

## Attributes 2061

### Chapter 2061

In the next few days, the number of people visiting Ouyang Zhengxiong gradually decreased.

On this day, a piece of bad news came.

Old Poison hurried to Ouyang Zhengxiong's room and said: "The Emperor of Chu has given Nalan Rubing a marriage to Sima Kongkong! And in seven days, Sima Kongkong and Nalan Rubing will hold a wedding." After hearing this Ouyang Zhengxiong's head suddenly buzzed. He originally thought that the strength he had shown and the contribution he had made to the Chu State would allow the Emperor of Chu to betroth Nalan Rubing to him. Unexpectedly, the marriage was finally granted to Sima Kongkong. Is the Sima family really so powerful? Ouyang Zhenxiong thought to himself.

Ouyang Zhengxiong's eyes were red with anger, and a powerful aura emitted from his body. I saw him clap his hands, and the table under his hands shattered instantly. Old Poison did not expect such a big reaction from Ouyang Zhengxiong and was shocked.

Ouyang Zhengxiong roared, and golden light flowed on the surface of his body. A force of energy emanated from the body, and the old poison was knocked down instantly by the force

, but he was not alive. I saw Ouyang Zhengxiong standing there blankly.

He walked over slowly and asked, "Are you okay?" "It's okay, I didn't hurt you. I was just too excited. Are you not hurt?" Ouyang Zhengxiong asked

"Oh, I'm fine, but you are. You'd better think about what to do, I'll leave first." After that, the old poisoner left Ouyang Zhengxiong's room. Ouyang Zhengxiong stood there and was silent for a long time.

Four days later, Ouyang Zhengxiong was walking alone on the street. At this time, a joking voice suddenly came from behind. "Hey, this Isn't it Ouyang Zhengxiong who defeated Zhao Guolong Knight? Why do you look so depressed? Ouyang

Zhengxiong turned around and saw that it was Sima Kongkong."Ouyang Zhengxiong didn't expect that Nalan Rubing was still mine in the end. You also like Nalan Rubing, right?" Although he defeated the dragon knights of Zhao State, he made great contributions to Chu State. But it is impossible for Emperor Chu to offend our Sima family just for you alone."Sima Kongkong said proudly

"Sima Kongkong, don't get too proud too early."Ouyang Zhengxiong left without looking back.

Returning to Qineng Mansion, Ouyang Zhengxiong found Old Poison and asked him:"Do you know where Ru Bing's family lives?"What are you going to do?" You're not going to elope with Nalan Rubing, are you? It's impossible. Nalan Rubing's family now has many strong martial arts warriors protecting you. It's impossible for you to escape." Ouyang Zhengxiong's face became even more gloomy when he heard this.

Ouyang Zhengxiong tossed and turned on the bed at night."Do we really want to push Ru Bing into the fire pit? No, I absolutely can't let this happen, I can't sit still and wait for death."Thinking of this, Ouyang Zhengxiong has already made a decision."So many things have happened these days. No, I have to leave here as soon as I finish Ru Bing's affairs."A sleepless night.

As soon as the sun showed its head, Ouyang Zhengxiong got up in a hurry. He hurried to the old poisonous man's house. He said to the old poisonous man:"I have something to do. I have something to ask you for help. You must help me."

Although Old Poison often quarreled with Ouyang Zhengxiong, Old Poison thought that Ouyang Zhengxiong had given him the Bible reading a few days ago, and before he had time to thank him, he immediately replied:"Tell me, as long as I can do it, I will definitely help you."

"Your poison skills are so powerful. Can you prepare a kind of poison that makes people unable to use it in a short period of time if they eat it?"Ouyang Zhengxiong asked

"Boy, no way, are you really going to make a big fuss and snatch Nalan Rubing away?"

"Now I can only do this, otherwise I will regret it for the rest of my life"

"No, there are so many martial arts masters in the imperial capital, there is no way you can escape. Even if you are lucky enough to escape this time, you will still face the endless pursuit of the Sima family."Old Poison said immediately

"Old man, do you know how to prepare this medicine? , are you looking for a reason to escape?"Ouyang Zhengxiong said deliberately

"How can it be? There is no poison in Chu State that I, the old poisoner, cannot match."

"I'm worried that you will track me down if you fail. Then I'm done?"Old Poison quickly explained

"No, you give me the medicine and I will knock you out. No one will find out that you gave it to me. When you are discovered, you can say that I took the poison after I knocked you unconscious, and you are also a victim."Ouyang Zhengxiong said

"No, this is too fake. I won't be able to run away by then"

"Then what can I do? Their wedding will be in two days. If I don't take Ru Bing away, she will live in misfortune her whole life."

Looking at Ouyang Zhengxiong's determined look."Oh, that's all, I'm risking my life. If it weren't for the poison sutra you gave me, I wouldn't take the risk."Lao Du said helplessly.

"Go ahead, I want to see what you little guy can say that will shock me." The old monster sat down and continued to talk to Ouyang Zhenxiong.

Chapter 2062

"I decided to poison the food at their wedding. Then when the medicine took effect, I immediately took Ru Bing away. Then we left Chu State."

Bringing a big fuss to the wedding

"Don't you want to live? There will definitely be many strong people guarding the wedding day, and those guards won't drink. That way you will definitely be caught. You might as well go to Nalan Rubing's house and take him away directly. This way the risk is much less."

"How can I vent my dissatisfaction? I'm going to make a scene at the wedding and make him lose face in front of the emperor. I saved the face of the country for him, but he treated me like this. That's a deal."Ouyang Zhengxiong said seriously.

Today is the wedding day of Sima Kongkong and Nalan Rubing. Ouyang Zhengxiong got up early and got ready.

The first ray of sunshine in the morning hit Ouyang Zhengxiong's eyes, which made him He woke up directly while he was still sleeping. The first thing he did when he woke up was to wash up, because a person would have no energy if he didn't have a wife.

After washing up, he began to sit on the bed as a habit and began to meditate. Meditating can adjust his breath and allow the true energy in his body to flow through his internal organs. This has two benefits. For the first time, it can resist external germs, so that he will rarely get sick. This is why he practices martial arts. No one will die from illness. The second thing is that you can improve your skills. When you are building, your mood will become extremely peaceful and you will realize some things that you can't usually understand. Practicing Qigong is mainly about the word "enlightenment". People with high understanding People can make great progress in a day, but people with low understanding can make progress very slowly, so practicing Qigong still needs to pay attention to the mind.

If a person practices without paying attention to skills every day, he will never think about why he practices like this, and he will never make progress. If progress has been made, it is just by chance.

Most of the strange people in Qineng Mansion have received invitations from Sima Kongkong. Today is the day when Sima Kongkong and Nalan Rubing get married. People here have finished eating After breakfast, they all headed towards Sima Mansion, because Sima Kongkong's father, Sima Changfeng, was a very important manager, and he was also a person who cared about face very much. Almost no one in the industry dared not to give him face.

Very Quickly, everyone here has left Qineng Mansion. Qineng Mansion, which used to be full of people, suddenly became empty. Ouyang Zhengxiong jumped up on the spot. This time, he jumped extremely high because next to him There was no one, so he no longer had to hide his power. It had been a long time since he had practiced power in his body. Although he had learned a lot during these times, she didn't dare to try it at all at the time, for fear that the seniors next to him would sense him. In this way, all the things he had hidden about his utilitarianism would be known to others.

Ouyang Zhengxiong had adjusted his body to the best condition. He was bending and stretching his arms. Stretching his muscles and bones as much as possible.

He walked to his room and gently placed Hou Yi's attack tower on his back. He picked up a very long knife, then inserted it into his waist, and stepped forward. He walked towards the outside of Qineng Mansion with bold steps.

Looking at Ouyang Zhengxiong's back, he felt very domineering. An astonishing momentum emanated from his body. This momentum was enough to overwhelm everything, even those with great strength. People stronger than him would also sigh, because for such an inconspicuous person to suddenly become so powerful, it would be a bit overwhelming for anyone.

Ouyang Zhengxiong seemed to have regarded death as if he had no fear at all, and there was no sense of fear in his eyes. , but it is a very firm determination, and I will not back down no matter what today.

The capital of Chu State is very prosperous, and the vehicles on the street are blocking the street. Even if it is stabbed through, it will take a while, and both sides of the street. They are all hawking shops, with people constantly coming in and out. Even in these places surrounded by city walls, some small traders have set up stalls.

Today is the wedding day for Sima Kongkong, the eldest son of General Sima, and Nalan Rubing. Both of their families have very high status and are people with very prominent backgrounds. Even the king of Chu will attend their wedding today. Wedding, so many people came to join in the fun. In order to ensure the safety of the capital and prevent those enemies from invading the capital today, there were several times more soldiers patrolling today than usual.

Ouyang Zhengxiong walked slowly on the noisy street, but before he had gone far, he was stopped by a pair of patrol teams.

One of the leaders said to Ouyang Zhengxiong: "Stop that man in front of you. Who are you? Why are you walking on the street with a knife? What is your purpose?"

Ouyang Zhengxiong said in a very calm tone. He replied coldly: "I am Ouyang Zhengxiong. I have no purpose. Who said you can't carry knives on the street?"

Chapter 2063

After the soldier who asked the question heard the name, he felt familiar yet unfamiliar. He turned his head to look at his partner who was patrolling with him, and then said to his partner: "Ouyang Zhengxiong.....Why does this name sound so familiar? Have you heard of it? Do you feel the same as me?"

One of the patrol soldiers stood up and said to the soldier leader: "Captain, I heard that the Protector Knight who defeated the Dragon Knight was also named Ouyang Zhengxiong. Could it be that he is the young man in front of me?"

Ouyang Zhengxiong said coldly: "Your guess is correct." "In order to get rid of these patrol videos as soon as possible, Ouyang Zhenxiong stretched out his right hand, and then hit the ground with one hand. Under his powerful palm force, the ground instantly emitted a golden light. When the golden light disappeared, After that, several cracks appeared on the ground. The ground on the street was filled with marble. Different from ordinary street entrances, the road here was extremely solid, but Ouyang Zhengxiong still answered easily. After a few cracks, he didn't even take a breath.

The soldiers were stunned by the golden light emitted by Ouyang Zhengxiong, because this was the essence of the sword energy. One of the soldiers made a very surprised voice: "ah! Could this be the legendary substantive sword energy, the golden sword energy?.....It's really Mr. Qishi."

After several people finished speaking, they quickly knelt down and began to salute Ouyang Zhengxiong.

Ouyang Zhengxiong waved his right hand, then turned around and said to them: "You all get up, there is no need to do such a big thing to me. Li, I'm going to attend Lord Sima Kongkong's wedding. I'm in a hurry, but I'm not very familiar with the roads here yet. Others can leave, leaving one person behind and asking me to lead the way."

These patrolling soldiers followed what Ouyang Zhengxiong said. Except for one soldier who stayed, the other soldiers left. This soldier led Ouyang Zhengxiong without saying a word. It is precisely because of this, The other soldiers on the road stopped blocking the road after seeing Ouyang Zhengxiong. Soon, they arrived at the courtyard of Sima Kongkong's house. Ouyang Zhengxiong waved his hand and sent the soldier away. In front of

Ouyang Zhengxiong's eyes was A very tall mansion, the courtyard is very grand, and in front of you is a cinnabar-colored door. There are two very powerful stone lions outside the door. There are also two very large happy characters on the red door.

There were so many people coming in and out. Ouyang Zhengxiong kept looking at them for several minutes, and the people who could come in and out here were all very distinguished gentlemen. Most of them were famous nobles in the capital, and a few were just Like Ouyang Zhengxiong, there are no officials with outstanding abilities.

Ouyang Zhengxiong stood not far away and watched quietly. It was not until the emperor came here that he quietly left the place and walked into a In the small alley.

As soon as the emperor arrived in front of the Sima Mansion, all the civil and military officials inside began to come out to greet the emperor of Chu. They knelt on the ground one by one, touching their heads to the ground. As long as the emperor who had gone out did not speak, none of them dared to raise their heads, the scene was very shocking.

Words of long live came out from here, rippling in the mansion, and it took a long time to calm down.

About half an hour later, the street started to The gongs and drums were played, and a pair of people in bright red wedding clothes came out. Their faces were full of smiles and looked triumphant.

These people in bright red clothes were the ones who were going. The people of Nalan Rubing's family welcoming the bride, their team was very spectacular, there were more than 100 people who helped to play gongs and drums, plus these accompanying soldiers, there were thousands of people, hiding in the street with great momentum.

There were hundreds of profound warriors surrounding Nalan Rubing's sedan chair in front and behind. Their protection was extremely tight. Even a fly couldn't fly into Nalan Rubing's sedan chair, let alone someone who could rush over. Well, if someone rushes over now, they will definitely be beaten to a pulp by these warriors. No matter how powerful a person is, he cannot resist more than 100 people at the same time. Even if he tries his best to resist, he will be exhausted in the end. I tried my best and couldn't resist it.

When I walked into Sima Kongkong's house, a giant green dragon suddenly flew out of their house. This dragon did not leave Sima's house. If it kept spinning in the sky above Sima's house, It circled, roared, and finally spit out a red couplet with four very large words written on it: "A happy marriage for a hundred years."

After seeing such a spectacular performance, the people on the street suddenly became excited. They all started talking about the big situation. No one has ever had a flying dragon come over to celebrate when they get married. Sima Kongkong was also at this kind of wedding. The first person to do so opened the eyes of all those present.

Chapter 2064

"Behold the dragon....."

"It turns out this is a dragon!"

"Why is this different from the legendary dragon? Doesn't it mean that the dragon looks a bit like a snake? Why does this dragon look like this? He also has a pair of wings that are so big"

"What do you know? This is the dragon from the West. How can he compare with the dragon from the East? The dragon from the East is a very mysterious creature. Until now, few people have seen it. I heard that after becoming a god, you can fight with a dragon. Flying side by side"

"Just stop pretending here. Since you haven't seen him before, don't talk about flying with him here."

"Mom, what is that? Why is he so big"

"Silly boy, that's a dragon"

"Then will she breathe fire and burn us to death?"

"He is the mount of General Sima's son. He is here to guard us. How could he hurt us?"

"When I grow up, I also want to raise a dragon. I want it to fly around with me. I will definitely take my mother to travel around the world."

"What a filial child. Mom believes that you can reach a height like Sima Kongkong. I heard that he is already a dragon knight. There are not many dragon knights in our Chu country."

"Domineering, why are Kong Kong and Miss Nalan getting along so well for a hundred years?"

"Oh oh.....What a happy marriage!"

Suddenly, firecrackers went off in front of the Sima Mansion, and the sound of firecrackers directly drowned out the voices of these people.

Sima Kongkong was in high spirits. Today he was dressed especially festive, wearing a bright red groom's suit. He waved in the air. He raised his hand, and then the flying dragon hovering in the air returned to the Sima Mansion.

This is not the real beginning, it is just a scene used to create an atmosphere before the wedding, but for some people and even some wealthy families, It was already the climax of the wedding. Except for the emperor, no one had ever held such a grand wedding. The wedding team began to enter the Sima Mansion. Just like that, the front door of the Sima Mansion was no longer as noisy as it was just now. The noisy voice in front gradually became quieter, because everyone wanted to go in and see this beautiful bride. In the eyes of these people, Nalan Rubing was just like the eldest princess, a legend.

For the common people, they had no Those who had the opportunity to see these high-ranking officials, especially those with prominent backgrounds like Nalan Rubing and the little princess, as well as Princess Chu Yue, had only heard others say that Nalan Rubing was as beautiful as a fairy, and her temperament seemed to be similar to that of a fairy. The immortal fairy has a taste that transcends the world.

Ouyang Zhengxiong walked out of the alley. He listened carefully to the service, the sound of drums and bursts of cheers, and his expression made his heart tremble. His unhappiness was all on display, and he sneered in his heart. This was not only a mockery of Sima Kongkong's failure, but also a mockery of his own cowardice.

What Sima Kongkong said to Ouyang Zhengxiong kept repeating in Ouyang Zhengxiong's mind. Echoing in my ears:"Two days from now it will be the day that Ru Bing and I get married. It's a pity that the groom is not you. Are you feeling very disappointed now? Remember to come to our wedding. I will definitely give you the invitation. You can also come and help us arrange the wedding ceremony. How about that? I didn't treat you badly, did I?"

"Now that I have made up my mind to make a big fuss here, why should I cower and hide in this alley? I have even lost the person I like. What else do I have to fear now? I can still lose more. What? I won't hesitate this time."

Ouyang Zhengxiong took Hou Yi's bow from his back.

The gatekeepers standing outside the gate of Sima Mansion had noticed Ouyang Zhengxiong, a guy who exuded murderous intent. They shouted at Ouyang Zhengxiong:"That man in front of you, you What are you here for? Why are you carrying weapons?"

Ouyang Zhengxiong ignored them. He took out an arrow from the quiver on her back and put it on Hou Yi's bow.

Those soldiers just wanted to step forward to stop Ouyang Zhengxiong, but Hou Yi's bow This ordinary arrow has turned into a golden arrow. A very great sense of oppression emanates from a body like Ouyang. The kind of numbness that emerges from his body makes people look numb. The momentum made these soldiers feel very scared, and they involuntarily stepped back more than ten steps.

Inside the Sima Mansion, Sima Kongkong and Nalan Rubing were preparing to worship in the lobby. However, the whereabouts of everyone suddenly appeared There was a very strong sense of uneasiness, and they seemed to have been affected by the powerful murderous aura outside.

"Pay homage to heaven and earth....."

"boom....."

When the person presiding over the wedding had just finished speaking the first sentence, a huge thunder suddenly occurred between heaven and earth. Everyone present felt very strange. Some people seemed to have guessed something, because they saw Hou Yi firing his bow. Everyone will remember this distinctive sound of thunder.

Chapter 2065

There was darkness between heaven and earth, lightning and thunder, and the atmosphere of this wedding venue suddenly became very terrifying. What no one knew was that this was actually done by Ouyang Zhixiong, who they thought had no skills at all. Because Ouyang Zhengxiong was like this Time has been hidden very well, and he didn't dare to reveal his abilities until now.

Ten thousand years ago, he had lost the person he loved most. Today, ten thousand years later, he did not want to do the wrong things he had done before again.

Ouyang Zhengxiong's fingertips gently pinched the bow and arrow, and then he let go of his fingers. The ordinary wooden sword strengthened by Hou Yi's bow turned into a sparkling golden arrow. The light of the golden arrow seemed to be able to envelope Everything around him was the same, this golden light rushed directly towards the tall and imposing gate of Sima Mansion.

Under the powerful power of the golden arrow, the gate collapsed.

Ouyang Zhengxiong deliberately adjusted the height of the golden arrow to five or six meters, so it could not hurt anyone, but his purpose was to destroy these majestic tall buildings in front of him. Every building in front of him was affected by this "Golden Dragon", the golden light in front of him drags a long golden afterimage, and he acts recklessly in these buildings. A golden "Dragon Gate" will be opened wherever he reaches."

"There are assassins, there are assassins"

"Come, protect the emperor".....

Everyone in the hall was in panic, and everyone's eyes were full of panic, because they had never seen such a huge momentum, and they still can't figure out who did it. There are assassins infiltrating such a tight imperial capital.

Emperor Chu Han's face changed drastically when he was frightened. Cold sweat kept breaking out from his forehead, and his face turned pale. The queen was so frightened that she grabbed the emperor's hand tightly and kept beating it on the side. cold war.

The eldest princess Chu Yue shouted to everyone very calmly: "Don't get confused, everyone. There are so many of us and there are so many masters here, no one can't deal with it. Don't panic, everyone, calm down."

Chu Yue After the princess finished speaking, she ran to the eel and opened her hands in a fighting posture.

The little princess immediately thought of Ouyang Zhengxiong's appearance when he fired the golden arrow. The appearance of heaven and earth at that time was almost exactly the same as it is now, so he quickly guessed that this person was Ouyang Zhengxiong.

The little princess shouted: "These things were all done by Ouyang Zhengxiong. It must be that bastard. I will remember him even if he turns to ashes."

After the little princess finished speaking, everyone woke up, and then they remembered that this was indeed what the world looked like when Hou Yi successfully fired his bow and arrow. Because the principle of Hou Yi's divine bow is to absorb energy from the sky and the earth, absorbing the energy of thunder, lightning and light, it caused great changes in the world. Except for Ouyang Zhengxiong, almost no one A person can pull the sealed person's bow of Hou Yi. This person must be Ouyang Zhengxiong.

"Hahaha....."A laugh rang out from outside Sima Mansion

"Sima Kongkong, come out quickly. I came to arrange the bridal chamber for you at your invitation. Where are you now? Do you dare not come out after seeing me?"Ouyang Zhengxiong's billowing sound waves were floating in the sky above Sima Mansion and could not disappear for a long time.

The faces of Emperor Chu Han and Princess Chu Yue became very ugly, because what they were worried about finally happened. Ouyang Zhengxiong really used Actual actions proved his dissatisfaction with Chu State, which made the two of them feel very remorseful.

The people attending the wedding in Sima Mansion were all celebrities, and they all knew something about what was going on. Ouyang Zhengxiong this time He came here just to make a big fuss at Sima Kongkong's wedding, and he might also have the purpose of rebelling against the Chu State.

In such a chaotic scene, there was no way for the wedding to continue. At this time, Ouyang Zhengxiong had already walked from the side of the alley. When he arrived at the door of Sima's Mansion, he held two swords in his hand and cut off the generals all the way. Without realizing the fear, he struck directly outside the palace. The long sword in his hand emitted a bright light, and wherever the golden light touched, Someone must have fallen in front of him, and there were broken swords flying everywhere. These people were very frightened even when they looked at Ouyang Zhengxiong.

Ouyang Zhengxiong's powerful sword energy spread across the hall, emitting very powerful power fluctuations. Within a circle centered on him, there will be a very powerful sense of oppression. In the surging energy, Ouyang Zhengxiong seems to have become red-eyed, and there is no room for anyone in her eyes.

These are what she wants to find The warriors Ouyang Zhengxiong rushed over were like giant waves, falling down one after another without any resistance. Among the many masters present, no one could resist Ouyang Zhengxiong. It can be seen that Ouyang Zhengxiong was serious. It was very violent, and the cowardice of the past suddenly disappeared.

Chapter 2066

Seeing the scene in front of him, Sima Kongkong was so angry that he gritted his teeth. He wished he could tear off Ouyang Zhengxiong's life on the spot. Although Ouyang Zhengxiong's momentum was so powerful, Sima Kongkong still tore off the big red fireworks from his chest. He walked outside with long strides.

The guests who were in the hall just now, including the Emperor of Chu, also followed Sima Kongkong to the yard outside the living room. Nalan Rubing was also frightened by Ouyang Zhengxiong's behavior. Her petite body trembled for a while. After hesitating, she finally pulled off the red silk scarf on her head and followed the people in front. Arrived inside the yard.

The eldest princess has just arranged for many well-trained warriors to blockade Sima Mansion. Now Sima Mansion is like a dead city, no one can enter or exit. The eldest princess has made up her mind to kill Ouyang Zhengxiong.

Under the command of Princess Chu Yue, the knights in the Sima Mansion were hoisted to the side of Emperor Chu Han to protect the safety of the Emperor of Chu and prevent the Emperor of Chu from being harmed in the chaotic fight. The little princess Chu Yu also The queen pulled her to her side, and then stood behind the Emperor of Chu.

Sima Kongkong stood in front of Ouyang Zhengyang, pointed his finger at Ouyang Zhengxiong and shouted loudly:"What on earth do you mean? Today is my big day, why did you come to disrupt my wedding? Don't you want to Looking at me, don't you miss Nalan Robin? Have you ever thought about how he feels now?"

Ouyang Zhengxiong's body was covered with blood, and his eyes were very cold, as if there was no emotion at all. Sima Kongkong said coldly:"Don't pretend to play the emotional card for me here. You know why I came here. Why are you still pretending to be here?"

Sima Kongkong's face suddenly became very ugly. Like a stone, his facial expression was extremely stiff. He said helplessly to Ouyang Zhengxiong:"Then what are you going to do now?"

At this moment, a slender middle-aged man stood out from the crowd. He walked out and said to Ouyang Zhengxiong:"Ouyang Zhengxiong, why do you do something stupid? My daughter is getting married today, so you shouldn't come to disturb her. What can you change now? What?"

Ouyang Zhengxiong learned from the nearby words that the middle-aged man in front of him was Nalan Wencheng, Nalan Robin's father. He clasped his fists with both hands and said to Nalan Wencheng very respectfully:"Ru Bing I don't like Sima Kongkong at all. Don't you know Ru Bing at all? If today's wedding is successfully held, Ru Bing will be in pain for a lifetime. You can't bear to let her fall into dire straits for the rest of her life. Among them, he is your only daughter."

Before Ouyang Zhengxiong finished speaking, he was interrupted by the words of others. The first middle-aged man with an imposing manner walked out of the crowd with long strides. : "Guardian Ouyang Zhengxiong, you should understand now what you are doing, and how to make up for the

great disaster you have caused today? My son's wedding was a gift from the emperor. Do you feel sorry for His Majesty's decision? Not satisfied?"

"It turns out to be the famous General Sima. You are so majestic. It seems that you have a big official hat on your head. Hehe, why don't you just say that I am using force in front of the emperor? Have I disturbed the Holy Driver?" After Ouyang Zhenxiong finished speaking, he turned to face Chu Han, the emperor of Chu, and said, "Chu Han, don't forget that what happened in the martial arts field that day was settled by me. If I hadn't come forward to fight, As for the Dragon Knight, I'm afraid the Chu Kingdom is in chaos now, right? Even if you calm down these wars, Chu will still become the laughing stock of other vassal states. Do you think it was so easy for me to fight against the Dragon Knight? That day, I, Ouyang Zhengxiong, sacrificed my life to win the victory. But how did Your Majesty treat me? You clearly know my feelings for Miss Nalan, but you are still iron-clad. I betrothed her to Sima Kongkong. Why do you treat me like this? Am I just a chess piece in your eyes? I am nothing without skill. You even have the determination to kill me. You are feeling something in your heart. What kind of abacus do you think I don't know?"

A minister next to him shouted angrily at Ouyang Zhengxiong: "You are so brave, Ouyang Zhengxiong, how dare you ask His Majesty like this, do you know that you have committed the serious crime of deceiving the emperor? This crime is enough for you. I've died 100 times and I still don't kneel down and beg for mercy."

Ouyang Zhengxiong turned his head, and then acted nonchalantly. He shook his arms and relaxed, seeming to be preparing for the battle ahead. He looked disdainful at the officials in front of him, because he had already I can't stand these people.

Chapter 2067

Ouyang Zhengxiong laughed: "Hahaha....." Then he suddenly became very serious and shouted to the minister who had just spoken: "You tell me to shut up. You are just a dog beside the emperor. Whoever gives you gold, silver, jewelry, good wine and meat, you will help me." Who is talking? Does what I say make no sense at all?"

Ouyang Zhengxiong took a breath, because the anger in his heart was already very strong. He was so anxious that his words were a little incoherent. He wanted to directly talk to the minister who just spoke. Thanks eight yuan, he tried hard to suppress the anger in his heart, and then continued: "Excuse me, what crime have I committed to deceive the emperor? If others respect me, I will respect them, but what does the Emperor of Chu think of me? ? Do you dare to say that he doesn't keep me like a dog? When someone violates me, I will endure it for a while. When I can't bear it anymore, even if the king of heaven comes, I will drag him to hell.!"

When he said this, Ouyang Zhengxiong's eyes burst into flames, as if the fire of anger was about to burst out from his eyes. He raised the long knife in his hand and pointed it at the sky, and a very

bright light shot toward him. The sky rushed over, and the light from the ship illuminated the entire courtyard like lightning, but the surrounding atmosphere was still gloomy, making people feel chilly in their hearts.

Everyone in the courtyard felt a very shocking pressure, and everyone's face was ashen.

Chu Han said: "Ouyang Zhengxiong, I know that you are very dissatisfied with my marriage, but I have no choice. If I change my mind and betroth Miss Nalan to you, wouldn't I be violating my previous agreement? Well, a few years ago, I betrothed Miss Nalan to Sima Kongkong, so....."

Ouyang Zhenxiong's long sneer interrupted the Emperor of Chu's speech. He said to the Emperor of Chu: "Hey, if you say so, do you have to queue up to get married? Don't everyone have to decide their own marriage matters?" "Why is who in the front? You have to decide who is in the bottom. Do you really think that everyone in the world is under your control?"

Princess Chu Yue saw that Ouyang Zhengxiong was speaking in such a disrespectful manner, so she He angrily scolded Ouyang Zhengxiong: "Ouyang, don't go too far in pursuit of the murderer. Don't forget that you are a minister of the Chu State. Is this how a minister talks to the king of a country? How is this decent?" At that time, Ouyang Zhengxiong was the first. When he saw Princess Chu Yue for the first time, he felt that the beautiful woman in front of him was so gentle. She greeted Ouyang Zhengxiong on the way to the capital of Chu State. These actions made Ouyang Zhengxiong's affection for him increase a lot. , but a series of recent events have caused Princess Chu Yue's status in Ouyang Zhengxiong's mind to plummet. Only then did Ouyang Zhengxiong discover that Princess Chu Yue was actually a Machiavellian who would do anything for the benefit of the emperor. Her inner scheming was very deep. , these unpredictable people are often the most terrifying ones.

"Do you think I really want to be here, being watched by you people every day, and why am I afraid of some bullshit samurai? They are clearly here to spy on me, just those rubbish, do you think they can beat me? I don't think I should be the flag of Chu State."

"you.....Even if you are not a minister of the Chu State, you are still a member of the Chu State. Do you want to rebel against your own country? If you do this, won't you feel uncomfortable at all?"

"I haven't told you yet. In fact, I don't belong to any country. I just happened to come to Chu State. If you insist on saying it, you can say that I am a passer-by of Chu State. Chu State is in my country. In my heart, I haven't raised my status to that of my motherland, so even if I do something rebellious, I feel very at ease. What can't we overcome?"

When Ouyang Zhengxiong said this sentence again, he had already regarded himself as a person from ten thousand years ago, but the people present felt very baffled. They couldn't understand what Ouyang Zhengyang said at all, because how could there be such a thing? An individual does not belong to any country unless he or she jumped out of a stone

"I'm afraid it's not me who feels uneasy, right? It's just that some people are willing to throw their good friends into a lifelong nightmare of marriage for the sake of political interests. Is this what you call friendship? Is friendship so worthless in the face of interests? Do you know what a lifetime means? What are you thinking about? When a woman is as beautiful as a flower, she faces someone she hates every day. It is still justifiable for this person she hates to do some unreasonable behavior on her. Please experience it for yourself before doing this. This kind of pain, don't directly push Ru Bing to this idle bastard, what else does he do besides living in a drunken life?"

Chapter 2068

Princess Chu Yue's face changed drastically. She had been poked into her weak point by Ouyang Zhengxiong. What she hated most was that others said that he would do anything for political gain. She angrily scolded Ouyang Zhengxiong: "Even if you have thousands of reasons, you shouldn't. Aren't you afraid of others poking your spine for betraying your country? Your ugly reputation will be spread throughout the ages. If you don't think about yourself, you should also think about your family!"

Ouyang Zhengxiong was not in the mood to listen to Princess Chu Yue. She kept scanning the crowd with her eyes, looking for someone. This person was wearing a bright red wedding dress. She was Nalan Robin. After a while, Ouyang Zhenxiong suddenly found her in the crowd..

Nalan Robin's beautiful face in the past has disappeared at this moment. In a woman's only once-in-a-lifetime marriage, it should have been her most beautiful moment, but now Nalan Robin's face is pale and haggard. look like.

Ouyang Zhengxiong kept exchanging the long knife between his left and right hands, and then he held the long knife in his left hand. His right hand kept waving in the air. As he waved his right hand, it suddenly swayed in the sky. A very strong strange wind blew up, light surged, and a huge golden arm suddenly appeared in front of Ouyang Zhengxiong.

This huge golden arm stretched out towards the crowd, and he swept away Nalan Robin in the crowd at lightning speed. A golden protective cover wrapped Nalan Robin, and then in the strong wind Under this, all Nalan Robin's civil servants who did not understand the method of cultivation were knocked down.

Those who were present with very advanced cultivation all saw that this move was not simple. Their faces were full of surprised expressions. Some people exclaimed: "Whirlwind Dragon Captor".....This turned out to be the long-lost whirlwind dragon capturer!"

All the cultivators were frightened and had a cold war. The secret technique that had been lost for thousands of years was reappeared in the hands of Ouyang Zhengxiong.

Nalan Robin was rolled in front of Ouyang Zhengxiong by this huge golden hand. He looked at this person in front of him. The powerful man actually gave birth to a very strange feeling. The difference between Ouyang Zhengxiong's present and the past is too far. Whether it is his strength or his character, it feels like he is not the same person at all.

Ouyang Zhengxiong looked at it Nalan Robin's eyes said: "Ru Bing, I came today just to take you away."

Nalan Rubing shook her head and gave Ouyang Zhengxiong a very unexpected answer: "No.....I can't follow you....."

Ouyang Zhengxiong said in a low voice: "I have only one purpose here, and that is to come and save you. As long as you hide outside for a period of time, the engagement will be invalid after the expiration date. Then you can return to The imperial capital is over."

Nalan Robin suddenly shouted: "Be careful!!!"

Although Sima Kongkong was stunned by every move Ouyang Jianxiong just made, it still couldn't hide the anger in his heart. The guy in front of me not only disrupted his marriage, he also kissed me in front of his wife, and he even thought that he was like air standing in front of him.

Sima Kongkong was furious. He grabbed a long sword from the guard next to him, and then slashed it directly at Ouyang Zhengxiong. The dark green sword energy emitted by Sima Kongkong made crackling cracks in the air. The sound of emptiness.

Ouyang Zhengxiong pulled Nalan Robin behind him, and then struck him with the long knife in his left hand. A very bright light rushed forward. This bright light emitted very violent energy in the air. And it brought with it a very violent gust of wind, which made bursts of whistling sounds wherever it went. This made everyone present feel very nervous, because the attack range of this knife was too wide.

"Ha ha.....If you want to fight, let's have a good fight. Don't wait around for a sneak attack. Since I, Ouyang Zhengxiong, am here today, I won't think about escaping. I will make a big fuss in the imperial capital today."

The sword energy emitted by Ouyang Zhengxiong collided with Sima Kongkong's sword energy, and a very violent explosion sound was made in the air, and then a very strong energy spread out in all directions. Ouyang Zhengxiong stood motionless on the spot. But Sima Kongkong was pushed back several steps by the energy that had just burst out. The blood in his body began to surge, and his face showed a very abnormal flush.

Even so, he refused to back down. Because he had never lost since he was a child, and if he lost now, he would not have the dignity to live in the future. His two eyes emitted bursts of cold light, and then he raised his sword again and rushed towards Ouyang Zhengxiong. In the air. The sword energy and the sword energy collided vertically and horizontally again. Ouyang Zhengxiong quickly swung his long sword, and then a very dazzling blade of light grew out and flew towards the sky.

#### Chapter 2069

A piece of golden light appeared on Ouyang Zhengxiong's body. He was surrounded by this dazzling golden light, as if he was wearing a piece of shining golden armor. It was like a raging fire was burning around it, creating a very big wave. The sense of oppression made it very difficult for Sima below to breathe. But facing so many high-ranking officials and the person he liked, Nalan Rubing, he could not retreat now. If she retreated now, If he fights, he will lose face in his future life. He can only bite the bullet and directly wash away the sword energy.

He waved his hand and released a sword energy. , the golden light slowly faded, and the force came up, swooped down directly, and made a huge hole in the ground.

Sima Kongkong was shocked and kept retreating. At the same time, he kept raising his head to slash forward, but A group of thousands of thunder phantoms appeared in front of them. Ouyang Zhengxiong kicked down dozens of times at that moment. Under that attack, the sword energy defense was also broken. He also stepped on Sima Kongkong's sword a few times. Next, Sima Kongkong held his two swords tightly to block the attack, but at the same time, he was still unable to bear the attack. Even though he was stepping on a huge piece of marble, he was still blasted several meters underground.

When Ouyang Zhengxiong stepped down hard with his seventh foot, the long knife in his hand was completely shattered and turned into pieces of blades, slowly falling from the sky. Sima Kongkong vomited blood, and his whole body lay flat on the ground. In the pit, at this moment, Ouyang Zhengxiong swooped down and stepped on her in front of her. At this time, Sima Kongkong

regretted it, thinking that if he didn't deserve to die like this, would he have saved face? With such consequences, he had no choice but to block Ouyang Zhengxiong's feet with both hands.

Two sounds of "dong", "dong", "dong", golden light appeared, the breath rolled, Sima Kongkong was kicked dozens of meters, everyone present heard the two crisp sounds, people with more advanced cultivation can find that he was kicked. The hands of Sima Kongkong who was kicked out had been broken by the kick, and they were hanging down below with no strength.

At this moment, Ouyang Zhengxiong exerted his strength with both hands and held the long knife tightly. The extremely dazzling light was like a rainbow piercing the sun, lightning pierced the sky, and a huge energy spurted out.

If that bright light directly hit Sima Kongkong, who was knocked to the ground, she would definitely fall on the spot. At this moment, the people in the palace came, and the emperor's guards and several powerful warriors swooped down and could. As the emperor's bodyguard, his combat effectiveness will never be low. He blocked this powerful sword for Sima Kongkong and avoided death.

The four powerful guards who rushed over stared blankly at the broken swords in their hands, amazed. The power of this sword actually caused the swords in the four of their hands to be broken, and they were almost injured. At the same time, Ouyang Zhengxiong stepped on the ground with a volley, pointing the long knife in his hand towards the sky, golden light surging from his body, and the battle was lingering, and the one who fell on the ground was right? Kong Kong was ashamed.

Because the duel just now was too fast and happened in an instant, if the emperor's four guards hadn't rushed over later, Sima Kongkong would have been dead on the spot.

Although there were many people at the scene who had seen Ouyang Zhengxiong take action, they were still surprised by his shocking fighting power.

Sima Changfeng sighed and murmured, how could he be so reckless? If you don't understand the situation, how can you confront him head-on? How could he be his opponent?

Everyone at the scene was talking about how terrifying it is to practice to such a level. Not only can you slash with sword light, but you can also use long-lost moves...

The little princess was very happy to see it, and whispered in a low voice, there is such a thing as a hero saving a beauty. It really exists, and it happened next to me. Wow, that's so cool. If there was such a person when I got married, who had great fighting power, defeated all the masters, and could stand in front of me handsomely, that would be How wonderful!

Others couldn't hear it, but the queen standing next to him heard it. He knocked on his head. What are you talking about?

The little princess was very aggrieved, pursed her lips and asked: Why are you knocking me?

The queen glared at him, looked around, and whispered into her ear, if you continue to cause trouble and talk indiscriminately regardless of the occasion, I will lock you up and prevent you from coming out for a year, hahahaha , but the little princess laughed and said: I haven't seen you for a few days. I didn't expect this little guy to be so powerful.

At this moment, Chu Yue stood up and accused Ouyang Zhengxiong to everyone in the house, saying: How dare Ouyang Zhengxiong be so arrogant? How dare you rebel in front of the emperor? He also asked all the experts to take action to capture him and let the emperor deal with it.

At this moment, a sound of surprise came from the crowd.

What's going on? Why can't I gather my energy?

Why did you suddenly stop cultivating?

Exclamations came one after another.

At this moment, Chu Yue seemed to have thought of something, her face changed with shock, and she shouted angrily at Ouyang Zhengxiong, how dare you say that someone else poisoned you, you are so cruel!

Chapter 2070

Chu Yue was extremely anxious. He thought in his mind that if they all died of poisoning because of him, what would happen to Chu State. It might be a catastrophe, and the losses caused are unimaginable.

But Ouyang Zhengxiong said disdainfully: They are full of shit and talking nonsense. They just can't gather energy for the time being. What are you worried about?

In fact, Ouyang Zhengxiong still doesn't understand various aspects of human nature. His understanding is not complete enough. In fact, it is no wonder that he is not very big. If so many masters are poisoned, she will choose to do whatever it takes because there is no immediate enemy. , Chu Yue's face instantly turned green, and he shouted loudly: All palace warriors, please obey the order. We must kill this person here at all costs.

At this moment, there are many powerful palace warriors. Ling Kong stepped onto the scene, and immediately, a powerful aura emanated from them. It seemed that he could take action in an instant

, but Ouyang Zhengxiong disdainfully said loudly: Whoever dares to move, believe it or not, I will kill you immediately. It was too late to say, but it was so fast. He stretched out his hand, and the long knife appeared in his hand again, pointing at it. The dozens of people in front of them, the cold sword intent made the people around them shiver. Among the warriors in the palace, there was a tall man with a ferocious face. He should be their leader. He was afraid of saying loudly to the people next to him. , Don't be afraid, everyone, we are together, there is no way he can handle so many of us.

There was a loud noise and rumble in the sky.

The sky was filled with black wind and clouds, accompanied by bursts of thunder, and the long knife in his hand shot straight into the sky. After being baptized by thunder and lightning, the long knife in his hand had become tens of meters long. The sword spirit appeared and chopped it down instantly.

Perhaps in the past, Ouyang Zhengxiong would not have taken action, but now his strength is far beyond what he could compare to before, especially the long sword in his hand, which has been completely integrated with it. The light of the sword spirit makes everyone open their eyes. Without opening the eyes, it made people tremble, and it was powerful in all directions. The angry dragon came out of the sea, and the knife quickly fell in front of the warrior's head and chest. With a scream, the warrior fell, leaving only There was a bloody mist, and the scene was horrific.

The power of this sword was even greater than the one used against Sima Kongkong just now. Following the aftermath, several other warriors also fell down, but they were not killed, but they were still disabled. Many people watching the battle were He fell to the ground. He dared to come forward in a showdown with peak combat power. He would have to live with half his life.

If the emperor in the distance had not been supported by his father-in-law and Chu Yue, he would have been blown away dozens of meters. Little princess, this is After paying for the queen, he collapsed on the ground because he couldn't stand firm. He was so angry that he cursed:"This damn guy, hum, it hurts me to death.

" Everyone fell to the ground and couldn't get up. Only a few extremely real masters stood there resolutely without much damage, but they all stared at Ouyang Zhengxiong angrily, as if they were hunters looking at their prey.

Today, the banquet in the Sima Mansion was filled with celebrities and powerful families. However, they all lost their face under the power of the sword and the place was in chaos.

If one day what happened here were spread to other countries, Then where should I put the face of our great Chu country? I will definitely be laughed at by other countries.

When everyone staggered up from the ground, they dusted off their bodies and glared at Ouyang Zhengxiong, wanting to It was cut to pieces

, but no one in the field made a sound. Everyone stared at the field. The shocking scene lingered in everyone's mind for a long time, especially those palace warriors who still wanted to move forward. Everyone was frightened by this scene and stopped.

Ouyang Zhengxiong swung the long knife in his hand again, and the knife spirit appeared again. No one dared to look directly at his eyes. Finally, he pointed the knife at the person hiding behind In front of the emperor in the back,

Nalan Rubing was horrified, because her back was to Ouyang Zhengxiong, her eyes were looking at Ouyang Zhengxiong's back, and asked what do you want to do, we will die here.

Ouyang Zhengxiong didn't bother to answer her, turned to Chu Han and said: Let's make a deal! Let Ru Bing and I go, otherwise you should know what will happen to the emperor.

Chu Han nodded helplessly: Okay, I really didn't expect things to happen to this point. I let you leave: After saying that, he turned around and yelled at them. Shouting: Let them go,

Sima Kongkong, who was lying on the ground, was furious and her eyes were red. Because she had been seriously injured just now, looking at what was leaving, Chen Xiong was shocked and angry,

vomited several mouthfuls of blood in succession, and was helped and dragged by others. When they arrived outside the court,

Ouyang Zhengxiong raised his long knife and motioned to Nalan Rubing who was here, wanting him to leave the court.

They walked for a while, and when they arrived at the door, Nalan Ruobing raised his head and faced Ouyang. Zhengxiong said: Zhenxiong, I can't go with you.

Ouyang Zhengxiong's head is steady, and he is wondering why

I can't go with you. I don't care about anything. I still have my family. If I leave, I What should my father's family do? They will be ashamed of this and cannot raise their heads. I can't be so selfish.

Ouyang Zhengxiong replied: You know, they just lost some face, and you, do you want to sacrifice your life's happiness? Are you willing? It's not worth it.

Nalan Ruobing looked nervous, looking at the tears in his eyes with some disappointment and asked

:"Do you still remember the Ouyang Zhengxiong of the past? I feel that you and him are not the same person." , I'm so scared, I can't see what I hope for the future, and I can't just think about myself! I still have family and friends.
