

Attributes 2141

Chapter 2141

"Chu Qing, do you have any other options now?"

"Allows us to kill all these vines"

"If it continues like this, there is no solution, they will always split."

After Chu Qing listened to Ouyang Zhengxiong's words again, she shook her head helplessly. She didn't know what to do about this matter.

If she had known she should not have come into this muddy water, now everything has become A pressure.

If the two of them can't bring the little princess back quickly, the little princess will be in serious danger.

"I always think this place is very weird"

"When we came here, we didn't find anything that could become a spirit at all. How come everything here has become a spirit now?"

"Even trees are no exception."

After Ouyang Zhengxiong heard Chu Qing's words, he suddenly reacted.

Chu Qing was right. They didn't notice anything becoming a spirit before they came here.

But when they came here, they suddenly I found that the trees here have become spirits.

What is going on? Is it possible that everything they are experiencing now is an illusion?

"Pumpkin, is it possible that everything we are experiencing now is a dream?"

"Is it possible that this is just an illusion? A fantasy that makes us let our guard down."

After Ouyang Zhengxiong heard Chu Qing say such words, he felt that Chu Qing's guess was not unreasonable.

This is probably an illusion, and the purpose is to trap them all here.

But what should they do? Can this environment be broken?

"What you said makes sense, so what should we do next?"

"What should be done to break this illusion?"

Chu Qing shook her head after listening to Ouyang Zhengxiong's words. She didn't know what was going on.

She didn't even know what was weird about the village here, so how could she know how to get out?

"It's really troublesome. If I had known earlier, I shouldn't have kidnapped that little princess here."

When Chu Qing heard what Ouyang Zhengxiong said, he only knew that Ouyang Zhengxiong had regretted it now.

But now it's too late for Ouyang Zhengxiong to regret it. The little princess has already arrived, and they are now trying their best to inspect the little princess.

If they If the little princess cannot be found soon, I am afraid that the little princess will really be in bad luck.

Ouyang Zhengxiong just complained about this matter, and he has not thought about giving up looking for the little princess. The two of them must now Hurry up and break through the illusion.

Although they don't know who created this illusion, this environment is likely to hinder them from finding the little princess. They don't know how much time has passed.

If this environment has the function of delaying time, Then the little princess's environment is really very dangerous now.

Indeed, after the little princess came to this village, she found that the village was particularly beautiful, with beautiful mountains and clear waters.

She wanted to settle down in this village for a moment, and the little princess was originally A carefree person.

She has never encountered any obstacles at all, so she took the tiger here to quiet down.

But the little tiger still has a certain ability to perceive danger. He knows that the more beautiful the place, the calmer it is. It seemed that there was more danger.

She wanted to take the little princess away from here, but the little princess didn't want to leave at all.

After seeing Xiaoyu so excited, the little princess gave Xiaoyu a slap in the face impatiently

"Be quiet, it's so beautiful here, of course we have to stay here for a while"

"Forget it, I'm a little hungry now, let's go find something to eat first!"

Xiaoyu really felt a little aggrieved after hearing what the little princess said. He just didn't want the little princess to get hurt.

The little princess saved him from Ouyang Zhengxiong. He already regarded the little princess as his daughter. His benefactor, how could he treat the little princess badly?

This place is really dangerous, and his current skills are not as high as before, so he cannot guarantee the safety of the little princess.

That's why he wants the little princess to leave, but The little princess didn't understand his painstaking efforts at all.

He can leave here alone now, but after he leaves alone, the little princess will fall into a more dangerous situation.

So the little tiger has been following the little princess. , wanting to protect the safety of the little princess.

The little princess has no idea about the circuit of the little tiger, and she doesn't know what the little tiger is thinking.

The most important thing is that she doesn't want to know, she is just here all the time. It's just for fun.

The little princess thought that this village was very beautiful and there should be many families.

But what the little princess didn't expect was that there was no one here, and the houses here were still well preserved.

The little princess She didn't know what was going on at all. She just blamed it. Why did everyone here run away for no reason?

Chapter 2142

"Little Tiger, why do you think there is no one in this beautiful village?"

"It's really a waste, so why don't we just rest here today."

The little princess said this to the little tiger in a very happy mood, but after the little tiger heard what the little princess said, he was not in a happy mood.

Because he knew how dangerous this village was, he He doesn't want the little princess to stay here.

But now he can't speak at all, and the little princess doesn't understand what it is going to say.

The two of them can't communicate at all now. Due to different species, neither one knows the other. What exactly is it trying to express?

In this case, the little tiger can only stay with the little princess to ensure that the little princess will not be harmed.

And then, the little princess keeps looking for food in here, very Soon it walked into a woods.

It turned out that there was a woods behind the village, but in this woods, there were many secrets hidden.

Even the people from the previous village who lived here would never Will go to this forest.

But now the little princess doesn't know the situation here at all, so she came to this forest very quickly. After coming to this forest again, the little princess just wandered around here.

But she What she didn't know was that when she came here, she happened to be feeding the other monsters.

When the little princess came here again, the monsters here had already targeted the little girl.

The people here are not easy to mess with, little one. The tiger is most wary of these monsters.

He is a monster himself and is very sensitive to these things.

So when he sensed these things, he wanted the little princess to leave here quickly.

But the little princess didn't understand what the little tiger wanted. What does it express?

Just when the little princess had been looking for food here, she suddenly saw a tree with beautiful fruits.

Everyone has a love for beauty, let alone standing in front of this It was the little princess.

After seeing the fruit, the little princess was immediately moved and soon came to the tree.

She wanted to eat the fruit on this tree. She thought the fruit on this tree was long. She is very beautiful.

If she eats this fruit, it will definitely make her beautiful. No matter what, she will be very happy.

"I want to eat this fruit, little tiger. Go and pick the fruit from this tree for me."

After the little tiger heard what the little princess said, he immediately shook his head and took two steps back.

In fact, his actions were telling the little princess to leave here quickly and don't eat the fruit from this tree.

But the little tiger The princess doesn't know all this at all. The little princess can only eat these things now.

She doesn't see other food at all, and the other food doesn't look good at all.

"Oh, little tiger, just help me. I can't get up, but I will fall down if I go up."

The little princess couldn't help but act coquettishly to the little tiger. After hearing what the little princess said, the little tiger felt sympathy for the little princess.

But he would never help the little princess. Once he helped the little princess, the little tiger would But it's over.

The little princess now knows what the little tiger is thinking. If the little tiger doesn't help her, then she can only find another way.

The little princess climbed up the tree by herself at this time, and the little tiger was a little worried Look at the little princess.

If the little princess continues to climb like this, she will not be able to get down from this tree.

When the little princess climbed up and picked a few fruits, she suddenly realized that she could not get down.

And at this time, The little tiger was also anxiously circling back and forth under the tree, wanting to save her.

But now the little tiger couldn't save her at all. To be precise, the little tiger didn't know what to do.

The little princess was also very worried at this time. , what should she do if she cannot go down smoothly?

But the little princess still trusts the little tiger in her heart. She believes that the little tiger will definitely catch her.

"Xiaoyu, I'm jumping up and down right now, you have to remember to catch me."

After the little princess said these words, she jumped directly without any hesitation.

When the little tiger saw the little princess doing this, he was a little anxious and caught the little princess at once.

Only then did he completely He breathed a sigh of relief, but the next second his heart was lifted again.

Because he saw the little princess eating the fruit into her mouth. No one knew whether the fruit was poisonous or not.

But now the little princess is like this What if the fruit is poisonous after eating it?

But what surprised the little tiger was that nothing happened to the little princess when she ate the fruit.

The little tiger looked at the little princess with a puzzled look. I've heard that the brighter things are, the more poisonous they are. But why doesn't it work in real life?

And at this critical moment, the monsters around here seem to have changed.

Chapter 2143

Almost at this moment, all the monsters attacked the little princess.

And Tiger immediately felt that something was wrong with this matter.

The tiger immediately used all his magic power and roared at the surrounding area.

But after all, he is just a first-level tiger now.

At this time, the little princess also noticed that something was wrong around her.

But now she has no power to change at all, she can only bear this now.

The little princess now finally knows that she is afraid, but now she knows that it is too late to be afraid.

He now had to pay for the words he had just spoken.

The little princess and her little tiger kept running wildly, trying to escape from the forest.

But how could their speed match that of the ghosts? These ghosts are inherently faster than humans.

Not to mention that they have determined that their target is the little princess, and they will not be fooled by anyone or anything.

So the little princess was immediately overtaken by these monsters.

The little princess kept retreating, and the next second she was caught by a stone and rolled twice.

Before the little princess could stand up, she saw countless spirits appearing in front of her and surrounding her.

The little princess was really scared at this time, but no matter how scared she was, she couldn't change what was happening now.

The next second, the monster transformed into a human form and appeared in front of the little princess.

And this figure is the little princess as the annoying Ouyang Zhengxiong.

The little princess's eyes lit up when she saw Ouyang Zhengxiong, but she did not recognize that he was a monster in disguise.

She thought it was Ouyang Zhengxiong who came to save her, because after this monster appeared, other monsters did not dare to come forward.

"Big bad guy, you finally came to save me."

"It really scared me to death. There were so many monsters here just now."

After hearing what the little princess said, Huan Yao really felt that the little princess was very innocent.

He just transformed into someone else at will. He didn't expect that the little princess actually believed in this person so much.

"Yes, my dear Princess, I am here to save you."

"It's really too dangerous here. Why don't you come with me now, but don't let the monsters here hurt you."

The little princess nodded after hearing what "Ouyang Zhengxiong" said, but the next second she felt that something was wrong with what this person said.

Because Ouyang Zhengxiong had never spoken to her like this, and Ouyang Zhengxiong had always liked to quarrel with her.

She She didn't believe that the person in front of her was Ouyang Zhengxiong.

The most important thing was that the little tiger kept biting her skirt and refused to let her go with this man.

At this time, the little princess also reacted immediately. Maybe this person in front of her The person is really another monster pretending to be another monster.

If she says that, then she has no way to move forward.

She must calm down and get out of here.

"No, you're not a bad guy"

"who are you? The bad guy wouldn't come to me so soon."

"And the big bad guy would never talk to me like this. Who are you?"

After Huan Yao heard what the little princess said, he didn't expect that the little princess would see through his identity so quickly. He originally thought that the little princess wouldn't see through it so quickly.

But now it seems that he underestimated the little princess. Got it

"It seems that you are quite smart and I didn't lie to you."

"Well, it just so happens that I don't want to play this kind of house game with you."

After the phantom demon said these words, it directly replaced its prototype.

It turned out that this phantom demon was the phantom demon that trapped Ouyang Zhengxiong and Xigua in the formation.

He had no prototype at all, and his so-called prototype was just It was just a black mist.

After the little princess saw this black mist, she couldn't help but take two steps back in fear. She really wanted someone to save her now, no matter what the price she had to pay.

At the critical moment, When the little princess was about to be killed by this phantom demon, Ouyang Mingyue and Wei Tianyu appeared here.

"Ouyang, take the little princess out of here quickly."

Wei Tianyu was also very anxious about what he said to Ouyang Mingyue, because now it seemed that the little princess was very frightened.

Ouyang Mingyue nodded after listening to Wei Tianyu's words, and then took the little princess away..

But the phantom demon finally found something to eat, so how could it let the little princess go so easily?

"Just because you want to save her? It's simply wishful thinking."

After saying this, the phantom demon directly exerted its power, and his body once again dissipated into a cloud of smoke.

But at this time, because its body was not an entity, but a cloud of smoke, Wei Tianyu could not find it at all. A place that can be attacked.

Wei Tianyu felt that it was very difficult at this time, so he could only put down the sword in his hand temporarily and began to recite the spell silently. He put up a protective shield for Ouyang Mingyue and the little princess, so that the smoke could not easily approach them..

Chapter 2144

After Ouyang Mingyue saw Wei Tianyu acting like this, she also knew that if they didn't deal with the monster in front of them, they would die.

I'm afraid they won't be able to leave here safely.

If that's the case, then they don't have to wait any longer.

They can only start to prepare these slowly.

"Tianyu, it seems that if we don't deal with this monster, we won't be able to take the little princess away."

"In this case, let's put the little princess aside and let's deal with this monster first."

After listening to Ouyang Mingyue's words, Wei Tianyu knew that this move was very dangerous.

But now apart from this method, they could not find a better way.

Ouyang Mingyue and Wei Tianyu put the little princess under a protective cover Here, let her temporarily stay away from this struggle.

But the little princess is very worried about Ouyang Mingyue and Wei Tianyu, and she wants to go up and help them.

But the little princess knows that she can't help them at all. Even if she rushes out now, she can only give them To cause trouble.

At this time, Ouyang Mingyue and Wei Tianyu started fighting with the smoke in front of them. Although they were both proud disciples of Shenfeng Academy, they were only studying in the academy after all. They don't have much practical experience.

The people they usually meet are always gentlemen. Gentlemen will not be cruel or poisonous.

But this time is different. What they encounter is a monster, and the monster only wants to cure them. If they die, there will be no way for them to retreat.

Ouyang Mingyue and Wei Tianyu simply don't realize this now. If they don't realize this, they will definitely not be able to defeat this monster. It's very difficult for them to defeat this monster.

Obviously, Wei Tianyu and Ouyang Mingyue didn't understand how terrifying the phantom demon in front of them was.

Soon, Ouyang Mingyue was knocked down by the phantom demon. After Wei Tianyu saw this scene, he immediately looked at Ouyang Mingyue.

"Ouyang, how are you?"

After hearing Wei Tianyu's words, Ouyang Mingyue shook her head and forced herself to stand up.

No matter what? The two of them must successfully escort the little princess out of here, and they must not let anything happen to the little princess.

"This monster is very difficult to deal with. The two of us alone can't handle him."

"The most important thing for us now is to take the little princess away from here quickly, instead of fighting the monsters here."

Wei Tianyu nodded after listening to Ouyang Mingyue's words. Although he said so, they can't escape from here at all now.

Wei Tianyu and Ouyang Mingyue couldn't help but put down the swords in their hands, and started using their hands as momentum. Draw the talisman.

This talisman is just useful for the phantom demon in front of him, but it is a pity that the time they spent studying the talisman is too short.

Ouyang Mingyue and Wei Tianyu's talisman is exactly what the phantom demon often experienced before, so he can't do it now. He was not afraid of these talismans.

The phantom demon immediately pushed Ouyang Mingyue and Wei Tianyu to the little princess's protective shield.

The phantom demon came in front of them with a ferocious smile, and it looked as if he wanted to eat these people alive.

The little princess After seeing this scene, I knew that it was because of her that Ouyang Mingyue and Wei Tianyu became like this.

Otherwise, Ouyang Mingyue and Wei Tianyu would still be fine now, and they would not have experienced what they are experiencing now.

The little princess, at this time, I really feel that she has been causing trouble to others.

Whether it was when she was in Chu or after she came out, she never felt like this before, because Ouyang Zhengxiong has been protecting her.

Ouyang Zhengxiong's strength She is very powerful and will not allow anyone to hurt her.

And Ouyang Zhengxiong will never be hurt. That is not the case now. The two people in front of her are just ordinary students of Shenfeng Academy. The little princess couldn't help but cry. When she cried, her crying was very pitiful, and the pear blossoms brought rain.

But now no one would pity her at all, and the monster just wanted to eat her alive. At this time, when the phantom monster faced Tianyu, Ouyang Mingyue and Song Zhongji , this tiger blocked the attacks on Ouyang Mingyue and Wei Tianyu at once.

Xiaoyu knew that Ouyang Mingyue and Wei Tianyu were here to save the little princess, as long as they could survive, the little princess would also be able to survive, and his biggest The wish is for the little princess to live safely and safely.

After seeing what happened to Xiaoyu, the little princess couldn't bear it anymore and burst into tears.

At this time, all four people present except the little princess Seriously injured.

They couldn't escape at all. If no one came to save them, I'm afraid they would have died in this village.

"I didn't expect you to be of mixed white tiger blood. What a pity."

"To be associated with these weak human beings"

"If you are willing to be loyal to me, I promise not to hurt you, and I will definitely heal your injuries."

After Xiaoyu heard what Huan Yao said, she turned her head away with some difficulty.

Chapter 2145

He would not associate with the ugly monster in front of him. He wanted to protect the little princess.

Xiaoyu took a fancy to the cloud of smoke in front of her and roared loudly.

He had already shown his attitude, and this Chu Qing after seeing Xiaoyu being so ignorant.

I don't want to keep this tiger demon anymore, if I keep him.

When the tiger demon grows up, the tiger demon will definitely become a bullshit in the future.

"I didn't expect you to be so ignorant"

"Obviously we are the same kind, but you are willing to bow down to a lowly human being"

"Okay, now that you have made your choice, I will fulfill your choice."

After the phantom demon said these words, he started to send fatal blows directly to Xiaoyu.

The little princess was annoying, and she burst into tears after seeing this scene. None of them wanted anything to happen to Xiaoyu.

They were protected by Xiaoyu just now. That's why they survived. If something happens to Xiaoyu now, they have no way to explain to the little princess.

And if something happens to Xiaoyu, they have no way to walk away from here.

But there is no possibility for them to move now, if they want to move , it is too difficult.

They are now seriously injured and have no way to continue to fight against this Chu Qing.

Now they can't wait to appear in front of them immediately, and the two gods will come to save them.

No matter what price they pay, they will Thank this person very much.

Just when the three of them wanted someone to save them, Ouyang Zhengxiong had already appeared here. Just now, Ouyang Zhengxiong and Chu Qing had been thinking of ways to cut off the vine.

But they forgot, If this is really a certificate exchange, it can only be said that they are now trapped in their inner demons.

As long as they calm down, they will no longer be disturbed by the illusion array.

"Ouyang, I thought about it. As long as we close our eyes, we shouldn't be disturbed by this phantom array."

"These should be evil thoughts inspired from our hearts, and nothing will happen to them."

After Ouyang Zhengxiong heard what Chu Qing said, he felt that Chu Qing was right.

Now besides Chu Qing's method, they had no other way. They could only take a chance.

The next second, Ouyang Zhengxiong and Chu Qing just threw their weapons to the ground, closed their eyes and began to chant silently.

They must break through this illusion now, and they cannot let this illusion continue to surround them.

Soon, when they put down all their weapons, Sure enough, they appeared in the village the next second.

After they appeared in the village, they immediately noticed something strange in the woods behind them

"There are people in the woods, and there is a serious storm"

"Maybe the little princess is there now, and she is in danger now."

After Chu Qing heard Ouyang Zhengxiong's words, he nodded, and the two of them immediately ran towards here.

When they came here, they happened to see the phantom demon trying to kill Xiaoyu.

Since the two of them had already arrived here, of course it was impossible for the phantom demon in front of him to succeed.

Ouyang Zhengxiong threw his sword over at once, resisting the phantom demon's attack.

And the next second, Ouyang Zhengxiong and Chu Qing appeared in front of these three people. In front of her.

She looked like a savior.

The little princess was very excited after seeing Ouyang Zhengxiong coming.

"Big bad guy, you're finally here"

"You are about to kill him, he hurt Xiaoyu."

After Ouyang Zhengxiong heard what the little princess said, he felt very sad.

But I have to say that the little princess's current appearance of pear blossoms with rain is indeed very beautiful.

"Okay, I'm in a fight now, can you please be quiet."

After hearing what Ouyang Zhengxiong said, the little princess was a little angry, but she also knew that now she had to rely on Ouyang Zhengxiong to go out.

"I didn't expect two more people to die. Do you two also want to kill me?"

After Chu Qing heard what Huan Yao said, her red lips curled up.

It seemed that she didn't take the Huan Yao in front of her seriously at all.

After Huan Yao saw Chu Qing, he was immediately fascinated by Chu Qing.

Chu Qing is taking the route of being a lonely beauty, and it is true that Chu Qing is very beautiful.

"I didn't expect that a beauty like you would be so sexy."

"Beauty, if you surrender to me, maybe I will consider letting you go."

After hearing what Huan Yao said, Chu Qing frowned slightly, and the next second his eyes showed strong murderous intent.

Chu Qing didn't say anything more to Huan Yao, and just hit her with her long sword..

And after Ouyang Mingyue and Wei Tianyu saw Chu Qing appear, they both understood that this person was Chu Qing who had always been in the same class as them.

They may not be able to defeat the phantom demon in front of them. Is Chu Qing really sure?

They have never cared about Chu Qing, and they don't know how powerful Chu Qing's cultivation is.

And they don't know how abnormal Ouyang Zhengxiong's strength is, so they are always worried about this matter here.

Chapter 2146

But the little princess believed in Ouyang Zhengxiong very much. She believed that Ouyang Zhengxiong could definitely defeat the phantom monster in front of her.

After Ouyang Zhengxiong saw Chu Qing rushing forward, he held his sword and stood aside. He knew that Chu Qing was very powerful.

The phantom demon in front of him was no match for Chu Qing.

Therefore, Ouyang Zhengxiong never thought of taking action. Instead, he walked to Ouyang Mingyue and Wei Tianyu.

"You two take a good look, this is the truly outstanding disciple of Kamikaze Academy."

"You two are nothing but scum."

Ouyang Mingyue and Wei Tianyu were very angry after hearing what Ouyang Zhengxiong said.

They wanted to teach Ouyang Zhengxiong a lesson, but they calmed down.

Because they saw that Chu Qing had indeed been fighting against the phantom demon, and the phantom demon They were also defeated by Chu Qing.

At this time, Ouyang Mingyue and Wei Tianyu had already convinced Chu Qing from the bottom of their hearts.

They felt that Chu Qing was really very powerful.

If it had been them, they would have been beaten long ago. How could the phantom demon in front of him be defeated until now? The two of them have always been proud of heaven, but they did not expect that in addition to senior brother and Leng Shijie, there are people in the academy who are better than them. Those with higher cultivation levels.

Ouyang Mingyue and Wei Tianyu's eyes slowly became fiery at this time.

They wished they could go over and fight Chu Qing now, but they were seriously injured now.

Ouyang Zhengxiong noticed that someone was attacking them. Come on, there is no protective cover here in the next second. At the same time, he reaches out and draws out his long sword and fights with the sneak attacker behind him.

Ouyang Zhengxiong slowly stands firm and looks at the attacker in front of him. This thing.

The one who attacked him was a fox, and this fox was obviously with the Phantom Demon.

Sure enough, this fox had already spoken.

"I didn't expect you humans to be so cunning."

"I can make my master stumble on you, but don't be complacent, you will never be able to deal with my master."

After Ouyang Zhengxiong heard what the fox said, he felt that what the fox said was very interesting.

How could they not be able to defeat the phantom demon in front of them? Didn't you see that Chu Qing had defeated the phantom demon steadily?

"Little fox, I advise you to change your master quickly. Look at your master now."

"He was defeated by a woman, but he still had the nerve to say he would win."

After hearing what Ouyang Zhengxiong said, the little fox showed a strange expression on his face.

It seemed that all this was their plan.

At this time, Ouyang Zhengxiong also noticed that something was wrong. If Chu Qing continued to chase the phantom demon If we fight,

I'm afraid Chu Qing will really fall into the trap of the phantom demon.

"Chu Qing, be careful."

After Chu Qing listened to Ouyang Zhengxiong's words, she became distracted. In fact, she had realized what the phantom demon in front of her was going to do.

So he had been carefully cooperating with the phantom demon, just to see what tricks the phantom demon was going to play.

But Unexpectedly, Ouyang Zhengxiong's sudden voice caught her off guard.

Fortunately, she reacted quickly and escaped the phantom demon's attack just now.

But I have to say that Ouyang Zhengxiong's voice just now really startled her. , if possible, she hoped that Ouyang Zhengxiong would stop talking.

"I'll take care of it myself, don't bother me now."

Chu Qing's voice was full of coldness and killing intent. It seemed that he would not be willing to kill the phantom demon in front of him.

After hearing what Chu Qing said, Ouyang Zhengxiong slowly He felt relieved.

Now it seems that Chu Qing has seen the phantom demon's strategy, and he will never let the phantom demon succeed.

After hearing what Chu Qing said, the fox was very surprised, and thought about it the next second She wanted to help the phantom demon.

Of course it was Ouyang Zhengxiong. How could he let her leave?

Ouyang Zhengxiong immediately reached out to stop the little fox and pinched the little fox's back.

"You actually want to help him, so forget it."

"It's fair to beat them up, so don't go there again."

After hearing what Ouyang Zhengxiong said, the little fox immediately began to struggle violently.

But Ouyang Zhengxiong would never let him succeed.

Ouyang Zhengxiong immediately grabbed the little fox and said nothing at all..

He looked at the fight in front of him and felt that the fight was very exciting.

And he felt that Chu Qing's cultivation level was getting more and more advanced now. If he continued to practice at Chu Qing's level,

Chu Qing's future cultivation level would definitely be It will become more and more profound, and Chu Qing will definitely become more and more powerful.

Now that Chu Qing has reached this point, I believe that Chu Qing can definitely surpass the strong men in the world in the future.

In the near future, there will also be another A strong man.

The eyes of Ouyang Mingyue and Wei Tianyu are getting darker and darker. If possible, they would like to go up and ask for advice now.

But the current situation cannot allow them to do whatever they want.

They can only wait until they successfully rescued this place. Only then can we continue with the next thing.

Chapter 2147

The phantom demon in front of him was obviously no match for Chu Qing.

Although the phantom demon has been practicing for hundreds of years, he is just a demon.

Moreover, what he took was not the right path at all. He took many shortcuts and swallowed up the hearts of many people.

When he really encounters decent people in the true sense of the word, he can't defeat these decent people.

What's more, she met Chu Qing, a master of righteousness.

Chu Qingdao has a stable heart, and she is considered one of the best among the decent sects.

Now even if Ouyang Zhengxiong stands in front of Chu Qing, he may not be sure that he can completely defeat Chu Qing.

"You monster, I advise you not to continue resisting."

"If you continue to resist, it will only become more and more disadvantageous for you."

After hearing what Chu Qing said, Huan Yao also knew that the current situation was very unfavorable to him.

He must find a way to escape now, otherwise he will die here.

"Unexpectedly, the little beauty is not only beautiful, but also has excellent martial arts skills."

"I really envy and admire him."

Chu Qing frowned after hearing Huan Yao say such words. She really wanted to kill the arrogant person in front of her now.

"Originally, I wanted to let you go, but now it seems that you are seeking death."

After Chu Qing said these words, she directly hit the phantom demon. The phantom demon had no way to deal with it now. Chu Qing rushed towards her.

At this time, Ouyang Zhengxiong had been holding him in his hand. The little fox raised its head and bit Ouyang Zhengxiong.

Ouyang Zhengxiong let go of the little fox in pain, and the little fox immediately attacked Chu Qing.

After Chu Qing noticed the arrival of the little fox, he immediately Seeing the light, he chopped the little fox to death.

After seeing the little fox being killed, the phantom demon seemed to be going crazy.

He never thought that the little fox would end up in such a situation in order to protect him.

"You actually killed him, how dare you hurt her?"

"I must make you pay the price."

After Chu Qing heard the words of the phantom demon, she was not afraid at all.

The technique she practiced can be regarded as the most domineering technique in the world.

She has the attribute of thunder and lightning, even the sword in his hand, once the real If she displays it, it will also attract thunder.

But she has never shown these things in front of the people in the academy, so the people in the academy simply think that she is practicing swordsmanship.

"Yeah? I just want to see how powerful you are."

After Chu Qing said these words, she took out her long sword.

The next second, Chu Qing started to use her attributes.

Immediately, a thunder struck in the sky, and a thunder slowed down. Slowly descended from the sky and came to Chu Qing's long sword.

After seeing this scene, Ouyang Zhengxiong and others looked at Chu Qing in surprise.

None of them expected that Chu Qing was still hiding With this move, Chu Qing actually had such a high ability.

Just when Chu Qing was doing these things, Lengqing, senior brother and people from Shenfeng Academy had already arrived here.

But they did not go out because they wanted to Let's take a look at how powerful Chu Qing is.

They knew that Chu Qing was a very good person and a very hard-working student.

But they didn't expect that the current Chu Qing had completely surpassed their scope.

It turned out that, All this time, Chu Qing has been hiding his strength

"I originally wanted to keep this matter hidden from him, but I didn't expect that I can't do it now."

"But anyway, letting you die first in my thunder and lightning can be regarded as a reward for you."

After Ouyang Zhengxiong heard Chu Qing say such words, he really felt that Chu Qing's mouth was very poisonous.

Who would think that dying by someone else's sword would be a reward?

And after hearing what Chu Qing said, Ouyang Zhengxiong After these words, he didn't care whether he was injured or not.

The moment Chu Qing killed the little fox, his heart died.

The little fox had been with him for hundreds of years, and he had already He regarded the little fox as his family.

But the woman in front of him killed the little fox in one fell swoop. He would never let Chu Qing go.

The next second the phantom demon also began to glow with its attributes.

It turned out that The phantom demon has a wood attribute, and all the trees present will be controlled by it.

But these wood attributes are nothing to Chu Qing's thunder attribute.

With the sky thunder, she can restrain this wood attribute.

Then. As the battle between Chu Qing and Huan Yao escalated, the scope of the impact became wider and wider.

At this time, Ouyang Zhengxiong had to take out his long sword to resist the sword energy brought by Huan Yao and Chu Qing.

Protecting Ouyang Mingyue and Wei Tianyu Others will not be affected by this.

Soon, Chu Qing directly knocked the phantom demon to the ground.

At this time, Chu Qing's long sword was placed on the phantom demon's neck, and it seemed that he could kill the phantom demon directly in the next second.

At this time, the little princess was very happy. The sister in front of her was really amazing.

Chapter 2148

The sister in front of me actually defeated this Chu Qing so smoothly. She can avenge Xiaoyu properly.

"Wow, sister, you are so powerful. Kill him quickly and avenge Xiaoyu."

After Chu Qing heard what the little princess said, he just glanced at it lightly, but did not put all his eyes on the little princess. At this time, other people and teachers from Shenfeng Academy all appeared. In front of Chu Qing.

Their eyes fell on Chu Qing with complicated eyes. For some reason, Chu Qing has been hiding his strength all these years.

But the senior brother's eyes on Chu Qing became more and more passionate. When he didn't know Chu Qing's cultivation, he felt that Chu Qing was an extremely smart person.

When he really learned about Chu Qing's cultivation, he felt more and more that Chu Qing was a treasure.

Now he really wanted to follow him Chu Qing had a good sparring session.

The senior brother's gaze was seen by Leng Qing. There was no doubt that Leng Qing misunderstood the senior senior brother and Chu Qing.

After seeing Chu Qing like this, Leng Qing felt that Chu Qing was simply trying to please others.

"Since you have such strength, why didn't you show it earlier?"

"Why have you kept this matter hidden? Does taking action at this time make you look powerful?"

Lengqing said this to Chu Qing in a very sharp tone.

After hearing Lengqing's words, Chu Qing looked at Lengqing with a murderous look.

She had just fought against the phantom demon, and the murderous intent in her eyes was still there. It has not completely faded.

There is no doubt that Chu Qing's eyes are very scary now. Even the teachers of Shenfeng Academy would shiver in fear when facing such eyes. Not to mention cold feelings, this kind of protection is very A good student.

Leng Qing was frightened and took two steps back, but she felt very embarrassed.

Ouyang Zhengxiong stood up at the critical moment and put the little princess and Ouyang Mingyue and Wei Tianyu in front of the people of Shenfeng Academy

"Now I have given people to you and come out"

"I didn't expect that your Kamikaze Academy has such an upbringing. Not only did you not thank us, you also interrogated Chu Qing as if he were a prisoner."

The teacher reacted immediately after hearing what Ouyang Zhengxiong said.

Now there is an outsider like Ouyang Zhengxiong present. If word spreads, it will be very bad for the reputation of Shenfeng Academy.

"Chu Qing, I really need to thank you for this."

"If it weren't for you arriving in time, I'm afraid the three of them would have been in danger long ago"

"But as for your cultivation, we still need to discuss it carefully after we return to the academy."

After Chu Qing heard the teacher say such words, she ignored the teacher. She kept looking at the phantom demon under her sword.

At this time, the teacher also understood what Chu Qing meant. Now this phantom demon can no longer Continue to stay.

But we cannot let the Phantom Demon die so easily. We must investigate clearly what happened in this village.

"Chu Qing can't kill the phantom demon now"

"This village definitely did not become like this for no reason. We must find out what happened in this village."

Chu Qing's eyebrows drooped slightly after hearing the teacher's words.

She was annoyed that others spoke to her in such a commanding tone, and it looked like she was a servant.

And after hearing the teacher say such words, Huan Yao , a wicked smile appeared on the corner of his mouth

"If you want to know things from my mouth, you are simply talking nonsense."

Before everyone could react, what did Huan Yao mean? The next second, Huan Yao bumped directly into Chu Qing's sword.

When they saw Huan Yao die on Chu Qing's sword, they were all very surprised.

Why? I didn't expect that the phantom demon would suddenly do such a thing.

And Lengqing seemed to have caught Chu Qing's handle at this time.

"Chu Qing, didn't you hear what the teacher said just now?"

"Don't hurt this phantom demon. Why did you just kill the phantom demon?"

After Chu Qing heard Leng Qing's words, she looked at Leng Qing coldly.

Then, she slowly raised her sword, and the sword energy was directed towards Leng Qing.

"I didn't hear clearly what you just said. If you have the ability, say it again."

Leng Qing choked up immediately after hearing what Chu Qing said.

She didn't expect that Chu Qing would dare to direct his sword energy at her in front of so many people.

"what do you mean? Am I right?"

"Just now, the teacher clearly said to save the life of the phantom demon, but the next second, the phantom demon died directly on your sword."

"Shouldn't you explain this matter carefully?"

Chu Qing felt really irritable after hearing Lengqing say these words.

The reason why she was unwilling to use the lightning attribute was because she was extremely irritable every time after using it.

It was easy to Vent her emotions on others.

She still can't control the lightning properties well, which brings side effects to her.

And Ouyang Zhengxiong is also aware of this matter now. If Lengqing continues to talk, I'm afraid Lengqing will die. Chu Qing's sword was on.

Chapter 2149

Ouyang Zhengxiong suddenly stood up from beside Chu Qing

"I said it would be better for you to accept it as soon as you get along."

"If it weren't for Chu Qing's advanced cultivation, I'm afraid all the people here would be dead."

"Even if you come here, what's the use? They are just here to collect the bodies for us."

Ouyang Zhengxiong's words have directly shown how dangerous their situation just now is.

Leng Qing is now a little angry and has taken a liking to Ouyang Zhengxiong.

She didn't expect that there would be someone helping Chu Qing to speak? These Everything is clearly Chu Qing's fault.

Why do they all speak for Chu Qing? Could it be that Chu Qing's cultivation level is high now?

One day, she will surpass Chu Qing's cultivation level, and there will be no more Someone is pressing on her head

"What do you mean?"

"Are you accusing us of being late? Who knew you would be in this village?"

"Shouldn't the little princess of Chu State be blamed for this matter?"

"If it weren't for her running around, would everyone be in such a dangerous situation?"

The little princess originally had no good impression of Leng Qing. When she heard Leng Qing accuse her like this, she disliked the woman in front of her even more. She always felt that the woman in front of her was very fake.

"What do you mean?"

"Do you want to put all the blame on me now?"

"Who do you think you are to accuse me like this?"

"Let me tell you, not even my father, the emperor, and my mother have ever accused me like this. You really think you are the king of heaven."

The little princess was so angry that she was about to explode. She had never said such a thing before.

But now she really couldn't stand the woman in front of her, and not only was she angry at Chu Qing.

Now she actually said that about herself, no? Teach this woman some lessons. This woman will never learn to be good.

After Ouyang Zhengxiong heard the little princess say such words, he burst into laughter next to him.

He felt that the little princess's words were the best he had ever heard. The last sentence she heard was that she originally thought the little princess's words were very venomous. She didn't like to listen to the little princess's words, but it turned out that he was just trying to separate people.

The little princess and Leng Qing started to fight like this.

But no one present dared. What's more, the most important thing now is to leave this village quickly.

If you continue to stay here, other accidents are likely to happen.

The best way is to leave quickly and get out of the current predicament.

"That's enough. Stop talking."

"Don't you think it's embarrassing enough?"

"Why don't you hurry back to the academy."

In the end, it was the teacher who came forward to suppress the situation.

The group of people stopped arguing and returned to Kamikaze Academy.

After returning to Kamikaze Academy, the little princess was no longer in the mood to continue playing around.

Because she Knowing the current situation, it is very unfavorable for her.

Now she has to rely on the people from the Kamikaze Academy to send her back to Chu. She cannot offend the people from the Kamikaze Academy.

And she doesn't have the courage to really offend her now. The people of Divine Wind Academy, the people of Divine Wind Academy have power in the mainland after all.

She still knows very well in her heart that if she offends the people of Divine Wind Academy at this time.

I am afraid that after returning to Chu Kingdom, her father will also She would not let him off easily.

After returning to Kamikaze Academy, the little princess immediately went to find the teachers at Kamikaze Academy.

She knew that she had done something wrong, and she could not face these people with confidence.

Moreover, she also implicated Wei Tianyu and Ouyang Mingyue.

"Little princess, why are you here?"

"Has anyone caused trouble for you again?"

The teacher knows that the little princess now lives in Kamikaze Academy, and many people don't like the little princess.

Especially what happened in the village before has made the little princess a thorn in their side.

And the little princess listened to the teacher's words After that, she shook her head. Even if those people didn't like her, they couldn't do anything to her. After all, her father was the emperor of Chu.

"No teacher, I just want to ask you about Ouyang Mingyue and Wei Tianyu"

"How are the two of them doing now? It was all because of me that the two of them were implicated."

The teacher was really surprised after hearing what the little princess said.

She didn't expect that the little princess would actually think about Ouyang Mingyue and Wei Tianyu. It seems that the previous rumors that the little princess was arrogant and unreasonable were untrue.

In her opinion Come on, the little princess is indeed rather arrogant and unreasonable, but she can still distinguish right from wrong.

"It turned out to be because of this incident"

"The little princess doesn't have to worry about this matter"

"Ouyang Mingyue and Wei Tianyu have been recuperating now and will get better in a few days."

The little princess nodded after hearing what the teacher said.

After hearing the teacher's words, she felt much more relieved.

"Teacher, I'm really sorry that I have brought so much trouble to Kamikaze Academy during this time."

Chapter 2150

The teacher became even more surprised after hearing the little princess' confession.

Unexpectedly, the little princess would actually take the initiative to admit her mistake. It seems that the previous rumors about the little princess are indeed false.

"Little princess doesn't have to be like this"

"What happened before was not entirely your fault."

"Besides, what I said before is indeed that Lengqing was a bit exaggerated. You should not be as ignorant as Lengqing."

"Before you, Lengqing was the most popular girl, but now there is such a big gap, and she can't accept it for a while."

The little princess nodded after hearing the teacher's words. With these words of the teacher, she has nothing to worry about, and she will no longer feel guilty in her heart.

After the little princess leaves here, She let out a long sigh.

In fact, she was not unreasonable, but she didn't want to fight for anything. It was enough for

Chu State to have Princess Chu Yue. Compared to that kind of princess in Mingshi.

She wanted to be one more Free and carefree public rental.

Therefore, she has always followed her own heart and never compromised on anything.

And she has never really looked down on anyone. She feels that everyone is the main subject in life.

Everyone should be looked up to.

The little princess put on her bright smile again the next moment, and did not continue to think about these things at all.

These things are not what she should consider, these things should be considered by the people of Chu.

And At this time, Ouyang Zhengxiong had been observing the little princess's behavior. He found that the little princess was not like the ones he had encountered before.

Now the little princess has begun to grow up slowly. I really hope that this journey will be good for her. There has been a great improvement.

Chu Qing has also been by Ouyang Zhengxiong's side.

She found that Ouyang Zhengxiong seemed to have put all his eyes on the little princess.

She also said that there was nothing between him and the little princess. If this continued , he and the little princess will definitely fall in love

"Okay, don't look any further, the little princess is already gone."

"If you really want to see it, wouldn't it be better to go directly to her?"

After Ouyang Zhengxiong heard Chu Qing say such words, he glanced at Chu Qing with some confusion. He didn't understand why Chu Qing said such words. He was just looking at the state of the little princess.

Why did he always Do you think what Chu Qing said is so ambiguous?

"Why do I always feel that something is wrong when you say this?"

"I just wanted to see her current state and didn't think about anything else."

After Chu Qing heard Ouyang Zhengxiong's words, she nodded casually and waved her hand, indicating that Ouyang Zhengxiong did not need to explain so much to her.

Anyway, these things are not her responsibility. What is the relationship between her and Ouyang Zhengxiong? nothing

"I won't tell you so much here. I have to go back to practice as soon as possible."

After Ouyang Zhengxiong heard that Chu Qing was going back to practice, he turned all his attention to Chu Qing.

"Why are you so anxious to go back to practice?"

"Obviously your strength is already very high now."

After listening to Ouyang Zhengxiong's words, Chu Qing set her sights very far away.

Her current cultivation level is indeed very high in Shenfeng Academy, but looking at the entire continent, there are many people with higher cultivation levels than her..

What she wants to see is the entire continent, not Kamikaze Academy

"My current strength is still far behind those top masters."

"I must try my best to catch up with them and make myself an admirable immortal king."

After Ouyang Zhengxiong heard what Chu Qing said, he smiled like a breeze.

In his opinion, Chu Qing will become an admirable immortal king sooner or later. It is just a matter of time.

Now Chu Qing is not only He is smart and works so hard. Given time, Chu Qing will definitely become a great person.

"Chu Qing, I really didn't expect you to have such great ambitions"

"In this case, can you tell me about your cultivation?"

"Maybe I can give you some advice."

After listening to Ouyang Zhengxiong's words, Chu Qing nodded seriously. As long as it was about cultivation,

Chu Qing would become very serious, not like his usual playful self.

"I have just been practicing in seclusion, and now I feel that my state has made a breakthrough."

Ouyang Zhengxiong also became serious after listening to Chu Qing's words.

If Chu Qing is going to break through, then Chu Qing is not joking.

"are you sure?"

"So how do you feel now? Is the cultivation stable? Can you successfully break through?"

After hearing what Ouyang Zhengxiong said, Chu Qing nodded with difficulty.

He could feel that his cultivation level was not lacking at all, and he did not become unstable because he was about to break through.

"I feel okay now and my cultivation is fairly stable."

"But I am very afraid of accidents, so I now have to retreat and practice more intensively."

Ouyang Zhengxiong nodded after listening to Chu Qing's words. It is better to be cautious about such things.

Once an accident occurs, it is not a joke.
