

## Attributes 2191

Chapter 2191

It's just that he can't fight Ouyang Zhengxiong yet. He doesn't know where Ouyang Zhengxiong's bottom line is yet.

If he really hits Ouyang Zhengxiong's bottom line, I'm afraid he won't be able to draw Ouyang Zhengxiong into his camp.

"Why don't Mr. Ouyang think about it carefully and there is no need to answer me in such a hurry?"

"Even if you don't want to cooperate with me, I will definitely come to you"

"If you let me know that you chose to be loyal to him instead of me"

"You should know that I won't let you go."

The eldest prince's voice was very scary when he said these words to Ouyang Zhengxiong, and his eyes were very serious.

Ouyang Zhengxiong knew that the eldest prince was telling the truth. If he really surrendered to the second prince, the eldest prince would not let him go. But the second prince had already come here before the eldest prince came, and was on the screen behind, listening to the conversation between him and the eldest prince.

Even if he was afraid of the eldest prince now, he absolutely could not Show half of it

"The eldest prince does not need to threaten me like this. How can I, a person who has not yet entered the court, dare to take sides easily?"

"Furthermore, I am just a member of an ordinary family. For me, not getting involved in these things is the best and wise way to protect myself."

"I hope the eldest prince will not embarrass me."

After the eldest prince heard Ouyang Zhengxiong say such words, he suddenly burst into laughter. The eldest prince is a very crazy person. What he can't get, no one can get it.

But now Ouyang Zhengxiong He is being valued by the emperor. Even if he really wants to do something to Ouyang Zhengxiong, it will definitely not be done at this time.

"Then you have to remember what you said today, if you let me know that you really took refuge in my second brother"

"I will definitely investigate what you care about most and then destroy it myself."

After Ouyang Zhengxiong heard what the eldest prince said, his expression slowly cooled down. At this time, the eldest prince turned and left. After the second prince saw the eldest prince leaving again, he also walked out of the screen.

Sit down. When he arrived opposite Ouyang Zhengxiong, he heard the conversation just now clearly. He didn't believe that Ouyang Zhengxiong still believed in the eldest prince now.

"Through that conversation just now, you should also understand what kind of person my imperial brother is!"

"If you really choose to stand with me, I will definitely protect you and everything you value."

"But if you don't choose to be loyal to me, then you will have to deal with my imperial brother alone."

After Ouyang Zhengxiong heard the second prince's words, his eyes showed a very struggling expression.

It seemed that he still did not dare to agree to the second prince's matter.

"Second Prince, I really just want to be loyal to Your Majesty."

"Is it wrong for me to even be loyal to His Majesty? If I really die because of my loyalty to His Majesty,....."

After hearing what Ouyang Zhengxiong said, the second prince raised his hand to interrupt what Ouyang Zhengxiong was about to say.

"Ouyang Xiu, you have to know that now that you have entered the court, you can't help yourself in everything."

"Although you only want to be loyal to your father, your father is old now."

"Sooner or later, he will pass the throne to me or the emperor brother. As for which of the two of us can take the throne, it depends on you."

After Ouyang Zhengxiong heard the second prince say such words, he had been struggling with this matter in his heart.

The second prince was not panicking at all at this time, because he knew that once compared with the eldest prince, the one who would win in the end It could only be him.

It was because he knew the outcome in advance that he would always stay with Ouyang Zhengxiong.

But he did not let the eldest prince do anything harmful to Ouyang Zhengxiong. A powerful person like Ouyang Zhengxiong , it is most appropriate to win over it from the very beginning.

"Second Prince, if this is the case, then I am willing to choose to be loyal to you."

"From now on, I, Ouyang Zhengxiong, will definitely follow the second prince's lead."

"I also hope that the second prince can support him more in the future."

After hearing Ouyang Zhengxiong's words, the second prince nodded with great satisfaction.

Now that he has successfully taken Ouyang Zhengxiong under his command, there are many things to do next.

"Now that Brother Ouyang has been successfully used by me, I will no longer bother Brother Ouyang."

"If Brother Ouyang needs anything from me in the future, just ask."

"Or if Brother Ouyang wants anything, just tell me."

Ouyang Zhengxiong nodded after hearing the second prince's words. He doesn't want anything now.

After he investigates the truth about the death of Yu'er's family, he will withdraw from the court.

At that time, he will no longer manage these things. It seems like everything has nothing to do with him anymore

"Second Prince, don't worry, I don't have anything you want yet."

"Even if the minister wants it, he will definitely get it by his own means, without the second prince having to worry about it."

The second prince nodded after hearing Ouyang Zhengxiong's words. What Ouyang Zhengxiong said was indeed true.

Chapter 2192

It's just that Ouyang Zhengxiong has not yet entered the court, and he still doesn't know that the court is the center of a whirlpool of interests.

When Ouyang Zhengxiong can really taste the sweetness of power, he will no longer have the cold attitude he has now.

"Brother Ouyang, you don't have to refuse so happily. There will always be times in the future when you can't help."

"At that time, Brother Ouyang can come to me for help, and I will be willing to help."

After Ouyang Zhengxiong heard the second prince's words, he nodded and did not refuse the second prince.

At this time, the second prince walked out. When Ouyang Zhengxiong saw the second prince walking out again, his eyes immediately changed.

In order to help Yu'er investigate the truth of the matter, he is really hiding deep now.

He successfully entered the court, but now he is sent to Shenfeng Academy by the emperor.

Shenfeng Academy is also a good place , where he can make friends all over the world.

As long as he makes one or two really powerful bosses there, he can conquer the entire continent.

He can't wait to share this good news with Yu'er.

Ouyang Zhengxiong will soon They arrived at Yuchun Tower. At this time, Yu'er seemed to have predicted that Ouyang Zhengxiong would come in advance and did not meet the guests in advance.

Ouyang Zhengxiong came to Yu'er's room smoothly and saw Yu who was painting next to him.  
Ouyang

Zhengxiong slowly relaxed after seeing Yu'er being so leisurely and elegant.

Fortunately, Yu'er can now recite poems and paint, otherwise, he is really afraid that Yu'er will degenerate.

"Yu'er, I have good news to tell you now."

After Yu'er heard Ouyang Zhengxiong's words, she immediately put down the paintbrush in her hand. She originally thought that the person who just opened the door and came in was her maid Xiao He.

But she didn't expect that the person who came was actually Ouyang Zhengxiong. She already knew that Ouyang Zhengxiong was going to tell What good news does she have?

"Brother Ouyang, I already know everything about you. You successfully entered Shenfeng Academy."

"Moreover, you were personally assigned by the emperor, and you are on a par with the senior brothers of Kamikaze Academy."

After Ouyang Zhengxiong heard Yu'er's words, he immediately laughed. Unexpectedly, now Yu'er actually knew about this matter in advance.

She still wanted to have a relationship with Yu'er. This is good, there is nothing. Got it

"It turns out that you already knew these things. Fortunately, I kept this matter secret and wanted to give you a surprise."

"Now it seems that your information is quite good."

After Yu'er heard Ouyang Zhengxiong's words, she lowered her head and covered her mouth and chuckled.

Because this is Ouyang Zhengxiong's matter, he will know it very clearly. If it were anyone else, he would know nothing.

"Brother Ouyang entered the court because of me. Naturally, I want to pay more attention to Brother Ouyang."

"Brother Ouyang, if you really don't like the atmosphere in the court, you don't have to make such a big sacrifice for me."

After Ouyang Zhengxiong heard Yu'er say such words, he laughed again.

He didn't know how many times he had to explain to Yu'er that he didn't want to go to the court entirely because of Yu'er's affairs.

What if If he really wants to find out what happened to Yu'er's family, there is no need for him to go to so much trouble.

He just thinks that this matter should be related to people in the court, and sending him away with a legitimate reason should be more important to Yu'er. Okay.

He doesn't want retribution to happen.

"Yu'er, you have to believe me, I will never do anything to hurt you"

"I will never do anything that makes me confused. Everything I do now is clear in my heart."

After hearing what Ouyang Zhengxiong said, Yu'er could only nodded.

She knew that she couldn't persuade Ouyang Zhengxiong. In this case, she didn't need to continue to persuade him.

"Now that Brother Ouyang has successfully entered Shenfeng Academy, he must keep a distance from Yu'er in the future."

"Kamikaze Academy is a place that everyone respects. Now you finally have the chance to go in."

"But you must cherish this opportunity."

After Ouyang Zhengxiong heard what Yu'er said, he knew that Yu'er was telling the truth.

But in fact, he didn't really want to go to Shenfeng Academy. The first impression Shenfeng Academy gave him was really dark.

If it weren't for What happened the first time, he thought he would like Kamikaze Academy.

After all, Kamikaze Wishes has someone as powerful as Moyu

"I know very well what you said. I know Kamikaze Academy is a very powerful place."

"But you have to understand that all the people in Shenfeng Academy are children from rich families or officials."

"Ordinary people like me will definitely not have a good way out there. It's okay for me"

"It was sent directly by the emperor, but if ordinary people were to pass the exam, they would be bullied."

Yu'er fell silent after hearing Ouyang Zhengxiong's words. He knew this very well.

The more crowded the place, the clearer the classification of classes. It is almost impossible for you to cross this class. matter.

Chapter 2193

But Yu'er has confidence in Ouyang Zhengxiong. She feels that Ouyang Zhengxiong will definitely be able to cross that class and embark on the road of being a master.

"Brother Ouyang, I have confidence in you. You can definitely reach a very high position in the future."

"My brother is so smart, he will definitely become a very powerful official in the future."

Ouyang Zhengxiong couldn't help but laugh after hearing Yu'er's words. In his opinion, Yu'er trusted him unconditionally.

And Yu'er always regarded him as very important.

"Okay, Yu'er, don't worry, I will definitely become more and more powerful."

"I will help you find out the truth about your family, and I will not let your family suffer injustice."

Yu'er nodded after hearing Ouyang Zhengxiong's words. He is very grateful to Ouyang Zhengxiong for having such thoughts.

"Brother Ouyang, I am actually very grateful to you for doing this."

"Ever since you left my house, I thought you should find a better place to live."

"I didn't expect that because of my family's affairs, you would come inIn the court, Brother Ouyang, I really thank you."

After Ouyang Zhengxiong heard what Yu'er said, he felt that Yu'er thought too much.

He did this not only for Yu'er to be at home, but also to make Yu'er better.

Dead People are dead after all, but Yu'er is still living in this world.

Yu'er cannot be allowed to live in this shadow forever, he will definitely help Yu'er come out

"Yu'er, you have to know that I'm very happy to be able to help you."

"I don't want you to continue to fall like this. If you can really go back to your previous life, I will be very happy."

"Our Yu'er is so beautiful and touching, how could she have been living in a brothel?"

Yu'er couldn't help but laugh after hearing Ouyang Zhengxiong's words.

Yu'er really felt that only in Ouyang Zhengxiong's heart would she remain as innocent and beautiful as before.

Since she came to the brothel, everyone has been dissatisfied. Anyone who looks at her with a straight face thinks that she is a heinous sinner.

But only Ouyang Zhengxiong still thinks that she is as innocent and beautiful as before.

Sometimes Yu'er really wants that everything that happens now is a dream for her..

She doesn't want to really face these things. She hopes that when she sees Ouyang Zhengxiong again, she will still be the simple and kind-hearted Yu'er before. But these are just a delusion of hers, and she is now in the mire. How dare she let Ouyang Zhengxiong become as dirty as her?

An upright person like Ouyang Zhengxiong should live proudly in this world

"Brother Ouyang, please stop praising Yu'er."

"Brother Ouyang, how about we go out and play together today?"

"I stay here every day, and I really feel bored."

Ouyang Zhengxiong nodded after hearing Yu'er's words. He really wanted to take Yu'er out to play.

But he has just entered the court and cannot go out to play casually.

What's more, he is with Yu'er. , in this case it is easy for others to point their conflicts at Yu'er

"Yu'er, I can't take you out with me. It might have been fine before."

"But now I have stepped into the court and am in the whirlpool of politics"

"If I take you out, they will threaten me with you, and I won't let anything happen to you."

"You cannot get involved in any danger."

Ouyang Zhengxiong said such words to Yu'er from the bottom of his heart, and Yu'er suddenly reacted after hearing Ouyang Zhengxiong's words.

Indeed, as Ouyang Zhengxiong said, now Ouyang Zhengxiong has entered the imperial court. Don, he is no longer as innocent as before

"Brother Ouyang, I've gotten too far away from this matter."

"Brother Ouyang, then I'll be waiting for you. When you become truly great, I will definitely go out to play with Brother Ouyang."

Ouyang Zhengxiong nodded immediately after hearing what Yu'er said.

At that time, he also wanted to take Yu'er out to play.

"Don't worry, brother Ouyang will definitely take you out to play when the time comes."

"When the time comes, brother Ouyang will take Yu'er to visit the most beautiful mountains and rivers in the world."

"Let Yu'er stop at a place she likes."

Yu'er nodded after hearing Ouyang Zhengxiong's words. In fact, Yu'er likes any place where Ouyang Zhengxiong is.

She only likes places where Ouyang Zhengxiong is. If Ouyang Zhengxiong is not there, there is no need to talk about anything.

Now Ouyang Zhengxiong is the only spiritual support for his life. If Ouyang Zhengxiong is not here, she will no longer have any nostalgia for this world.

"Brother Ouyang, your status shouldn't allow you to stay here any longer, right?"

"Now you are also a minister in the DPRK, otherwise you should leave here quickly"

"If someone knew that you were visiting a brothel and told the emperor, I'm afraid....."

After listening to Yu'er's words, Ouyang Zhengxiong knew what Yu'er was worried about.

The more sensible Yu'er became, the more uncomfortable he felt.

For someone as good as Yu'er, she should have no worries about food and clothing and be loved by others all her life.

Chapter 2194

But now Yu'er has long been living in a brothel and has always been looked down upon by others.

Sometimes he wanted to pull Yu'er out of the abyss, but he found that he simply couldn't do it.

Yu'er has her own persistence and her own ideas.

Sometimes he even picks on Yu'er. He has no choice but to let Yu'er do these things by herself.

"Yu'er, then you stay here first, and I'll leave here first."

After hearing what Ouyang Zhengxiong said, Yu'er nodded and let Ouyang Zhengxiong leave alone.

At this time, Ouyang Zhengxiong had been wandering aimlessly after leaving here.

He didn't know what he was. Where he is going, he doesn't know what he should do next.

So he has been assigned to Kamikaze Academy by the emperor, but there are still several days before Kamikaze Academy enrollment.

And the students of Kamikaze Academy should They don't like her very much, after all, he took the lead in Xigua.

Ouyang Zhengxiong thought about it and wanted to go out alone to relax. Although he couldn't take Yu'er with him, You can go by yourself.

Besides, he can also take a good look here to see where is suitable for playing.

When he can take Yu'er out in the future, he can directly take Yu'er out to play.

Ouyang Zhengxiong soon came to a river. The willows were blowing by the breeze, and they began to flutter like human hair.

Ouyang Zhengxiong was slightly stunned after seeing this scene. He remembered that the first time he met Yu'er, it was in such a situation.

It's just that he appeared in front of Yu'er like a beggar at that time, and Yu'er never disliked him.

I don't know when he will be able to meet Yu'er here again.

At this time, Ouyang Zhengxiong saw a pavilion here and sat down in the pavilion.

But just a moment after Ouyang Zhengxiong sat down, he heard the sound of some girls playing.

Ouyang Zhengxiong didn't want to pay attention, and he didn't want to get up. He was obviously the one who came here first, and he had no reason to let him go.

Ouyang Zhengxiong fell asleep here. When Ouyang Zhengxiong was half asleep and half awake, she suddenly noticed someone standing next to her.

Ouyang Zhengxiong didn't remember anyone around him at all, and he didn't bring anyone here.

At this time, Ouyang Zhengxiong was suddenly frightened and looked at the girl in front of him with some fear.

It turned out that the woman who appeared in front of him was a weak woman, and this woman looked very innocent and lively.

Ouyang Zhengxiong slowly felt relieved after seeing this woman. He thought someone was coming to kill him.

After Ouyang Zhengxiong saw this woman, he immediately sat up from the recliner.

"Girl, it's rude for you to look at others like this."

After hearing Ouyang Zhengxiong's words, the woman's face immediately put on a proud expression.

"Why are you here? Don't you know this is my territory?"

After Ouyang Zhengxiong heard the woman's words, he felt very disdainful of his words.

This is obviously a place where everyone can come, why does this girl say it is her territory?

Who is she?

"Please make it clear, this is a place where everyone can come, why do you say this is your territory?"

"Who are you?"

After the woman heard Ouyang Zhengxiong say such words, she seemed not to have expected that Ouyang Zhengxiong did not recognize her identity.

"Don't you know who I am?"

"Are you a citizen of Qi? How can you not know me?"

After Ouyang Zhengxiong heard the woman's words, his heart skipped a beat. Maybe the woman in front of him was in a high position.

But so what? He is in a bad mood now. No matter who comes, he can't give him face.

"This girl, why do I have to know you? Do all the people of Qi know you?"

"Did you feed them or clothe them? Why do you think you can let everyone know you?"

After the woman heard Ouyang Zhengxiong's words, she was so angry that she couldn't speak. She could only keep pointing at Ouyang Zhengxiong and kept saying "you, you, you".

When Ouyang Zhengxiong saw the woman like this again, he suddenly The man opened the woman's hand

"Don't just point your finger at others, it's impolite."

"And are you mute? Why do you only talk about you and yours all the time?"

After hearing what Ouyang Zhengxiong said, the woman was really angry at Ouyang Zhengxiong.

She didn't expect that the person in front of her would dare to laugh at her even if he didn't know her.

"How dare you laugh at me and talk about me? I tell you, I will never let you go."

After Ouyang Zhengxiong heard the woman's words, he nodded very perfunctorily.

"Yes, yes, you are very powerful, you are the most powerful, you are so powerful, I am so scared."

After hearing what Ouyang Zhengxiong said, the woman knew that Ouyang Zhengxiong was perfunctory with her.

She never thought that this person in front of her would How can a man be so rogue?

"You don't believe me, do you? I tell you, sooner or later I will make you regret it."

Chapter 2195

After Ouyang Zhengxiong heard what this woman said, he didn't want to know her anymore.

Now that they know that this woman is either rich or noble, they will meet sooner or later.

No matter how you say it now, he can be considered as half of the people in the court, and the emperor cannot always let him study in the Kamikaze Academy.

If there is any major gathering by then, the emperor will definitely let him attend.

Ouyang Zhengxiong didn't want to argue too much with the heroine here. Arguing here would only affect his mood.

"If you want to be here, then I'll let you"

"Talking to you here all the time is a waste of time and affects my mood."

After hearing what Ouyang Zhengxiong said, the woman was so angry that she stamped her feet. She never thought that Ouyang Zhengxiong would say such things. Ouyang Zhengxiong is really annoying.

And after Ouyang Zhengxiong said these words, he didn't care about the woman behind him, and just left in a swagger.

The woman behind him was so angry that she stared at Ouyang Zhengxiong's descendants fiercely.

It was as if she wanted to carve Ouyang Zhengxiong's shadow on her. It's the same in my mind, I can remember it all at once later in the day.

"Just wait for me. Sooner or later, I will find out your identity and ask you to kneel in front of this princess and apologize to me."

It's a pity that these words were told by women to themselves, and Ouyang Zhengxiong didn't know about it at all.

After Ouyang Zhengxiong left here, he returned to the inn to rest, and he had settled down smoothly in Qi State.

Then he During this time, he should find a house in Qi State. He couldn't live in an inn all the time.

But where did he get so much money? At this time, he thought of the second prince.

The second prince actually dared to pay him a visit. Then he should pay for these things for him.

Besides, he has left everything to the second prince. If the second prince doesn't do these simple things for him, he will have no way to continue to do things for the second prince.

Ouyang Zhengxiong Thinking like this, he immediately came to the Second Prince Buddha. Ouyang Zhengxiong came here quietly and was not seen by anyone.

Soon, Ouyang Zhengxiong came to the Second Prince's study. At this time, the Second Prince was indeed in the study. Painting.

After Ouyang Zhengxiong saw that the second prince was so leisurely and elegant, he did not bother the second prince.

Ouyang Zhengxiong may be a rough man, and he is not interested in these poems at all.

But it does not mean that he No, he just didn't want to show his true strength in front of many people.

In this way, time passed, and the second prince stopped after half a stick of incense. When the second prince looked up, he saw Ouyang Zhengxiong hugging him. Leaning against the door with his chest folded, the second prince couldn't help but laughed angrily after seeing this scene.

"Brother Ouyang, why are you standing at the door but not coming in?"

"If there is, if you are looking for me, you can disturb me with your words, why should you be so restrained?"

Ouyang Zhengxiong shook his hand after hearing the second prince's words. It was not a particularly important matter.

"It's not something particularly important? I see you painting and it's no longer good to disturb you."

"Painting needs to be done smoothly, otherwise all the efforts will be wasted."

The second prince nodded after hearing Ouyang Zhengxiong's words. He felt that Ouyang Zhengxiong seemed to have a lot of experience in these things.

Is it because Ouyang Zhengxiong had learned these things before? Is there anything else about Ouyang Zhengxiong that he didn't know?

"Brother Ouyang said this as if he had learned to draw before."

"I wonder if Brother Ouyang can show off his talents so that I can feast my eyes on him."

After Ouyang Zhengxiong heard the second prince's words, he immediately shook his head.

"forget it? I haven't learned these things, I just didn't stop when I watched other people's paintings."

"I just didn't disturb you, and now that you've stopped, it's time for us to get down to business."

After the second prince heard Ouyang Zhengxiong's words, he immediately put down the paintbrush in his hand and came to sit next to him.

He didn't know why Ouyang Zhengxiong came to him, and he looked so serious.

"Brother Ouyang, why are you looking for me this time? But the people at Kamikaze Academy made things difficult for you."

Ouyang Zhengxiong shook his head after hearing what the second prince said. The second prince had a lot on his mind.

How could those people from Shenfeng Academy dare to embarrass him? Mo Yu was on his side.

What's more, now Chu Qing Although he is in seclusion, if something happens to him, Chu Qing will definitely take action.

"That's not the case. The second prince is just that I am in Qi State and don't have any yard."

"But I don't have a lot of silver on me now, not enough to buy a yard."

"If possible, I hope the second prince can lend me some money so that I can buy a house and settle down."

The second prince immediately raised his voice after hearing what Ouyang Zhengxiong said.

It seems that Ouyang Zhengxiong is indeed not from Qi State, but now he has settled down in Qi State, although he is looking for a better house.

Said. Maybe Ouyang Zhengxiong will settle down in Qi State in the future.

Chapter 2196

"It turns out it was just for this little thing. I thought Brother Ouyang came to see me because something big had happened."

"If Brother Ouyang comes to me just for these little things, then I can indeed help you solve it."

"It's just a mere house. You can tell me which place you like and I'll buy it for you."

After Ouyang Zhengxiong heard the second prince say such words, his eyes immediately started to shine.

It was like seeing money in vain.

Only after the second prince saw Ouyang Zhengxiong like this, he felt that Ouyang Zhengxiong was still a money addict.

But She would not object to Ouyang Zhengxiong being greedy for money at ordinary times, but if Ouyang Zhengxiong was greedy for money at a critical moment, he would not let Ouyang Zhengxiong go.

"Ouyang Zhengxiong, I have something to tell you clearly in advance. Never become a corrupt official."

"If you use your position to make money in the future, I will never let you go easily."

Ouyang Zhengxiong naturally nodded after hearing the words of the second prince.

How dare he do such a thing? What's more, he is not such a person. The reason why he entered the court was just to help Yu'er investigate. It's just the truth.

He has no leisure and elegance. He is taking corruption and bribery here.

"Second Prince, please rest assured, what should I do and what should I not do? Ouyang still knows very well"

"I will never be a corrupt official. What I hate most in my life are these corrupt officials."

"Every year during disaster relief, many people die because of these corrupt officials."

After hearing what Ouyang Zhengxiong said, the second prince nodded with great satisfaction.

It is best for Ouyang Zhengxiong to have such a thinking, but if Ouyang Zhengxiong is deceiving him, he will never let Ouyang Zhengxiong better than

"Brother Ouyang, if you really don't have any ideas in this regard, then I can naturally arrange a house for Brother Ouyang."

"When Brother Ouyang is suitable, you can move in directly, or you can let Brother Ouyang choose by himself."

"It depends on which one Brother Ouyang chooses."

After Ouyang Zhengxiong heard what the second prince said, he felt that it was better for him to choose the house.

On the contrary, he hoped that the second prince could properly arrange all these things for him.

"If possible, I hope the second prince can arrange all these things for me."

"After all, there are some things that I can't do just by making the decision."

"I have just settled down in Qi State, and I just bought a house. It will easily arouse suspicion."

"And His Highness's reputation must not be used in this matter, otherwise someone with intentions will know about it."

The second prince nodded after hearing Ouyang Zhengxiong's words. Ouyang Zhengxiong thought so much, but he had not considered it just now.

Fortunately, Ouyang Zhengxiong thought so much, otherwise some accidents would really happen. If so, he didn't know how to explain it.

"Brother Ouyang has everything in mind. Don't worry, Brother Ouyang, I will definitely handle this matter properly."

"After this matter is settled, Brother Ouyang can wait for Zhaizi to move in."

After Ouyang Zhengxiong heard what the second prince said, he was very satisfied. Although he was working for the second prince now, the second prince had never treated him badly, and the second prince was very kind to him.

After this period of time, Ouyang Zhengxiong felt that the second prince was a very reliable person, and if the second prince became emperor, he would definitely be able to cure the people.

But he didn't know if Yu'er's family affairs had anything to do with the second prince. If the prince is related, it will be very difficult for him to deal with this matter.

I just hope that these things are just his random thoughts. An upright person like the second prince should not be involved in this matter.

Like many things It was unexpected. Ouyang Zhengxiong felt that this matter had nothing to do with the second prince, but it happened that this matter did have something to do with the second prince.

But the matter was not as Yu'er said, it was because of his parents Only the second prince would do something unforgivable.

But by the time Ouyang Zhengxiong investigated everything, it was already too late.

"In this case, I will leave all these matters to the Second Prince."

"I'm just sitting here waiting for the good news about the second prince."

After hearing what Ouyang Zhengxiong said, the second prince nodded and casually sent someone to deal with the matter.

But at this time, Ouyang Zhengxiong suddenly remembered the woman he met at the pavilion.

If he asked the second prince As for the prince, the second prince should know who the woman is.

But doesn't this indirectly reveal her thoughts? Although the woman is either rich or noble, she will not let him catch up with her son.

"Brother Ouyang, Brother Ouyang, Brother Ouyang, why are you so stunned? What were you thinking about just now?"

Ouyang Zhengxiong reacted immediately after hearing the second prince's words.

He was indeed in a daze just now, but he was just thinking about what happened at noon today.

"It's nothing, I'm just a little too worried, just take a rest."

Chapter 2197

After the second prince heard Ouyang Zhengxiong say such words, he did not have the slightest suspicion about Ouyang Zhengxiong.

He knew very well what kind of person Ouyang Zhengxiong was. Ouyang Zhengxiong would never do anything harmful to nature.

Ouyang Zhengxiong will never do anything to hurt him. It is a very normal thing for Ouyang Zhengxiong to have his own little secret.

Coupled with the matter of letting Ouyang Zhengxiong go to Shenfeng Academy this time, Ouyang Zhengxiong must be under pressure, and he can still understand Ouyang Zhengxiong very well.

"The date to go to Kamikaze Academy is coming soon. You must be nervous."

"It doesn't matter, you have to calm down. You are going there as an official of the imperial court."

"No one will dare to embarrass you. If anyone dares to embarrass you, just tell me and I will help you clear these obstacles smoothly."

Ouyang Zhengxiong nodded after hearing the second prince's words. At this time, he suddenly felt that power was a good thing.

After he had great power, no one dared to look down on him.

And no one Anyone who dares to offend him will have someone to back him up no matter what happens.

"Second Prince, don't worry, I still know the matter about Shenfeng Academy."

"I know what I am here to do, and I will never easily conflict with the people in Kamikaze Academy."

"The people in Kamikaze Academy will all be among the best in the continent when they come out. I will not be stupid enough to cut off my own retreat."

After the second prince heard Ouyang Zhengxiong's words, he felt that Ouyang Zhengxiong was still a very sensible person.

Even though he said he would support Ouyang Zhengxiong, the first thing Ouyang Zhengxiong thought of at this time was his own interests.

"Brother Ouyang, you don't have to worry about getting into trouble for me. I'm still a member of the royal family after all."

"And you are also a member of the Divine Wind Academy sent by the Emperor of Qi. I should not dare to provoke you easily."

"If they really dare to provoke you when you get there, it means that imperial power is nothing."

"At that time, you can report this matter to your father, and your father will definitely send someone to assist you."

Ouyang Zhengxiong nodded after hearing the second prince's words, but she wanted to conquer the people in Shenfeng Academy with her own strength.

How could she rely on Qi Guo? He was thinking about fighting with the people in Shenfeng Academy. It's best to make friends with them all.

If you can't make friends, then make two of the best people.

After all, everyone who leaves Kamikaze Academy will become a top person in the entire continent.

If he can meet a large part of the top figures in the entire continent, doesn't that mean that he can walk sideways on the road?

Ouyang Zhengxiong had a very good idea, and the second prince did not expect that Ouyang Zhengxiong was completely planning for himself..

Ouyang Zhengxiong didn't want to stay in the court for a long time. He planned to help Chu Qing investigate this matter and leave directly.

But the second prince completely thought of Ouyang Zhengxiong in the court, and also thought of Ouyang Zhengxiong in the court. Ouyang Zhengxiong was completely imprisoned in the court.

But one day, Ouyang Zhengxiong would not do what he wanted. Ouyang Zhengxiong was a free wind, how could he let the second prince be imprisoned?

"Second Prince, if nothing happens, I will go back first."

"Just remember to help me take care of things at the house."

The second prince nodded after hearing Ouyang Zhengxiong's words. He must handle this matter properly before officially enrolling in Shenfeng Academy.

"Don't worry, I will definitely take care of this matter for you before you enter school."

"After I finish this matter, I will give you the news as soon as possible."

After Ouyang Zhengxiong heard what the second prince said, he nodded with satisfaction, and then left here.

After Ouyang Zhengxiong left here, he thought of the people in Shenfeng Academy again.

Although his current abilities are not as good as Mo Yu's. They are comparable to each other, but it is indispensable for people in Shenfeng Academy to be Crouching Tiger, Hidden Dragon.

Chu Qing is a good example. In the past, no one thought that Chu Qing's cultivation was high.

And no one thought that Chu Qing was a very powerful person, but Chu Qing just slapped so many people in the face.

Under everyone's disbelieving gaze, Chu Qing showed great power.

Her behavior can even be compared with Mo Yu.

But she has never He has never leaked this matter, and has always kept a low profile, focusing on cultivating himself with peace of mind.

Ouyang Zhengxiong is really afraid that he will encounter a few more people like this when he goes to Shenfeng Academy.

If then he If he accidentally fails to recognize such a person, wouldn't it be bad for him?

After Ouyang Zhengxiong realized the serious consequences of this matter, he immediately prepared to add a few more to his cultivation. He is now The most important thing is to practice quickly.

Only in the process of fighting can he improve his combat effectiveness and truly know where he is lacking.

With this thought in mind, Ouyang Zhengxiong came to the previous mountain again.

Chapter 2198

After Ouyang Zhengxiong came to this mountain again, he immediately rushed to the top of the mountain.

Last time he stopped fighting only halfway up the mountain. This time he wanted to see what was hidden on the top of the mountain.

When Ouyang Zhengxiong came to the top of the mountain, he could only feel the cool night breeze and nothing else at all.

And he couldn't find any other living creatures on the top of the mountain.

Ouyang Zhengxiong suddenly felt that this matter was very strange. How could there not be any living creatures living on this mountain top?

There is no possibility that any living thing can exist on the top of the mountain, which is that there is an even more terrifying existence on the top of the mountain.

If it had been anyone else, he would have been frightened and left here by now, but Ouyang Zhengxiong was not an ordinary person at all.

Ouyang Zhengxiong was not afraid at all at this time, but his eyes were filled with excitement.

Ouyang Zhengxiong found this matter very exciting. If he could kill the monster on the top of the mountain, he would probably take his behavior to a higher level.

Ouyang Zhengxiong was looking around at this time, trying to find a more terrifying existence on the mountain.

But he found that there seemed to be nothing on this mountain, as if everything was just a fantasy of his.

But Ouyang Zhengxiong felt that this matter should not be that simple.

No matter what? He should take a look at what is going on?

There shouldn't be nothing on this mountain. He could still encounter those wolves when he was halfway up the mountain. How could he not even encounter wolves after reaching the top of the mountain?

While Ouyang Zhengxiong was thinking this, he began to observe around here. Soon, he came to the cliff here.

He found that there seemed to be nothing strange here, and there were no other creatures under the cliff.

Ouyang Zhengxiong had no choice but to leave here with a disappointed look on his face, but when he turned around, he discovered a shocking scene.

After he turned around, his pupils suddenly shrank, and a terrifying scene appeared in Ouyang Zhengxiong's eyes.

It turned out that when Ouyang Zhengxiong had been looking at the situation under the cliff, a giant snake ten meters thick appeared in front of Ouyang Zhengxiong.

At this time, he looked straight at Ouyang Zhengxiong, as if he would attack Ouyang Zhengxiong in the next second.

After Ouyang Zhengxiong saw this scene, the hairs on his body stood up in shock, but he could not scare the snake now.

Now this snake is just interested in him and probably won't attack him, but if she really makes any noise or makes a big move, this snake will kill him without hesitation.

Just when Ouyang Zhengxiong had been thinking carefully about countermeasures, he suddenly discovered that the snake was in a violent state.

It was as if the existence of something stimulated him.

After Ouyang Zhengxiong noticed this, he immediately stepped aside.

There was no way he would let this snake hurt him. He was here just to improve his cultivation.

If a ten-meter-thick giant snake could hurt him, then all his previous martial arts training would be in vain.

Ouyang Zhengxiong took out his fan at this time and kept waving it in his hand.

Ouyang Zhengxiong resisted the python's attack in a few seconds.

But blindly defending is not correct at all.

Attack is the best defense. If he can't find an opportunity to attack, he will die in the hands of this python sooner or later.

But he was very unwilling to die in the hands of a python. He has not yet avenged Yu'er.

He is not willing to die here like this, he will definitely go on alive.

At this time, Ouyang Zhengxiong pressed the fan in his hand, and it immediately turned into a long sword. Ouyang Zhengxiong flew into the air and fought with the giant python.

The giant python's eyes had turned scarlet at this time, and he looked very angry.

For Giant Python, Ouyang Zhengxiong is an uninvited guest that disturbs him.

It is understandable that he wants to drive out people who do not belong to his family.

Of course Ouyang Zhengxiong didn't know what the giant python was thinking. He only knew that he came here to practice.

And he came here to better help him improve his cultivation. He didn't care about the real thoughts of these giant pythons.

In the future, Ouyang Zhengxiong may slowly understand this matter and feel very sorry for the giant python.

But now Ouyang Zhengxiong can't think of those things at all. He just wants to improve his strength now.

I just want to quickly help Yu'er investigate her family's affairs and wish Yu'er out of the sea of misery as soon as possible.

Ouyang Zhengxiong had been playing alone with the giant python at this time. He could have been very relaxed with the giant python.

After seeing how relaxed Ouyang Zhengxiong was, the giant python's eyes immediately burst out with even stronger anger.

At this time, the python's tail slapped on the mountain, and Ouyang Zhengxiong's figure immediately became unable to stand.

The next second, the giant python attacked Ouyang Zhengxiong directly. Ouyang Zhengxiong could only use the long sword in his hand to resist the giant python's abyss mouth.

Chapter 2199

Ouyang Zhengxiong knew that maybe his cultivation was not as high as this giant python.

But he came here just to improve his cultivation level, and he couldn't just give up just because the giant python in front of him had a higher cultivation level than him.

Even though Ouyang Zhengxiong was slapped to the ground by the giant python one after another, he never thought of giving up.

After seeing Ouyang Zhengxiong like this, the giant python was really a little irritable.

Originally, he thought that when he knocked Ouyang Zhengxiong to the ground, Ouyang Zhengxiong would give up on his own initiative.

But I didn't expect that Ouyang Zhengxiong never gave up and still stood up and chose to fight with him.

If it were any other time, Giant Python would appreciate this Ouyang Zhengxiong very much.

But now that he was injured, and now he wanted to go back to rest, he felt that Ouyang Zhengxiong was hindering his actions here.

He also felt that Ouyang Zhengxiong did this on purpose.

Although Ouyang Zhengxiong didn't want to let the giant python go, he stopped moving when the giant python lay underneath him for the last time.

Because he saw the wounds on the python.

Only then did Ouyang Zhengxiong realize why the giant python suddenly became so violent. It was probably because he wanted to return to his cave to deal with the wound.

But he has been hindering this giant python.

Ouyang Zhengxiong really realized his mistake at this time. If he had known this, he should have gotten out of the way earlier.

"I'm sorry, this is all my fault. I shouldn't have been hindering you here."

"I didn't see you hurt, I didn't mean to hurt you"

"I came here just to improve my cultivation. Since you are injured, you should go back to the cave to rest."

After the giant python heard Ouyang Zhengxiong say such words, he didn't know whether to believe this cunning human being for a moment.

The giant python knew very well in his heart that humans are very cunning creatures.

Although on the surface he is talking to you now Say this, but it is very likely that he will follow you back to the cave behind your back.

At that time, your weaknesses and everything about you will be exposed in front of this human being.

If you want to escape these things again, you will be in trouble At this time, the giant python looked at Ouyang Zhengxiong with very frightening eyes.

Ouyang Zhengxiong didn't know why the giant python was suddenly angry at this time. He didn't seem to say anything excessive.

Just when he kept thinking , he suddenly remembered that what he just said might have really touched the giant python's mind.

He really wanted to let the giant python rest, but he did not want to follow the giant python to the cave. inside

"You have to believe me, I never thought about going to your cave to hurt you and your family."

"If you don't believe me, I can leave now. After your injury is healed, I will come back to compete with you."

After Ouyang Zhengxiong said these words to the giant python, he left here directly.

At this time, the giant python looked at Ouyang Zhengxiong's leaving figure with confusion in his eyes.

But he did not It was also a good thing for him to stop Ouyang Zhengxiong and Ouyang Zhengxiong leave like this.

In this way, Ouyang Zhengxiong left here, but the giant python still lives here.

After Ouyang Zhengxiong left here, he came to the foot of the mountain, although The giant python was injured, but even if he faced the injured giant python, he couldn't knock them to the ground.

Now it seems that he still has much to learn, and there are still many things. He couldn't compare.

At this time, Ouyang Zhengxiong began to wave at the air here again. Even if no one competed with him, he had to do it by himself.

Just when Ouyang Zhengxiong was very happy, suddenly, from in front of him, A trace of white shadow flashed out, and he and Ouyang Zhengxiong began to fight.

After seeing the white shadow appear this time, Ouyang Zhengxiong's eyes became more and more excited, and they started fighting each other in the next second.

Ouyang Zhengxiong and Bai Ying played very happily and heartily. If any outsiders saw it, they would definitely be amazed.

Because now Ouyang Zhengxiong and Bai Ying's fight can hardly see their real figures. What they can see is just a trace in the sky. It's just an afterimage.

Although Ouyang Zhengxiong felt very happy, he also knew in his heart that he was on par with the white shadow in front of him. He even said that he might not be able to beat the white shadow in front of him. He didn't know who it was.

He didn't know why he came here. If possible, he really wanted to be friends with this person.

With this thought, Ouyang Zhengxiong directly resisted Bai Ying's next attack.

He opened his mouth and said to Bai Ying: "I don't know, Sir who is it? Can I see you next time?"

After Bai Ying heard what Ouyang Zhengxiong said, he immediately bounced away. At this time, both parties stopped their hands.

"I was just passing through this place. When I saw my brother practicing martial arts here, I felt itchy for a moment. I hope you won't forgive me."

After Ouyang Zhengxiong heard Bai Ying's words, he immediately waved his hand. How could he mind?

After having Bai Ying, he felt that his suggestions had been improved, and he seemed to have realized something.

Chapter 2200

"I didn't expect that you are so skilled. Can I know your name?"

Bai Ying immediately laughed after hearing Ouyang Zhengxiong's words.

"I think when you ask someone for their name, you should state your own name first!"

After Ouyang Zhengxiong heard Bai Ying say such words, he knew that Bai Ying was a little unhappy about his attitude just now.

In this case, he should tell the matter quickly.

"Sorry, I'm rude. My name is Ouyang Zhengxiong. Brother, you can also call me Ouyang. I wonder who you are?"

After Bai Ying heard Ouyang Zhengxiong say such words, he no longer hid his identity.

"My next name is Nangong Ying. You can also call me Nangong directly."

After Ouyang Zhengxiong heard Bai Ying's words, he was immediately shocked. He never thought that the person who came was actually Nangong Ying.

Nangong Ying is a well-known knight in the world. When he encounters unfair things, Will fight against injustice

"It turned out that it was Nangong Daxia, but I was rude."

"I also hope that Nangong Daxia will not forgive me."

Nangong Ying waved his hand after hearing what Ouyang Zhengxiong said. It was also his honor to compete with Ouyang Zhengxiong.

"I didn't expect Brother Ouyang to be so powerful and have such a high level of cultivation."

"I just don't know why, but I've never heard of Brother Ouyang's name in the world."

"Brother Ouyang, don't blame me for not having it, or look down on Brother Ouyang's ideas, I'm just....."

After Ouyang Zhengxiong heard Nangong Ying's words, he was not angry at what Nangong Ying said.

It is true that he has never had his name spread in the world.

"Brother Nangong, there is no need to explain in such a hurry. I have never walked in the world, so naturally you don't know my name."

"I still have some unfinished things. After I finish handling these things, I can be with Brother Nangong in the future."

Nangong Ying immediately laughed after hearing what Ouyang Zhengxiong said.

He was waiting for that day. Ouyang Zhengxiong's current cultivation level is so high. If he can go with Ouyang Zhengxiong, it will definitely reduce a lot of trouble.

"Then I will just sit and wait for this day. Brother Ouyang's cultivation level is not low. I think there will be another talent in the world by then."

After Ouyang Zhengxiong heard Nangong Ying say such words, he rarely laughed.

He thought Nangong Ying's words were really funny.

"Then I'll just rely on Brother Nangong's good fortune. I wonder where Brother Nangong will go next?"

"Can you tell me below."

After Nangong Ying heard Ouyang Zhengxiong's words, there was a trace of doubt in his eyes.

He didn't know where he was going. He was just passing by and saw that Ouyang Zhengxiong was practicing martial arts.

"To be honest, Brother Ouyang, I don't know where I am going now."

"I'm just passing through here. Since Brother Ouyang is here, why not let me wait for Brother Ouyang."

After Ouyang Zhengxiong heard what Nangong Ying said, he nodded very happily.

He originally thought that after solving this matter, he would go find Nangong Ying by himself.

But he did not expect that Nangong Ying would take the initiative to wait for him here.

"This is of course possible, but what I have to do may take a long time"

"If Brother Nangong doesn't mind, you can naturally wait for me here."

After Nangong Ying heard Ouyang Zhengxiong's words, he naturally didn't mind. He has now traveled a large area and doesn't know where he is going.

"I don't know where I'm going next. It would be a good thing if I could be here with Brother Ouyang."

"I wonder where Ouyang Xiu lives now. Can he be taken in?"

Ouyang Zhengxiong nodded immediately after hearing Nangong Ying's words.

Although he is only temporarily living in the inn, the second prince has promised him that he can leave a room for him.

"Of course it's ok. I'm temporarily staying in the inn now. The formalities for the house haven't been completed yet."

"After the formalities are completed, Brother Nangong can live in the house with me."

After Nangong Ying heard Ouyang Zhengxiong's words, he immediately nodded, and the two of them returned to the inn.

At this time, Nangong Ying still never knew that just because he stayed here, it led to his tragic death Consequences.

In the following time, Nangong Ying kept thinking, if he had not stayed in Qi, he would not have met that woman.

The woman who haunted him and thought about him all his life, He originally thought that he could have a good result with that woman.

But he didn't expect that the woman died the day before they left together.

This is something Nangong Ying has always regretted, but now Nangong Ying has no idea about it. What will be waiting for him when he comes down.

Nangong Ying will not know that he will step into an abyss next.

These are all things that will happen in the future, and it is still too early to say now.
