. My neighbors take pity on me and share the rations from their own survival rations. Come out with some to solve my urgent needs....."

Ouyang Zhengxiong's tone was a little choked. He swallowed and then continued:"In this situation of hunger and cold, I fell ill many times. Once I didn't leave the house for a long time because of illness. My neighbor... After not seeing me for a long time, he broke into my shabby little house. At that time, I had been unconscious in the house for many days. Later, I learned from my neighbor that when I was unconscious, I kept shouting"Mom"!】 【Mother.....】 , but of course I know very well that I will never get the love of my mother in this life. The warmth of family I once got was given to me by my adoptive father."

"I feel that these encounters are nothing. Those past sufferings will only make me cherish the wonderful life I have now. They have also tempered my willpower and become stronger. I will not give up easily."

Chapter 2027

As he spoke, Ouyang Zhengxiong's face was filled with tears. He wiped the tears on his face with his hand, and then said to Nalan Rubing:"I'm really sorry, Miss Nalan, I made you laugh a little bit. I was too excited just now, and all the sad things in the past suddenly came to my mind. It was indeed because I didn't control my emotions well and couldn't extricate myself for a while....."

Nalan Rubing's eyes began to become a little blurry, because there was also fog in his eyes. She said gently to Ouyang Zhengxiong:"Master Ouyang, what are you talking about? I feel sorry for you. It should be me. It's all because of me that I remind you of these sad pasts. I'm so sorry. I really didn't know that your life experience was so miserable. Most people can't imagine how you got here all these years. Yes, how many ups and downs have you gone through in these years? You have gone through all the ups and downs on the road alone. You are simply the strongest person I have ever seen."

Ouyang Zhengxiong said: "Actually, I think this is I always feel that I have a sense of mission to do what I should do. I must live strong to complete my mission. Maybe all of this is destined by God."

Beautiful women are always kind-hearted. , Ouyang Zhengxiong's tragic past made Nalan Rubing feel very sad. Nalan Rubing's voice was very gentle, and she said to Ouyang Zhengxiong: "Master Ouyang, if you want to learn to read, then I I can teach you, after all, these are not difficult tasks."

Ouyang Zhengxiong was overjoyed, this was the answer he expected, and he shouted: "Really?", but there was a trace of shame in his heart, because he Everything he just said was a lie. He was using other people's sympathy to get what he wanted.

Nalan Rubing's face suddenly changed. The indifference on her face completely disappeared without a trace. It was replaced by an earthly temperament and a warm appearance. She smiled at Ouyang Zhengxiong. Said: "Of course it is true. From now on, I will come to treat your injury with acupuncture in the morning to help you recover your skills. In the afternoon, I can teach you how to read. This is almost a foolproof strategy and will not delay your recovery." Kung Fu can also teach you how to read."

A naturally kind-hearted woman is compassionate, and it is obvious that Nalan Rubing has been completely moved by what Ouyang Zhengxiong said.

In the following days, Nalan Rubing changed her cold demeanor from the past. In the morning, she would feed Ouyang Zhengxiong very carefully for acupuncture treatment. She tried her best and thought of all ways to help Ouyang Zhengxiong recover his power. In the afternoon, she would teach Ouyang Zhengxiong very carefully how to read and write.

The shame in Ouyang Zhengxiong's heart became more and more serious. After all, the things deceived by such lies were indeed unfair. However, Ouyang Zhengxiong also respected Nalan Rubing a little more.

More than half a month has passed, but Ouyang Zhengxiong's "condition" has not improved at all. Nalan Rubing feels very strange. She goes to the Royal Library every day to look for various medical materials, even though she has tried very hard to do so. The cause was searched, but no effective treatment was found.

During the treatment, Princess Chuye visited Ouyang Zhengxiong several times. Every time she came, she would comfort Ouyang Zhengxiong and tell him not to worry, everything would be fine, and it was only a matter of time before he could regain his power. In this matter , don't be in a hurry.

The little princess also secretly visited Ouyang Zhengxiong several times. Every time he came, he would never miss the opportunity to make things difficult for Ouyang Zhengxiong. But maybe she was also ashamed. She knew that it was all because of herself that Ouyang Zhengxiong was in this situation. appearance, so she doesn't go too far every time.

Although the little princess would not cause much harm to Ouyang Zhengxiong, Ouyang Zhengxiong still felt a headache. However, Ouyang Zhengxiong felt very strange, why did the little princess sneak around every time she came here? She was the princess of Chu State, shouldn't it be normal for her to come here?

Later, Ouyang Zhengxiong learned from Nalan Rubing that the little princess came here secretly to avoid the old witch who studied magic.

Previously, the old witch wanted to take the little princess as her apprentice, but the little princess was not very interested in magic. She preferred martial arts, so the little princess became a disciple of Master Zhuge Chengfeng.

It was because of this incident that the relationship between the old witch and Zhuge Chenggong became very bad. They were almost about to have a duel. However, despite this, the old witch still did not give up the idea of accepting the little princess as her disciple. , every time she saw the little princess, the old witch would say a lot of things to the little princess, hoping to make the little princess worship her as her teacher again. The little princess was frightened by the old witch, so she could only surreptitiously.

Chapter 2028

After listening to what Nalan Rubing said, Ouyang Zhengxiong couldn't stop laughing. He really didn't expect that something could scare this little devil. Now it has reached the point of being sneaky. This can be called an anecdote. ah.

A faint smile began to appear on the corner of Nalan Rubing's mouth. This incident could actually make such an indifferent little woman smile. It is conceivable that the evil deeds of the little devil are already known to the world.

One day, Zhuge Chengfeng, the master of the little princess, suddenly came back after being seriously injured. His return also caused a commotion. All the practitioners were shocked by the situation, even Ouyang Zhengxiong was shocked.

In Ouyang Zhengxiong's memory, Senior Zhuge Chengfeng was almost the most powerful person he had ever seen. His martial arts skills had almost reached a peerless level. When he was fighting with the giant snake in the crater that day, Ouyang Zhengxiong stared at him the whole time. Until now, her memory is still fresh.

According to the words of senior Zhuge Chengfeng, he did see the legendary beast Qilin in the Luofeng Mountains, and many practitioners rushed towards the beast Qilin. Everyone present wanted to tame the beast Qilin.

Even people who are not very capable want to give it a try. These people want to add fuel to the flames, kill the unicorn beast, and then get some scales to take back to help them practice.

Zhuce Chengfeng knew the strength of the Qilin beast very well, so he kept observing and did not take any action.

Once the divine beast becomes angry, everyone present will suffer. It is definitely not something that these people can deal with, not even himself. The giant snake in the crater that failed to transform into a dragon has almost killed Zhuge Chengfeng, not to mention Talk about dealing with the magical beast Qilin in front of you.

His prediction was indeed correct. The Qilin Divine Beast did not show any panic when faced with hundreds of cultivators attacking at once. He slowly opened his mouth and then spit out a flame. The temperature of this flame was different from normal flames and was unusually high. The temperature was so high that the first batch of people who rushed up were turned into ashes.

Zhuce Chengfeng wanted to leave right away, but the Qilin beast kept an eye on him. Maybe the beast could tell who was the strong one among these people.

These mythical beasts have a very strong sense of territory. For these intruders, they woke up the sleeping mythical beasts. The mythical beasts must be hostile to them. I saw the Qilin Divine Beast running in the air with flames on its feet, rushing towards them. The direction of Zhuge Chengfeng.

So Zhuge Chengfeng began to fight against the Qilin beast. In the fight between two powerful masters, most of the people who rushed towards the beast started fighting between two people. Some were penetrated by the sword energy emitted by Zhuge Chengfeng, and some were burned to ashes by the flames ejected by the Qilin beast. Countless people died.

In the end, Zhuge Chengfeng was defeated by the Qilin beast, and the victim was seriously injured and fled the scene. Finally, he escaped from the tiger's mouth and escaped from the Luofeng Mountains.

Among these people, less than 10% returned safely. This incident caused a sensation throughout the continent, so more cultivators entered the Luofeng Mountains, hoping to tame this ferocious unicorn beast. To serve as your own mount.

Especially the dragon knights from the Western Continent. After hearing about this incident, they were no longer as interested in the ancient dragons as the unicorn beast. So, dozens of powerful dragon knights came in groups. Falling maple mountains.

Senior Zhuge simply told what happened, but it was not difficult to imagine the danger involved. Ouyang Zhengxiong knew that her battle with the Qilin beast would definitely be more exciting and exciting than the previous battle with the giant snake in the crater. many.

The little princess was very dissatisfied with the outcome of this matter. Her mouth became bulging and she muttered: "I'm really so angry. It's rare for an old man to make a fool of himself. I actually missed such a good show. It's simply It's a regret in life!"

Zhuge Chengfeng came back this time and simply explained some things, and then left in a hurry. He chose an unknown place to heal his injuries. If during the injury, If he hears these grumbling words from his precious apprentice again, he will definitely remember that he died on the spot.

From then on, the battle between the Qilin Divine Beast and Zhuge Chengfeng and hundreds of cultivators raged on the mainland for more than a month. Countless cultivators went over to challenge the Qilin Divine Beast, because as long as they won, they would be in the world. The status will rise straight up, and until the Qilin beast finally disappears in the mountains, this matter can be considered to have come to an end.

Since Ouyang Zhengxiong's dazzling skills reached the third level, he has been able to come and go calmly. But at this time, he is not in a hurry to leave the capital. He now receives treatment every day and learns this Common writing on the continent.

Chapter 2029

Time passed very quickly, and in the blink of an eye, it was already two months later. No matter how hard Nalan Rubing tried to help Ouyang Zhengxiong treat him, Ouyang Zhengxiong's skills never "recovered" at all.

But after these two months of study, Ouyang Zhengxiong has almost mastered the writing on this continent, even better than the aid residents on the mainland. This makes Nalan Rubing very surprised. Nalan Rubing never thought that Ouyang Zhengxiong would be so talented in languages.

After Ouyang Zhengxiong learned to write, he frantically read various history books, including royal historical records and various unofficial histories.

Every time Ouyang Zhengxiong thinks of the cemetery of gods and demons, he will have a very unique feeling in his heart. This feeling cannot be put into words and cannot be described clearly. Ouyang Zhengxiong's second life is that of gods and demons. The cemetery gave it to him. When he first came to this continent, he climbed up from the grave. It can be said that she was his second mother.

Ouyang Zhengxiong is very concerned about his past actions. He really wants to know all the secrets of this cemetery, and he has a very strong feeling in his heart. He feels that something very important happened ten thousand years ago, and this matter has already happened. It has been gradually submerged by history, but sooner or later it will come to light.

Ouyang Zhengxiong checked the history books just to find clues to these secrets. Even if they were well hidden, some things would be missed. As long as he found clues, he could follow them.

But these results disappointed him. He found that these history books all had a common shortcoming, that is, the recorded time was very short, less than 10,000 years. The longest thing he had seen so far was 5,000 years ago. It is simply impossible to access information from 10,000 years ago.

Nalan Rubing was also surprised by Ouyang Zhengxiong's behavior. She had no idea why Ouyang Zhengxiong was so interested in history, so she couldn't help but asked Ouyang Zhengxiong: "Master Ouyang, why are you so interested in history?" Do you have a special liking? For people like you, shouldn't they like to read some poems and songs? This is the first time I've seen someone like you who likes to read history books."

Ouyang Zhengxiong felt a little embarrassed, so he used Smiling to hide his embarrassed expression, he said to Nalan Rubing: "This.....Although the poems and songs are catchy to read, I have just learned these things, and some of them are not very clear about what they mean. I feel that those kinds of things will have more flavor when my level is higher. I will take a closer look at the elegant artistic conception inside and improve my personal sentiment. Nalan

Rubing said to Ouyang Zhengxiong: "Even if you don't read poetry and songs, you don't read history books every day. I think these historical things are very boring, but I don't know why you see such I'm so excited about it. Is this helpful to my cultivation?"

Ouyang Zhengxiong smiled, and then replied: "I think these historical things can bring me into it, and I have a strong sense of immersion. All kinds of things that happen always make me feel very surprised. I didn't know it before." I don't know how to read and have never read a book, so I don't know some of the shocking things that happened on this road. It turns out that he has such a magnificent past. I really like to read how a powerful empire rose to its demise. , what impact will some of his ruling policies have? I think these things should not only be understood by the rulers. As subjects of the Chu State, we should think about it. We must be an excellent people.....The ups and downs in the past 5,000 years, as well as the glorious past in the past 5,000 years, I often feel very emotional and shocked.

A strange look flashed in Nalan Rubing's eyes, and then he smiled and said to Ouyang Zhengxiong: "Young Master Ouyang actually has such a high level of consciousness and has so many emotions. It seems that you are indeed in this epic." A lot has been gained."

Ouyang Zhenxiong suddenly felt a sense of shame welling up in his heart. He didn't expect that the chaos he had just made by the lake was actually very meaningful.

"Mr. Ouyang's talent is really high. I didn't expect that you could already understand the history of the mainland after just two months of learning. I really admire you....."The smile on Nalan Rubing's face almost never disappeared, and captain Ouyang Zhengxiong praised him.

Ouyang Zhengxiong was in a very good mood when he saw Nalan Rubing, so he said what he had been thinking about for a long time: "Miss Nalan, there are really too few history books in Qineng Mansion. I would have I already know them by heart, can you take me to the Royal Library, I want to know more about the past."

Chapter 2030

After Nalan Rubing heard what Ouyang Zhengxiong said, she felt very surprised, and the smile on her face gradually disappeared. She asked Ouyang Zhengxiong: "Are you really so interested in history? That place But the guards are very strict. I don't dare to go in and out at will on weekdays. Because Princess Chu Yue and I are very good friends, I can only go in and out accidentally. If I suddenly enter that tightly guarded place with a strange face, I'm afraid it's very difficult."

Ouyang Zhengxiong smiled and said to Nalan Rubing: "Miss Nalan, you don't have to feel embarrassed. In fact, I also know that this is a very difficult thing. It doesn't matter if you can't help me. After all, I am too. Just talk about it, you don't have to feel embarrassed."

At this time, Nalan Rubing suddenly said: "Although it is not easy to handle this matter well, it is indeed very difficult, but you can give it a try. If there is a way to make Princess Jade If you stay with us, the matter may become easier to handle."

As soon as he mentioned this hateful little devil, Ouyang Zhengxiong felt a headache. He shook his head like a rattle, and then said: "Forget it. Forget it, no need, I'd better read some of the poems and songs in Qineng Mansion first!"

"It's okay. Princess Jade and I have a good time. If possible, I can go find her tomorrow and ask her to take us to that place."

"no no.....I thought about it carefully and decided to forget it. I feel like I've read enough historical events now. Thinking about it now gives me a headache. I'd better read something else to relieve it."

"Ha ha....." Although Nalan Rubing's expression towards Ouyang Zhengxiong is not as cold as ice, she really rarely smiles. His current smile is really extraordinarily charming, like a fairy from heaven, which makes people Seeing the rippling waves, ripples kept rising in my heart.

Ouyang Jianxiong looked disappointed for a while and kept thinking about something. Nalan Rubing's next words interrupted Ouyang Zhengxiong's thinking.

"Don't worry, leave this matter to me. I thought about it carefully just now, and I really can't go to Princess Jade. The first princess is notoriously difficult to deal with. I don't know how long she will be pestering me. She In the palace, I think of ways to trouble others every day. I don't want to cause any trouble to myself, but I have another way."

Ouyang Zhengxiong laughed, this smile was a little bitter, and then said to Nalan Rubing: "I thought I was the only one who hated the little princess. He has really caused me a lot of trouble these days, no. Considering that she is already famous, it seems that you people have suffered a lot. Ouyang Zhengxiong continued:"

Is what Miss Nalan said just now true?" Is there any other way I can get into the Royal Library?
Nalan

Rubing replied very calmly: "We can go to the eldest princess. As long as Princess Chu Yue goes to the royal library with us, it will be very easy for us to enter." "

That night, Ouyang Zhengxiong was lying in bed, unable to sleep. He kept thinking about everything that had happened in the past two months. Life was like a drama on the stage. He changed from a rich man to a rich man. He became a slave, then from a slave to a slave owner, and finally became the slave of his own slave. Then he inexplicably gained the trust of King Chu and came to this Qineng Mansion where all kinds of monsters are played. He met a hermit from Chu State.

In the past two months, he has gained a lot. Not only has he regained consciousness, his skills have been greatly improved, but he has also learned the common characters on the road. In this way, he has completely The next day, Nalan Rubing came to Ouyang Zhengxiong's yard again. As soon as he opened the door today, Ouyang Zhengxiong found that she was different from the past. His face was full of smiles, and he faced Ouyang Zhengxiong. Zhengxiong said: "Master Ouyang, I have some good news for you.

Ouyang Zhengxiong asked Nalan Rubing with a puzzled look: "What's the good news?" "

"I have told Princess Chu Yue that you want to go to the Royal Library to read. Princess Chu Yue agreed after knowing it. He has already said hello to the guards there. After giving you acupuncture later, we can go together. When we go to that place, no one will stop us."

Ouyang Zhengxiong was very happy. This was great news. The acupuncture was over soon. Ouyang Zhengxiong followed Chang Nalan Rubing out of Qineng Mansion.

Outside Qineng Mansion, there were more than a dozen warriors Guarding the luxurious carriage, Nalan Rubing walked forward and said hello to them, and then motioned to Ouyang Zhengxiong to ask him to get in. Ouyang Zhengxiong carefully stepped onto the luxurious carriage, and then smelled Nalan Rubing's smell along the way. The intoxicating fragrance emitted from their bodies soon led them to the outside of the heavily guarded imperial city.
