

Attributes 2171

Chapter 2171

At this time, Ouyang Zhengxiong deliberately showed an expression of fear and anxiety on his face.

As if he didn't dare to treat the second prince like this, and he was a little restless

"But you are the second prince, and I am just a commoner....."

After the second prince heard Ouyang Zhengxiong say such words, he immediately stood up and came to Ouyang Zhengxiong and sat down.

"Brother Ouyang, have you forgotten the time you were outside? Brother Ouyang and I are brothers."

"Is it possible that Brother Ouyang is going to abandon me as a brother now?"

After Ouyang Zhengxiong heard the second prince say such words, he waved his hands quickly. He had no such thoughts.

He also did not dare to have such thoughts.

"Second Prince, I have never meant anything like this. I just feel that my status is not worthy of being your friend."

"And I have just entered the finals of the competition. I don't even know if I can stand at the end."

After the second prince saw Ouyang Zhengxiong say such words, his eyebrows were downcast, and he felt that Ouyang Zhengxiong should be very concerned about this matter now.

But in fact, he sent people to watch every game Ouyang Zhengxiong played, and sometimes even He would also go to the scene himself.

He found that Ouyang Zhengxiong's strength was not weak. Among the people who practiced by himself, Ouyang Zhengxiong was considered outstanding.

Even if he really lost, Ouyang Zhengxiong would only lose.

Ouyang Zhengxiong has no shame in losing to the people of Shenfeng Academy. After all, they have received systematic and specialized training.

"Brother Ouyang, don't take this matter to heart. Don't forget that you are going to face the students of Shenfeng Academy next."

"Shenfeng Academy can be regarded as the number one academy in the mainland. Even if you lose to them, it is not an exaggeration."

But after Ouyang Zhengxiong heard the words of the second prince, he shook his head firmly. It seemed that if he really lost at the hands of Shenfeng Academy, he would become very unwilling.

"Second Prince, I am here just for the position of leader. If I live in the hands of someone from Kamikaze Academy at this time, I cannot face myself."

"I also know that the second prince has high expectations for me. If I let him down like this, I really feel sorry for him."

The second prince had to laugh when he heard Ouyang Zhengxiong say such words. He has not expressed his intention to win over Ouyang Zhengxiong yet, and he did not expect that Ouyang Zhengxiong would be so smart. In this case, he would not mind treating Ouyang Zhengxiong more. a little care

"Brother Ouyang, you really don't need to put so much pressure on yourself about this matter."

"In fact, I have gone to watch every one of your games. You are really a great person."

"It is not easy to achieve such a high position in one's own training."

"Even if you really lose to the people from Kamikaze Academy, there is no need to feel inferior. After all, the people from Kamikaze Academy have been systematically trained."

After Ouyang Zhengxiong heard the second prince say such words, his eyes were still pretending to be uneasy, and he looked at the second prince.

It was as if he couldn't believe that these words were spoken by the second prince.

"Second Prince, do you really not blame me? If I don't win the final victory"

"If I don't win the final victory, I won't be able to serve the second prince."

After Ouyang Zhengxiong said these words, he still sighed in a melancholy manner. After the second prince saw it, he really felt a great sense of vanity in his heart.

Ouyang Zhengxiong was completely impressed by him like this. Now Ouyang Zhengxiong has completely become his person

"Brother Ouyang, I told you a long time ago, I don't care about these false names."

"If Brother Ouyang is really willing to help me, I will naturally be very happy"

"Besides, the matter is still undecided. If you undergo my training, you may not be unable to defeat me, a student of Kamikaze Academy."

After Ouyang Zhengxiong heard the second prince say such words, he suddenly looked at the second prince.

As if he couldn't believe what he just heard. If he heard correctly, the second prince hired a special teacher for him.

"Second Prince, you, did I hear correctly what you just said?"

"Do you really want someone to teach me systematically? But I can't give you anything, and I may not even be able to give you anything in return....."

After hearing what Ouyang Zhengxiong said, the second prince deliberately fell in love with Ouyang Zhengxiong.

"Brother Ouyang, I have told you a long time ago that I have already regarded you as a brother. Since you want to be the leader, brother, I, as a brother, have no choice but to help you."

Ouyang Zhengxiong's face became very unbelievable at this time, but at the same time there was a lot of excitement.

It seemed that he was very much looking forward to this event. The second prince did not show that he looked down on Ouyang Zhengxiong.

But Ouyang Zhengxiong also knew that the second prince had regarded him as his own at this time.

"Second Prince, don't worry, I will never let him down."

Chapter 2172

After the second prince heard Ouyang Zhengxiong say such words, he immediately laughed loudly and was very satisfied with Ouyang Zhengxiong's attitude.

But at the same time, he did not choose to put pressure on Ouyang Zhengxiong. Regardless of whether Ouyang Zhengxiong could win the students of Shenfeng Academy in the end, this was Ouyang Zhengxiong's fate.

Moreover, he has now found an outstanding person like Ouyang Zhengxiong. Even if he cannot win the chance to be in the court through the competition, he will arrange for Ouyang Zhengxiong to go to the court.

The second prince is very optimistic about Ouyang Zhengxiong. If Ouyang Zhengxiong is willing to go to the court to help him, it will be a matter of half the effort.

"Brother Ouyang, don't worry, if Brother Ouyang wants to gain a foothold in the court, I will naturally help Brother Ouyang."

After Ouyang Zhengxiong heard the second prince say such words, the gratitude in his eyes could not deceive anyone. The second prince also thought so, but he did not expect that Ouyang Zhengxiong was an actor at all.

If Ouyang Zhengxiong was born in modern times at this time If so, he could definitely win the Three Gold Medals.

At that time, Ouyang Zhengxiong left the Second Prince's Mansion with excitement, but the moment he stepped out of the Second Prince's Mansion, his expression completely changed.

He He is just deceiving the second prince. How could ordinary people trust the second prince so easily?

Although the second prince has a high reputation among these royal heirs, it does not mean that he is the simplest one.

Ouyang Zhengxiong He understood this very well. He knew that no one who could survive in the palace was a simple person. He could not relax his vigilance about anything and absolutely could not trust anyone.

After Ouyang Zhengxiong left the Second Prince's Mansion, he came alone Kamikaze Academy.

If he really meets a student from Kamikaze Academy, it will be a tricky thing for him.

It seems that not many students from Kamikaze Academy really like him. At that time, if all his plans If it was exposed, I'm afraid the second prince would know that he had been deceiving him.

This matter couldn't be leaked out like this, he had to find a way to prevent it from happening.

Ouyang Zhengxiong couldn't think of any good way at all, so he had to A man went to find Mo Yu.

When Ouyang Zhengxiong found Mo Yu again, Mo Yu was sitting in the yard reading a book.

She looked peaceful and leisurely, like a stretched painting.

Ouyang Zhengxiong felt that Mo Yu was He looks really gentle, and he looks like a gentle and jade-like person.

I have to admit that Ouyang Zhengxiong feels from the bottom of his heart that Mo Yu is the most handsome man in the world.

With such a mood, Ouyang Zhengxiong came to Mo Yu's house He sat down in front of Mo Yu.

After seeing Ouyang Zhengxiong coming here, Mo Yu put the book aside and looked at Ouyang Zhengxiong with a smile.

"I don't know why Brother Ouyang came here."

After Ouyang Zhengxiong heard Mo Yu's words, he looked at Mo Yu very seriously.

He had one thing to ask Mo Yu. He wanted to see if Mo Yu knew.

"Mo Yu, I have something very important to ask you."

"I don't know if I should stick to what I'm doing now, and I don't know if it's the right thing to do."

After Mo Yu heard Ouyang Zhengxiong say such words, she felt that what Ouyang Zhengxiong was going to say might be very important. She immediately put everything on her hands aside and listened to Ouyang Zhengxiong's words attentively.

"Brother Ouyang, if you really have any doubts, you can tell me."

"If there is anything I can do to help Brother Ouyang, I will naturally be obliged to do so."

After Ouyang Zhengxiong heard Mo Yu say such words, he nodded and looked at Mo Yu very seriously at this time.

"I'm doing something that probably no one else will ever understand"

"It is possible that we will become enemies in the future, but those are not what I really want in my heart. I hope that when that time comes, you will pretend not to know me."

After Mo Yu heard what Ouyang Zhengxiong said, he felt that what Ouyang Zhengxiong said was likely to come true in the future.

Ouyang Zhengxiong just wanted to ensure that such an accident would not happen in advance.

If Ouyang Zhengxiong was doing this The matter is really necessary, or Ouyang Zhengxiong really needs this matter.

He will help Ouyang Zhengxiong complete this matter, just pretending not to know Ouyang Zhengxiong.

If it weren't for Ouyang Zhengxiong and Ouyang Zhengxiong that day If Chu Qing is together, he really doesn't know Ouyang Zhengxiong.

"It turns out it was just for this little thing"

"Brother Ouyang, don't worry. Since Brother Ouyang has told me about this matter in advance, I will naturally not embarrass Brother Ouyang."

After Ouyang Zhengxiong heard Mo Yu say such words, he suddenly laughed.

He knew that Mo Yu would definitely agree to him, but it did not mean that other students in Shenfeng Academy would cooperate with him.

He always remembered the cold feeling , that woman looked arrogant in red.

But he had never tried to understand what kind of woman Lengqing was.

Maybe Lengqing did look cold on the outside, but she was also cold on the inside. hot.

But Ouyang Zhengxiong has never gotten to know Lengqing, and he doesn't know what kind of person Lengqing is.

He never wanted to understand Lengqing, it was someone who had nothing to do with him.

After hearing Mo Yu's assurance to him, Ouyang Zhengxiong left Shenfeng Academy as he wished.

After Ouyang Zhengxiong left Shenfeng Academy, he came to Yuchun Tower. He wanted to share the good news with Yu'er.

But when Ouyang Zhengxiong came to Yuchun Tower, he met the maid who had been serving Yu'er halfway.

Because every time they come to Yuchun Tower, this is the woman who serves Yu'er and Ouyang Zhengxiong.

Ouyang Zhengxiong had already remembered her, and in the brothel, Ouyang Zhengxiong also carefully searched the people around Yu'er.

If there was even the slightest chance of threatening Yu'er's existence, Ouyang Zhengxiong would not let her stay.

After Ouyang Zhengxiong saw the maid, he felt that the maid seemed a little strange. She kept guarding Yu'er's house in a panic.

Ouyang Zhengxiong wanted to know what secrets were hidden in this room, so he walked quickly to the maid.

When the maid saw Ouyang Zhengxiong approaching, her expression changed drastically and she knocked on the door to alert the people inside.

At this time, she saw Ouyang Zhengxiong coming to her, and the maid immediately stopped Ouyang Zhengxiong.

"Young Master, why don't you wait here for a moment? My girl is not feeling well today. She hasn't gotten up yet."

Although the maid looked very pale and bad when she said these words, Ouyang Zhengxiong did not find anything wrong with the maid.

On the contrary, Ouyang Zhengxiong became even more anxious after hearing the maid say such words. Got it

"How is this going? Why did Yu'er get sick suddenly?"

"Didn't the madam here ask a doctor for her? What's going on with the madam here? They took my money and still didn't do anything for me."

After the maid heard Ouyang Zhengxiong say such words, she quietly breathed a sigh of relief, thinking that Ouyang Zhengxiong would definitely call a doctor for Yu'er.

But what the maid didn't expect was that Ouyang Zhengxiong would still force his way in. The maid At this time, he immediately stood in front of Ouyang Zhengxiong, preventing Ouyang Zhengxiong from touching the door.

"Master, can you please go and hire a doctor for my young lady now?"

"I'm very afraid that my young lady won't be able to bear it any longer. My young lady has been feeling very unwell during this time."

After Ouyang Zhengxiong heard what the maid said, although he felt that everything the maid was doing now was very suspicious.

But everything the maid said now was related to Yu'er's life, and he could not ignore Yu'er's life.

And he also You can't really put Yu'er's life in danger just because of this little thing.

"I understand. You should keep a close watch on your lady here. If anything happens to her, report it to me immediately."

"I'll go get a doctor for your lady right away."

After hearing Ouyang Zhengxiong's words, the maid immediately nodded, and the next second Ouyang Zhengxiong left. At this time, after confirming that Ouyang Zhengxiong had left, the maid quickly opened the door.

In the room, Yu'er and The strange young master actually kept drinking.

After seeing this scene, the maid's face turned really bad. She could see Ouyang Zhengxiong's intentions towards Yu'er.

But now Yu'er is carrying Ouyang Zhengxiong behind her back. Secretly serving other men, if Ouyang Zhengxiong knew about it, he would probably not be so kind to Yu'er again.

But these things are not something that a little maid like her can dictate.

Since she is Yu'er now, She should serve Yu'er faithfully.

The maid soon came to Yu'er's ear and whispered something to Yu'er quietly.

After hearing the maid's words, Yu'er's face immediately darkened, but the next second , a bright smile appeared on his face again

"Oops, Mr. Wang, I suddenly have some things that I haven't dealt with today. Why don't we get here first today?"

"If I have another chance next time, I will definitely have a good drink with Mr. Wang."

After Wang Gongzi heard Yu'er say such words, his smiling face immediately stiffened. He originally thought that he and Yu'er would spend the night together, but he didn't expect that Yu'er would drive him away at this time.

"Miss Yu'er, why don't we have two more drinks? It's still early anyway, and you are also mine today."

After hearing what Mr. Wang said, Yu'er's smile froze on her face.

When did she belong to Mr. Wang? She is obviously a person of Ouyang Zhengxiong.

If it wasn't because she had to find out the news, she would have been there long ago. Get out of this disgusting place

"Prince Wang, it's really not that I don't want to accompany you. Look, I've specially invited you into my boudoir."

"But I really have something to do now. Prince Wang will never make things difficult for the slave family."

After hearing Yu'er's cooing voice, Mr. Wang couldn't continue to say anything to Yu'er.

Half of his body was numb now, and Yu'er looked like a charming little boy. goblin.

Chapter 2174

"Okay, okay, whatever Miss Yu'er says is fine. Since Miss Yu'er has something to do today, I won't embarrass Miss Yu'er anymore."

"But Miss Yu'er has to say, she must have a drink with me another day."

After hearing what Mr. Wang said, Yu'er quickly smiled and nodded, and successfully sent Mr. Wang out.

But at this time, Yu'er's face had long lost the smile she used to face Mr. Wang.

At this time, Yu'er's face She was full of indifference and ruthlessness, and it seemed as if the person just now was not her.

After seeing Yu'er like this, the maid didn't feel strange. She had seen Yu'er like this many times these days.

She didn't She understands why Yu'er always forces herself to see people she doesn't want to see.

And she is one of the few people who knows the inside story. She knows that Yu'er has been successfully redeemed now.

But she doesn't understand what Yu'er thinks, since She has been ransomed, so she should leave this place where fish and dragons are mixed as soon as possible. But Yu'er has never thought about leaving here, and Yu'er is still playing here.

Secretly picking up guests behind Ouyang Zhengxiong's back, is it possible? Are you really not afraid that Ouyang Zhengxiong will find out?

"Girl, why do you have to do this to yourself? You obviously no longer have to accept customers, but you continue to do so"

"Are you really not afraid of being discovered by Mr. Ouyang?"

"If I hadn't stopped Mr. Ouyang today, Mr. Ouyang would have discovered it long ago."

After Yu'er heard what the maid said, she knew that the maid was doing it for her own good, but there was a pain hidden in her heart.

This pain was not known to anyone, and she didn't want to share it with anyone.

There were many She needs to take on things independently.

She has grown up slowly now and already knows that her own affairs cannot be borrowed from others.

"Xiaoqi, you are still young and there are many things you don't understand yet."

"When you get to my age and go through what I went through, you'll know why I do what I do."

After Xiao Qi heard Yu'er's words, she tilted her head and looked at Yu'er very cutely.

She didn't understand why Yu'er said that her life was miserable. In a brothel, she could still meet such an infatuated person like Ouyang Zhengxiong. That's pretty good luck

"Girl, please listen to my advice. If you can leave this place, leave as soon as possible. Don't stay here any longer."

"You haven't accepted any guests yet, so even if you go out, you're considered an innocent person."

"But if you delay for a few more days, I'm really afraid of you....."

Yu'er really feels that she is very lucky and has met kind-hearted people along the way.

First she met Ouyang Zhengxiong, and now she had a maid who was doing her best to take care of her.

But she had to let down these people who were good to her.

"Xiao Qi, you don't need to persuade me anymore, I know very well what I am doing now"

"You did a great job today. Next time Brother Ouyang comes here again, be sure to notify me in advance."

"Brother Ouyang cannot be allowed to know what I am doing now."

Although Yu'er wanted to hide all this from Ouyang Zhengxiong, who was Ouyang Zhengxiong?

He could tell at a glance that the maid was deliberately blocking him and not letting him in, and he was about five years away from the door. When he was eating rice, he could still vaguely hear the sounds of playing inside.

Ouyang Zhengxiong knew what Yu'er was doing inside. The reason why he didn't break in was just to give Yu'er face.

He knew, because With his arrival today, Yu'er has not made the final step with that man.

He also knows the reason why Yu'er stayed in the brothel.

Yu'er keeps making trouble for himself in this way, which makes him feel very distressed, but He couldn't change Yu'er's mind at all.

He couldn't change Yu'er's attitude either, so he had no choice but to silently support Yu'er.

No matter what Yu'er would become in the end, he would definitely let Yu'er be free. Living in this world, he will never let anyone hurt Yu'er. This is his promise to Yu'er.

"Yu'er, you are so stupid. You have obviously said that I will solve these things for you, but you still have to carry them alone."

"Don't worry, I won't let anyone know these things. When the day comes when I avenge your parents, you will still be an innocent and good girl."

These words were spoken by Ouyang Zhengxiong to himself. He seemed to be admonishing himself and swearing to himself.

Ouyang Zhengxiong very much hoped that Yu'er could confess this matter to him. This at least shows that Yu'er never thought about it. She had to use her own body to get something.

But everything still disappointed Ouyang Zhengxiong.

Yu'er never thought about telling Ouyang Zhengxiong about this matter, she chose to keep it hidden from Ouyang Zhengxiong.

And she also She wanted Ouyang Zhengxiong not to be so tired, so that she could solve her family's problems by herself.

After seeing Mr. Wang leave, Ouyang Zhengxiong turned around and grabbed a doctor on the street.

Now that he knew that Yu'er was not sick, he There is no need to be in such a hurry.

Chapter 2175

When Ouyang Zhengxiong appeared outside Yu'er's door again, Yu'er had already finished cleaning up the house.

At this time, Xiao Qi was still standing outside Yu'er's house, looking very calm.

It was as if nothing had happened just now, after seeing Ouyang Zhengxiong arrive.

Although Xiao Qi felt briefly guilty, she immediately thought of what Yu'er once said to her.

But when facing Ouyang Zhengxiong, you must not feel guilty, otherwise, Ouyang Zhengxiong is likely to discover something.

"Mr. Ouyang, my girl is inside now. I hope you can let the doctor take a closer look at her body. She often feels weak during this period."

Ouyang Zhengxiong nodded after hearing Xiao Qi's words, and then walked into the room with the doctor. The doctor really felt that he was wronged. He was brought here by Ouyang Zhengxiong when he was resting in the hospital.

But now, he actually came to see a brothel girl, and thinking about it, he felt very unlucky.

So now he had a temper, and when facing Yu'er, he would never give Yu'er a good look.

But when he actually saw Yu'er appear, he was already impressed by Yu'er's gorgeous appearance.

Yu'er was very beautiful, but there was some purity in this charm, which made people feel like he was Like a goblin.

At this time, the doctor already knew why she was called the new oiran.

Why even the upright-looking Ouyang Zhengxiong would catch her here to treat Yu'er.

But this cannot offset it. During his break, he was filled with resentment brought by Ouyang Zhengxiong.

"Did you go to all the trouble to invite me here just to treat a brothel girl?"

"Do you know how valuable my time is? She's just a brothel girl, why bother asking a doctor?"

The doctor looked down on the brothel girls very much, and Ouyang Zhengxiong was very angry after hearing what the doctor said.

Even the smile that had always been on Yu'er's face froze. He knew that the world looked down on the brothel girls.

But she I never thought that even a doctor would look down on a brothel woman, saying that it is their duty for doctors to save people and treat diseases.

But now it seems that this doctor does not want to treat him at all, as if treating him insults his hands.

Ouyang Zhengxiong turned around and looked at the doctor coldly.

"Don't forget your identity. You are a doctor. Do you think it is appropriate for you to say such a thing?"

"It is said that doctors treat illnesses and save lives with kindness. Why do you think the life of a brothel woman is not life? Does she deserve to be trampled on by others?"

"Do you know how many women in brothels come here every year because their parents scold them? How many of them were sold by others?"

After the doctor heard what Ouyang Zhengxiong said, he was startled by Ouyang Zhengxiong's eyes, but he did not listen to what Ouyang Zhengxiong said.

Because he thought that these things were not what he cared about. Everyone in the world has everyone's sufferings. , it is impossible for him to understand everyone's suffering.

Besides, he is not the only one in this world who looks down on women in brothels, so why should Ouyang Zhengxiong only attack him?

"There are so many professions in the world, so why do they choose to be brothel girls?"

"Isn't it just because you don't want to do it yourself? Since you have chosen to do such a despicable thing, don't blame others."

After Ouyang Zhengxiong heard what the doctor said, he really wanted to chop the doctor into pieces.

"You'd better keep your mouth clean. If I hear you look down on brothel girls again, I will never let you go so easily."

"Also, I asked you to come here to treat illnesses and save people, not to let you talk about these things here."

"Why don't you quickly take on your responsibility as a doctor and save people?"

After hearing what Ouyang Zhengxiong said, Yu'er knew that Ouyang Zhengxiong was already a little angry.

But she felt that there was no need for Ouyang Zhengxiong to be angry for her, and there was no need for Ouyang Zhengxiong to conflict with the doctor because of her.

"Brother Ouyang, there is no need for you to be so angry. In fact, what this doctor said is the truth."

"People look down on women in brothels. I don't blame them. It's just human nature."

After Ouyang Zhengxiong heard Yu'er say such words, he felt very distressed and fell in love with Yu'er.

Even though Yu'er has now become a brothel girl, she still can't help but think about the problem from the other person's perspective.

In this way How could a woman be persecuted by life to be like this?

"Yu'er, you....."

At this time, Yu'er gently shook her head at Ouyang Zhengxiong, and then looked at the doctor with a smile.

"Doctor, don't take his words to heart, he is just a reckless person."

"Thank you, doctor, for making a special trip to see me today. In fact, there is nothing serious about my health."

"Please doctor, please give me a prescription to soothe my nerves."

After the doctor heard Yu'er say such words, he really didn't expect that the brothel woman would be so considerate.

Chapter 2176

No wonder all the men in this world like to come to brothels.

The doctor also became a little embarrassed after hearing Yu'er say such words.

"Are you the doctor or am I the doctor? I haven't seen a doctor yet, how can I prescribe medicine to you?"

"Hurry up and stretch out your hand to see a doctor. I still have many patients waiting for me."

After Yu'er heard the doctor's words, she smiled sheepishly at the doctor, and then handed over her right hand.

At this time, the doctor took Yu'er's right hand and felt Yu'er's pulse.

When taking the pulse, The doctor's brows gradually tightened, and it seemed that Yu'er's condition was very bad.

Yu'er and Ouyang Zhengxiong were both surprised when they saw this scene. Could it be that something really happened to Yu'er now? After finally waiting for the doctor to take the pulse, Ouyang Zhengxiong looked at the doctor impatiently

"Doctor, how is she doing now? Is there any discomfort?"

After hearing what Ouyang Zhengxiong said, the doctor looked at Ouyang Zhengxiong.

"She is really not in good health right now, and she should be woken up by nightmares every night"

"It is usually difficult to fall asleep. After falling asleep, I wake up due to the slightest movement."

"Her current condition is fine, not very serious. I will give her two prescriptions to replenish her energy and nourish her spirit."

"After she has taken these two medicines, I will come and watch her again. If everything is fine, then there is nothing serious."

After Ouyang Zhengxiong heard the doctor's words, he saw Yu'er clearly with a complicated face. He originally thought that this was an excuse made by Yu'er.

But he didn't expect that he would actually discover Yu'er's secret before he accidentally bumped into her.

Yu'er's current physical condition is so bad, it's all because he never cared about Yu'er's condition.

"Yu'er, why didn't you tell me these things earlier?"

"Doctor, please prescribe the medicine now, and I will get it now."

After listening to what Ouyang Zhengxiong said, the doctor nodded and quickly handed the prescription to Ouyang Zhengxiong.

When Ouyang Zhengxiong saw the prescription given by the doctor, he took a rough look at it. There is nothing wrong with the medicinal materials. Ouyang Zhengxiong expressed his great gratitude to the doctor at this time.

"Thank you doctor, doctor, this is the consultation fee I give you. I also hope that you can come to see Yu'er next time."

After the doctor heard what Ouyang Zhengxiong said, he accepted the money from Ouyang Zhengxiong without any courtesy.

If he came to the brothel this time, he would not be easy if the tigress in his family knew about it.

If he didn't give it , If he had a bigger piece of silver, he didn't know how to explain it to his tigress.

Just as Xiao Qi was sending the doctor away, Xiao Qi also took out a piece of silver from his arms and handed it to the doctor.

"Doctor, my girl's life is miserable. I hope the doctor can take more care of my girl."

"My girl used to live in a wealthy family, but later she was killed by an adulterer and sold into a brothel."

"I am not saying this to make the doctor sympathize with my girl, I just hope that the doctor will not insult my girl like he just did."

The doctor nodded after listening to Xiao Qi's words. He knew that most of the people living in brothels had no money at home, or were sold into the brothel by others.

And people like Yu'er just now are more likely to live in brothels. There are quite a few.

He can't sympathize with these people because of their life experience. He still needs to eat.

"I understand. Pay more attention to your girl's mental state during normal times. Her mental state should be very bad during this period."

"If she has a headache or feels uncomfortable, remember to soothe her more."

After Xiao Qi heard the doctor's words, she nodded quickly and sent the doctor out.

At this time, Ouyang Zhengxiong and Yu'er were sitting across from each other, and they looked at each other in silence for a while.

Yu'er managed to smile at this time, Looked at Ouyang Zhengxiong

"Brother Ouyang, why did you think of coming here today?"

After Ouyang Zhengxiong listened to Yu'er's words, he did not choose to answer Yu'er's question.

"When did this incident begin?"

After hearing Ouyang Zhengxiong's words, Yu'er was slightly stunned. At this moment, he didn't realize what exactly Ouyang Zhengxiong was talking about. Was

Ouyang Zhengxiong talking about her secretly picking up guests, or her? About being sick?

She had specially avoided the time when Ouyang Zhengxiong came here. Who knew that she would still be bumped into by Ouyang Zhengxiong today?

"Brother Ouyang, me, me....."

Ouyang Zhengxiong knew that Yu'er had misunderstood. In order to prevent Yu'er, he felt that he could not face him, so Ouyang Zhengxiong still asked.

"When did you feel unwell? Why didn't you tell me in advance?"

"Do you really want to wait until you are sick before telling me?"

After Yu'er heard Ouyang Zhengxiong say such words, she quietly breathed a sigh of relief.

It turned out that Ouyang Zhengxiong was asking about this matter. In fact, she had never taken it seriously.

Because when she was at home before, It is difficult to fall asleep and a quiet environment must be maintained. Chapter 2177

So she always thought that these were just pretentious things she had done before, and never took them to heart.

Now that she's in the brothel, no matter how pretentious she is, there's nothing she can do

"Brother Ouyang, you really misunderstood me about this matter. I didn't expect it to be so serious."

"I had a hard time falling asleep at home before and didn't take this matter to heart. Who knew what this doctor said? It's so serious"

"Brother Ouyang, you don't need to take this matter to heart. The doctor must have just said it casually."

After Ouyang Zhengxiong heard Yu'er's words, he looked at Yu'er with very disapproving eyes.

How could the doctor say it casually? Now that the doctor has said it, whether it is true or not, he must monitor it carefully. Everything about Yu'er

"Yu'er, you really don't want to let me worry. The doctor has already told me about this matter, so why don't you take it to heart?"

"Yu'er, if you really feel uncomfortable living here, you can go out and I can redeem your life."

"I can find you another yard and let you live a good life. There is no need for you to keep yourself in this environment just for the sake of hatred for your family."

"Even if you take revenge by then, I'm afraid your lifespan will be shortened."

Yu'er shook her head after hearing Ouyang Zhengxiong's sincere words. Ouyang Zhengxiong doesn't need to worry about this matter.

She knows that Ouyang Zhengxiong is worried about her, but she has no way to drag Ouyang Zhengxiong into the water.

"I think brother, I know what you mean, I will always keep your words in my heart"

"I think it's good to live here. I've been living here since my family disappeared."

"I don't want to leave here, this is another home for me."

After Ouyang Zhengxiong heard Yu'er say such words, he couldn't force Yu'er.

He hoped that Yu'er would live a safe and smooth life, and he also hoped that Yu'er would live well.

Maybe Yu'er really has her if she stays here. The idea is that she really wants to use herself to avenge her family.

"Yu'er, I know what you're thinking, and I won't force you to listen to me, but you must take care of your body."

"After I avenge your family, I still want to see you get married with my own eyes."

After Yu'er heard Ouyang Zhengxiong say such words, she felt a little ironic inexplicably.

Even doctors looked down on a brothel girl like her, let alone the person she would marry in the future.

If it weren't for not wanting to see Ouyang If Zhengxiong is disappointed, Yu'er will never let Ouyang Zhengxiong say this.

If another man said such words to her, she might really feel that the man was mocking her.

But he just said it to her It was her brother Ouyang who said this.

Maybe everyone in the world would be hostile to him and have ill intentions toward her, but Ouyang Zhengxiong would never

"Brother Ouyang's things are still far away from me, so don't talk about them now."

"By the way, brother Ouyang, what are you busy with recently? I haven't had time to ask about you yet."

After Ouyang Zhengxiong heard Yu'er's words, his face slowly softened.

He could never be cold to Yu'er.

"I have been busy with the competition recently, and I have now entered the final round"

"Moreover, I have successfully hooked up with the Second Prince. If nothing else happens, I will win the competition and I should be able to enter the court smoothly."

"After I enter the court, I can slowly investigate your family's affairs."

After Yu'er heard Ouyang Zhengxiong say such words, she suddenly became a little absent-minded. She suddenly thought of Ouyang Zhengxiong's wanton and unrestrained manner when he was at her house before.

Ouyang Zhengxiong didn't seem to like to be restrained by anything. , but now Ouyang Zhengxiong has walked into the court that he usually hates the most.

"Brother Ouyang, don't you like being tied down by things?"

"Why did you go into the court?"

Although Yu'er now has an answer in her heart, she still wants to ask.

She wants to confirm this answer. Is she really so important in Ouyang Zhengxiong's heart?

Ouyang Zhengxiong heard Yu'er ask such words. After that, he knew that he couldn't tell Yu'er the real answer.

If he told Yu'er the real answer, I'm afraid Yu'er would live in guilt all his life.

Yu'er knew what he was thinking, and the same Yu'er also knew what was in his heart. idea of how

"You don't have to worry about Yu'er. The reason why I want to enter the court is just to see if I can survive smoothly in the court."

"In fact, I still yearn for court life. It's just that I haven't dared to try it all this time."

"This competition just gave me this opportunity to observe the life of the court master."

"Moreover, I entered the court through a competition, and I will be a military commander and scholar when the time comes, and those twists and turns have nothing to do with me."

Chapter 2178

After hearing what Ouyang Zhengxiong said, Yu'er believed Ouyang Zhengxiong's words three-thirds of the time.

Although Ouyang Zhengxiong entered the court as a military general, this does not get rid of Ouyang Zhengxiong's thoughts.

After Yu'er heard Ouyang Zhengxiong's words, she knew that Ouyang Zhengxiong said these deliberately to comfort her.

No matter what happened, Ouyang Zhengxiong finally entered the court. When entering the court, there will be twists and turns.

The court is the center of the power struggle. How could it be possible after entering the court? You can still pretend that nothing happened.

"Brother Ouyang, there is no need for you to do this. It is enough for me to do these things alone."

"This is my family's business and has nothing to do with you."

After Ouyang Zhengxiong listened to Yu'er's words, he shook his head firmly.

It was Yu'er's family who saved him in the first place, and he became what he is now. How could he abandon Yu'er's family?

"Yu'er, you don't have to say it anymore, it will be meaningless if we continue talking about it. You already know that I have made all preparations."

After listening to Ouyang Zhengxiong's words, Yu'er knew that Ouyang Zhengxiong was telling the truth.

She knew that once Ouyang Zhengxiong made up his mind, no one could persuade him to come back. Even she could do nothing against Ouyang Zhengxiong.

"Brother Ouyang, your great kindness and virtue in this life will definitely be remembered in my heart."

"In the next life, even if Yu'er works like a cow or a horse, she will definitely repay brother Ouyang."

After Ouyang Zhengxiong listened to Yu'er's words, he felt that there was no need for Yu'er to be so polite. He did this to repay the kindness that Yu'er's family had shown him. Before,

Yu'er's family was not kind to him, but now that Yu'er is in trouble, then Of course he wants to help Yu'er's family

"Yu'er, I'm very grateful to your family. If it weren't for your family, I'd probably be dead by now."

"And if it weren't for you, I wouldn't be where I am today. Now that you are in trouble, I will naturally help you."

"As a human being, you must repay kindness and never be ungrateful."

After Yu'er heard Ouyang Zhengxiong's words, she was suddenly very happy for their family's previous good deeds.

Before, she would not believe that good people are rewarded, but when she really met Ouyang Zhengxiong, she realized that, in fact, God was still very kind to her.

At least God sent Ouyang Zhengxiong to her side, and Ouyang Zhengxiong would also avenge her family.

"Brother Ouyang, I'm really glad that God allowed me to meet you again"

"You know that when my family was in trouble, anyone could come and step on it."

"I even thought that my doctor might have to live like this, but when I met you, I discovered that there are still kind people in this world."

He also regretted why he met Yu'er so late. Otherwise, he would never let Yu'er suffer like that again.

"Yu'er, don't worry, I will never let you suffer like that again."

"Leave everything to me now, I won't let you down."

After listening to Ouyang Zhengxiong's words, Yu'er nodded and was very grateful that Ouyang Zhengxiong could treat her equally.

At this time, Ouyang Zhengxiong could not stay in Yuchun Tower for a long time. No one knew what the second prince had. He is not supervising him.

If the second prince follows him, he can easily find out Yu'er's identity

"Yu'er, after I enter the court, I may rarely interact with you. I don't want you to be involved in danger."

"If nothing happens, don't come to me. Try to avoid exposing yourself to everyone."

"If the person who hurt your family is really a reputable person, then he will definitely not let you go again."

Yu'er nodded after hearing Ouyang Zhengxiong's words. She knew that Ouyang Zhengxiong was doing it for her own good.

But when she heard these words, she would inevitably feel distressed, feeling that Ouyang Zhengxiong was trying to avoid suspicion with her.

"Brother Ouyang, don't worry, if there's nothing serious, I will never come looking for you."

"Brother Ouyang should really try to reduce his contact with me in the future. After all, I am a brothel girl."

After Ouyang Zhengxiong heard Yu'er say such words, he looked at Yu'er with an unhappy face.

What annoyed him the most was Yu'er. She looks so unconfident now. So what if she is a brothel girl?

A brothel girl is also a human being, and she also needs to live.

If it were not because she was forced by life, who would want to be a brothel girl and live in the world?

"Yu'er, let me tell you one last time, you can never belittle yourself like this again."

"What about the brothel girl? You don't want to become a brothel girl"

"Never say such words again in the future. If I hear them again, I will no longer have such a good face."

After Yu'er heard Ouyang Zhengxiong's words, she immediately laughed. Ouyang Zhengxiong was really stupid.

Chapter 2179

Even now, she still wants to send her out of the brothel innocently, but the day she stepped into the brothel, she already knew it in her heart.

She will never be able to return to the earthly world again, and she will never be able to be that innocent Yu'er again.

"Brother Ouyang, you'd better go back now. It won't be good if others see you."

"You're in the middle of a big showdown now, and there's a good chance someone will take this opportunity to smear you."

Ouyang Zhengxiong nodded after hearing Yu'er's words. Although he didn't like Yu'er's idea very much.

But Yu'er's idea is very correct. Not everyone in the world will have upright ideas.

"Yu'er, you have to know that I have never looked down on you, but not everyone in this world thinks like me."

"If I cannot step into the court, I cannot avenge your family."

Yu'er nodded after hearing Ouyang Zhengxiong's words, indicating that she trusted Ouyang Zhengxiong very much.

Indeed, Yu'er also believed in Ouyang Zhengxiong very much. There was no need for Ouyang Zhengxiong to lie to her.

Moreover, she and Ouyang Zhengxiong had also been in contact for a while. Time has passed. Ouyang Zhengxiong can't tell that he looks down on her in his usual language.

"Brother Ouyang, don't I understand you yet? You don't need to explain it to me like this"

"You'd better get out of here now, I want to rest too."

After Ouyang Zhengxiong heard Yu'er's words, he nodded. Before leaving, Ouyang Zhengxiong opened his mouth and wanted to persuade Yu'er something.

But Ouyang Zhengxiong didn't say anything in the end.

Ouyang Zhengxiong felt that now Yu'er has also grown up, and Yu'er should know what she should do and what she shouldn't do.

He has told Yu'er everything and told her everything.

If Yu'er herself still If he had to go this way, he couldn't stop Yu'er.

Even if he stopped Yu'er this time, Yu'er would do it again.

After Ouyang Zhengxiong returned to the inn, he began to reflect on himself.

This is indeed the case. A very serious matter, why can't I get Yu'er's trust?

Why must Yu'er do it by herself? Is it possible that Yu'er really wants to avenge her parents by herself?

In Ouyang Zhengxiong's impression Among them, Yu'er has always been the bright and proud girl.

But I don't know when, Yu'er suddenly became like this.

Although Ouyang Zhengxiong felt sorry for Yu'er, he couldn't say anything.

He had to You have to pretend you don't know everything, so that Yu'er will feel better in her heart.

Ouyang Zhengxiong forces himself not to think about this matter, no matter what? This is Yu'er's own choice.

Yu'er will always be his sister, and he will definitely not leave Yu'er alone.

Soon, time passed again, and a few days came to the big competition, the final battle.

In the final battle, Kamikaze Academy really A lot of people came, and even Mo Yu was among them.

After seeing Ouyang Zhengxiong, Mo Yu was obviously stunned for a moment, but then smiled at Ouyang Zhengxiong.

Then Ouyang Zhengxiong saw Mo Yu He started to give instructions to the people behind him, and everyone took a fancy to him, and then nodded clearly. At this time, Ouyang Zhengxiong knew that Mo Yu was telling them to pretend not to know him.

Ouyang Zhengxiong felt that Mo Yu was A very good person, Mo Yu can handle all this no matter what time it comes.

And after he told Mo Yu about this matter, Mo Yu could also tell others thoughtfully.

This big competition was even The fact that the emperor was present in person was enough to prove that the emperor attached great importance to this competition.

Not only the emperor, but also several other princes had appeared here. Ouyang Zhengxiong also saw the second prince.

Ouyang Zhengxiong saw the second prince. After the prince, he moved away the next second, as if he didn't know the second prince.

After seeing Ouyang Zhengxiong's sensible side, the second prince nodded with satisfaction. He really felt sorry for Ouyang Zhengxiong in his heart. He is becoming more and more satisfied, and

he also wants to continue to be friends with Ouyang Zhengxiong and let Ouyang Zhengxiong be used by him.

The eldest prince and the second prince have always been very difficult to deal with. After seeing the second prince showing such an expression, he felt that the second prince had already found the target.

How could the eldest prince let the second prince succeed?

"I don't know why my second brother saw such a satisfied person just now. Why did he show such a satisfied smile?"

After hearing the eldest prince's words, the second prince looked at the eldest prince with some respect.

But the contempt in his eyes could not be concealed.

"Big brother was joking, he was just happy to see that our country of Qi is full of talented people."

"Now that Shenfeng Academy is in our country of Qi, are we still worried that there is no one available in our country of Qi?"

After hearing what the second prince said, how could the eldest prince not know that the second prince was lying?

He had already seen it in the second prince's look just now. The second prince has definitely found a satisfactory candidate.

The second prince has already chosen the person, and he must choose it quickly. He must not let the second prince get ahead of him.

Chapter 2180

At this time, with the official start of the last competition, a completely different competition system was adopted this time.

"This time is the final scene of the competition. We will adopt a different format from the previous games."

"This time we will take a one-on-one format, and only the one who wins in the end can stand at the end."

After Ouyang Zhengxiong heard this competition system, his eyes suddenly became dark, and he didn't know who he would go to the Divine Wind Academy.

There are three people on their side now, but there are indeed ten people coming out of the Divine Wind Academy. People.

Is it possible that the three of them will fight against the ten people from Kamikaze Academy?

"This is a bit unfair to us. There are three of us here, but there are ten people opposite."

"Is it possible that the three of us here are going to have to fight with the ten people on the opposite side?"

One of the two brothers made such a sound, and the host also laughed after hearing this sentence

"We have never thought of it this way, it's all just your own thoughts"

"This time I announced that the ten people from Kamikaze Academy will be selected from within the competition, and three of them will be selected to compete against the remaining three."

Ouyang Zhengxiong nodded after hearing this competition system. In order to balance these ordinary contestants, the master of the empire has really taken great pains.

But this does not change what they are doing now.

Although they now have three people Fighting against the remaining three people, but they were still a little too young after all.

Soon, the people from Shenfeng Academy began to enter the field for a melee.

Ouyang Zhengxiong's favorite was Mo Yu. In Ouyang Zhengxiong's opinion, only Mo Yu Yucai is the most likely to win the competition.

Moyu's cultivation is the highest in Shenfeng Academy. Everything that happens now is just childish. It's just that

Ouyang Zhengxiong doesn't understand. This is such a good opportunity. Why can't Chu Qing come out?

Ouyang Zhengxiong didn't ask about this matter, because he knew that asking about this matter would expose his relationship with the people at Shenfeng Academy.

His relationship with Shenfeng Academy is now There was no need to expose it so early.

Sure enough, after a brutal struggle among the ten people in Kamikaze Academy, one of the people who finally stood up was Mo Yu.

Mo Yu was not as out of breath as the others, or maybe there was dust on him, he looked calm and composed, and there was no dust on him at all.

It looked as if he had just played a piece and had not engaged in a struggle.

And above the court After seeing this scene, the Emperor of Qi thought very highly of Mo Yu.

He also felt that Mo Yu was the final winner of this competition. He had even thought about what kind of position he would give Mo Yu.

But what the emperor didn't expect was that besides Mo Yu, there was also a dark horse like Ouyang Zhengxiong.

In fact, Ouyang Zhengxiong's cultivation level was much better than Mo Yu's, but he had never shown it in front of everyone.

Now he has When it came to the final victory, he could no longer remain humble.

At this time, the eldest prince looked at Mo Yu with very warm eyes, feeling that Mo Yu was the Chollima he was looking for.

Only a boar like him is worthy. To be able to match a thousand-mile horse like Mo Yu, and the second prince probably has the same goal as him now.

He must not let the second prince succeed, even if it means destroying Mo Yu.

At this time, the competition has reached a fierce stage and reached its climax. stage.

The three people from Ouyang Zhengxiong faced off against the three people from Kamikaze Academy. They adopted a one-on-one competition system and competed on stage one by one.

Ouyang Zhengxiong's luck may not really be that good. In the first game, At that time, he met the second most powerful person in Shenfeng Academy.

This person was the most prestigious person in Shenfeng Academy besides Mo Yu, and his name was Han Shi.

Ouyang Zhengxiong's eyes became more and more solemn when he looked at Han Shi. I'm afraid this Han Shi is not someone to be trifled with.

Han Shi respects Mo Yu very much, and I don't know if he will take his anger out on him because of Mo Yu's incident.

"This young man agreed."

After Ouyang Zhengxiong heard Han Shi's words, he also clasped his fists and saluted.

After walking through the rivers and lakes, the two of them were on alert again.

No one dared to take action easily? No one dared to take action in advance.

And After seeing this scene, Mo Yu next to him felt that Han Shi had delayed a little too long.

Even if Han Shi would really lose to Mo Yu, Han Shi should take the initiative now.

Although in Mo Yu's impression Inside, it was impossible for Ouyang Zhengxiong to beat Han Shi.

But if the two of them continue to test like this, Han Shi will only suffer the loss.

I don't know when Han Shi will discover this.

Just when Mo Yu thought When Han Shi thought about it, Han Shi also thought about it.

After Han Shi thought about it, he immediately became excited.

Han Shi immediately took the initiative to attack Ouyang Zhengxiong. He was famous for his speed.

His figure , even Mo Yu may not be able to capture it.
