Chapter 2161

After hearing Ouyang Zhengxiong's heartfelt words, the second prince nodded, and the two of them arrived at the VIP building one after the other.

After arriving here, someone immediately arranged a box of private rooms for the second prince. After all, this property belongs to the second prince.

Ouyang Zhengxiong and the second prince did not stop and went to the private room.

After arriving here, the second prince did not reveal his identity. He just gave Ouyang Zhengxiong a false name.

"I wonder who this young man's surname is?"

"Can you tell me below."

After Ouyang Zhengxiong heard the second prince's words, a glimmer of light flashed in his eyes. He was originally here for the second prince.

If he could not make friends with the second prince, all the efforts he had made today would be in vain.

"This young man, my name is Ouyang Zhengxiong, you can also call me Ouyang"

"I don't know if you are....."

The second prince also laughed after hearing Ouyang Zhengxiong's question.

"My last name is Tianlei, you can also call me Tianlei."

The second prince's followers were all shocked. They knew that the second prince's real name was Qi Tianlei.

Now that the second prince was facing a person he had just met, he directly reported his real name.

This was enough to represent the second prince's sincerity. , the second prince really wants to make friends with Ouyang Zhengxiong.

And Ouyang Zhengxiong will not be polite to Qi Tianlei now.

He can only pretend that he does not know Qi Tianlei's true identity, and Qi Tianlei has not told him anyway.

Now he can regard Qi Tianlei as A friend is apologizing when his identity is exposed in the future.

"It turns out to be Brother Tianlei, and we are destined to meet each other today, so why not drink tea instead of wine together."

After hearing Ouyang Zhengxiong's words, the second prince nodded, and the two of them drank the cup of tea happily.

After drinking the cup of tea, Ouyang Zhengxiong and the second prince started chatting again as if nothing had happened.

The second prince's cover-up Very good. If Ouyang Zhengxiong hadn't received the news in advance, I'm afraid he wouldn't have recognized this person. He was the second prince.

I didn't expect the second prince to be so approachable. It seems that most of the rumors about him are false.

It should be for power and gain. , false news deliberately spread by several other princes

"I see that Brother Ouyang is so strong, do you have any thoughts of participating in a competition in the past?"

After Ouyang Zhengxiong heard what the second prince said, Gu Zuo sighed helplessly.

Only after the second prince saw Ouyang Zhengxiong acting like this, he thought that Ouyang Zhengxiong had something unspeakable.

"What's bothering Brother Ouyang?"

Ouyang Zhengxiong nodded after listening to the second prince's words. Since they are all friends, there is nothing to hide.

"Brother Tianlei, I will tell you these things because you are my brother."

"Actually, I really want to go and participate in the competition, but people from Kamikaze Academy will definitely participate in this competition."

"Although I still have some confidence in my martial arts skills, I really don't have much chance of winning against people from Kamikaze Academy."

After the second prince heard Ouyang Zhengxiong express such worries, he nodded in agreement.

In his opinion, Ouyang Zhengxiong is indeed not as good as the people from Shenfeng Academy, but after all, Ouyang Zhengxiong has not gone through systematic study.

Now It is not easy for Ouyang Zhengxiong to cultivate to this point.

"It turns out it was for this matter. If Brother Ouyang goes to participate in the competition, he should get a good ranking."

"People from Shenfeng Academy have been participating in the competition for many years, and they have never done it for fame. They just want to practice and meet the masters on the mainland."

Ouyang Zhengxiong was very surprised when he heard the second prince say such words.

In his opinion, anyone who goes to participate in the competition wants to have absolute status, but he did not expect that the people from Shenfeng Academy would actually They just want to improve their own cultivation.

It seems that not all people are so despicable and shameless.

"I see, but how did Brother Tianlei learn about these things?"

"Isn't it a lie that Brother Tianlei deliberately made up to make me happy?"

After the second prince heard Ouyang Zhengxiong say such words, he immediately realized that he might have been exposed.

He had nothing to do with the competition, how could he know so many inside stories?

What if it were replaced by Anyone's words would be suspicious, let alone Ouyang Zhengxiong.

"I've seen it before. If you really want to go, I hope you can succeed."

Ouyang Zhengxiong nodded after hearing the second prince's words, but Fei Ji didn't want to mention this matter anymore.

"Brother Tianlei, since we are destined to meet each other today, why do we keep saying those disappointing things?"

"We have wine today and will get drunk today, so we should focus on the present first."

The second prince laughed heartily after hearing Ouyang Zhengxiong's words. He felt that Ouyang Zhengxiong really liked him.

But he didn't know that everything today was Ouyang Zhengxiong's premeditation. He just wanted to compete with him. On the relationship.

And the second prince is not someone to be trifled with. Although he looks very cheerful, he is an extremely sinister person on the inside, and he is also a person who is good at seeking development for himself.

Chapter 2162

Ouyang Zhengxiong separated from the second prince like this. After Ouyang Zhengxiong separated from the second prince, he was not in a hurry to go elsewhere.

Instead, he went directly back to the inn where he used to stay, because he knew that the second prince would definitely send someone to follow him.

If the second prince really intends to keep it in his pocket, he must first know his address and whether he is reliable.

After Ouyang Zhengxiong discovered that the person following him had left here, he also left here in a flash.

At this time, Ouyang Zhengxiong was about to eavesdrop on the second prince's true evaluation of her.

When Ouyang Zhengxiong came to the previous room, it turned out that the second prince and his subordinates were still here.

After the people inside had finished reporting, Ouyang Zhengxiong had been listening to the second prince's conversation.

"Master, why are you so humble to that person just now?"

"He is just an ordinary person."

The second prince shook his head after hearing what this man said.

"He is not an ordinary person. If he can really win the competition, it is an extremely beneficial thing for us to have him in our pocket"

"Besides, even if he doesn't win, it won't be a bad thing if we make a few more friends with strong martial arts skills."

The subordinates nodded after hearing the second prince say such words, but they did not dare to interrupt the second prince's words.

"If he can really become the top three in the competition, he must be used by me"

"Otherwise there would be no need for this person to stay."

The second prince is a person with an extremely cruel personality. He was born in the royal family. He has known since he was a child that people are not cruel and their status is unstable. No matter how he cherishes him? No matter how he likes the person? Once he is no longer used by him, he will be separated from him. He will destroy it mercilessly.

After Ouyang Zhengxiong heard the second prince say such words, he left here with peace of mind.

Now he is going to Shenfeng Academy to take a look. What happened to the princess?

Has the little princess of Chu been successfully sent back to Chu? Or is she still in Kamikaze Academy now? When

Ouyang Zhengxiong came to Kamikaze Academy, he looked at Kamikaze as usual. The college didn't know what it was thinking in its heart.

After Ouyang Zhengxiong stood in front of the Kamikaze Academy for a while, he walked into the Kamikaze Academy just like the people in the Kamikaze Academy.

After Ouyang Zhengxiong came here, he met, Mo Yu happened to come out of it.

Mo Yu was very surprised after seeing Ouyang Zhengxiong's arrival. She didn't know why Ouyang Zhengxiong came here.

"Brother Ouyang, I don't know why you came here....."

Ouyang Zhengxiong also laughed after seeing Mo Yu. He didn't expect such a coincidence to meet Mo Yu here.

"Of course I came here to sort out the aftermath of my matter, what about you? What are you going for?"

After hearing Ouyang Zhengxiong's words, Mo Yu's face looked a little unnatural.

It was as if there was something that she wanted to hide deliberately.

"Me, I have nothing to do, I just want to go out for a walk."

Ouyang Zhengxiong nodded after hearing Mo Yu's words. Mo Yu's matter had nothing to do with him anyway.

He didn't care much and just let Mo Yu talk about it.

"Do you know where the little princess of Chu is now?"

After Mo Yu listened to Ouyang Zhengxiong's words, he thought about it carefully.

If he remembered correctly, the little princess of Chu should be in the courtyard in the west now.

"The little princess of Chu should be in the courtyard in the west. You can go and take a look."

"I didn't pay much attention to her movements."

Ouyang Zhengxiong nodded after listening to Mo Yu's words, and then walked towards the place where Mo Yu said.

When Ouyang Zhengxiong came here, he saw the bored little princess on the chair.

Ouyang Zhengxiong was there After seeing the little princess like this, he came to the little princess.

Xiaoyu, who had been following the little princess, didn't know where he went.

"Little princess, how do you feel? How are you doing during this time?"

After hearing what Ouyang Zhengxiong said, the little princess looked at Ouyang Zhengxiong with very angry eyes.

If it weren't for Ouyang Zhengxiong who brought her here, she would still be in the palace of Chu State now.

But Ouyang Zhengxiong brought her here. Once you get here, you don't care about anything.

"Big bad guy, it's all because of you that I'm here, but you actually want to let me go"

"You are really disgusting."

After Ouyang Zhengxiong heard what the little princess said, he didn't even think about arguing with the little princess.

He did abduct the little princess of Chu State here, but he didn't say that he would send her back.

"I think you shouldn't say any more about these things. I can't send you back anyway."

"I finally came out of Chu State with great difficulty, and it is impossible for me to go back."

Ouyang Zhengxiong said this with some vicissitudes of life. Indeed, he did not want to return to the Chu Kingdom. Otherwise, he would not have been able to come out of the Chu Kingdom in such a resolute way.

He kidnapped the little princess and it was broken. His last way out.

Now if the little princess wants him to send her back, it is absolutely impossible.

He can only wish the little princess a safe journey.

Chapter 2163

"Little princess, you must not talk like that. Although I said I abducted you here, I think you are living quite well here."

"And there are many outstanding boys here, you can choose one to be your husband-in-law."

After the little princess heard Ouyang Zhengxiong say such words, her face turned red. She never thought that this big bad guy would actually say such words.

She is the princess of Chu, how could her marriage be arranged by a big bad guy like Ouyang Zhengxiong? Can be discussed

"Shut up, you bastard, this is my marriage, what does it have to do with you?"

"Let me tell you, you'd better not talk nonsense, otherwise I won't let you go."

After the little princess heard Ouyang Zhengxiong say such words, she knew that Ouyang Zhengxiong had no good intentions.

Although she had been doted on since she was a child, she knew that her marriage was just a bargaining chip for the royal marriage.

She She had never expected to find true love. Instead, she was somewhat grateful to Ouyang Zhengxiong for allowing her to live in such a short life., you can come out and see the outside world.

It's just that she can never tell the big bad guy in front of her these words, otherwise the big bad guy will slap his face on his nose.

"My marriage will naturally be decided by my father and mother, so you big bad guy, please leave it alone."

"Since you can't send me back to Chu State, then disappear in front of me now"

"Don't let me see you again."

After Ouyang Zhengxiong heard the little princess say such words, he also knew that its existence made the little princess unhappy.

He said he was very sorry for dragging the little princess here, but if he didn't do this, he would really He couldn't escape from Chu State.

He had stayed in Chu State for a long time, and he had admired all the customs and customs in Chu State.

Now it was time to leave Chu State and go to the next destination.

He now He has come to Qi State, and he has also found his benefactor's daughter here.

Now he has to find a way to rescue the benefactor's daughter, and he also has to find a way to avenge his benefactor in the sea of suffering.

Now he has no time to care about the little princess. , we can only hope that Ouyang Mingyue and Wei Tianyu can successfully send the little princess back to Chu State

"Little princess, if you think so, then I have nothing to say."

"I know it was my fault to bring you here, but I really have other things to do now"

"I have to do something very important now. This matter is related to my benefactor. If you really want me to escort you back to Chu State,"

"You might as well stay here for a while, and after I resolve the matter over there, I will personally send the little princess back to Chu State."

In the end, Ouyang Zhengxiong still couldn't bear to let the little princess leave here alone. After all, he was the one who abducted her here.

If the little princess encountered any accidents on the way, he would not be able to escape this responsibility.

And when the little princess heard what Ouyang Zhengxiong said After that, I didn't know who Ouyang Zhengxiong was going to repay, nor who Ouyang Zhengxiong was.

If Ouyang Zhengxiong had many people to repay, and the matter was very complicated, wouldn't she have to stay here forever? Go down.

She doesn't want to stay here all the time. She has had enough fun outside now. She can take Xiaoyu back to the palace.

Anyway, after returning to the palace, there will be Xiaoyu, so she will not be alone. After having Xiaoyu, no one in the palace dared to bully her anymore.

"Bad guy, do you really think this princess will wait for you?"

"Let me tell you, this princess will never wait for you. With Ouyang Mingyue and Wei Tianyu escorting me back, I don't need you."

After Ouyang Zhengxiong heard what the little princess said, he nodded helplessly.

The little princess's lively and cheerful character can indeed be loved by many people.

But at the same time, if the little princess does not restrain this character, It is also easy to hurt other people.

Just like what happened at Shenfeng Academy before, she is not in the palace of Chu State now, and she should be under the protection of others at Shenfeng Academy.

If the little princess never learns this , the little princess can never grow up

"Little princess, you are right. You still have Ouyang Mingyue and Wei Tianyu who can see you off, but if they really go to see you off along the way, you must be careful to control your temper."

"You are indeed the little princess of Chu State, but the two of them can also be regarded as the sons of famous aristocratic families in Chu State, not to mention that they are still studying at Shenfeng Academy."

"When they successfully walk out of Kamikaze Academy, they need to return to Chu State to serve the people of Chu State."

"If you really offend these two, I'm afraid the future will be difficult."

Ouyang Zhengxiong spoke earnestly and expressed these hopes to the little princess, so that the little princess could restrain her temper. After listening to Ouyang Zhengxiong's words, the little princess felt very sad, as if Ouyang Zhengxiong was going to die in the next second. There are so many things to tell her.

Chapter 2164

"Okay, you bad guy, I don't want to hear all this stuff from you."

"In a short time, this princess will leave, and no one will bother you anymore."

"You should be happy, right?"

Although the little princess said this in arrogant and unreasonable words, Ouyang Zhengxiong felt uneasy inexplicably from the little princess's tone.

It was as if the little princess didn't like others to bother her. Although Ouyang Zhengxiong didn't know why the little princess You will feel like this.

But the little princess is still a girl after all, and girls should be pampered.

"how could be? Your Royal Highness, the cutest woman in the world"

"After the little princess returns to Chu Kingdom, you must be your princess and stop being so unreasonable."

After hearing Ouyang Zhengxiong's words, the little princess suddenly felt that maybe after she and Ouyang Zhengxiong separated this time, they would never have the chance to meet again.

There are some things that she must seize this opportunity. After saying that, if they separate, they will We can never meet again

"Big bad guy, you suddenly said that, which makes me a little bit embarrassed."

"I know I've caused you a lot of trouble along the way. Thank you for always taking care of me and not leaving me behind."

"I know what I am like. You must have been annoying me along the way, but I am just afraid that you will leave me."

"But it's okay now. I'm going back to Chu State. I don't have to live this kind of fearful life anymore."

"Although I have always shown that I hate you very much, I hope you know that I have never hated you."

"On the contrary, I am very grateful to you for letting me get out of the big prison of Chu State and be able to see such a prosperous world in my lifetime."

"I also found such a good friend."

After Ouyang Zhengxiong heard the little princess say such words, he really felt that the little princess was very sensible.

In fact, the little princess was not as coquettish and fearless as she appeared on the surface.

In fact, the little princess also had many things in her heart. She was afraid that others would abandon her and that others would hurt her.

After Ouyang Zhengxiong truly understood the heart of the little princess, he felt that the little princess was still very pitiful.

"Don't worry, after I resolve this matter here, I will definitely go to Chu State to see you when I have time."

"If you miss me, you can ask Xiaohua to come to me, or send me a letter"

"If I have time, I will also visit you."

The little princess nodded after hearing Ouyang Zhengxiong's words, but she didn't want Ouyang Zhengxiong to look at her with such pitiful eyes all the time.

That would make her feel that she was the most pathetic person in the world, but in fact she felt that her Life is already very good.

At least she can still eat well, wear warm clothes, and her most beloved father, emperor and mother love her.

In fact, there are still many people in this world who don't even have enough to eat.

"There is no need for you to look at me with such pitiful eyes. I feel that my life is much better than other people's."

"Since I have received the admiration of all people, I should naturally shoulder my own responsibilities."

At this time, Ouyang Zhengxiong really felt that the little princess in front of him had grown up and was no longer the unruly little princess in the Chu Palace.

Maybe people really need to go out and see the outside world. Only then can you realize how warm and happy the environment you were in was.

"I feel very happy that you can have such an idea"

"Now that you have learned to think from the perspective of ordinary people, I believe you can persevere."

Little Princess Ouyang Zhengxiong nodded after listening to Ouyang Zhengxiong's words. After Ouyang Zhengxiong's words, she didn't know whether she should be happy or sad.

It seemed that after Ouyang Zhengxiong's words, she This journey can be brought to a perfect end.

When she returns to the palace, she will still be the arrogant, arrogant and unreasonable princess of Chu.

Or she will become a very sensible princess, but those are no longer the case. She was no longer the real her.

At that time, she had already shouldered the responsibilities of all people and knew what a princess should really do.

"Big bad guy, thank you for teaching me so much. Now I finally know why you say you should go out for a walk more often."

After Ouyang Zhengxiong heard what the little princess said, he nodded. The little princess has really grown up now.

He doesn't want the little princess to understand such truths, and he doesn't want the little princess to grow up.

Like the little princess , People like the princess should always be pampered, but not everyone has the same idea as him.

One day, the little princess will also get married. If she is still so pampered by then, her husband's family will won't like him

"I hope we can both be the best people we can be next time we meet."

After the little princess said these words, she left here with a smile. She knew that Ouyang Zhengxiong came here to say goodbye to her.

She didn't want to watch other people's backs leave.

Chapter 2165

After Ouyang Zhengxiong saw the little princess leaving, he also knew that this matter should come to a successful end.

Ouyang Zhengxiong also left here, but before leaving, he went to see Chu Qing.

After Chu Qing heard that Ouyang Zhengxiong was coming, he came out very happy.

"How come you have time to come here?"

After hearing Chu Qing's words, Ouyang Zhengxiong looked at Chu Qing with a confused look.

He wanted to tell Chu Qing something, but he didn't know where to start.

"I seem to have something to tell you, but I don't even know where to start right now."

After listening to Ouyang Zhengxiong's words, Chu Qing knew that Ouyang Zhengxiong had encountered something that made him feel entangled.

"It's okay, you can take your time and think about it, I'm not in a hurry"

"If you encounter any difficulties, he can tell me and I will definitely choose to help you."

Ouyang Zhengxiong nodded after listening to Chu Qing's words. He was now a little confused about whether what he did was right or wrong.

In order to investigate Yu'er's family affairs, he actually chose to enter the court.

He knew what was going on in the court. It was so dark. He was afraid that after he went in and found out the results of the investigation, he would not be able to control his temper.

"There was something I had to do, but I didn't know if it was right or wrong."

After hearing what Ouyang Zhengxiong said, Chu Qing nodded, did not interrupt, and listened carefully.

Chu Qing felt that if Ouyang Zhengxiong felt so entangled, it could only mean that this matter was really important.

Since Ouyang Zhengxiong was able to enlighten her before, he can definitely enlighten himself.

"Since you said this thing must be done, then it must be done regardless of whether it is right or wrong."

"Sometimes we just have to look ourselves in the eye and make the right choice for ourselves."

After Ouyang Zhengxiong heard Chu Qing say such words, he suddenly understood. He was a bit narrow-minded about this matter, thanks to Chu Qing, otherwise, he would still be struggling now.

"You're right. Thank you very much for Chu Qing."

"If it weren't for you, I probably wouldn't have thought it through yet."

Chu Qing shook her head after listening to Ouyang Zhengxiong's words. Ouyang Zhengxiong was able to figure it out, which shows that Ouyang Zhengxiong's comprehension ability is extremely high.

"Ouyang Zhengxiong, as long as you stick to your own path, you will definitely succeed in the end."

Ouyang Zhengxiong nodded after listening to Chu Qing's words.

Ouyang Zhengxiong left here like this. Since he has decided to avenge Yu'er's family, he will never give up on him like this. On the line of being the second prince.

He must participate in this competition and win the championship.

After Ouyang Zhengxiong set this goal, he immediately began to intensify his training.

No matter what, he must win the competition. To improve his own ability.

Just as Ouyang Zhengxiong has been stepping up his training, the date of the competition is getting closer and closer.

Finally arriving at the day of the competition, Ouyang Zhengxiong looked at the people coming and going in the ring.

After the last person stood up, Ouyang Zhengxiong stood on the ring again.

The first round was still a group battle, and students like Shenfeng Academy did not have to step out at all.

But Ouyang Zhengxiong was not, Ouyang Zhengxiong was fighting in his own name To participate, he had to stand at the end in the first round to be qualified to compete with the people from Kamikaze Academy for the top spot.

As expected, Ouyang Zhengxiong finally stood on the final stage.

Ouyang Zhengxiong defeated here After that, he suddenly became the most watched person in the city.

Every time there is a competition, the person who stands at the end of the ordinary people will attract everyone's attention.

It will also cause a lot of speculation about it, look at it Will he be able to stand in the end?

There are also many people who badmouth Ouyang Zhengxiong's ability, because they don't think a person who practices on his own can beat the students of Shenfeng Academy.

If he can really beat them, then they In the future, there is no need to spend money to go to the academy. Just practice by yourself.

But they have never thought that the reason why Ouyang Zhengxiong can beat the people of Shenfeng Academy is because Ouyang Zhengxiong himself is very good.

And Ouyang Zhengxiong's training The method may not be suitable for everyone present.

The second prince naturally noticed Ouyang Zhengxiong. The second prince felt that if Ouyang Zhengxiong could really stand at the end, or have a good ranking, he would definitely be able to shine in the court..After all, Ouyang Zhengxiong has reached this level through his own cultivation. At this point, he will definitely win the attention of the royal family.

"It seems that His Highness is very concerned about this person."

A counselor next to the second prince said this to the second prince.

After hearing this counselor, the second prince naturally nodded. He felt that Ouyang Zhengxiong was likely to become his biggest helper in the future.

The second prince had a premonition. , this person is definitely not an ordinary person. If you make good friends with this person, he will definitely have a good future by then.

"Of course, it is absolutely extraordinary for a person like him who cultivates by himself to be able to stand to the end."

"And he definitely won't attract anyone's attention."

Chapter 2166

The counselor nodded after listening to the second prince's words. Indeed, no one would notice someone like this.

And it is true that many people will win over him, if the second prince takes the lead to win over Ouyang Zhengxiong.

That proves that the second prince is indeed a charismatic person.

And the second prince can also let Ouyang Zhengxiong handle everything well.

"So what does His Highness want to do next?"

After hearing what this person said, the second prince thoughtfully played with the folding fan in his hand.

"Wait a minute, you sent someone to notify him, he said I was waiting for him at the Yingbin Building."

The counselor nodded after listening to the second prince's words, and waited for Ouyang Zhengxiong's competition to end. As expected, the second prince's invitation came. Ouyang Zhengxiong was not unfamiliar with this invitation.

He knew that the second prince would be by his side today. He kept watching and knew that the second prince would definitely invite him after seeing his victory.

So he had already made preparations.

When Ouyang Zhengxiong came to the reception building, he immediately smiled and came with the second prince when he saw him. gave a hug

"It turned out to be Brother Tianlei, who I thought he was."

After hearing Ouyang Zhengxiong's words, the second prince also smiled and replied to Ouyang Zhengxiong.

"I heard that Brother Ouyang shined brightly today and won the first place in the competition."

"Didn't I immediately invite Brother Ouyang to celebrate after hearing about this incident?"

After Ouyang Zhengxiong heard the second prince's words, he showed a slightly bitter smile.

It seemed that he was not happy about this matter.

After the second prince saw this, he was silent. He may know why Ouyang Zhengxiong showed such a smile. expression.

But he can't just say this now. In Ouyang Zhengxiong's heart, he is an ordinary person like Ouyang Zhengxiong.

"Brother Ouyang, is there something embarrassing? Why do you look so troubled?"

After Ouyang Zhengxiong heard what the second prince said, he nodded in distress.

"To be honest, Brother Tianlei, I am not sure about this competition at all."

"But this time I have really prepared for a long time, and I don't want to miss it."

The second prince nodded after hearing Ouyang Zhengxiong's words. Although he also wanted to help Ouyang Zhengxiong, he could not reveal his identity now.

"I know what Brother Ouyang is worried about"

"Kamikaze Academy is indeed a very powerful academy, but you don't need to take them to heart"

"Even if they win, they will never enter the court at this time."

"When the time comes, as long as you defeat the others, you can still become the leader."

Ouyang Zhengxiong nodded after listening to the second prince's words. Unfortunately, he didn't want to lose to the people from Shenfeng Academy.

Except for Chu Qing and Mo Yu, he didn't like anyone in Shenfeng Academy.

Especially The first time he saw what happened at Kamikaze Academy, he already had a bad impression of Kamikaze Academy.

"Thank you Brother Tianlei for reminding me. I have been lucky enough to go to Shenfeng Academy several times before, but I have never studied systematically in their academy."

"If I'm lucky, I really want to take a look at Kamikaze Academy."

The second prince nodded after listening to Ouyang Zhengxiong's words. He obviously listened to Ouyang Zhengxiong's words.

But Ouyang Zhengxiong just said it casually and did not take this matter to heart at all.

After that, he truly became the second prince. After becoming the prince's staff, when the second prince sent him to Kamikaze Academy to study, he realized that the second prince valued him very much from the beginning and had never lied to him from the beginning.

Ouyang Zhengxiong felt very moved. , From that time on, I decided to be loyal to the second prince wholeheartedly.

Of course, these are all things for later, and we should focus on the present now.

After Ouyang Zhengxiong finished the meal and said goodbye to the second prince, he came to Yuchun Tower.

Ouyang Zhengxiong Zhengxiong went directly to Yu'er without saying hello to anyone.

After Ouyang Zhengxiong saw Yu'er playing the piano for other dignitaries, he did not immediately go up and take action.

Because he knew that this was Yu'er's own choice, and these It did not damage Yu'er's innocence.

But when he saw the group of people touching Yu'er, he really couldn't help it.

Just when Ouyang Zhengxiong was about to rush in, the old bastard came to Ouyang Zhengxiong's house At the same time, the madam felt very lucky in her heart. Fortunately, she saw Ouyang Zhengxiong at this time.

Otherwise, she didn't know how much trouble Ouyang Zhengxiong would cause her.

It's also her fault that she insisted on letting Yu'er I came to pick up this errand today, otherwise this wouldn't have happened.

"Young Master, please calm down, I'll call Yu'er out for you right now."

After the old bastard said these words, he went directly in and called Yu'er out, but the group of dignitaries were still reluctant. After seeing the reluctance of these dignitaries, the old bastard had no choice but to say something in a low voice. Yu'er said something in a low voice.

Er and Ouyang Zhengxiong didn't care so much at all and returned directly to Yu'er's room. After returning to the room, Ouyang Zhengxiong was still a little angry. He didn't understand why Yu'er did this.

Chapter 2167

Although he has now returned to Yu'er's room, the atmosphere in the room is very awkward.

Ouyang Zhengxiong looked at Yu'er angrily, as if he wanted to teach Yu'er a lesson.

After seeing Ouyang Zhengxiong like this, Yu'er couldn't help but burst into tears.

After Ouyang Zhengxiong heard Yu'er laugh, he glanced at Yu'er angrily.

"why are you laughing? What's so funny about this? If I hadn't come here today, do you know what would have happened to you?"

After Yu'er listened to Ouyang Zhengxiong's words, she stopped the smile on her face in the next second.

But she couldn't hold it any longer, so she laughed again.

Yu'er knew that Ouyang Zhengxiong was caring about her. She has felt it in her heart, and she also feels very warm

"Brother Ouyang, I know what you want to tell me."

"But this is all my own choice. Didn't Brother Ouyang say he would respect me?"

Ouyang Zhengxiong was speechless after hearing what Yu'er said.

He did say that he would support Yu'er's choice, but he didn't expect that Yu'er would actually make such a choice.

If he had known earlier If Yu'er would do this, he would definitely not agree to Yu'er's matter.

"I did say that I respect your choice, but what you do really damages your innocence."

"You are a good girl and you can marry a good family in the future. Don't let hatred blind you."

After Yu'er heard Ouyang Zhengxiong say such words, her eyebrows were downcast. She had already heard from Ouyang Zhengxiong's words that Ouyang Zhengxiong had never liked her and had never thought of marrying her. As early as The first time she met Ouyang Zhengxiong, she had already secretly fallen in love with him. It wasn't until this time, when she met Ouyang Zhengxiong again, that she knew that the love of youth would really last for a long time. She liked him as a teenager. When people grow old, they will also like the things they liked when they were teenagers, and they will still insist on it when they are old.

Yu'er really spent her whole life to prove this sentence, even to the moment before she died, she always In love with Ouyang Zhengxiong

"Brother Ouyang, even if I don't say it, you should know it in your heart"

"Now that I have become a woman from a brothel, I will be stained by this stain all my life."

"It is impossible for me to marry into a good family again, even marrying has become a luxury."

After Ouyang Zhengxiong heard Yu'er say such words, he really felt that God was very unfair.

People like Yu'er should be loved and loved, and she should have no worries about food and clothing.

But God happened to be unfaithful to her. Such a big joke. In her best years, her family was destroyed.

Even now she is living in a brothel and has to devote herself to others.

Fortunately, she met Ouyang Zhengxiong before that. Otherwise, Yu'er would be even more difficult now. Looking for life and death

"Yu'er, don't say such arrogant words. As long as I'm here, I will never let anyone bully you."

"You will definitely be able to marry into a good family and enjoy the rest of your life in peace."

After Yu'er heard Ouyang Zhengxiong say such words, she also knew that Ouyang Zhengxiong would definitely make the decision for her in the future.

Whether she agrees or not in the future? Ouyang Zhengxiong will find a good family for her.

Even if she rejects Ouyang Zhengxiong now, Ouyang Zhengxiong Masao will still ignore his own wishes

"Brother Ouyang, you better not worry so much."

"No innocent family in the world would want their children to marry a brothel girl."

"Why should I suffer this? Instead of doing this, it is better to live this life by myself."

After Ouyang Zhengxiong heard Yu'er say such words, he felt that Yu'er's thinking has improved a lot now.

Living alone is indeed happier than living with two people. There will be no conflict or estrangement.

Wait until Yu'er After his revenge is over, he will redeem Yu'er's life and then find a quiet yard for her.

Let Yu'er live her life by herself. This is the last thing he can do for Yu'er.

"Good Yu'er, I remember everything you said. When I succeed in avenging your family in the future, I will definitely fulfill your wish."

After hearing what Ouyang Zhengxiong said, Yu'er nodded funnyly.

She seemed to be looking forward to such a life, but only she knew it.

She didn't want to live alone at all, she just wanted to be with Ouyang Zhengxiong. They live together.

But Ouyang Zhengxiong is a good man and should not marry a brothel girl like her as a concubine.

If possible, she still hopes that Ouyang Zhengxiong can find a well-educated and sensible lady.

After Ouyang Zhengxiong met Yu'er, he Returned to his own inn.

Here, Ouyang Zhengxiong began to practice again. He didn't know what kind of cultivation level the people in Shenfeng Academy had.

But it was good to increase their cultivation level. He is more sure of winning this competition.

In this case, he will be one step closer to Yu'er's goal, and he can redeem Yu'er as soon as possible.

This goal has been supporting Ouyang Zhengxiong's progress, and also Let Ouyang Zhengxiong keep working hard.

Chapter 2168

The second round of the competition soon came. In the second round, the winners from each region competed.

Ouyang Zhengxiong looked at the dozen or so people standing in front of him and felt a little stressed. These people were all winners selected from various regions.

There are many very good people here, but these people are simply not enough to be seen in front of the people of Kamikaze Academy.

But he still has to be more vigilant. If the people here really have some geniuses, he will lose here.

Only the top three will be eligible to enter the next round of competition. This competition system will become increasingly cruel.

"Now I announce that the second round of the competition has officially begun."

As the gong sounded, the second round of competition officially began.

Ouyang Zhengxiong looked at everyone who appeared in front of him attentively, for fear that if he missed one person, he would be ruthlessly knocked off the ring.

Ouyang Zhengxiong looked attentively He was watching, but at the same time, the movements of his hands did not stop. He had been resisting the attack brought by the person in front of him, and was also attacking the next person with all his strength.

Time passed quickly. At this time There were five people standing on the stage.

Ouyang Zhengxiong looked at the four people opposite, not knowing what to do. It was obvious that the two people in front were in the same group.

If these two people must enter the next round If so, then there will only be one spot left.

He can't just give up this spot, no matter what? He must defeat all the people in front of him.

Ouyang Zhengxiong's eyes became more and more determined, and at the same time he looked like They looked at the four people in front of them like hungry wolves.

The four people all shuddered and had the thought of retreating.

But the next second, they shook this thought out of their minds. They could stand in this position today, I have paid a lot.

How could I give up just because of a look from other people? Then wouldn't their previous sins have been in vain?

Just when Ouyang Zhengxiong was thinking about this matter, he The movements of his hands became faster and faster, making it impossible for the people in front of him to see his moves clearly.

Although Ouyang Zhengxiong was hiding his own cultivation and abilities, anyone with a truly discerning eye could spot Ouyang Zhengxiong at a glance. His strength is not as simple as what he shows.

Unfortunately, only the second prince came here this time, and the monk who had been following him didn't come because of something else.

That's why Ouyang Zhengxiong's cultivation has been kept hidden.

2 After seeing the ability displayed by Ouyang Zhengxiong, the prince nodded with great satisfaction.

At the same time, he also had a thought in his heart. No matter whether Ouyang Zhengxiong could stand to the end or not, he must successfully help Ouyang Zhengxiong on his journey. The second prince had already found a powerful helper in Ouyang Zhengxiong, and he no longer wanted to watch the next competition.

Ouyang Zhengxiong stopped hiding himself after realizing that the second prince was gone.

He eliminated that person in one fell swoop. Everyone except the twins was beaten, and even if someone asked about it, he could shirk it.

Put the whole matter on the brothers, and he would just sit back and enjoy their achievements.

Ouyang Zhengxiong's eyes looked towards the direction that the second prince had just left, his eyes full of determination.

As things on Ouyang Zhengxiong's side progressed more and more smoothly, Yu'er made new discoveries.

Yu'er discovered The person who killed her father was really an official in the court.

But her status was that of a brothel girl, and she had no way to contact these people in the court.

For the first time, Yu'er hated her status, why couldn't she be so easily Contact with this person?

And this person is not an ordinary person, he is a famous prince in the palace.

After Yu'er got the news about this matter, she immediately wrote to Ouyang Zhengxiong and told Ouyang Zhengxiong the news.After

Ouyang Zhengxiong received the news, his eyes were full of anger. He did not expect that this matter was not only related to the court, but also involved several princes.

Just because of their fight for power, all their anger was vented on Yu'er's family. This was the most unacceptable thing for Ouyang Zhengxiong.

He must avenge Yu'er's family, and he must also let Yu'er escape from the current sea of suffering.

Ouyang Zhengxiong's eyes were full of cruelty at this time. If that person stood next to Ouyang Zhengxiong now, Ouyang Zhengxiong would definitely kill him without mercy.

His savior was framed by this man and lost his life. This was something he could never forgive.

Ouyang Zhengxiong's plans also began to become more and more thorough. If you want to gain a firm foothold in the court, it is essential to have a good thigh.

He has now begun to contact the second prince, and it seems that the second prince is very satisfied with him.

As long as he stands unswervingly with the second prince, he will definitely be able to avenge Yu'er's family when the time comes.

Moreover, the second prince is one of the few good houses he has come into contact with. If he is allowed to ascend the throne, it will be a beneficial thing for the entire Qi State.

Chapter 2169

Ouyang Zhengxiong has already arranged all the paths he will take in the future.

After he successfully went to court, he began to investigate the affairs of Yu'er's family.

This matter will be more difficult for Yu'er, so Yu'er will stay there for a while.

He originally said that he wanted to take Yu'er away, but if Yu'er insisted on disagreeing, then he would have no choice but to wrong Yu'er now.

Ouyang Zhengxiong and his two brothers on the stage reached the final game.

Before the final game begins, Ouyang Zhengxiong is becoming more and more panicked. If the Kamikaze Academy sends the students he has met before, will he reveal his secret directly?

He had never told anyone about this before, nor had he greeted Chu Qing.

Ouyang Zhengxiong didn't have time to think so much now. He had already thought of an excuse.

Even if he and the people from Kamikaze Academy confront each other and someone from Kamikaze Academy knows him, he can still give a perfect explanation.

Before the finals, Ouyang Zhengxiong had been practicing diligently.

Ouyang Zhengxiong felt that there was no use for him simply practicing at the foot of the mountain, so he came to the forest at the back of the mountain alone.

He heard that there are many jackals and beasts in the forest behind the mountain. Through these jackals and beasts, he should be able to get a big improvement.

But when Ouyang Zhengxiong walked around here, he did not find the so-called jackal beast. Instead, he found that the night here was very scary.

It's like if you are walking here, something will appear behind you at any time.

Although Ouyang Zhengxiong is an atheist, there are some things that he should be more careful about.

Ouyang Zhengxiong carefully circled here, and soon Ouyang Zhengxiong discovered something wrong.

This back mountain seems to have the intention of being set up with a barrier, but who would set up a barrier in the back mountain?

What is this person trying to hide? In other words, what is this person trying to protect?

Ouyang Zhengxiong didn't know, but Ouyang Zhengxiong still wanted to test it out.

Ouyang Zhengxiong gently placed his hand on the protective shield, closed his eyes at the same time, and began to recite the mantra silently.

He wanted to open this protective shield, but Ouyang Zhengxiong still overestimated his own ability.

But with Ouyang Zhengxiong's current ability, it is simply impossible to open the current protective shield.

When Ouyang Zhengxiong saw that he could not open it again, he had no choice but to sigh silently and decided to give up here for the time being.

But at the same time, Ouyang Zhengxiong also remembered the location here and would come here to take a look next time he was promoted.

Ouyang Zhengxiong had no choice but to give up the protective shield in front of him and walked aside.

At this time, Ouyang Zhengxiong finally saw the wild wolf that had been running as fast as he could in this large forest.

After Ouyang Zhengxiong saw it, a strange red light emitted from his eyes.

In the next second, he ran directly after the wild wolf, and the wild wolf soon discovered that someone was following him.

The wild wolf appeared this time just to keep fit, but he didn't expect that there would be people going up the mountain to hunt at night.

When the wild wolf saw that there was only one person, he stopped and turned back to the grinning Ouyang Zhengxiong, trying to drive Ouyang Zhengxiong away.

But Ouyang Zhengxiong is not afraid of the wild wolf in front of him at all. He comes here just to improve his cultivation.

The wild wolf in front of him appeared here, just what he wanted

"Originally I was about to give up, but I didn't expect you to come to your door yourself, so I won't be polite."

After hearing Ouyang Zhengxiong say such words, the wild wolf was frightened and took two steps back, as if he already knew what the man in front of him was going to do.

The next second, the wild wolf directly chose to leave here, but his How could the speed be comparable to Ouyang Zhengxiong's speed? He was easily stopped by Ouyang Zhengxiong, and Ouyang Zhengxiong took out his weapon at this time and pointed his sword at the wild wolf in front

of him. The wild wolf probably also He understood that he could not escape from this predicament. He could not escape without killing the human in front of him. At this time, the wild wolf immediately pounced on Ouyang Zhengxiong, trying to bite Ouyang Zhengxiong to death..

But Ouyang Zhengxiong dodged immediately, and then took out the long sword in his hand and began to gesticulate with the wild wolf in front of him.

The sword in Ouyang Zhengxiong's hand was indeed a bit awkward if he wanted to deal with this beast. Convenient.

Ouyang Zhengxiong took back the sword. With bare hands, it would be much easier to deal with the monster in front of him.

When Ouyang Zhengxiong put down his weapon, his seal was completely released.

At this time, Ouyang Zhengxiong suddenly With a left hook and a right hook, the wild wolf was knocked to the ground. The wild wolf was still confused at this time. I don't know why, but now humans have become so strong.

Ouyang Zhengxiong saw the wild wolf. After the wolf looked like this, he didn't stop at all and wanted to directly take the wolf's name.

But at this moment, Ouyang Zhengxiong suddenly stopped. The wolf didn't seem to provoke him.

And the wolf was like this It seems that Zi is going to deliver a message. If he kills the wild wolf like this, maybe the wild wolf's family will come to him for revenge.

Chapter 2170

Ouyang Zhengxiong didn't mean to kill them all, he just wanted to test his current abilities with wild wolves.

Now ordinary attacks have no effect on him, and even wild wolves can't do anything to him.

Then let's watch what happens next. Ouyang Zhengxiong took back his long sword and stood aside.

"I have never thought of killing you, just leave by yourself!"

The wild wolf looked at the man in front of him in surprise. He originally thought that this man would kill him, but he didn't expect that this man would let him go. The wild wolf turned back and remembered Ouyang Zhengxiong's face deeply, and immediately Left here.

After Ouyang Zhengxiong saw the wild wolf leaving here, he also started to continue walking through the forest.

Although the wild wolf had left here, there are still many things here.

There are still many dangers here, he These dangers must be eliminated one by one.

Ouyang Zhengxiong traveled here many times and gained a lot of experience here. It was not until early in the morning that Ouyang Zhengxiong returned to the inn.

After returning to the inn, Ouyang Zhengxiong He freshened himself up.

Ouyang Zhengxiong had an intuition that the second prince would definitely come to him today.

While Ouyang Zhengxiong was having breakfast here, the second prince's people indeed came to the inn.

And they also saw it. Ouyang Zhengxiong walked towards Ouyang Zhengxiong very respectfully.

"Mr. Ouyang, our young master would like to invite you to be our guest."

After Ouyang Zhengxiong saw this person, he looked defensive, as if he didn't know the person in front of him and was very worried.

"who are you? Why should I listen to you? Who is your young master? I don't know my young master, why should I have to make up lessons?"

Ouyang Zhengxiong was still acting at this time. When the people who came heard what Ouyang Zhengxiong said, they started to laugh.

"Our young master is the young master Qi who drank wine with you before."

"This time he wants to find you, and he also heard that you successfully entered the final competition."

After Ouyang Zhengxiong heard this man say such words, he slowly relaxed, as if he really knew Mr. Qi.

"I see, then where is your young master now? I'll go here."

After hearing what Ouyang Zhengxiong said, the visitor laughed with great satisfaction.

"I'm just taking the young master back to see my master. Just follow me."

After Ouyang Zhengxiong heard what this person said, he nodded, and then followed this person into the carriage.

After walking a long way, Ouyang Zhengxiong stopped, but when he stopped and looked up, he actually saw Arriving at the second prince's residence.

Ouyang Zhengxiong was very surprised after seeing this scene. He had never thought that Qi Tianlei would be the second prince. No wonder his surname was Qi. This was the country of Qi.

But in fact, Ouyang Zhengxiong had already known these things After the investigation, it became clear that if it weren't for knowing that he was the second prince, he wouldn't have the patience to act with him

"Why did you bring me here? Aren't you going to see Mr. Qi?"

"Why does Mr. Qi live here? Could it be that he is the second prince's staff?"

The young man laughed after hearing Ouyang Zhengxiong's words. It seems that the person in front of him does not know the true identity of their master.

If he knew the true identity of his master, I am afraid this person would not be able to do what he did. So calm now

"Young Master Qi is my second prince. My second prince has been waiting for him in the house for a long time. Young Master, you'd better go in quickly!"

After Ouyang Zhengxiong heard the boy say such words, he seemed to be still in the fog, not understanding what was happening in front of him.

It seemed that he didn't want to continue listening.

When Ouyang Zhengxiong came to Qi Tianlei, as expected, Seeing Qi Tianlei sitting on the main seat again, waiting for him to come over.

Ouyang Zhengxiong swallowed after seeing this scene, as if he truly accepted the reality.

The next second, Ouyang Zhengxiong knelt directly in front of Qi Tianlei, The Great Sage said to Qi Tianlei:"The second prince is ignorant of Taishan. He was rude to the second prince some time ago, and I hope the second prince will not take it to heart."

The second prince laughed when he heard Ouyang Zhengxiong say such words, and then walked up and helped Ouyang Zhengxiong up with his own hands.

"Brother Ouyang, why are you so polite? You and I are brothers and don't need to pay such a courtesy."

After Ouyang Zhengxiong heard the second prince say such words, he felt a little disapproving in his heart, but on the surface he showed great fear.

"Second Prince, you are really flattering me. You are the prince, and I am just an ordinary person. How can I call you a brother?"

After the second prince heard Ouyang Zhengxiong say such words, there was still a burst of joy on his face, but the words that came out of his mouth were not as true as his face.

"When you and I first met, I didn't appear as the second prince."

"If you are alienating me now because I am the second prince, then I think there is no need for us to continue talking."

After Ouyang Zhengxiong heard the second prince say such words, he sneered. If the second prince didn't want this, there was no need to have a showdown with him now.
