Chapter 2151

Ouyang Zhengxiong thought that he couldn't help Chu Qing in terms of cultivation, so he could only let Chu Qing understand it on his own.

"If it's other things, I can give you some advice."

"In terms of cultivation, I am indeed not as good as you, and everyone's cultivation path is different."

"Some things need to be discovered and explored by yourself."

Chu Qing nodded after hearing Ouyang Zhengxiong's words. She knew these things a long time ago.

So she never thought about borrowing other people's hands in matters of cultivation. She always thought about facing these things by herself.

"Don't worry, I will never let anything happen to me."

"I still want to become an immortal king in the future. If something happens like this, wouldn't I be sorry for my dream?"

Ouyang Zhengxiong laughed after hearing what Chu Qing said.

He felt that it was great for a student like Chu Qing to appear in Shenfeng Academy.

A student like Chu Qing, Shenfeng Academy There may only be one in a thousand years, but I hope he meets him.

And this person is extremely attractive to him.

Ouyang Zhengxiong shook his head helplessly and prepared to leave Shenfeng Academy.

And just when Ouyang Zhengxiong was about to leave, The senior brother suddenly appeared in front of Ouyang Zhengxiong.

Ouyang Zhengxiong looked at the man who appeared in front of him speechlessly. He didn't know who this man was at all. He didn't know why this man suddenly appeared in front of her. , What is the purpose of this man?

"I don't know if you are....."

The senior brother laughed after listening to Ouyang Zhengxiong's words. This man's smile gave people a feeling of spring breeze.

People immediately let down their guard and indulged in his beautiful smile

"I am the senior brother of Shenfeng Academy, you can call me Moyu."

Ouyang Zhengxiong nodded after hearing what Mo Yu said, but he remembered that he had no friendship with Mo Yu.

For some reason, Mo Yu suddenly appeared in front of him.

"It turned out to be Mr. Mo Yu. I don't know what Mr. Mo Yu meant by leaving me behind."

"That's it, Mr. Ouyang, I want to ask about your relationship with Chu Qing."

"Ming people don't tell secret words. I like Chu Qing. If you also like Chu Qing, I hope the two of us can compete fairly."

After Ouyang Zhengxiong heard what Mo Yu said, he looked at Mo Yu dumbfounded.

He didn't know why Mo Yu had such inexplicable thoughts. Why did he think he liked Chu Qing?

He and Chu Qing were completely friends. Relationship, he has never liked Chu Qing.

And he can see that Chu Qing is now focusing entirely on cultivation and has no idea about the relationship between men and women.

If Mo Yu puts all her thoughts on Chu Qing , destined to return in vain

"I have nothing to do with Chu Qing, we are just friends"

"If you really like Mo Yu, you can pursue her yourself without caring about me."

"But I see that Mo Yu is only focused on cultivation now. If you want to become her Taoist companion, you have a long way to go."

After hearing Ouyang Zhengxiong's words, Mo Yu seemed to have a wry smile on her face.

He had long known that Chu Qing was a person addicted to cultivation, but she was fascinated by Chu Qing like this.

From what he saw At the first glance of Chu Qing, he felt that Chu Qing was not an ordinary person, and also felt that Chu Qing was very beautiful.

Since then, he has been observing Chu Qing secretly and silently, and he knew how advanced Chu Qing's cultivation was..

Because he watched Chu Qing grow up bit by bit, he does not feel that Chu Qing's cultivation level is very high now.

Compared with Chu Qing's usual efforts, these behaviors are still a bit too behind for her. Got it

"I know Chu Qing is addicted to practice, and I also know what she thinks"

"I won't restrain her, I just want to be by my side and accompany her silently"

"As long as I am not a love rival, I will feel more at ease."

After Ouyang Zhengxiong heard Mo Yu say such words, he couldn't help but admire Mo Yu.

Nowadays, there are almost no men who think like Mo Yu, who is willing to stay with the person he likes silently.

He hopes that Chu Qing can see her soon. He fell in love with Mo Yu and married Mo Yu.

He also hoped to drink Mo Yu and Chu Qing's love as soon as possible.liquor

"OK, then I wish you success"

"On the day when you and Chu Qing tie the knot, don't forget to treat me to a wedding banquet."

After Mo Yu heard Ouyang Zhengxiong say such words, he showed a hearty smile.

As long as he heard others say that he and Chu Qing were married, he felt very happy.

And all the conversations between him and Ouyang Zhengxiong were Lengqing, who was hiding in the dark, heard clearly.

Lengqing never thought that Mo Yu, whom she had been in love with for a long time, had already fallen in love with Chu Qing.

This made Lengqing feel very unwilling. She thought that Chu Qing could not help it. Compared with her.

Chu Qing is just a woman from an ordinary family. She is the prime minister's daughter.

Standing behind her is the entire prime minister's palace. Unexpectedly, Mo Yu did not take this matter to heart. She will never let it happen. Mo Yu and Chu Qing succeeded.

Mo Yu can only be hers.

Chapter 2152

Lengqing thought that no one had discovered her, so she left here after thinking about the matter clearly.

And when she left here, Mo Yu and Ouyang Zhengxiong both looked at the place where Lengqing had just stayed.

It turns out that they had discovered Lengqing a long time ago, but they never opened their mouths to expose Lengqing.

After all, Leng Qing is a girl. If others find out, she may not be able to show off her face.

"If you really want to tie the knot with Chu Qing, I'm afraid you still have a long way to go."

"There are not a few people who like you."

After Mo Yu heard Ouyang Zhengxiong say such words, he also knew that Ouyang Zhengxiong was referring to Lengqing.

He knew Lengqing liked him, but he had always disliked Lengqing.

He thought he had made it very obvious He has been away from Lengqing. But he didn't expect that Lengqing didn't take these things to heart at all, but kept getting closer to him.

This also made him feel at a loss, and he didn't know how to face it. Coldhearted

"I had already clearly rejected cold feelings, but I didn't expect....."

"But don't worry, I will never let my coldness hurt Chu Qing."

Ouyang Zhengxiong nodded after hearing Mo Yu's assurance.

He cherishes women with high cultivation levels like Chu Qing very much. He feels that people like Chu Qing can definitely reach a higher level.

Chu Qing is completely It is possible to stand at the top position.

The premise of all this is that no one will hurt her, and no one will have inappropriate thoughts about her.

Even if someone really wants to hurt Chu Qing, Ouyang Zhengxiong He will definitely protect Chu Qing.

Now that he has discovered such a talent, he will never let this talent be lost to everyone.

"I hope you can do it, but if you can't, don't blame me for taking action."

After Mo Yu heard Ouyang Zhengxiong's words, he fell deeply in love with Ouyang Zhengxiong.

He didn't know whether he should believe Ouyang Zhengxiong's words. Ouyang Zhengxiong just said clearly that he and Chu Qing were just friends.

Then why did Ouyang Zhengxiong behave like this? Are you concerned about Chu Qing?

"You can't take action easily. Do you know the background behind the cold feelings?"

"She is the prime minister's daughter. If you take action against her, do you know how much danger you will face?"

After Ouyang Zhengxiong heard Mo Yu's words, he didn't take Mo Yu's words to heart at all.

He was just the daughter of the prime minister's palace. He dared to abduct the little princess of Chu State. How could he be afraid of a mere prime minister's daughter?

"Don't forget, I brought the little princess of Chu here."

"I dare to attack the little princess of Chu State, let alone the prime minister's daughter."

Mo Yu only reacted after hearing Ouyang Zhengxiong's words.

Indeed, Ouyang Zhengxiong was moved by even the little princess of Chu, so how could he be afraid of a prime minister's daughter?

In this case, he had nothing to say. If If Lengqing really hurt Chu Qing.

Even if he tried his best to protect Chu Qing, he would never give Lengqing a good look.

"Since brother is so open-minded, I won't bother him anymore."

"I still have something to do with Chu Qing, so I'll take my leave first."

Ouyang Zhengxiong nodded after hearing what Mo Yu said, and then Mo Yu left here. After

Ouyang Zhengxiong saw Mo Yu leave here, there was something strange in his eyes.

He knew that Mo Yu was afraid of Chu Qing Only when he fell in love with himself did he take the initiative to explain this matter to himself.

But he felt that Mo Yu was also a good man worthy of being entrusted to him for the rest of his life. Mo Yu did not play tricks with him, but directly broke the matter.

This didn't make him feel disgusted. He hoped that everyone would be as sincere as Mo Yu.

As for the matter between Mo Yu and Chu Qing, let the two of them handle it. He, an outsider, couldn't help much.

After Ouyang Zhengxiong left here, he wandered aimlessly on the street.

Ouyang Zhengxiong suddenly realized that there was no place for him to stay in the vast world.

He had been wandering outside, not knowing where to go. He doesn't know where his home is.

He abducted the little princess of Chu State here. He can't go back to Chu State for the time being.

So where else can he go? What else can he do?

Ouyang Zhengxiong thought It didn't make sense. What on earth was he going to do next? He could only walk aimlessly to a tavern.

Ouyang Zhengxiong ordered two bottles of wine and started drinking. For him, the way forward was confusing.

He didn't know what was going on. What should I do to get out of the current predicament.

Chapter 2153

For some reason, Ouyang Zhengxiong always felt that there was a voice in his heart urging him to go to Yuchun Tower.

But he was not familiar with Yuchun Tower at all. He had never even heard of the name before.

Why is there a voice in my heart? But are you urging him to keep going?

What exactly is going on? Ouyang Zhengxiong wanted to understand all this.

So Ouyang Zhengxiong came to Yuchun Tower, and Ouyang Zhengxiong looked at this tall building.

This place does look like a brothel, with the women inside wearing heavy makeup and exposing their breasts.

After seeing all this, Ouyang Zhengxiong frowned and subconsciously wanted to escape from here.

But the sharp-eyed madam saw him and immediately sent two girls to pull him in.

"Oops, this young man, this must be your first time coming to our Yuchun Tower."

"You are here this time. Today is the day for our courtesan, Miss Yuer, to bloom."

After Ouyang Zhengxiong heard what the old madam said, he felt that he didn't want to say anything more to the old madam.

Even if a woman is in a brothel, she should be respected by others.

But Ouyang Zhengxiong knows what kind of environment he is in now, and what he said is simply ridiculous. Just to challenge the bottom line of the group of people in front of me

"Don't have so many girls around me, it's too irritating"

"Just arrange a seat for me casually"

"Bring me some more jugs of fine wine."

After Ouyang Zhengxiong said these words, he took a piece of silver and handed it to the old bustard.

After getting the piece of silver, the old bustard felt very happy.

I didn't expect that this man was so stupid and refused to let the girl come to the brothel. Forget about serving him.

He gave them such a large sum of money, and the money was not earned in vain.

The madam immediately accepted the ingot of silver, and then arranged a private room for him.

Ouyang Zhengxiong worked in this private room Look, this private room is indeed in a very good position.

You can have a panoramic view of everything downstairs, and you can clearly see what is happening downstairs.

Ouyang Zhengxiong can even see some men holding hands in public. Reaching into the girl's clothes.

Although Ouyang Zhengxiong felt that this scene was very awkward and indecent. But it happened from time to time in brothels.

Even if Ouyang Zhengxiong wanted to change the fate of this brothel girl, There was no other way.

The highlight of the night soon came, and the first night of the oiran girl Yu'er was going to be auctioned again.

Ouyang Zhengxiong saw an extremely gorgeous woman with heavy makeup on the stage.

This woman threw out her Long water sleeves.

The sleeves dance as if countless petals are slowly falling from the air, swaying one petal after another.

The woman's dancing posture is light, graceful, graceful, and seems to pull the heartstrings of countless people.

Just Even when Ouyang Zhengxiong saw this woman, his eyes would follow her unconsciously.

After the woman finished dancing, she stood on the stage in a polite manner.

At this time, the Madam stood again On the stage, all faces were filled with flattering smiles.

When Ouyang Zhengxiong saw this, he didn't understand anything. The woman who had just danced was today's oiran Yu'er.

At this time, Ouyang Zhengxiong felt that Yu'er was regarded as an oiran. It's a bit too condescending.

A woman like Yu'er should live beautifully in the world and enjoy every place in the world freely.

Instead of being trapped in a brothel where she can't live as she pleases.

Ouyang Zhengxiong is really I feel that it is a pity for Yu'er. Looking at Yu'er's current demeanor, it seems that it can be seen that Yu'er used to be a pampered woman from a wealthy family.

But now, she has become an oiran in a brothel. Now even she

It's a pity that you can't choose your right husband by yourself.

"Oops, you gentlemen are all mesmerized. Our highlight is coming today. I wonder if you have enough money in your hands."

"Today is the day when our courtesan Yu'er's first night is auctioned, and the one with the highest price will win."

The madam looked smiling and extremely happy, but there was no emotion in Yu'er's eyes on the stage.

She looked as if she had lost confidence in everything in this world.

After seeing such an old madam, Ouyang Zhengxiong , subconsciously felt that Yu'er should not be like this.

Yu'er should have bright eyes and see all the scenery in the world.

Now that Yu'er is trapped in this brothel, he feels very distressed.

Ouyang Zhengxiong treats him like this He was also shocked by the thought. He had never pitied anyone before.

Why did he suddenly pity a brothel girl today? It was obvious that he and this brothel girl had never met.

He had never even heard of this brothel girl before.

Ouyang Zhengxiong Although her eyes have been staring at Yu'er, there is no frivolity.

Yu'er was a little frightened by the frivolous and provocative eyes from the audience, and subconsciously wanted to retreat.

But she couldn't retreat now, she Now she is no longer the eldest lady before.

Since her family declined, she was sold into a brothel, and she doesn't even know what is happening to her parents now.

Chapter 2154

How can you escape from this brothel?

But Yu'er could vaguely feel someone's gaze, looking at her very intensely.

But there was no hint of provocation or frivolity in his eyes. Instead, he was looking at her seriously.

Yu'er couldn't help but look at Ouyang Zhengxiong, without any emotion in her eyes.

Ouyang Zhengxiong was very shocked after seeing Yu'er's appearance.

He didn't expect that Yu'er would fall into this situation today.

He knew Yu'er, and Yu'er's family was also very prosperous back then.

Yu'er was originally the daughter of a wealthy man in Chu State.

He was helped by Yu'er's father back then, and he vowed in his heart that he would repay Yu'er's father well.

But now, Yu'er suddenly appears here.

He didn't know what happened at all. Why did Yu'er become like this all these years?

No matter what happened, he would never let his benefactor's daughter end up in a brothel and be trampled on by others.

At this time, Ouyang Zhengxiong immediately looked down from the private room.

People in the audience had already begun to increase their prices. At this moment, Ouyang Zhengxiong said a shocking word.

"I offer one hundred taels of gold."

Ouyang Zhengxiong's words surprised everyone. Even Yu'er on the stage couldn't help but look sideways at Ouyang Zhengxiong.

She didn't expect that she would be so valuable and could bring so much money.

And the Madam was here. After hearing what Ouyang Zhengxiong said, his eyes on Ouyang Zhengxiong became even more enthusiastic.

I didn't expect that the person who came this time was actually a big customer, and he would pay a hundred taels of gold when he came here.

But it's okay, anyway, today It's for the auction of Yu'er's first night.

No matter who the first night is auctioned to? In the end, it's her who makes money, and it's not her who loses.

"Everyone, is there any price increase? If there hadn't been a price increase, this young man would have gotten Yu'er's first night."

Although people here are very jealous of Yu'er and want to feed Yu'er to bud in person.

But they don't have that much money at all. To be precise, they feel that it is not enough to spend so much money on a brothel girl. It was worth it.

No one continued to add money, so Ouyang Zhengxiong got Yu'er's first night.

And less than half an hour later, Yu'er was sent to Ouyang Zhengxiong's room.

Yu'er... At that time, he probably no longer had any nostalgia for this world. After he was sent in, he had been lying on the bed in a daze. After

Ouyang Zhengxiong saw Yu'er like this, he felt very distressed. When he saw Yu'er's At that time,

I still thought Yu'er was a sunny girl, but now things have changed and Yu'er has become like this.

"Yu'er you....."

Ouyang Zhengxiong seems to have countless things to say to Yu'er? But he didn't know where to start.

After hearing what Ouyang Zhengxiong said, Yu'er's eyes fell on Ouyang Zhengxiong.

Ouyang Zhengxiong seemed very familiar to her, but she didn't know who Ouyang Zhengxiong was.

But at this time, Yu'er no longer wanted to know who Ouyang Zhengxiong was. Anyway, she was Ouyang Zhengxiong's person tonight.

The reason why Ouyang Zhengxiong looks familiar to her is probably because Ouyang Zhengxiong often came to the brothel before.

When Yu'er saw Ouyang Zhengxiong for the first time, she was indeed fascinated by Ouyang Zhengxiong, and she was indeed very amazed.

I feel that people like Ouyang Zhengxiong should not appear in brothels, as it will tarnish his integrity.

But when he spent a hundred taels of gold to take pictures of her first night, Yu'er felt that Ouyang Zhengxiong was the same as other men in the world.

"Young Master, there is no need to say anything more, since Yu'er has been sent to your room tonight"

"Then Yu'er is yours tonight, you can do whatever you want."

The reason why Yu'er said such things to Ouyang Zhengxiong was probably because she wanted a quick resolution. She didn't want to be bullied all the time, but now she had to support herself to survive.

She didn't know the whereabouts of her father and mother yet. You must not die like this now.

After Ouyang Zhengxiong heard Yu'er say such words, his eyes instantly turned red.

The bright woman back then finally became a rose that was trampled on at will.

"Yu'er, get up and look at me. Do you really not recognize me?"

After hearing what Ouyang Zhengxiong said, Yu'er felt that Ouyang Zhengxiong seemed to know her.

But she had met Ouyang Zhengxiong, and she didn't know who Ouyang Zhengxiong was at all. She had no impression of Ouyang Zhengxiong at all.

"Young Master was joking, people come and go in this brothel every day, how could I possibly remember everyone?"

"Young Master, it's better not to say any more. The spring night is too short, so it's better to rest early."

When Yu'er said these words, although her voice was lingering, her tone did not contain any emotion.

It was as if she was completing a certain task.

"Yu'er, look at me, I'm your brother Ouyang."

After Yu'er heard Ouyang Zhengxiong say such words, she immediately looked shocked.

Then she slowly looked at Ouyang Zhengxiong. She felt that Ouyang Zhengxiong looked familiar at that time, but she had never looked at Ouyang Zhengxiong. Masao thought about it.

Chapter 2155

Over the years, Yu'er has been living on the streets, and was later sold into a brothel.

No one had ever supported her. When she saw Ouyang Zhengxiong, her eyes suddenly turned red.

At this time, Yu'er no longer had so much sense. She just wanted to throw herself into Ouyang Zhengxiong's arms and cry hard.

But she was not sure whether the person in front of her was her brother Ouyang.

She remembered that her brother Ouyang was an upright person and would never enter a brothel.

Why is brother Ouyang still in a brothel now? Could it be that this person found out her previous information? So I came to test her

"Who are you? what are you saying? Why can't I understand something?"

"Brother Ouyang, I have no idea what you are talking about."

Yu'er still refused to recognize Ouyang Zhengxiong at this time because she didn't know whether it was true or a trap.

She couldn't cause Ouyang Zhengxiong to be implicated because of herself.

After hearing Yu'er's words, Ouyang Zhengxiong thought Yu'er has forgotten him a long time ago.

But now that he has come to Yu'er, he will not let Yu'er continue to be hurt.

"Yu'er, don't worry, I will never let anyone hurt you again"

"I am really your brother Ouyang. Do you still remember what I said to you before I left your house?"

"I said I would come back one day, but why are you here?"

After Yu'er heard Ouyang Zhengxiong say such words, she finally confirmed that the person in front of her was her brother Ouyang.

"Brother Ouyang, you are really Brother Ouyang"

"Brother Ouyang, you finally came to me."

After Yu'er said these words, she threw herself directly into Ouyang Zhengxiong's arms.

At this time, she had been crying, and she was hiding in Ouyang Zhengxiong's chest, sobbing slightly.

She looked so pitiful, Ouyang Zhengxiong felt very distressed after seeing Yu'er like this.

In his memory, Yu'er will always be the sunny little girl.

But he doesn't know when Yu'er turned into what she is now. appearance

"It's okay, Brother Yu'er Ouyang is here, Brother Ouyang won't let anyone bully you."

Yu'er nodded after listening to Ouyang Zhengxiong's words, and hugged Ouyang Zhengxiong's waist tightly.

It seemed as if Ouyang Zhengxiong relied on her.

When Yu'er's mood gradually stabilized , After that, Ouyang Zhengxiong pushed Yu'er away from his arms.

Ouyang Zhengxiong also wiped the tears on Yu'er's face very thoughtfully.

"What happened to Yu'er?"

"Why did you end up living in a brothel? Where are your father and mother?"

After listening to Ouyang Zhengxiong's words, Yu'er's tears were about to burst out of her eyes again.

But he knew that she could no longer continue crying, and now Ouyang Zhengxiong had found her.

That meant that she had Ouyang Zhengxiong's help in the future. Got it

"Brother Ouyang, my father and mother....."

"My father and mother are long dead."

Ouyang Zhengxiong was very surprised when he heard what Yu'er said.

He was unwilling to accept the fact that Yu'er's parents were both well-known philanthropists.

Moreover, they were wealthy businessmen in the local area and often helped other people. Why? Could they die so early?

They should live a long life

"What happened?"

"Why did it suddenly become like this? What happened to your father and mother?"

After Yu'er heard Ouyang Zhengxiong's crazy questioning, she knew that Ouyang Zhengxiong also wanted to understand all this.

But even she didn't know what was going on, so how could she explain it to Ouyang Zhengxiong?

"Brother Ouyang, I'm not very clear about this matter either."

"I only remember that five years ago, my father suddenly sent me to Zhuangzi, but I didn't want to run back secretly."

"When I came back, I saw our whole family being killed. My father realized that I was back and protected me."

"Before I died, I only gave this jade pendant to me."

After Yu'er said these words, she shed tears again and took out the jade pendant she had been carrying.

In her opinion, Ouyang Zhengxiong is the only person she can trust. Ouyang Zhengxiong is Her last reliance.

After Ouyang Zhengxiong took over Yu'er's jade pendant, he felt that he had seen this jade pendant somewhere before.

But he was not sure that he would help Yu'er investigate this matter.

"It doesn't matter, Yu'er leaves these matters to me, and I'll help you investigate this matter"

"Don't worry, now that Brother Ouyang is here, Brother Ouyang will not let anyone bully you."

After hearing Ouyang Zhengxiong's words, Yu'er's face suddenly showed a trace of ridicule.

Now that she has become a brothel girl, how can she return to her previous life after living in the world of mortals?

Besides, she is from Yuchun Tower now. Oiran, the madam will not let her go easily.

"Brother Ouyang, I am very grateful that you are willing to help me investigate the matter of the family being exterminated."

Chapter 2156

"But now, Yu'er has fallen into the world of mortals and can only commit herself to this brothel."

"I don't dare to contaminate brother Ouyang even a little bit more."

After Ouyang Zhengxiong heard Yu'er say such words, he felt very distressed in his heart.

Yu'er should not be like this. She should live proudly and brightly, and should be aloof.

But now Yu'er is so humble. , as if asking for a living.

Ouyang Zhengxiong now has an intuition. If it were not to avenge her family, I am afraid that Yu'er would have gone to see her family by now.

"Yu'er, what are you talking about? How could I let you commit yourself to a brothel?"

"Just wait, I will go to the people here to redeem you tomorrow and let you return to the sun."

"I will never let you be bullied here all the time."

Yu'er shook her head after listening to Ouyang Zhengxiong's words. Her only thought now is to revenge for his family.

She is now in the brothel and can find out a lot of information.

She doesn't want to leave here. The daily flow of people in the brothel It is the biggest, and it is also the easiest to hide from others.

Therefore, many dirty transactions are carried out in brothels. It is also convenient for her to know certain things.

"Brother Ouyang, thank you for your kindness, but I don't want to leave yet."

Ouyang Zhengxiong was very surprised after hearing Yu'er's words. He didn't understand why Yu'er had such an idea.

The brothel is not a good girl's place, and it is the place where she should stay. Yu'er should get out as soon as possible.

"Yu'er, what are your thoughts?"

"I really can't see through you at all now. You should get out of here as soon as possible."

"I will help you, I can help you, why don't you want to come out?"

After Yu'er heard Ouyang Zhengxiong's words, she knew that Ouyang Zhengxiong only thought about her.

But now he has no desire to live at all. She has no motivation except to avenge her family.

"Brother Ouyang, I know what you are thinking, and I am very grateful to you."

"If it weren't for you, I'm afraid I would have been ruined by others by now"

"But I really can't leave now. The brothel has the largest flow of people every day."

"And you can find out a lot of unknown information here. I don't want to leave."

After Ouyang Zhengxiong heard Yu'er say such a reason, he immediately put forward a rebuttal.

If Yu'er's parents were alive, they definitely didn't want Yu'er to fall into this situation.

Yu'er was once praised by others. How can the treasure in the palm of your hand be trampled on at will?

"No, have you ever thought about how regretful your parents Yuchi Izumoshita will be?"

"If I didn't find you, that would be fine, but now I know your experience"

"I also know your identity, and I will never see you sink like this."

Ouyang Zhengxiong said this to Yu'er very angrily. He didn't want Yu'er to continue to degenerate.

After hearing what Ouyang Zhengxiong said, Yu'er's eyes could only burst out with strong hatred.

But her But her eyes no longer had the brilliance of the past.

It was as if she had lost her light and could never see the girl with the light in her eyes again.

"Brother Ouyang, the reason why I insist on living on my own is to avenge my parents."

"I can't think of any other place where I can investigate the truth about my parents except here."

"I beg you, brother Ouyang, can you not force me? Don't force me to make a choice."

After Ouyang Zhengxiong heard Yu'er say such words, he felt very sorry for Yu'er.

If Yu'er didn't want to leave the brothel, he had no choice.

Even if he gave the old bastard more money, the old bastard would not let him go. Yu'er leaves.

Since Yu'er cannot leave the brothel, then let the brothel become Yu'er's property.

"Okay, Yu'er, I know what you're thinking, and I won't force you anymore."

"If you insist on staying in the brothel, I will respect your choice."

After hearing what Ouyang Zhengxiong said, Yu'er had a forced smile on her face.

In fact, Yu'er had secretly promised Ouyang Zhengxiong a long time ago. In these years, in addition to her parents' hatred, there are also The desire to see Ouyang Zhengxiong supported her.

But now that she has become a woman in a brothel, she is definitely not worthy of Ouyang Zhengxiong.

Ouyang Zhengxiong deserves a better woman, and she has never had such delusions.

She only hopes that she can It's enough to stay by Ouyang Zhengxiong's side and see Ouyang Zhengxiong's happiness.

"Brother Ouyang, thank you for respecting my choice"

"I'm very happy to see you tonight."

Ouyang Zhengxiong nodded after listening to Yu'er's words, and then the two of them sat down.

But no one agreed to mention it. They just chatted about what happened before.

Through tonight's chat, Ouyang Zhengxiong finally knowing how hard Yu'er has been in these years.

If he had known that something like this would happen to the Zhao family, he should not have left the Zhao family.

Or he should have gone back as soon as possible.

Chapter 2157

If he had gone to find Yu'er earlier, I'm afraid Yu'er wouldn't be in this situation now.

But it was too late to say those words now, things had already happened, and he was powerless to change them.

All he can do now is help Yu'er find the murderer of their family.

After doing this, he can take Yu'er back to a normal life.

He could watch Yu'er emerge from the haze again and become the bright girl again.

But what Ouyang Zhengxiong doesn't know is that except for hatred, Yu'er now has nothing to support her to continue on.

If revenge is really taken by then, I'm afraid she won't stay here anymore.

Ouyang Zhengxiong and Yu'er chatted inside like this all night, waiting for the next morning.

Yu'er wanted to help Ouyang Zhengxiong tidy up his clothes, but Ouyang Zhengxiong dodged him.

"Brother Ouyang, I'm sorry, I was rash."

Yu'er was secretly hating herself at this moment. Why did she try to touch Ouyang Zhengxiong?

Ouyang Zhengxiong is a man of extraordinary beauty, and his life is always upward. How could he be like her, an actor who lives in the dust?

And After hearing Yu'er's apology, Ouyang Zhengxiong felt that there was no need for Yu'er to apologize.

He was just not used to other people's touch.

"It's okay, this Yu'er matter has nothing to do with you, I'm just not used to other people's touch."

After hearing what Ouyang Zhengxiong said, Yu'er nodded, but she didn't force it.

When Ouyang Zhengxiong and Yu'er walked out of the house, the madam outside had been guarding their house.

The old madam was still strange. , why there was no movement at all in the house last night.

But when she saw Ouyang Zhengxiong and Yu'er walking out of the house, she knew that Ouyang Zhengxiong was probably a gentleman.

But in her heart, she felt that Ouyang Zhengxiong was pretending to be a gentleman. He still looked very confused.

If he was really a gentleman, how could he come to the brothel?

He was just deceiving a little girl who had never seen the world. We must not let Yu'er be deceived by Ouyang Zhengxiong like this.

"Oops, did this guest have a good rest last night?"

"Our Yu'er is pretty good, right?"

The Madam already knew that Ouyang Zhengxiong and Yu'er were not getting married, so he deliberately asked these words.

But after hearing what the Madam said, Yu'er felt a little uncomfortable on her face.

It's like it's the first time he's been told something like this, it's like it's the first time he's experienced something like this

"This matter is between the two of us, so don't ask about it."

After listening to Ouyang Zhengxiong's words, the old bastard's smile froze on his face, but he smiled again the next moment.

Then he slapped his mouth, as if to apologize to Ouyang Zhengxiong

"Oh, this young man, please don't argue with me. I just have a bad mouth."

"Now that the young master has come out, Yu'er will come with me."

After the old bastard said these words, he wanted to take Yu'er and leave here directly.

But at this time, Ouyang Zhengxiong took action to stop the old bastard.

"I have something to tell you, something very important."

After listening to Ouyang Zhengxiong's words, the madam inexplicably felt a pressure from Ouyang Zhengxiong.

But she is the madam of this brothel, and the entire brothel is under her control.

If Ouyang Zhengxiong wants to cause trouble, she will not let him go More than Ouyang Zhengxiong, and there are so many people helping her

"Ouch, if this young master has anything to do, just tell him now. Yu'er is not an outsider anyway."

"They are all girls from our brothel."

Ouyang Zhengxiong nodded after hearing what the old bastard said to him.

Even so, it's okay to say it in front of Yu'er. It's not a big deal anyway.

"I like Yu'er very much, I think she only serves me."

The old bastard looked embarrassed after hearing what Ouyang Zhengxiong said.

Yesterday, the young master was indeed very generous, but I don't know if he will be so generous again in the future.

Besides, although Yu'er is gone for the first time now, but she There are many young masters pursuing you later.

"This young man, this, this is unreasonable"

"If you get Miss Yu'er's first night, you should be exposed to both rain and dew."

"Let other young masters also have a taste of Yu'er, otherwise you will make other young masters miserable."

After Ouyang Zhengxiong heard the old bastard say such words, he immediately fired the cold knife at the old bastard. At this time, the old bastard felt a chill in her heart, but she did not dare to say anything.

And after Yu'er heard Ouyang Zhengxiong's words , she was very grateful to Ouyang Zhengxiong.

She knew that the old bastard would not let her go so easily. She was now the money-spinner of the brothel.

If Ouyang Zhengxiong really wanted to keep her, he would probably need a lot of money.

"I don't want to hear what you say, some or not. From now on, Yu'er only has to serve me."

"Even if I don't come here, I won't allow Yu'er to serve other people."

After the madam heard Ouyang Zhengxiong say such words, he didn't want to go around the bush with Ouyang Zhengxiong anymore.

Ouyang Zhengxiong didn't even take out the money and just said such words, does he really think that the brothel is easy to bully?

Chapter 2158

"Who do you think you are? How dare you talk to me like this?"

"Let me tell you, you are now on my mother's territory, and you don't go out to find out who I am."

"If you dare to play tricks with me here, you are still far behind."

After Ouyang Zhengxiong heard the old bastard say such words, he took out the long sword he was wearing at the next moment.

"What you just said is capable, say it again."

Ouyang Zhengxiong didn't want to say anything more to the madam. Instead of talking nonsense with her, it would be better to suppress her directly with force.

After seeing Ouyang Zhengxiong being so irritable, Yu'er knew that Ouyang Zhengxiong was doing it for her own good.

Maybe they talked last night It was too much, and Ouyang Zhengxiong couldn't bear it.

But Ouyang Zhengxiong couldn't put all the blame on the old bastard.

"Brother Ouyang, let it go. This is my mother's territory after all."

"If you insist on doing this, I will be the only one who suffers."

After Ouyang Zhengxiong heard Yu'er's words, he had to think about Yu'er.

Yu'er was right. If he keeps forcing the madam like this, Yu'er will only suffer the consequences.

"But I don't want you to be ruined by so many people. You are a good girl and you shouldn't have to endure this."

After hearing what Ouyang Zhengxiong said, the old bastard couldn't help but feel that Ouyang Zhengxiong really talked a lot of nonsense.

There is no girl in this brothel who was not a good girl before entering the brothel.

But after entering the brothel, who dares to talk about themselves? She is a good girl.

If you really want to be nice to Yu'er, can't you just redeem her body directly? You have to do one thing in front of her and another behind her back.

There is no need to be charming, she is just a poor guy.

Of course, these are all the madam's own thoughts. Yu'er knows very well what Ouyang Zhengxiong thinks.

"Brother Ouyang, since the first day I entered the brothel, I am no longer a good girl."

"I know that I am lowly and unworthy of living like a flower."

"Brother Ouyang, don't embarrass your mother anymore."

After Ouyang Zhengxiong heard Yu'er say such words, he had to put away his long sword.

But he would not change his mind. He could not let Yu'er be ruined by others.

"I will give you one hundred taels of gold every month and let Yu'er live here"

"Don't let Yu'er receive any guests, just receive me."

After hearing Ouyang Zhengxiong say such words, the old bastard felt happy in his heart, but his face showed an expression of sadness.

"Young Master, look at Yu'er's one hundred taels of gold last night."

"If you don't let her receive other people in the future, it will cost you more than a hundred taels of gold."

After hearing what the Madam said, Yu'er knew that the Madam was deceiving Ouyang Zhengxiong.

The Madam was indeed deceiving Ouyang Zhengxiong, and the purpose was to make Ouyang Zhengxiong quit.

She finally cultivated a commanding officer. How could the oiran who is so sought after by everyone give up at the drop of a hat?

And Ouyang Zhengxiong has made up his mind not to let others insult Yu'er anymore.

No matter how much money it is, she will give it as usual, and she must not let Yu'er continue to degenerate.

"Then five hundred taels of gold, I will give it to you every month, but you must remember what you promised me."

After hearing what Ouyang Zhengxiong said, the old bastard immediately beamed with joy.

If Ouyang Zhengxiong had said earlier that he could give him five hundred taels of gold, he wouldn't have been entangled here anymore.

"Oh, Master, you told me earlier, our business is all about happiness"

"Don't worry, Yu'er will never receive other people again, and will be waiting for you to come over every day."

But after hearing what Ouyang Zhengxiong said, Yu'er was very excited and took Ouyang Zhengxiong's hand.

If she can't serve other people, what's the difference between her and walking out of the brothel directly?

"Brother Ouyang....."

But Ouyang Zhengxiong seemed to know what Yu'er was going to say, and directly patted Yu'er's hand.

"Listen to me, this is the biggest concession I can make to you."

After hearing Ouyang Zhengxiong's words, Yu'er's eyebrows drooped slightly, and she knew that this was Ouyang Zhengxiong's biggest concession to her.

After seeing this scene, the madam didn't care about anything else. She just thought about the money she would make every month. With five hundred taels of gold, I felt happy.

At this time, the old bastard took Ouyang Zhengxiong's money and left, leaving Ouyang Zhengxiong and Yu'er here again.

"Brother Ouyang, there is absolutely no need for you to do this. If I can't contact other people, how can I find out the information?"

After Ouyang Zhengxiong listened to Yu'er's words, he knew that Yu'er had been worried about this matter.

He had long said that he would help Yu'er, and Yu'er didn't have to worry about these things at all.

"Yu'er, you don't have to worry about these things"

"You should live in this world without any worries, leave all these things to me"

"If you want to find out the information, I will never stop you, but you will never sell your body to get the information."

After Yu'er heard Ouyang Zhengxiong's words, her eyes filled with tears, and she couldn't help thinking, why couldn't Ouyang Zhengxiong show up earlier?

Why did she and Ouyang Zhengxiong have to miss it?

Chapter 2159

But how can Yu'er complain about such a thing? No matter how much I hate it, it's too late.

After Ouyang Zhengxiong left the brothel, he immediately began to investigate the matter.

Yu'er is now in Qi State, and her family is also in Qi State, which means that the person who framed them should be from Qi State.

But why frame them? Could it be that they have mastered some secret?

Since all Yu'er's parents have been killed, why should Yu'er be left alone?

Ouyang Zhengxiong couldn't understand this matter. If he really wanted to avenge Yu'er, he had to find out all these things.

Ouyang Zhengxiong has been thinking of ways since he left here.

He felt that the famous rich man who could successfully bring down Qi should be a businessman like him or someone from the imperial court.

But there should be a certain amount of power behind that businessman. Otherwise, why would Yu'er, who has always won the hearts of the people, fall to this point?

After Ouyang Zhengxiong learned about this, his eyes immediately became firm.

If this is the case, then we must investigate this matter clearly.

Ouyang Zhengxiong tried to find a way to enter the imperial court first, just as the three-year imperial examination was about to come.

If he wants to become an official in the court, this is the shortcut he must take now.

Only after entering the court and becoming an official can we investigate what happened back then and have a basic understanding of those things.

After Ouyang Zhengxiong thought about this matter clearly, he immediately started practicing martial arts.

He didn't want to be a civil servant, he wanted to be a military attaché.

In the entire imperial court, although civilian officials accounted for a large proportion, military attachés were the ones with real power.

What Ouyang Zhengxiong wants is real power in his hands, not the appearance of a higher status.

But now he has another very difficult matter. I am afraid that most people from Kamikaze Academy will participate in this competition.

He had to find a way to defeat the people from Kamikaze Academy before he could successfully enter the top three.

So he is very confident now, but he doesn't know who will participate in the competition.

If Chu Qing also participates by then, I'm afraid he will have no chance of winning.

"This matter is really tricky. It seems that I have to hurry up on what I want to do."

After Ouyang Zhengxiong said these words, he immediately summoned his secret guards.

After Ouyang Zhengxiong saw the secret guards in front of him, a gleam of light flashed in his eyes.

"Shadow one, shadow two, you two are responsible for protecting Yu'er's safety."

"Shadow Five and Shadow Six, you two are responsible for investigating the recent strangeness in Chang Chaozhong."

"It would be best to find out all the situations between the DPRK and China in recent years."

The secret guards nodded after hearing what Ouyang Zhengxiong said and immediately went down.

Ouyang Zhengxiong started his own training at this time.

Another day later, news came from An Wu

"Today the second prince will secretly go to the streets in order to find available people."

After Ouyang Zhengxiong saw the news from An Wu, he slowly destroyed the note in his hand.

It has to be said that this news is indeed very important to him. He can first pass the second prince and slowly Entering the court.

After Ouyang Zhengxiong finished dressing up, he walked out with his fan.

Ouyang Zhengxiong is also a personable person, and the weapon he is holding now is a folding fan.

It looks like He is like a gentle young man and has no lethality at all.

But how can things be as simple as they seem? The most deceptive thing is often the human eyes.

Ouyang Zhengxiong had already contacted a bunch of people before he came out. He was performing a play.

He had already investigated several princes of the royal family before, and the second prince seemed to have a very sense of justice on the surface.

Now that he was performing a play in front of him, he would definitely do it. For his use.

After Ouyang Zhengxiong went out, he immediately rushed in the direction of the second prince.

When Ouyang Zhengxiong arrived here, the second prince had already started spinning on the street.

The second prince kept spinning on the street, while the second prince and his men were admiring aimlessly, they suddenly discovered that there was a bully in front of him who had been robbing a common girl.

After Ouyang Zhengxiong saw this scene, he didn't know if this was what he had found. person.

But now, she must establish her presence in front of the second prince

"Stop it, you dare to rob a girl in broad daylight on the street!"

"Do you think there is no royal law in this world?"

After hearing what Ouyang Zhengxiong said, the bully looked at Ouyang Zhengxiong with a puzzled expression. He was just an ordinary person, how could he dare to say such things to him?

"Wang Fa, let me tell you, here I am Wang Fa"

"who are you? You still dare to run out and do something brave, don't you know who my father is?"

After Ouyang Zhengxiong heard what this person said, he already realized that this was not the actor he had found in advance.

But it has to be said that this bully just ran into the muzzle of the gun, and she would not have to deal with the aftermath. thing

"I don't know who your father is? But you must never embarrass a woman like this."

Chapter 2160

After the bully heard Ouyang Zhengxiong say such words, he became even more dismissive.

Why does he really think that this world belongs to him even if he says he can't?

"who are you? Why are you telling me what to do?"

"Let me tell you, even if the prince comes today, I will not be afraid"

"If you are wise, get out of here, or I won't be polite to you anymore."

After Ouyang Zhengxiong heard this bully say such words, his face immediately darkened.

Originally, he wanted to save this bully's life, but now it seems that there is no need at all.

This bully is so skilled in doing this, I'm afraid he has never done it before. I've done it all the time.

If I beat this bully to death, I'm afraid no one will say anything.

Ouyang Zhengxiong didn't want to talk so much to this bully here, and immediately began to prepare to teach the bully.

Ouyang Zhengxiong took the woman to Behind her, this woman knew how hateful this bully was. She also knew the identity of this bully and felt that there was no need for Ouyang Zhengxiong to offend the bully for her.

"Young Master, thank you for standing up and redressing my grievances."

"But you'd better leave here quickly, I don't want to drag you down"

"This man is no ordinary person, he is the legitimate son of Lord Shangshu."

After Ouyang Zhengxiong heard what this woman said, he thought how powerful this man's family background was.

Unexpectedly, he was just the legitimate son of a mere minister, and he actually dared to be so rampant.

He really thought that the entire imperial city was Don't listen to him

"It's okay, you don't have to be afraid of him. As long as I'm here today, no one can take you away."

After the woman heard Ouyang Zhengxiong say such words, she was really happy. She knew that Ouyang Zhengxiong really wanted to save her.

But if Ouyang Zhengxiong was implicated, it would also make her feel bad.

"But....."

Before the woman could say anything more, she was directly protected by Ouyang Zhengxiong and started fighting with a group of the bully's guards.

After a while, all the guards were knocked to the ground by Ouyang Zhengxiong.

At this time, Ouyang Zhengxiong walked towards the bully step by step, and the bully also realized that the person in front of him was not easy to mess with.

The bully could only retreat step by step, but he kept pretending to be calm.

"Let me tell you, my father is the Lord Shang Shu. If you dare to take action against me, my father will never let you go."

After Ouyang Zhengxiong heard the bully's words, he picked up the bully with one hand.

"Weren't you quite arrogant just now?"

"Aren't you going to let me go? Now take a closer look and see who is not letting whom go?"

After hearing Ouyang Zhengxiong's words, the bully finally began to admit defeat.

But this was just on the surface. After leaving Ouyang Zhengxiong, he would go back to find reinforcements.

"I really know I was wrong. I won't dare to do it next time. Just let me go."

After Ouyang Zhengxiong heard the bully say such words, he certainly knew what the bully was thinking.

Although he was very angry about this matter, he also knew that now was not the time to teach the bully a lesson.

His purpose had been achieved. , and we have successfully rescued the woman.

There is no need to be aggressive all the time.

"Remember what you said, if you dare to bully a good woman again in the future, no matter who you are? I will never let you go again."

The bully nodded after hearing what Ouyang Zhengxiong said and ran away immediately.

After seeing the bully leaving here, Ouyang Zhengxiong also began to prepare to leave here.

Of course the second prince witnessed the whole process, and he was very I am optimistic about Ouyang Zhengxiong.

I think Ouyang Zhengxiong is a good prospect, and I also think that Ouyang Zhengxiong has a very sense of justice in his heart. He is exactly the same as the person he is looking for. As long as he trains more, Ouyang Zhengxiong will definitely become his confidant.

The second prince is a The look in his eyes made the subordinate next to him understand.

The subordinate walked up to Ouyang Zhengxiong and said softly to Ouyang Zhengxiong:"This young master, our young master has invited you.""

"Our young master really admires your bravery for justice just now. I hope you can get together with my young master."

After Ouyang Zhengxiong heard what this subordinate said, he knew that the person coming must be the second prince.

But of course he can't go to the second prince so easily now, otherwise it would look too fake.

"Brother, there is no need to be so polite. This is what a man from Qi State should do."

"I will never allow anyone to bully the weak, and I don't need to see your young master."

After the second prince heard what Ouyang Zhengxiong said, he really felt that Ouyang Zhengxiong was the person he was looking for.

Now that he has found the person he was looking for, why should he keep hiding it?

"Young Master, your bravery for justice just now really makes me admire you."

"I don't have any other intentions, I just want to have a casual meal and chat with the young master."

"We are all men. If you had come a step later, I would have taken action."

After Ouyang Zhengxiong heard the second prince's words, he immediately laughed heartily.

"You are an interesting person. In that case, why not go to the Yingbin Building for a drink together."
