

## Attributes 2051

### Chapter 2051

After hearing what the samurai said, Sima Kongkong was almost going crazy. The anger in his heart kept burning, getting stronger and stronger, and then he roared: "Why on earth is this? Why is that couple of dogs and men? Can you go in but I can't?"

"Because this courtyard was originally the courtyard of Mr. Ouyang, Miss Nalan also got the order from the eldest princess to treat Mr. Ouyang's injuries before entering."

"What? Is that trash also a weirdo?"

The warriors were silent.

Sima Kongkong gradually calmed down. Then he took a hard look at Ouyang Zhengxiong's yard, turned around and left.

After arriving in Ouyang Zhengxiong's yard, Nalan Luobin quickly let go. After opening Ouyang Zhengxiong's hand, he turned his face aside in embarrassment and said to Ouyang Zhengxiong: "Master Ouyang, I'm sorry, I really can't help it, that guy is too difficult to deal with."

When Ouyang Zhengxiong saw Nalan Rubing's very embarrassed look, the unpleasant feeling in his heart disappeared immediately, and then he said to Nalan Rubing very gently: "It doesn't matter, I know you. Whatever we feel in our hearts now, let's just pretend that nothing happened."

"Don't you want to know at all why I did what I just did?"

Nalan Rubing turned around and said: "My father and Sima Kongkong's father are both ministers of the court, but because they are of equal strength, the relationship has not been very good, because the two of them have the opinions raised to the emperor would always be different, but over the years, other ministers would come to mediate the relationship between our two families, which kept our two families from getting too tense. Later, someone suggested that the children of our two families get married, which can improve the relationship between our two families"

"The generals were at odds with each other and the country was powerless. My father agreed to those who suggested it, and Sima Kungong's father also happily agreed. Maybe other people don't

know much about Sima Kongkong, but I know him very well. Over the years, he returned to the capital several times while practicing in the west, and every time he came back, he would bring back the troubles he caused. , he is simply a young master who loves to get into trouble."

"But I don't hate my father, because I understand my father's difficulties. He is devoted to the motherland. I hate Sima Kongkong's behavior, but I can't change this fact no matter what. In a few days, Sima Kongkong's father will come to my house to propose marriage. I have no choice, so all I can do now is to stimulate Sima Kongkong and make him hate me, so that he may ruin the marriage. , thus achieving the purpose of not having to marry him."

"So is it because of this that you held my hand and deliberately provoked Eunuch Sima in front of him?"

"yes.....I really have no other choice. I'm sorry, Mr. Ouyang."

"Alas, you are such a big fool. You don't understand the psychology of boys. What you do will only be counterproductive. Don't you know?"

"Ah, what exactly does Mr. Ouyang want to express? Why is this counterproductive?"

"Boys generally have a mentality of not admitting defeat, especially for someone like Sima Kong who has never lost a few times since he was a child. If you think about it carefully, what he wants to get is instead given to me by someone who looks very inconspicuous. If someone takes it away, if he doesn't take it back, then where will he put his face? So he will definitely take it away from you."

Ouyang Zhengxiong really sympathizes with Nalan Rubing, because this woman who used to be extremely peaceful has become so sad now. It seems that every family has its own troubles. Some families seem to be prosperous on the surface. There is no difficulty at all, just like Miss Nalan's family. Her father is an official in the court. She has had enough food and clothing since she was a child. Unexpectedly, she can no longer control her own happiness and can only be used as a political bargaining chip. Ouyang Zhengxiong sighed deeply. He took a breath, and then said:"Ms. Nalan, what can I do to help you? I would feel very honored to be able to help you, so if you need my help, you must ask me. , don't feel embarrassed."

There seemed to be some mist in Nalan Rubing's eyes. Her eyes had become blurry. When he spoke, his voice trembled:"I.....I really do not know."

Before she finished speaking, she started to cry.

Ouyang Zhengxiong took out a handkerchief from the house that he was reluctant to use. This handkerchief was very clean. He handed it to Nalan Rubing, and then took it. Lan Rubing cried for a while and then wiped away her tears, choking and saying: "I.....I really have no choice at all. I don't know what I should do now. Maybe this is my fate. God has already arranged my future life."

Chapter 2052

"In fact, sometimes obeying arrangements is not the best choice. You should choose your own major events in life."

Nalan Rubing didn't speak, she just wiped her tears very carefully. She looked like she was trying her best to calm down.

"otherwise....."Ouyang Zhenxiong thought for a moment and finally said what was in his heart:"Otherwise, I'll take you out of here!"

But as soon as the words came to his lips, he swallowed them again. Although she now has a slight affection for this beautiful little woman, even she is not sure whether she really loves this beautiful woman in front of her. Although this sentence was not spoken, he had already made a decision in his heart that he must help Nalan Rubing.

At the end of the story, Nalan Rubing couldn't help but vent her emotions, and he cried bitterly. Ouyang Zhengxiong really didn't know what to do when faced with a crying woman. He scratched his head awkwardly and walked around, as if he was thinking about something.

After Nalan Rubing cried for a while, she wiped the tears from her eyes, then suddenly threw herself into Ouyang Zhengxiong's arms and burst into tears.

"Woo woo woo.....I now how to do.....Woo woo woo.....Why am I so unlucky? My whole life has been arranged by my family. I almost never make my own decisions. So what if I was born into a noble family?.....Woo woo woo....."

Ouyang Zhengxiong didn't know what to do or say at all, because he had never encountered such a situation. It was the same tens of thousands of years ago, and it is the same today tens of thousands of years later.

After Nalan Rubing cried for a while, her crying voice became quieter and softer, and finally she said slowly: "If you are like me and have a distinguished life,.....If you have unparalleled martial arts....."

What Nalan Rubing said was not very clear, maybe because she was so sad just now,".....I.....I am leaving....."

After saying that, Nalan Rubing left Ouyang Zhengxiong's yard. Ouyang Zhengxiong watched Nalan Rubing's figure disappear out of the yard. His mind was as if an atomic bomb had exploded, and he was extremely confused.

"What if I have a prominent life experience? What if I had this unparalleled martial arts? Yes, no matter which one of these two you have, I can change your destiny."

"Why do you look like a piece of wood? You usually look like you're not stupid and smart, but at a critical moment, you're walking around not knowing what to do. You....."The old monster's white hair appeared on the wall of the yard again, and Ouyang Zhengxiong discovered his white head.

"You damn old man, you are not done yet. Let me tell you, I am angry now. You must not mess with me. And I am warning you. I hate people peeping on me very much. This is the first time you have done this. ?"While Ouyang Zhengxiong was talking, he picked up a bamboo pole from the ground, and then the captain took it from the old poison bucket on the wall.

"Damn you, you actually prepared bamboo poles to deal with me."

"thump....."The old man was stabbed directly by Ouyang Zhengxiong and fell down.

"oops.....Oh my god, poor Xiaolu, why is it you who are unlucky again? You were actually knocked unconscious by this kid....."

"This old poisoner is really strange. Take your time and chat with your toad!"Ouyang Zhenxiong turned around and entered his room.

His messy brain could not return to its original state for a long time. He had so many thoughts now that he could not calm down. In order to vent his anger, he punched the person in front of the table hard. His heavy punch on the coffee table directly shattered the coffee table. He straightened his

body and stood up, and then said to himself: "I am a man, I must not look at Miss Nalan." A sheep enters a tiger's mouth, you forced me to take action!"

Since that day, Ouyang Zhengxiong has never seen Nalan Rubing again.

In these days, Ouyang Zhengxiong has been very anxious every day. He is no longer in the mood to practice martial arts or read ancient books. Today he is restless again. One day, the old monster sat on the wall of Ouyang Zhengxiong's yard again and sighed: "You look like a person, but you are no different from a piece of wood. You should not have left your sister Ru Bing alone that day." leave. I can see how you feel about him, but don't forget that happiness will not fall from the sky. You need to seize the opportunity yourself. Some opportunities, if you don't seize them, may make you regret it for life! Alas, why do some people wait until they lose before they think of ways to compensate?....."

Chapter 2053

Ouyang Zhengxiong ignored the old man because his mood was so bad that he was no longer in the mood to make trouble with the old man. He pretended not to hear his nonsense.

After leaving Qineng Mansion, Ouyang Zhengxiong walked to the royal library again, because he wanted to try his luck here. Nalan Robin came here often, and maybe he could see her here.

But when we do something with some very high hopes, it often backfires. The same happened to Ouyang Zhengxiong this time. He did not see Nalan Robin. The librarian here told Ouyang Zexiong, Nalan Robin has not been here these days.

In this irritable mood, Ouyang Zhengxiong casually took a book from the bookshelf, and then read it with an expressionless face, not knowing if he could read it or not.

At this moment, a very old voice suddenly sounded from behind Ouyang Zhengxiong: "Alas!"

This sudden voice made people feel chilled after hearing it. Ouyang Zhengxiong almost jumped in fright. Ouyang Zhengxiong suddenly Turning around, he saw that it was the old man who had brought him down to the ancient tomb.

The old man hunched over and walked towards Ouyang Zhengxiong and others tremblingly.

Ouyang Zhengxiong was very scared when he saw the old man like this. He was not worried that the old man in front of him would fall, because he knew what a powerful power was hidden under the old man's aging body. He was just worried about himself. He will only be hurt by this old man.

Because in these short interactions with each other these days, this old man seems to have a purpose in everything he does, and I, Yang Zhixiong, have never seen through him. He is now very afraid that this old man will silence him because he already knows this old man. all the secrets

"Ha ha.....Young man, why are you so scared every time you see me? Didn't I already tell you? I won't hurt you. I have no ill intentions towards you at all. Don't think too much about it. I admire you very much for a very capable young man like you. You have so much talent at such a young age. Those with spiritual roots should treat you well. There are not many people who can draw the bow of a sealed descendant. Your future is incomparable to mine."

"Senior, do you know my identity?"

The old man said slowly:"Well, a person's life can be long or short, but the terrible thing is not that the whole life has been short. The teacher has done nothing in this short time and left nothing behind. What, although there are so many people in the world, many of them are just passing by in time. They will not leave anything in the world. In the end, they will only be crushed by the wheels of history without leaving any trace."

"ah....."There seemed to be a hidden mystery in what the old man said. Ouyang Zhengxiong was already stunned by what the old man just said. This old man seemed to be very good at understanding people's hearts. What he just said seemed to connect himself and Na. Lan Robin's incident was reflected in front of him. Ouyang Zhengxiong could not hide any secrets in front of the old man. He secretly sighed in his heart:"This old guy is really an old monster! Not only does it have powerful power, it is also so good at it." Understand people's hearts."

Ouyang Zhengxiong said to the old man very perfunctorily:"Yes, just like what the predecessors said, many people cannot do many great things in this life. As the years go by, these people will eventually disappear. There is no trace left, but I will do my best, and I will not watch something unfortunate happen to my friends who have crossed paths with me." The old man smiled and said to Ouyang Zhengxiong:"Haha, young man, don't be excited, I What I just said was just casual talk, and I didn't mean anything else."

Ouyang Zhengxiong felt a little uneasy, because every time the old man found him, he would have a purpose. This time the old man found him again, he really didn't want to. I know what purpose the old man has this time.

The old man suddenly said to Ouyang Zhengxiong: "Young man, please tell me what's on your mind. Have you decided to leave Chu State?"

Ouyang Zhengxiong was very shocked. Why did he never tell others about this? But the old man knew that these words of the old man made him speechless: "This....."

Cold sweat began to break out from Ouyang Zhengxiong's forehead. He really didn't know what to do next.

"You don't need to be so nervous, I won't hurt you. Haven't I told you many times? I really want to see what kind of huge waves a talented back like yours will set off in the future. I want to see what kind of state you will reach in the end, so you really don't have to be too afraid of me, I will definitely not hurt you."

Although the old man's aging face looked a bit ferocious, her tone was indeed very gentle.

Chapter 2054

Ouyang Zhengxiong was finally sure. Although he didn't know what purpose the old man had in finding him, he would indeed not hurt himself now.

The old man said to Ouyang Zhengxiong again: "I have reached this age, and I have long given up on worldly things like you young people. Now I only have cultivation in my heart. I am also a person who has been there, so I understand your current mood. I hope you can practice well and don't do anything too outrageous before leaving Chu State. After all, all this is beyond your control."

Ouyang Zhengxiong was in confusion now, and he didn't know what he should say at all. It's not even a matter of nodding or shaking his head to do anything.

A sad feeling suddenly appeared on the old man's face, and then he frowned and said to Ouyang Zhengxiong: "Although nothing big happens usually, there are still many masters here. In the imperial capital of Crouching Tiger, Hidden Dragon, you have tens of millions of people. Don't act impulsively, I don't want to see any accidents happen to you. If you find any trouble by then, I may not be able to help you."

The old man said so many words, Ouyang Zhengxiong didn't say a word, he kept flowing. Sweating in a cold sweat, he finally couldn't bear to stay in this awkward environment any longer. He stood up, said goodbye to the old man and left.

When Ouyang Zhengxiong was leaving, the old man's voice came from his back again:"If you leave, we may still see each other, because soon, I will be walking on the road."

While walking through the garden inside the palace, Ouyang Zhengxiong stopped. He saw two familiar figures in the tree-lined place. Then he looked around and found that there were not many people passing by, so He performed the supreme light skill, and her body suddenly turned into a line of light and shadow, and finally floated into the rain garden.

The environment in the garden is very good. There are pines, cypresses, and bamboos everywhere. There are many very strange stones scattered in the garden. Various things decorate the garden very beautifully.

The shadows of various flowers, plants and trees under the sun reflect each other. A very exquisite and unique pavilion looks very cool under the shade of these trees. Two very graceful figures appear in the pavilion. Among them One person's figure looks magnificent and unparalleled in beauty, while the other person's figure looks indifferent to the world, and is very delicate and delicate.

Ouyang Zhengxiong's heart began to beat faster, because she had seen clearly what these two people looked like. The person in front was Princess Chu Yue, and the person in the back was even more impressive to him. Ouyang Zhengxiong didn't know what he should do now because he had never seen Nalan Robin. He didn't dare to say hello because he came in secretly, and he was reluctant to leave because he hadn't seen Nalan Robin for a long time. , finally saw her again here.

Because the eldest princess has extraordinary cultivation, if she approaches rashly, she will be easily discovered by the eldest princess, so Ouyang Zhengxiong can only watch the two of them from a distance.

Princess Chu Yue took Nalan Robin's hand and said to Nalan Robin in a very gentle voice:"Ru Bing, I know how you feel now, but you don't need to be too sad. Sima Kongkong has already He can be regarded as a very outstanding person. Maybe your mentality will change in the future. How many people like him are so young and have such high achievements in the imperial capital?"

Nalan Rubing said:"Actually, I I just want to find someone who really likes me. I don't ask for how prominent his life experience is or how high his achievements are. As long as he is only good to me for the rest of his life."

Princess Chu Yue:"I think Sima Kongkong is quite infatuated with you, and he should be good to you for the rest of his life! In fact, I have a pretty good impression of him."

Nalan Robin suddenly showed a sad face, and then said:"Actually, princess, you don't know, He is actually a playboy. You may not have seen him when he was living and drinking, but he was always so high-profile in everything he did. He didn't understand the principle of acting in a low-key manner at all."

Princess Chu Yue said:"Actually, some men, They look like they are having a great time and are smiling all day long, but they are very sad in their hearts because they can't find anyone they really like. Maybe the person Sima Kongkong is looking for is you, because these days he is always right You are very gentle, and you also know his temper. He always talks angrily to his father, and I can see his heart for you."

Nalan Robin said,"Even if he is a A good man, but I still won't marry him. When you marry someone, you have to stay with him for the rest of your life. But I really don't feel anything for Sima Kong. Will my life in the future be so boring? I'll be with him every day. If you can't say a few words, how will you live in the future?"

Chapter 2055

Princess Chu Yue smiled bitterly and said:"Well, this world is really too difficult. Everyone has unspeakable suffering. In the eyes of others, we are so beautiful and have enjoyed decades of glory and wealth. , living carefree every day, but there are still many things they don't know. How can our lives be as happy as they said? I think the two of us already have the answer in our hearts, our identity We have lost a lot of things. Our personal relationships and marriages cannot be decided by ourselves. This is one of our difficulties and the biggest sorrow in our lives. Even if we like someone very much, we still can't. With him, even if he and we like each other, we can only watch two people who like each other separate."

Nalan Robin said to Princess Chu Yue:"Actually, I seem to already have someone in my heart. , I already have some feelings for that person."

Princess Chu Yue suddenly became serious, because she had never heard Nalan Robin talk about this matter. Princess Chu Yue said to Nalan Ruobing:"You Is there really someone in your heart? I have heard others tell you what happened in Qineng Mansion that day. I heard that you used Ouyang Zhengxiong as a shield in order to stimulate Sima Kongkong. I just thought you were just doing it on purpose. That's all, do you really have feelings for him?"

When hearing Princess Chu Yue and Nalan Robin say this, Ouyang Zhengxiong's heart pounded, as if his heart was about to jump out. , his breathing also became rapid.

Nalan Robin said to Princess Chu Yue very seriously:"Princess, your guess is correct. I have indeed fallen in love with him, so I can no longer tolerate Sima Kongkong in my heart."

Princess Chu Yue had a look on her face. She was surprised. This was an answer she had never expected. She said to Nalan Robin:"But you clearly know that this is an impossible thing. How could you and her be together? And Ouyang Zhengxiong's Her appearance is far inferior to that of Sima Kongkong, and in terms of cultivation, he is even worse. Even a disease like this cannot be cured by a voice. I think her skills have been ruined like this, and he has no ability to restore his skills at all. Hope, I asked him to practice cultivation again before, but for so many days, he has not made any progress. If I say it more harshly, he will be a useless person, a useless person who can't achieve anything. I am He has no hope left."

Ouyang Zhengxiong has been listening beside him. He listened very carefully. The words spoken by the eldest princess reached his ears word for word. If it came from another From a perspective, what the eldest princess said was indeed true, but Ouyang Zhengxiong still felt very uncomfortable.

Nalan Rubin turned around, because the eldest princess had already spoken to this point, which meant that even she did not support her and Ouyang Zhengxiong getting together. Nalan Rubing said:"Actually, it doesn't matter if a person likes someone. Because the person you like has achieved certain achievements or has a prominent life experience, you don't need any reason to like someone, you won't understand....."

Nalan Robin did not finish his words.

The eldest princess said to Nalan Robin very seriously:"Ru Bing, why are you doing this? We both know in our hearts that you are playing with fire. There is really no hope for you and her.""

"Of course I know this, so I haven't gone to his place these days. I also hope that I can forget him and he can forget me. Since the two of us are not suitable, then don't interfere with our respective lives."

Princess Chu Yue sighed, and then said:"It's all because of me, because I made a wrong decision. I shouldn't have called you to Qineng Mansion to treat that guy in the first place, but fortunately You are not very deep in love yet, time can smooth everything. I believe that before long, you will forget that this person exists in the world."

Nalan Robin turned his head suddenly, and then said to Princess Chu Yue: "You are not going to kill him, are you?"

A cold light flashed in Princess Chu Yue's eyes, and then she said: "How could it be? How could I kill him? If killing him really works, then I will really kill him mercilessly, but it makes no sense at all. If I kill him, I will just kill him. It will only make you hate me for the rest of your life, and it will have no effect at all. Don't worry, I won't hurt him. It will be my father's 60th birthday in a few days. After my father's 60th birthday, I will go to my father to apply for an official position for Ouyang Zhengxiong. , keep him far away from the capital, so that you will gradually forget about him. Doing this will be beneficial to you, Ouyang Zhengxiong, and Sima Kongkong."

Chapter 2056

Ouyang Zhixiong had already seen the murderous look in the eldest princess's eyes. He knew that Princess Chu Yue had murderous intentions towards him, and he would never seek an official position for him like he told Nalan Robin.

Today, Ouyang Zhixiong has become a waste. In the eyes of others, he has no skills at all, and has no use value to the Chu State. Whether it is for Nalan Robin or the reputation of the little princess, Ouyang Zhengxiong There is no reason to live in this world anymore.

Ouyang Zhengxiong felt chills in his heart, because he really didn't expect that this gorgeous woman in front of him would have such a scheming mind, and Ouyang Zhengxiong had never seen through her until today when he eavesdropped on her and Nalan Robin. After talking, I realized how scary she was.

Although Princess Chu Yue was forced to do nothing, this incident clearly reflected that she was also very ruthless in doing things.

Princess Chu Yue and Nalan Robin have been talking for a long time. During this period, Ouyang Zhengxiong had been hiding in a corner and listening secretly. Every word they said was heard by Ouyang Zhengxiong. He also saw Princess Chu Yue clearly. When he was still useful, Princess Chu Yue was very gentle to him, but when he learned that there was no possibility of recovering his power, she actually had murderous intentions towards him.

Ouyang Zhengxiong vaguely saw the figure of the beautiful fairy Yan Taina in Princess Chu Yue. Their two personalities were so similar. They had the same appearance that fascinated thousands of men. They also used any means to achieve their goals.

Finally, Princess Chu Yue said to Nalan Robin: "It's not too early now. The wind outside is already very strong. If it continues blowing here, I'm afraid we will both catch a cold. Let's go, let's go to my place." Let's go to the room!"

Nalan Robin shook his head, and then said: "Forget it, you go back first, I want to be alone here for a while, my mind is really too messed up, what happened these days It's too much. I really don't know how I will get through the rest of my life. But if I really marry Sima Kongkong, I'm afraid I will be in pain for the rest of my life!"

Princess Chu Yue looked at Nalan Robin helplessly. Knowing that there was nothing he could do to help, he turned around and left.

Nalan Robin stood alone in the pavilion in the garden and murmured to himself very quietly: "If you had a distinguished life experience, if you had unparalleled skills,....."

It was the same words again, which he once said to Ouyang. Nalan Robin's eyes were filled with tears, and he finally left the pavilion with sadness.

Ouyang Zhixiong saw everything that had just happened, but he couldn't do anything now. He clenched his fists, then turned and left.

When he came outside the palace, he got on a sedan chair. There were warriors standing on both sides of the carriage. They guarded both sides, and then walked towards the direction of Qineng Mansion.

Ouyang Zhengxiong felt terrible when he thought about it, because he really didn't know that the gentle woman before had such serious intentions. Ouyang Zhengxiong finally figured out that the warriors arranged by Princess Chu Yue in her yard were not here. The purpose of protecting yourself is to prevent yourself from escaping, so that you can be completely secretive.

After returning to his yard, Ouyang Zhengxiong vaguely heard the little princess's voice.

"Uncle Poison, I really like them so much, just give me one, just one, okay? is it okay? I beg you....."

The old poisonous man shouted: "No, no, these babies of mine are not raised for you to eat. Last time you said you were leaving. My little Jin and Little Green, you didn't even say hello to me.

Then I haven't settled the debt with you yet. Today you actually sneaked over again. If I hadn't found it early, I might have lost a few more babies. Don't rely on me. I beg you."

"because.....The delicacies made by your little snakes are very delicious. Do you know that I will definitely bring them over for you to try this time. Can you just give me one? Just one, okay? Please, this is the last time, okay? Uncle Poison....."

Old Poison was really angry to death. The little snake he loved so much was used as food by the little princess. He would blame himself very much for not taking good care of it. He said very loudly to the little princess:"I am not an animal breeder." Comrade, these treasures of mine are not delicious dishes in your mouth. If you don't leave, I will have to call the old witch who studies magic over. You forced me to do this. You should be wise and leave quickly!"

"hey-hey.....Uncle Du, what do you think this is in my hand?"

Chapter 2057

As she spoke, the little princess raised the firecrackers in her hands. Seeing this, the old poisonous man said hurriedly:"No, no, no! Stop quickly, I'm afraid of you, can't I give it to you?"..."

"Now it's not just one item that can send me away, I need to add twenty more items."

When I heard this, I almost fainted from Du Laowu's anger. These are all his treasures!"There are so many. Just kill me. I'll give you eight at most....."Before the old poisoner could finish speaking, the little princess said quickly,"Deal."

The old poisoner reluctantly grabbed eight of his treasures and put them into a bag."Take them," he said with a look of pain on his face.

"Hehe, Uncle Du is still kind to me."The little princess showed a sly smile.

"Hey, you little thing, there is nothing I can do to you, please leave quickly." The old poisonous man said helplessly

"I will come to see you often. Goodbye."

Ouyang Zhixiong was shocked. The little princess actually wanted to eat the poison that threatened the old man. He was really a demon that scared everyone in the capital!

Soon, the old poison came out and conveyed the words of the little princess with an angry face: "In seven days, Your Majesty will be seventy years old. It's my birthday, and now I'm inviting people from the Qineng Mansion to attend." After saying that, he turned around and left, suddenly thinking of something, he turned around and said, "A few young dragon knights from a small affiliated country will come over to meet our young talents from the Chu Kingdom. This must be Very interesting, I suggest you go and take a look"

"What happened? How dare a small subordinate country come to meet our true master?" Ouyang Zhixiong asked in surprise

"It would have been impossible for such a thing to happen, but several young geniuses have appeared in Zhao State in recent years, and their strength has increased greatly. Because they have received the support of some strength, they now want to escape from the control of Chu State and dominate by themselves."

"If the people they sent this time show off their skills at His Majesty's birthday banquet, there is reason to say that the Chu State is not strong enough to make their country the leader of the country, and they will be out of the control of our Chu State!" Old Poison analyzed

"Yes, they are good at fighting for the country," Ouyang Zhixiong said. This statement shocked the old poisonous man. He could say such treacherous words. If it reached the ears of the royal family, he would punish the nine tribes. Yes! The old poisonous man quickly looked around and said, "Fortunately no one is here."

"It is rumored that these people sent here are very strong. They defeated many young masters who have been famous for a long time when they were in the Western Continent. Then they suddenly disappeared for unknown reasons until now. They probably went to practice hard. Now You may have reached the level of a second-level cultivator when you come out. Although we also have many good young people, we are still a little behind compared with them. Speaking of which, among the younger generation, only Sima Kongkong can compete with them.. This is really sad. Our huge Chu State is not as good as a small subordinate country."

"Just now the little princess said that whoever can beat the few dragon knights sent will be rewarded by His Majesty. I think there will be many rewards from His Majesty. If your cultivation level is still there, you can give it a try. If you can succeed, His Majesty will definitely cultivate you a lot. What happened to Nalan Rubing?.....Hehe, isn't it easy to handle? It's a pity that you are just an ordinary person now, that's all." After saying that, Old Poison turned and left.

Ouyang Zhixiong listened to Old Poison's words and stood there thinking for a long time. He understood that Nalan Rubing had a crush on him. Although he also had a crush on Nalan Rubing, he still He can't forget Yan Yan, after all, it was his first love. But Nalan Rubing took care of him and taught him how to read. He can't let him marry Sima Kongkong. He can't ruin Nalan Rubing's happiness."Forget it. Come on, do the things in front of you first. Yan Yan is still too far away for me at the moment."Thinking of this, Ouyang Zhixiong took Hou Yi's divine bow and immediately left the yard and walked towards the eldest princess's residence. When he saw the guard at the door,"Please go report to the eldest princess. I have something important to discuss." A guard quickly came to the house. After a while, Ouyang Zhixiong was called to the palace."Master Zhixiong, what do you want from me?"Chu Yuedao

"I want to marry Miss Nalan." In order to organize Nalan Rubing to marry Sima Kongkong, Ouyang Zhixiong had no choice but to use this method."Ah! this..."Chu Yue was shocked. She didn't expect that Ouyang Zhixiong came here for this. Sima Kongkong wanted to marry Nalan Rubing. Thinking of this, Chu Yue immediately wanted to refuse, but she couldn't offend the Sima family just because Ouyang Zhixiong was an ordinary person. ah."No.....", "Don't rush to answer," Ouyang Zhixiong said before he finished speaking.

Turning around, he picked up Hou Yi's divine bow and put an arrow on it. He used his ancestral skills and pulled hard. Hou Yi's divine bow emitted a strong golden light. The arrow shot out and streaked a bright light in the sky. Although it was daytime, you could clearly see that after a while, a roar echoed throughout the capital. In the distance, the wings of a flying dragon were blown to pieces, and a large crater appeared on the ground.

A group of city guards rushed over to see what happened. Chu Yue was shocked when she saw this moment,"Your strength has recovered."

? "

## Chapter 2058

""Well, yes," Ouyang Zhixiong replied. Seeing that he had indeed recovered, and was still so strong and young, Chu Yue began to think about it."What do you think of what I said earlier, Princess?" "Mr. Zhixiong, I can't answer you now because General Sima has proposed a marriage proposal to his father for Sima Kongkong, but his father has not replied to him yet. So...Well, I'll explain your situation to your father and let him make a decision." ""Your Highness, Princess." After saying that, Ouyang Zhixiong left the hall.

On the way back, he happened to meet Sima Kongkong. At this time, Sima Kongkong was looking for the murderer who injured his flying dragon. He saw the Houyi Divine Bow on Ouyang Zhixiong's back. , "It's you again, it's you who injured my flying dragon, and you were also very close to Nalan Rubing." Sima Kongkong shouted angrily. However, he did not take revenge

immediately, because the arrow that injured the flying dragon came from It can be seen that Ouyang Zhixiong's strength is not weak. So he just clenched his hands angrily and wanted to kill this boy immediately. The last time he saw him, he was still a very ordinary person. Why did he suddenly become so powerful after not seeing him for a few days?

Seeing Sima Kongkong Looking angry, Ouyang Zhixiong couldn't help but cheer up, "It's me, telling you, Ru Bing is mine, you don't have to think about it." Sima Kongkong was so angry that he took action instantly. This was when the eldest princess appeared and shouted, "Stop it." , We will fight against those dragon knights in a few days. If any of you are injured now, it will be of no benefit to me, Dachu." Sima Kongkong stopped what he was doing and said to Ouyang Zhixiong: "Boy, I won't let you go after the competition in a few days." Then he turned around and left.

After Ouyang Zhixiong said a few words to the princess, He also returned to Qineng Mansion. When he returned to the mansion, he saw the old poison lying on the wall of the courtyard. When he saw Ouyang Zhixiong coming back, he asked, "How did you recover your strength? You are so strong?" "I won't tell you!" In an instant, the old poisonous man lost interest. Just as he was about to leave, he said, "Wait a minute, old guy, I have something to give you." Ouyang Zhixiong shouted. The old poisonous man was not interested. "What? I'm not interested in martial arts or anything like that." "No, no, no, it's definitely what you want." After saying that, Ouyang Zhixiong took out a few pieces of paper from his arms, which he copied from the royal classics room. The old poisoner grabbed it in his hand instantly and saw, "It's poison. Sutra, where did it come from?" The old poisonous man was surprised. The more he watched, the more excited he became. At the end, "Why does it seem like a part is missing?"

"I didn't bring any paper with me when I went to the toilet last time and used a few." Ouyang Zhixiong said embarrassedly. "You prodigal son, you...you...You're really pissing me off." Old Poison jumped angrily. "Don't worry, I've written them all down." "quick...Tell me the rest quickly," Old Poison said impatiently. "I originally thought I would give it to you when I leave, but you and I are the only ones who can believe it in this Qineng Mansion. You must never tell anyone else this." Ouyang Zhixiong instructed. After that, Ouyang Zhixiong told the rest.

"Thank you so much. I have devoted my whole life to studying poisons. This is simply my treasure!" The old poisonous man was extremely excited. "By the way, did you just say you were leaving? When will you leave? It won't be now, right?" Old Poison asked. Ouyang Zhixiong said: "I still can't decide, maybe later or earlier. Anyway, I won't stay here forever." "Okay, okay, I know this is not a place for you to stay for a long time, after all, your talent is so high. Although we bickered every day during the days when you were here, you brought some different fun to my life." The old poisoner said. Ouyang Zhixiong said: "Don't say it so sadly. After I leave, no one will go against you every day." .....

In a blink of an eye, the emperor's seventieth birthday came. On this day, officials from all over the dynasty came to the palace to congratulate Emperor Chu Khan on his birthday. Each official brought precious gifts to congratulate his majesty on his birthday. Among them, the gift from the little princess Chu Yu was the most precious, which was the flaming fire lotus that she had spent a lot of effort to obtain in the Western Region.

In the main hall, it was very lively with singing and dancing. The ministers toasted to the emperor one by one, and frantically said blessings and praises to the emperor. The people of Qineng Mansion are equal to the ministers in the palace, because they are all people with various skills, and everyone respects these people very much.

After drinking and eating, everyone was enjoying the singing and dancing. At this time, a sudden voice sounded: "Your Majesty, our Chu State was founded by force. I think that on this happy day, of course we need to hold several martial arts competitions to promote our Chu State's national prestige. Now we are here listening to songs and watching dances" Isn't this a disgrace to our ancestors?" He was sent by the State of Zhao.

The ministers were furious when they heard this rude words. "It's unreasonable. You dare to say such disrespectful words at His Majesty's birthday banquet. Are you Zhao State rebelling?" But Zhao State's envoy said unhurriedly: "I'm serious, I just want the emperor to appreciate the warrior's performance." Just style."

## Chapter 2059

Emperor Chu did not get angry, but said with a smile: "I have always heard that the warriors of Zhao State are very strong. Now I want to see if you are as powerful as the rumors say." After that, Emperor Chu ordered all the singers and dancers to sing. Withdrew. In a blink of an eye, two sturdy men walked in. They were dragon knights sent by the State of Zhao. Looking at the muscles on their bodies, the explosive lines look full of power.

The two men bowed slightly to Emperor Chu to show their respect. One of them said: "There is nothing interesting for us two brothers to come here to perform martial arts. Why don't you let the young talents of Chu State come to compete, which will be more enjoyable to watch. I hope His Majesty the Emperor of Chu will allow it." Emperor Chu frowned. After thinking for a moment, he immediately agreed: "Okay." Immediately, Emperor Chu asked the young talents in the hall: "Who is willing to teach these two dragon knights from Zhao for our Chu country?" At this time, a young man shouted: "Your Majesty, I will come." This is the strength of an intermediate magician named Wei Qi who is equivalent to a second-level practitioner. Seeing someone so active, Emperor Chu said: "Okay"

"Your Majesty, we dragon knights can use flying dragons to fight. I'm afraid it won't be easy to use in this palace." A dragon knight named Zhao Long said. "Otherwise, go to the martial arts platform,

where you can use your magical powers to your heart's content." Chu Huang said. "Okay, okay, the duel between dragons and humans must be very interesting," the quirky little princess said with a smile. "You girl, you are really fooling around. Is this something fun? Someone will get hurt in a fight." The eldest princess knocked the little princess on the head.

The dragon knight named Zhao Hu and Wei Qi walked onto the martial arts platform. Suddenly with a cry, a huge flying dragon flew towards the martial arts platform. This was Zhao Hu. The dragon's mount. Zhao Hu jumped onto the dragon and faced Wei Qi and said: "Magicians are rare, but when you encounter us dragon knights, you have to stay away." "hehe..." Wei Qi didn't say much. With his backhand, he took out his magic wand and muttered some kind of spell silently. Suddenly, a bolt of lightning appeared in the clear sky and struck towards the dragon knight. The flying dragon hid to the side, and the martial arts platform where Zhao Hu was just now appeared. A big black hole

"What a trick!" Zhao Hu shouted, riding a flying dragon and charging towards Wei Qi. The dragon's claws grabbed Wei Qi, but Wei Qi was not in a hurry. Several fireballs flew out from the magic wand. Zhao Hu hurriedly avoided it, and the fireballs passed by. Wei Qi seized the opportunity, and several more fireballs flew out. Finally, a fireball hit the dragon's belly. However, the dragon scales were so strong that the damage to the flying dragon was very small. Before Wei Qi could react, Suddenly Zhao Hu jumped off the dragon's back and punched Wei Qi. The arm full of explosive muscles instantly reached Wei Qi's body. The magician's body was very fragile, and Wei Qi was seen flying away like a kite. Go.

Wei Qi defeated

"Haha, is this all a magician can do? Anyone else?" Zhao Hu said arrogantly. At this time, all the ministers had ugly expressions on their faces. Only the little princess smiled: "Hee hee, these ugly flying dragons can have such strong defense, I want one too." "Are you deceiving me that there is no one in Chu?", I saw Sima Kongkong riding the flying dragon and flying up to the fighting stage. After going up, he looked down the stage and saw that Nalan Rubing didn't look at him at all. His face suddenly darkened. He turned around and led the flying dragon towards him angrily. Zhao Hu rushed forward. This was a duel between dragon knights and dragon knights. Suddenly the two dragons impacted each other, and the shock waves generated could push ordinary people away, but the two dragons only took a few steps back slightly.

Strength Quite. The two distanced themselves and rushed towards each other again. Everyone in the audience was fascinated. Sure enough, the dragon knight was really strong, with physical impact, he was a born warrior. This time, Sima Kongkong had the upper hand. I don't know if the other party had exhausted their physical strength after a fight. With the fierce fight, the two dragons had little strength. Finally, the two launched their strongest blow. As a result, the two dragons fell to the ground. The two of them fell to the ground. Lying on the ground, although his eyes were open, he

could no longer exert any strength. The two were tied. Everyone in Chu State looked at this result and was secretly worried. They would not really be outmatched by this small affiliated country. , that was such an embarrassment.

Zhao Hu's brother Zhao Long came over, patted his younger brother on the shoulder, and then flew up to the martial arts platform on a dragon. This dragon looked very ferocious and roared from time to time. Zhao Long shouted to the audience:"Who will fight with me?"Everyone, look at me and I look at you. His younger brother is so powerful. Zhao Long must be even more powerful. No one dares to go up, because Kongkong, who is as strong as Sima, can only fight to a tie with Zhao Hu, and after others have fought. After the game.

Ouyang Zhixiong who was in the audience at this time walked onto the martial arts stage carrying Hou Yi's Divine Bow. Looking at Ouyang Zhixiong's thin body, everyone in the audience was not optimistic about it, but they still cheered for him."Young man, good job. , you must win."A person in the audience shouted."Don't let people from small countries think that our country of Chu has no one!!!"

#### Chapter 2060

Nalan Rubing in the audience was also very anxious. She didn't know that Ouyang Zhixiong had recovered, so she was very worried."Is there really no one in your Chu country? There is such a weak boy. He looks like a monk practicing ancient martial arts, but the martial arts at that time has already declined." Zhao Long laughed loudly."The decline of ancient martial arts is because people today do not truly understand its secrets and essence, but this does not mean that I am the same." Ouyang Zhixiong said slowly

"Then let me see what you are capable of. I will defeat you with my gun within a hundred moves." After Zhao Long said that, he rushed towards Ouyang Zhixiong and waved his spear. Ouyang Zhixiong quickly dodged it. The eldest princess in the audience shouted:"Master Ouyang, hurry up and use Houyi's bow!" "No hurry," Ouyang Zhixiong said, and picked up a spear from the weapon rack next to him. At this moment, a powerful force emanated from Ouyang Zhixiong's body, and the spear in his hand was also trembling. The eldest princess Chu Yue saw it. She was stunned. She thought that Ouyang Zhixiong could only exert his power by holding Houyi's divine bow. She didn't expect that he could be so powerful without a bow. Others in the audience gradually smiled. They also didn't expect that his seemingly weak body could exert its power. With such power.

Ouyang Zhixiong shot the spear in his hand at Zhao Long, shouting:"Shadowless Spear", and saw several shadows appearing next to the gun, shooting at the flying dragon, but this flying dragon was very powerful , was not injured, but instead sprayed a poisonous mist at Ouyang Zhixiong. After experiencing countless poisonous training by the old poisoner, this poison was nothing at all. But the subsequent blow of the flying dragon really caught Ouyang Zhixiong off guard.. The dragon's tail swung at Ouyang Zhixiong, knocking him to the ground.

Ouyang Zhixiong, who was lying on the ground, spit out a mouthful of blood and stood up. He was angry, took off the Houyi Divine Bow from his back, and used all his strength in his hands. , drew the bow and shot an arrow, the arrow feathers burned in the air, and hit the flying dragon. The flying dragon screamed and the arrow had been inserted into its body, and suddenly exploded in its body. In an instant, the flying dragon roared, and its huge body fell to the martial arts platform. , died. Zhao Long also fell off his body, and only Zhao Long and Ouyang Zhixiong were left standing on the stage. Zhao Long's eyes were red but he did not give up. He quickly started to use his skills, and even his hair was blown away by the aura on his body. He got up and rushed towards Ouyang Zhixiong with a gun.

This time Ouyang Zhixiong did not use a bow. He used part of his power at his feet and waited for Zhao Long to rush towards him. When he was close, he quickly dodged to the side. Due to inertia, Zhao Long still rushed forward. , Ouyang Zhixiong backhanded a carbine and stabbed Zhao Long. Zhao Long had no time to react and was knocked to the ground and seriously injured. The referee loudly announced:"Ouyang Zhixiong wins this battle!"The audience suddenly remembered the fierce shouts:"Ouyang Zhixiong, Ouyang Zhixiong....."Nalan Rubing in the audience couldn't believe what she saw. Ouyang Zhixiong in the audience was different from the past. In the past, she was the person who studied writing and read history. Now he is tall and powerful, with extraordinary strength.

The envoy from the State of Zhao saw that Zhao Long also failed, and asked his men to take the two injured brothers to the Emperor of Chu."Sure enough, a big country is still a big country, and there is such a powerful young master. Since we have lost, we bid farewell to Your Majesty," the envoy said to Emperor Chu."If you don't want to sit here for a while, it won't be too late to leave after the two of them have recovered from their injuries!" Emperor Chu said with a smile."No, we have other important matters," the messenger said. It's not good for them to stay here any longer.

After the Zhao people left, the Emperor of Chu called the eldest princess Chu Yue to him and said:"Those two dragon knights are also rare talents. It's a pity that they are not from our Chu country. Otherwise, why would our Chu country be unhappy?""Father means...intercepted them on their way back?"Chu Yue said."Exactly, otherwise we will have two great enemies in a few years."What my father said is absolutely true. I will order people to send the message to intercept and kill them right now."

"This thing is easy to do, but Ouyang Zhixiong is not easy to handle. I originally thought that he could only draw Hou Yi's divine bow, but I didn't expect that his cultivation level is so high among the younger generation. He has a bright future, but I The daughter of the Nalan family has been given in marriage to the Sima family. It's difficult!"Huang Chu sighed."It's understandable that my father made such a decision. After all, no one knew that Ouyang Zhixiong had such a talent, but he couldn't compare with the Sima family."Chu Yue said comfortingly.

Emperor Chu's birthday banquet was almost over, and the civil and military ministers and all the guests were dismissed. Ouyang Zhixiong also returned to Qineng Mansion. In the next few days, many people came to Qineng Mansion to visit Ouyang Zhixiong was impressed by his martial arts. Soon the royal family also sent people to send many treasures, and also conferred him a title. Everyone in the palace congratulated him. At this time, the magic mother-in-law came over and said to him: "You have to be careful. The owner of the dragon you killed is very powerful. He is in the Western Continent. You must be careful when you go there in the future. That's all." Ouyang Zhixiong thanked her for informing her.
