Chapter 2201

After Ouyang Zhengxiong took Nangong Ying back to the inn, he settled Nangong Ying down.

At this time, he has not told Nangong Ying about his affairs because he is not sure whether Nangong Ying will be on his side.

All Jianghu knights seem to value freedom, but instead have an inexplicable sense of contempt for the people in the court.

Ouyang Zhengxiong didn't know whether he should confess this matter to Nangong Ying, but he always felt that if he kept it from Nangong Ying, it would be detrimental to the relationship between the two of them.

Rather than letting others tell Nangong Ying, it would be better for him to tell Nangong Ying himself.

After Ouyang Zhengxiong thought this, he immediately went to find Nangong Ying. He must make it clear to Nangong Ying.

"Brother Nangong, are you ready? Why don't we sit down together?"

Nangong Ying nodded after hearing Ouyang Zhengxiong's words. He has almost finished cleaning up.

The two of them sat face to face and started drinking wine and eating dishes.

"By the way, I still don't know what Brother Ouyang does? Why take care of things here?"

"I remember this should be the capital of Qi State."

When Nangong Ying asked these words, he seemed to have noticed some clues. After hearing this, Ouyang Zhengxiong did not want to continue talking in circles with Nangong Ying.

If Nangong Ying felt that his brother was unreliable, he wanted to If he leaves, he will never stop  
Nangong Ying

"Brother Nangong, to tell you the truth, this is indeed the capital of Qi State."

"The reason why I am still here is because I am now a member of the court"

"Not long ago, I successfully won the position of leader after a great competition and am now  
studying at Kamikaze Academy."

After Nangong Ying heard Ouyang Zhengxiong say these words, his smile began to become simple.

He did not expect that Ouyang Zhengxiong would be a member of the imperial court. The most  
taboo thing for them in the world is to get involved with people in the imperial court.

Once they get entangled with people from the imperial court, it means they will cause an uproar.

"Why didn't Brother Ouyang tell me about this before?"

"Brother Ouyang should know very well that it is best for people in the world to be less involved  
with people in the court."

After Ouyang Zhengxiong heard Nangong Ying say such words, he knew that Nangong Ying was  
telling the truth.

He had indeed forgotten this at the beginning, so he did not tell Nangong Ying about it.

But he did not expect that Nangong Ying He actually said this, and he could only form a wry smile.

Although this matter did not go as he wished, it did happen to him.

And he had to do it, He can't be sorry to Yu'er.

If he really has to leave the capital of Qi, it will be that he has cleared the grievances of Yu'er's family and successfully rescued Yu'er.

"Brother Nangong, I really forgot about this matter."

"If Brother Nangong wants to leave, I will naturally not stop Brother Nangong"

"It's just that I have something important going on right now, and it's really inconvenient for me to leave the court."

"After I finish what I want to do, I will naturally give up my fame and travel around the world."

After Nangong Ying heard Ouyang Zhengxiong say such words, he knew that Ouyang Zhengxiong was a person who yearned for freedom.

But how could a person who yearned for freedom always be greedy for fame and fortune? Why on earth would he always choose to work in the court? Among them?

A person who is born to love freedom cannot survive for too long in the court.

"Can I ask why?"

"I can see that you are a person who yearns for freedom, but why do you have to choose to be in the court?"

Ouyang Zhengxiong fell silent after hearing Nangong Ying ask this question to him.

It seemed that he couldn't tell Nangong Ying about this matter. Nangong Ying didn't know anything about what happened between him and Yu'er.

Even if he knew it He couldn't understand the relationship between him and Yu'er either.

"There are some things I don't want to say, this matter is very important to me"

"If I cannot complete this matter, then I will be ashamed of my former benefactor"

"If Brother Nangong really doesn't want to wait for me here, Brother Nangong can also go wandering around the world on his own"

"After I finish all the things I need to deal with, I will naturally go wandering around the world"

"By that time, if Brother Nangong and I are really destined to meet each other, we will definitely see each other again."

After Nangong Ying heard what Ouyang Zhengxiong said, he felt that what Ouyang Zhengxiong said was a bit too whimsical.

There are many things that are not as expected. Even if Ouyang Zhengxiong has been doing it, what he is doing now does not mean that What he wants to do will definitely come true.

What he wants to do now is something he has always wanted to accomplish, but what if he fails to accomplish it?

Will he always bury his happiness here?

"But what if you don't complete that thing?"

Chapter 2202

Ouyang Zhengxiong fell silent after hearing Nangong Ying's question to him.

If he didn't finish this thing, he would never forgive himself.

Things between him and Yu'er have become very clear.

He has taken all of Yu'er's affairs on himself. If he hadn't completed it, Yu'er would never have come out of the brothel.

Just thinking about a little girl like Yu'er being ruined in a brothel all her life makes him feel very heartbroken.

"You don't understand, I won't let myself fail"

"I will pay a heavy price for my failure, and I don't want to see that happen."

After Nangong Ying heard Ouyang Zhengxiong say such words, he felt that what Ouyang Zhengxiong wanted to do might be really important.

Otherwise, Ouyang Zhengxiong would not have been able to keep saying these words.

"It seems that this matter is really important to you. If this is the case, then I will no longer force you."

"Everyone has different choices, and everyone has to take a different path."

"Anyway, I have nothing to do right now, so I might as well wait here and see what you want to do."

Ouyang Zhengxiong nodded after hearing Nangong Ying's words. Now that Nangong Ying has decided on this matter, he will not bother Nangong Ying anymore, and he is already flattered that Nangong Ying is willing to wait for him here.

Nangong Ying is a well-known knight in the world, and now he is willing to choose to stay in the capital of Qi for him.

This is already a shocking thing when word spreads

"Thank you Brother Nangong. Brother Nangong is such a famous knight, and he is willing to stay in this capital for me."

After Nangong Ying heard Ouyang Zhengxiong say such words, he felt that Ouyang Zhengxiong was getting an advantage and being good.

If Ouyang Zhengxiong continued to say this, he might change his mind.

"Brother Ouyang, I advise you not to do it. It's cheap and good."

"I see that you are still very proud. If you continue to be proud, I will no longer wait for you."

After Ouyang Zhengxiong heard Nangong Ying say such words, he immediately waved his hand.

"Brother Nangong, I was wrong about this matter. I also hope that Brother Nangong has a lot of money and will not argue with me."

"I just don't know what Brother Nangong will do next? Is it possible to stay in the yard all the time?"

After Nangong Ying heard Ouyang Zhengxiong's words, his eyes showed a little confusion.

He came here because of Ouyang Zhengxiong, and now Ouyang Zhengxiong is still in the court.

He doesn't even know what he wants. What did he do? Could it be that he really wanted to stay in a house as Ouyang Zhengxiong said?

"I can't stay in a house forever, but what on earth am I going to do now? I haven't thought about it either"

"Do you have any recommendations?"

After Ouyang Zhengxiong heard Nangong Ying's words, he began to think about this issue carefully. He will go to Shenfeng Academy to start systematic study. If possible, Nangong Ying can also go.

"You must have heard of Kamikaze Academy, right?"

Nangong Ying nodded after hearing Ouyang Zhengxiong's words, but he had no idea why Ouyang Zhengxiong asked like this.

Shenfeng Academy should be something that everyone in the mainland has heard of. Students from Shenfeng Academy, All of them are top-notch talents.

"Of course I've heard of it, what? Is it possible that you want me to study at Kamikaze Academy?"

After Ouyang Zhengxiong heard Nangong Ying's words, he immediately nodded. He felt that it would be a waste if Nangong Ying's talent was not developed more in Shenfeng Academy.

And when Nangong Ying saw Ouyang Zhengxiong After nodding, I felt that Ouyang Zhengxiong was simply kidding.

"Do you really think Kamikaze Academy is so easy to get into? Only wealthy children and truly talented people can enter Kamikaze Academy."

"But since I have no talent and am not from a rich family, how should I get in?"

After Ouyang Zhengxiong heard Nangong Ying's words, he felt that this was indeed a very difficult matter.

But this does not mean that Nangong Ying cannot go to Shenfeng Academy!

"You can give it a try and show your talents. I remember that your cultivation level is still very high."

"Even I can go to Kamikaze Academy, so why should you be humble?"

After Nangong Ying heard Ouyang Zhengxiong say such words, he felt that he could still give it a try like Ouyang Zhengxiong said.

"That's all, I don't know what to do now anyway? Then why not go to Kamikaze Academy and take a look?"

"If I can really enter Kamikaze Academy, I don't know what I will face next."

"I really hope we can be classmates by then."

Ouyang Zhengxiong nodded after hearing Nangong Ying's words. He felt that with his current abilities, Nangong Ying would be able to successfully enter Shenfeng Academy.

But he just didn't know if Nangong Ying could stay in Shenfeng Academy. Came down.

Chapter 2203

Soon it was time for Ouyang Zhengxiong to go to Shenfeng Academy to study systematically.

During this period, Ouyang Zhengxiong also moved to the new house with Pumpkin Shadow.

Ouyang Zhengxiong was very satisfied with the new house, and he would praise the second prince behind his back from time to time.

Ouyang Zhengxiong knew very well that the second prince might have placed his people in this house.

But Ouyang Zhengxiong didn't care about this matter at all. He wouldn't do anything to disgrace the second prince anyway.

Does the second prince want to do whatever he wants to do by himself?

And he did this very calmly, which might make the second prince feel more and more at ease with him.

In the days before school was about to start, Ouyang Zhengxiong looked at Pumpkin Shadow

"Brother Nangong, I'm going to go to Kamikaze Academy soon, what about you?....."

After hearing what Ouyang Zhengxiong said, Pumpkin Shadow also nodded.

"Not only you, I am also going to Kamikaze Academy now"

"After they heard that I was going to go to Kamikaze Academy, they all welcomed me very much."

After Ouyang Zhengxiong heard Pumpkin Shadow say such words, he nodded with great satisfaction.

Now that Pumpkin Shadow can go with him, he has nothing to worry about.

"Then let's go together now."

After hearing what Pumpkin Shadow said, Ouyang Zhengxiong nodded, and the two of them came to Kamikaze Academy together.

When they came to Kamikaze Academy, there were still many students in Kamikaze Academy as before, with many students in class. There are also many students practicing martial arts.

Ouyang Zhengxiong and Pumpkin Shadow looked at the glorious plaque, but never thought that one day they would come to Kamikaze Academy to attend school.

Ouyang Zhengxiong originally thought that Pumpkin Shadow would become his classmates, but He never expected that Pumpkin Shadow would actually become his teacher

"It turns out that Teacher Nangong has arrived. Teacher Nangong, come with me. Your address is here."

After hearing the teacher's words, Pumpkin Shadow nodded, and Ouyang Zhengxiong also wanted to follow Pumpkin Shadow at this time. At this time

, the person who led Pumpkin Shadow looked at Ouyang Zhengxiong behind him.

He knew the person behind him. , he is the one who tied with Mo Yu in the competition.

But even if he tied with Mo Yu, it does not mean that he can come to Kamikaze Academy to work now

"Sorry, did you go to the wrong place? I took Teacher Nangong to the teaching area."

After Ouyang Zhengxiong heard the person who escorted him saying such words, he looked at Pumpkin Shadow in shock.

"How is this going? Didn't you come to school with me?"

Pumpkin Shadow nodded after hearing Ouyang Zhengxiong's words. He did come with Ouyang Zhengxiong.

But he did not say that he would study with Ouyang Zhengxiong. He came to teach Ouyang Zhengxiong.

"Oh, by the way, I forgot to tell you that they hired me as a teacher directly after they learned that I was coming."

After Ouyang Zhengxiong heard Pumpkin Shadow say such words, he looked at Pumpkin Shadow in horror.

Pumpkin Shadow had never told him such a thing before.

If Pumpkin Shadow had told her this If so, he wouldn't be arguing with Pumpkin Shadow here.

"I thought you came here to be my classmate, but I didn't expect you came here to be my teacher."

"You are so awesome!"

Pumpkin Shadow immediately laughed after hearing Ouyang Zhengxiong say such words.

"Just so-so, don't worship me too much"

"Next you have to get ready, I may become your classroom teacher."

After Ouyang Zhengxiong heard Pumpkin Shadow say such words, he immediately rolled his eyes.

He never expected that Pumpkin Shadow would have the nerve to say these words.

"You actually have the nerve to say these things to me now? Now I am an adult and don't care about the faults of others. I won't care about you anymore."

"You should leave now, I don't want to see you again."

After Pumpkin Shadow heard Ouyang Zhengxiong say such words, he immediately followed the person who led him away.

At this time, the person who led him looked at Pumpkin Shadow and Ouyang Zhengxiong in confusion. He always felt that Pumpkin Shadow Ying and Ouyang Zhengxiong have known each other a long time ago.

But he doesn't know what the relationship between Ouyang Zhengxiong and Pumpkin Ying is.

Although he is very curious about this relationship, he also knows that this is not something that a servant of his should ask. When the person who led him led Pumpkin Shadow into the dean's room, he left directly.

"This is the dean's room. You can just go in and see the dean."

After saying these words, the person who escorted him left here, and Pumpkin Shadow also opened the door of the dean's room. The treatment on Ouyang Zhengxiong's side was completely different. He was taken directly to where he was supposed to go to class. place.

At this time, he saw many unfamiliar faces here.

But one or two of them she still knew were the rich kids from the first night he came in.

Ouyang Zhengxiong did not have a good impression of these rich kids.

But Ouyang Zhengxiong is now said to be a classmate with them.

These people all know Ouyang Zhengxiong and think Ouyang Zhengxiong is very powerful.

Chapter 2204

In their minds, apart from the teacher, only Mo Yu is the most powerful.

But I didn't expect that Ouyang Zhengxiong would directly draw with Mo Yu.

In their opinion, being able to fight Mo Yu twice is already very powerful.

But now a person suddenly appeared and was tied with Mo Yu, leaving them wondering how to treat the person in front of them.

They did not dare to say anything to Ouyang Zhengxiong, so they could only keep a distance from Ouyang Zhengxiong and look at Ouyang Zhengxiong with admiration.

After Ouyang Zhengxiong took a half-day course here, he found that the courses here were no different from other colleges.

But why can the courses here enable students to become one of the best in the mainland?

This is something Ouyang Zhengxiong is very puzzled about.

What happened next made Ouyang Zhengxiong fully understand this matter.

Next, Ouyang Zhengxiong will take a competitive class. At this time, he is not studying theory like other colleges.

Instead, they prepared an arena directly for these students, and the teacher who taught them stood in the middle of the arena.

Ouyang Zhengxiong looked at the arena with a calm expression. This was not a shocking thing for him.

They had been to the arena many times, and it was not enough to surprise him.

Now everyone has focused their attention on Ouyang Zhengxiong, because they all know that Ouyang Zhengxiong and Mo Yu are tied.

At this time, the teacher finished reading out all the precautions that should be paid attention to.

The teacher fell in love with Ouyang Zhengxiong

"You are the one who tied with Mo Yu."

After Ouyang Zhengxiong listened to the teacher's words, he immediately took a step forward and nodded.

"it's me."

After listening to Ouyang Zhengxiong's words, the teacher was very good at taking a liking to Ouyang Zhengxiong.

"He's doing well, and he can defeat the top students from Kamikaze Academy even if he trains on his own."

After Ouyang Zhengxiong heard the teacher's words, he didn't know what to say for a moment.

He didn't know whether he should agree with the teacher's words or refute the teacher's words.

It seemed that nothing he said was right.

Ouyang simply said Zhengxiong just smiled and did not answer the teacher's words.

After seeing this scene, the teacher was not angry. Instead, he asked the students to start warm-up exercises.

Ouyang Zhengxiong did not say anything at this time and started the warm-up directly. , first ran around the field twice, and then performed stretching exercises.

The other students looked at Ouyang Zhengxiong in surprise, wondering what Ouyang Zhengxiong was doing.

The other students would choose to get close to him during the warm-up. The others competed first.

No one had ever warmed up as fully as Ouyang Zhengxiong, but after seeing Ouyang Zhengxiong's appearance, the teacher nodded with satisfaction.

Ouyang Zhengxiong's appearance could indeed make his body completely relaxed..When everyone finished the activity, the teacher praised Ouyang Zhengxiong by name.

"Ouyang Zhengxiong did the best in this warm-up. You can also learn from Ouyang Zhengxiong in the future."

"These things Ouyang Zhengxiong does can fully relax the body."

After hearing what the teacher said, the other disciples all reluctantly fell in love with Ouyang Zhengxiong.

They didn't know why the teacher valued Ouyang Zhengxiong so much.

But they didn't want to know these things completely.

"Teacher, since Ouyang is so powerful, why not let Ouyang give us a demonstration?"

"We only know that the senior brother is very powerful, but the master has never shown it in front of us."

After hearing the commotion from these students, the teacher looked at Ouyang Zhengxiong with some embarrassment.

After all, Ouyang Zhengxiong is a figure promoted by the emperor, and they still have a certain respect for Ouyang Zhengxiong.

If Ouyang Zhengxiong is unwilling to accept this matter If so, they would not be able to embarrass Ouyang Zhengxiong.

And Ouyang Zhengxiong seems to be accepting all comers at this time. He has just arrived at this college and there are still many things to do.

The first thing to do is to ask the people in front of him. establish prestige

"Of course the teacher can, but I need an opponent."

After hearing what Ouyang Zhengxiong said, those who had just spoken stopped speaking.

It was as if they were already afraid of what Ouyang Zhengxiong said.

At this time, Ouyang Zhengxiong looked around and found that no one dared to touch him. eyes.

After the teacher saw this scene, he had no choice but to wave his hand towards Ouyang Zhengxiong.

"In that case, then come up and let the two of us compete first."

After Ouyang Zhengxiong heard the teacher's words, he went up to the arena.

After coming to the arena again, Ouyang Zhengxiong seemed to have changed. He looked at the teacher like a wolf.

At this time, Ouyang Zhengxiong seemed to be The teacher has been regarded as the real enemy. The intimidation and fear are simply not enough to describe.

At this time, the teacher has felt the pressure released by Ouyang Zhengxiong from the heart.

The teacher suddenly feels that Ouyang Zhengxiong may have experienced a lot of fighting. Only then could he show such terrifying momentum.

He was able to tie with Mo Yu. If the game had continued at that time, Mo Yu would have lost to Ouyang Zhengxiong.

Chapter 2205

At this time, even the competitive teacher did not dare to slack off at all when facing Ouyang Zhengxiong.

Because he knew that Ouyang Zhengxiong was standing on the arena like a beast about to be released from the cage.

If you let down your guard against Ouyang Zhengxiong because of his identity, you will definitely die miserably.

No wonder Mo Yu showed great panic towards Ouyang Zhengxiong from the very beginning.

It turned out to be because Mo Yu already knew that Ouyang Zhengxiong's strength was extraordinary.

If it had been anyone else, they would have been knocked to the ground by Ouyang Zhengxiong long ago.

At this time, Ouyang Zhengxiong took a long sword next to the arena and stabbed the athletics teacher.

At this time, the athletics teacher was not a vegetarian, so he took the big knife beside him and took over Ouyang Zhengxiong's move.

Knives and swords are rivals, and the competition teacher and Ouyang Zhengxiong are just competing.

The weapons of the two of them can be regarded as weapons in the hands of others, but in their hands, they are like part of their own bodies.

It can be used flexibly back and forth, especially for Ouyang Zhengxiong, the sword seems to have grown in his hand.

Whatever Ouyang Zhengxiong wants this sword to look like, this sword will look like that.

After seeing such a wonderful struggle, the people below immediately looked towards the stage with excitement.

No one dared to move their eyes away, they all felt that everything in front of them was very wonderful.

At this time, unknowingly, a lot of people gathered here, and even Mo Yu, whom he had tied with before, appeared in the audience.

When Mo Yu appeared here, many people took the initiative to make way for Mo Yu.

Because they all know that Mo Yu and Ouyang Zhengxiong had a draw, and now Ouyang Zhengxiong is here to provoke the teacher.

Mo Yu would never let Ouyang Zhengxiong go, but at this time, what everyone expected was that Mo Yu did not come on stage at all.

Instead, he has been enjoying the fight between the competitive teacher and Ouyang Zhengxiong in the audience.

After seeing the fight between the athletics teacher and Ouyang Zhengxiong, Mo Yu discovered that there were many differences between him and Ouyang Zhengxiong.

The reason why he had a tie with Ouyang Zhengxiong before was just because Ouyang Zhengxiong asked him not to use all his abilities.

If Ouyang Zhengxiong didn't test his mind and fight with him, I'm afraid he would have lost to Ouyang Zhengxiong long ago.

It was only at this moment that Mo Yu had to admit that Ouyang Zhengxiong was really better than him.

At this moment, Mo Yu suddenly realized that he had been living in Shenfeng Academy for these years.

He has always been called the senior brother by everyone, and he has also been called the best in the academy. Damn genius.

He was praised a little too high by everyone, and they all forgot that there are people outside the world, and there is heaven outside the world.

When he really saw Ouyang Zhengxiong this time, he suddenly woke up.

Just because he has no rivals in Kamikaze Academy, he can't laugh at all the heroes in the world.

In fact, there are many people in this world who are more powerful than the people in Kamikaze Academy, but they have always remained anonymous.

Mo Yu's realm has improved slightly at this time, and he seems to be making a breakthrough.

The other people, after seeing Mo Yu like this, looked at Mo Yu in surprise.

No one thought of it? Mo Yu just watched the fight between Ouyang Zhengxiong and the competitive teacher, and now there are signs of breakthrough.

No wonder Mo Yu will become the senior brother of the academy. It turns out that Mo Yu really has this qualification.

At this time, everyone looked at Mo Yu with admiration, but there were also many people who just had this thought in a second thought.

The next second, all his thoughts were focused on Ouyang Zhengxiong and the athletics teacher on the stage.

This thing is very incredible to them. They always remember how good the competitive teacher was before.

Now they suddenly see someone who is more powerful than the athletics teacher. Of course, they can't wait to watch this game.

And he is able to exchange so many moves with the competitive teacher. If he continues to grow, he will definitely grow into a more powerful being than the competitive teacher.

At this time, the war on the stage has entered a white-hot stage.

The two people on the stage have almost figured out each other's moves, but no one knows what the other will do next.

Both of them looked at each other very warily, neither of them dared to let down their guard easily.

At this moment, Ouyang Zhengxiong suddenly looked at the athletics teacher with a smile

"I really didn't expect that one day I would be standing on the stage competing at the same time as my competitive teacher."

"Now that we have stood up, I will never give up to you easily."

"There are rules in the arena, and I won't show mercy just because you are my teacher."

After hearing what Ouyang Zhengxiong said, the athletics teacher pretended to be calm and looked at Ouyang Zhengxiong.

"That's natural. I don't need you to be merciful to me, and I will never be merciful to you."

Chapter 2206

"When you get to the arena, you must respect the rules of the arena."

After saying harsh words to each other, Ouyang Zhengxiong and the athletics teacher seemed to have lightning in their eyes, and they kept looking at each other fiercely.

But at this time, Mo Yu in the audience suddenly felt that the two of them had already There is no need to continue the performance.

If the fighting continues, I am afraid it will really turn into a real competitive match.

What they have to do is just for demonstration, and there are so many students watching in the audience.

If they If the two of them really competed, it shouldn't be now.

Just when the two of them were about to start, Mo Yu suddenly flew to the stage, right in the middle of the two people.

After looking at Mo Yu who suddenly flew to the stage , the athletics teacher and Ouyang Zhengxiong were both stunned.

Especially the athletics teacher frowned and fell in love with Mo Yu. He felt that Mo Yu was disrespectful to him by stepping onto other people's arena.

"Mo Yu, what are you doing? Don't you know that this is me comparing myself to Ouyang Zhengxiong?"

"You have to respect the rules of the arena."

After Mo Yu heard the athletics teacher say such words, he looked at the athletics teacher with a smile.

"Teacher, I know this is bad, but you are here to demonstrate to the students."

"The students below must have understood very well that there is no need for you to continue."

"If you continue like this, I'm afraid you won't have much time left for your classmates."

After hearing Mo Yu say such words, the athletics teacher really reacted.

If it weren't for Mo Yu's sudden appearance on the stage, he might have continued to compete with Ouyang Zhengxiong.

It was really refreshing to compete with Ouyang Zhengxiong. Yes, at least Ouyang Zhengxiong can give him a sense of pleasure

"I forgot about this matter. Ouyang Zhengxiong, let's not continue our discussion."

"Now we should let the students compete in the arena."

Ouyang Zhengxiong nodded after hearing what the athletics teacher said, and then looked at Mo Yu with grateful eyes.

He knew that Mo Yu came to the rescue specially. If he continued to fight with the athletics teacher, he would really There is no guarantee what he will do to the athletics teacher.

If he really does something to deal with the athletics teacher, I'm afraid he really won't be able to forgive himself.

And no one will be friends with him by then.

Wait until Ouyang Zhengxiong steps down , the athletics teacher was still standing on the stage, announcing what was going to happen next.

"You must have seen clearly what Ouyang Zhengxiong and I just demonstrated."

"You are free to use all the weapons around here, but you must respect the rules of the arena."

"Except for the weapons in your hands, all concealed weapons are not allowed to be used"

"If I find out that any of you are hiding concealed weapons or using concealed weapons for personal use, you will be expelled from Kamikaze Academy."

After hearing such words from the athletics teacher, everyone was shocked.

No one thought? It would have such serious consequences, but Ouyang Zhengxiong didn't take it seriously.

The fairness of athletics competitions is always pursued. , if you use your hands and feet in secret, it will be unfair to other people.

Ouyang Zhengxiong agreed with what the competitive teacher said.

At this time, Mo Yu slowly walked to Ouyang Zhengxiong, Smiling and looking at Ouyang Zhengxiong

"Brother Ouyang, I didn't expect that you and the athletics teacher could be on par with each other. I thanked Brother Ouyang for your permission."

After Ouyang Zhengxiong heard what Mo Yu said, he knew that Mo Yu had seen through everything.

Now that Mo Yu has seen through everything, he has nothing to hide anymore.

Anyway, these things are true, and there is no need to keep hiding them. Go down

"It's nothing, you are also very powerful, I have just been testing you, but you must have your own killer moves that are of no use."

"If both of us had used our killing moves at that time, it wouldn't necessarily be the case who would lose and who would win."

After Mo Yu heard Ouyang Zhengxiong say such words, she felt that Ouyang Zhengxiong was really broad-minded.

If it had been anyone else, I'm afraid he would have already hated him, but Ouyang Zhengxiong was different.

Ouyang Zhengxiong didn't seem to care about this matter. Similarly, what is Ouyang Zhengxiong's purpose? He is still a little unclear

"It seems that Brother Ouyang doesn't care about the outcome of this time."

"But looking at Brother Ouyang's performance before, he should be very concerned about it."

After Ouyang Zhengxiong heard Mo Yu's words, he knew that Mo Yu was very confused about this matter.

But he seemed to have no need to answer Mo Yu's question. Everyone has their own privacy.

"I shouldn't need to answer your question, right?"

"I have things I want to do, just know that I won't hurt anyone here."

Mo Yu nodded after hearing Ouyang Zhengxiong's words. He had indeed stepped aside on this matter.

It was best for him not to interfere in matters that should not be his business.

Chapter 2207

Maybe it was because Ouyang Zhengxiong really had important things to deal with before.

Anyway, he doesn't care about those things now, and rankings are not very important to him.

Things have reached a point where there is no way to change it now. It is useless no matter how much he regrets it.

"That's it, Brother Ouyang, please do it yourself, I won't disturb Brother Ouyang here anymore."

After saying these words, Mo Yu wanted to leave here, but at this time, Ouyang Zhengxiong had already seen that Mo Yu was about to break through.

Ouyang Zhengxiong really didn't expect that Mo Yu would actually break through at this time.

"As expected of Mo Yu, after watching a competition, there were signs of a breakthrough."

"It seems that if we continue to fight that day, I will definitely lose at the hands of Mo Yu."

After Mo Yu listened to Ouyang Zhengxiong's words again, he felt that Ouyang Zhengxiong was a little jealous.

If it weren't for the actions of Ouyang Zhengxiong and the teacher, he would not be like this now.

Besides, if he continued to fight that day, he would definitely Will lose in the hands of Ouyang Zhengxiong, he knows that Ouyang Zhengxiong has been letting him

"Brother Ouyang, why do you need to say that? What was the situation like that day? Everyone knows it very well"

"If the fight continues, I will definitely lose to Brother Ouyang. Brother Ouyang better not say that again."

After Ouyang Zhengxiong heard what Mo Yu said, he did not refute. He thought it was a good thing that Mo Yu could realize his shortcomings now.

Mo Yu's behavior made him feel very happy, at least now Mo Yu Jade hasn't let anything happen to him yet

"Since Mo Yu is about to break through now, then she shouldn't continue to lose weight with me here."

"Moyu, please help yourself, I won't try to keep you here anymore."

After Mo Yu heard Ouyang Zhengxiong say such words, he nodded and left here directly.

After Mo Yu returned to his room, he immediately began to sit cross-legged and meditate. He could feel that he was about to break through. At this time

, Ouyang Zhengxiong returned to the field and has been watching the people on the field competing.

Ouyang Zhengxiong didn't know what he was doing? He didn't know what he wanted to do.

Maybe it was because Mo Yu was about to break through after watching a game. He thought he could break through too.

For some reason, Ouyang Zhengxiong always wanted to compare with Mo Yu

"I'm so naive that I'm actually comparing myself to others at this time."

After Ouyang Zhengxiong said this to himself, he shook his head and left here.

But what Ouyang Zhengxiong didn't see was that after he left here, many people were watching Ouyang Zhengxiong leave.

Ouyang Zhengxiong didn't do anything. Thinking about it, in other people's hearts, he is like a ceiling.

After all, Ouyang Zhengxiong is also very powerful. If he just disappears, it will cause discomfort to many people.

Ouyang Zhengxiong can now be regarded as a member of the Kamikaze Academy. There are not many celebrities who can match Mo Yu.

It can even be said that there are none, but Ouyang Zhengxiong broke this law.

Just after Ouyang Zhengxiong left here, he suddenly bumped into Han Shi.

Han Shi's eyes were very complex and looked like a piece of meat between Ouyang Zhengxiong. He still looked down on Ouyang Zhengxiong, but now it seems that Ouyang Zhengxiong's Han Shi is much higher than him. After all, now

Ouyang Zhengxiong can tie with Mo Yu, And he is still a long way away from Mo Yu.

After seeing Han Shi, Ouyang Zhengxiong felt that Han Shi seemed familiar.

He seemed to have seen Han Shi before, but he didn't know who Han Shi was.

Ouyang Zhengxiong He didn't have that intention. He wanted to know who Han Shi was. To be precise, it had nothing to do with him.

He didn't want to know who Han Shi was. He just wanted to leave here as soon as possible.

Just when Ouyang Zhengxiong thought When leaving, Han Shi suddenly stopped Ouyang Zhengxiong.

"Ouyang Zhengxiong."

After Ouyang Zhengxiong heard Han Shi's cry, he had no choice but to turn around.

"Is there a problem?"

After Han Shi heard Ouyang Zhengxiong say such words, he knew that Ouyang Zhengxiong did not know who he was.

However, he would not blame Ouyang Zhengxiong. Ouyang Zhengxiong had no obligation to know who he was.

"You probably don't know who I am yet. Let me introduce myself. My name is Hanshi."

Ouyang Zhengxiong nodded after hearing Han Shi's words, but he didn't know why Han Shi kept him here.

"Hanshi, you called me because....."

Han Shi understood immediately after hearing Ouyang Zhengxiong ask such a question.

It turns out that Ouyang Zhengxiong still doesn't know why he calls him

"I just want to get to know you. You are tied with senior brother, and I would like to ask you for advice."

After Ouyang Zhengxiong heard what Hope said, he nodded. It turned out that he was here for Mo Yu. It seems that all people can show kindness or hostility towards him, and a large part of it is because of Mo Yu. Jade.

Chapter 2208

But Ouyang Zhengxiong particularly hates this feeling, which makes him feel as if he is relying on other people to live in this world.

He can live freely in this world without relying on anyone.

"If you want to learn from me, then you don't have to. After all, what I learned is just some wild ways."

"The reason why I was able to tie with Mo Yu may also be because of good luck. After all, I didn't defeat Mo Yu."

"But you are different. You have experienced the Kamikaze Academy system. If you continue to work hard, you will definitely be able to defeat Mo Yu."

After Han Shi heard Ouyang Zhengxiong's words, he shook his head very solemnly. He had challenged Mo Yu before.

But in the end they were all defeated. He didn't know why Mo Yu was so powerful.

Until this time he Seeing the fight between Ouyang Zhengxiong and Mo Yu, he realized that maybe he was too weak

"I have challenged Senior Brother before, but in the end they all failed."

"I really want to know how you managed to tie with the senior brother. I also really want to tie with the senior brother."

After Ouyang Zhengxiong heard Han Shi ask such a question, he really didn't know how to respond to Han Shi.

"If you must ask this, I really don't know how to answer you."

"How on earth did I get into a tie with Mo Yu? I don't know what's going on either....."

"Maybe it was just right, because I was lucky that day, and Moyu didn't perform very well!"

After listening to Ouyang Zhengxiong's words, Han Shi would not believe Ouyang Zhengxiong's words at all.

"I won't believe your lies. Don't worry, I will definitely take it out of your mouth."

"I'll definitely know what's going on."

After Ouyang Zhengxiong heard Han Shi's words, he shrugged indifferently and left here alone.

After Ouyang Zhengxiong left, many people around Han Shi condemned Ouyang Zhengxiong.

He felt that Ouyang Zhengxiong was completely unnecessary. It's mysterious. If Ouyang Zhengxiong really practices any secrets, he can definitely take them out and share them with everyone.

"Is he too arrogant? Senior Brother Hanshi talked to him like this, but he actually ignored him....."

"Who says it's not? He really thought he could tie with his senior brother, but he was just lucky."

"Yes, yes, we all know how powerful Senior Brother is."

"Why did this person become like this? He must have done some tricks."

.....

There were many more words like this. After Han Shi heard these words, he immediately became angry.

"Why do you say this about Ouyang Zhengxiong? He can obviously rely on his own ability."

"Besides, even the eldest brother has admitted this matter, how can you allow you to speculate here?"

After hearing Han Shi's angry words, no one dared to say anything anymore.

They originally thought that where they lived would make Han Shi very happy, but they didn't expect that it had the opposite effect, causing Han Shi to be disgusted with them.

After Hanshi said these words, he left here directly. He felt that there were many people here with evil thoughts.

He didn't want to be associated with these people anymore. If this continued, he was afraid that he would become like these people. Same.

After Ouyang Zhengxiong left here, he was taken to the house by the second prince's people.

At this time, Ouyang Zhengxiong saw the second prince, and saw that the second prince was so worried.

After Ouyang Zhengxiong saw the second prince like this, He felt very surprised. In his impression, the second prince should not have such an expression.

"What happened to the second prince? Why do you look so worried now?"

The second prince sighed helplessly after hearing Ouyang Zhengxiong say such words.

"To tell you the truth, I have indeed encountered something big now."

"I haven't figured out a solution to this matter yet, that's why I'm so worried."

Ouyang Zhengxiong became a little overwhelmed after hearing the second prince say such words.

He didn't know how to answer the second prince. He just felt that such things seemed to happen all the time.

"I don't know what the second prince is worried about. Why don't you tell me and I can help the second prince think of a solution."

After hearing what Ouyang Zhengxiong said, the prince immediately fell in love with Ouyang Zhengxiong.

He didn't know why, but he always felt that Ouyang Zhengxiong could solve such troubles.

"To be honest, Brother Ouyang, there is indeed a very serious trouble in the court now."

"With the former Han Dynasty, there are now many places where there is no harvest, and there are also many refugees."

"Although the emperor has sent people to provide disaster relief, it is very likely that they have been swallowed up by corrupt officials."

"I'm afraid there won't be that much food in the hands of the people. How to solve this problem?"

After Ouyang Zhengxiong heard what the second prince said, he breathed a long sigh of relief. He thought that what the second prince was going to tell him was such an important thing.

If you are worried that the food for disaster relief will not reach the people, then you really should find a way.

There are so many corrupt officials now, so the second prince should be worried like this.

Now it seems that the second prince still has certain thoughts when it comes to national affairs.

And he will always care about the affairs of the country. If he ascends to the position of prince, he must be a good emperor.

"The second prince does not need to worry about this. If he is worried about this matter, it is better to supervise it from top to bottom."

After the second prince heard Ouyang Zhengxiong say such words, he became interested in Ouyang Zhengxiong's top-down supervision.

"How can I explain this? Why don't you explain it to me in detail, Brother Ouyang."

The second prince now feels great admiration for Ouyang Zhengxiong. He didn't expect that Ouyang Zhengxiong could actually say anything.

And now it seems that Ouyang Zhengxiong is very good at these things.

"Before solving this matter, I have something to ask the second prince. Is it fine grain or coarse grain that the emperor sent to relieve the disaster this time?"

After hearing Ouyang Zhengxiong's question, the second prince thought carefully. The treasury should be full of fine grains now.

But only fine grains can be used for disaster relief. How could it be coarse grains?

"The state treasury contains all fine grains, and this time it is for disaster relief. How could he put coarse grains? Coarse grains are not allowed to exist in the treasury."

Ouyang Zhengxiong frowned after hearing the words of the second prince. Rich people can indeed eat well with fine grains.

But these fine grains are not enough for poor people. It is useless to have these fine grains.

"Second Prince, let me tell you something that you may not like to hear. It is absolutely forbidden to use fine grains for disaster relief. What you need to know is that the disaster relief is for poor families, and the daily grain relief is limited. They cannot eat fine grains at all. full."

After the second prince heard Ouyang Zhengxiong say such words, he immediately frowned. Could it be that their disaster relief was wrong this time?

"What do you mean? Is it possible that we made a mistake this time?"

After Ouyang Zhengxiong saw the unhappy expression on the second prince's face, he knew that what he said was likely to make the second prince feel very bad.

But what he said was indeed the truth. If he could put all the fine grains into Replaced with coarse grains, it is enough to cover the expenses of these poor families for a year.

"Second Prince, what I said is true. If all these fine grains are replaced with coarse grains, the amount will definitely more than double, and this will also help protect people's livelihood. When they are suffering, if they eat this kind of fine grains, After they were able to grow food, they were eating rough grains. They couldn't accept this psychological gap."

The second prince frowned when he heard what Ouyang Zhengxiong said. She felt that what Ouyang Zhengxiong said was feasible.

But she couldn't just implement this matter. This matter still had to be reported to the emperor..If he makes this decision privately, he will become a corrupt person if it is found out later.

"I understand. I will report this matter to my father first. If my father agrees, I will send someone to do it."

After Ouyang Zhengxiong heard what the second prince said, he shook his head. The emperor might agree to this matter.

But there is also another possibility. He thinks that the second prince wants to embezzle these fine grains himself.

If that happens, the second prince will How should we explain these things?

Ouyang Zhengxiong did not tell the second prince about this matter. He just wanted to see whether the second prince could solve these crises by himself.

After the second prince got Ouyang Zhengxiong's plan, he came immediately When he arrived at the palace, he was ready to discuss the matter with the emperor.

But when he arrived, the eldest prince had already discussed the disaster relief with the emperor.

After seeing this scene, the second prince's face darkened. But it was too late for him to compete with the eldest prince for favor and vindictiveness.

The most important issue now was the problem of the victims. If they all flowed to Kyoto, Kyoto would be in danger.

After seeing the arrival of the second prince, the emperor looked towards The second prince also took away the joy on his face.

After seeing the emperor like this, the eldest prince couldn't help but secretly rejoiced, and looked at the second prince with some pride.

"Lei'er, come to see me today, is there something urgent?"

After the second prince heard the emperor say such words, he immediately knelt on the ground.

"I would like to inform my father that I really have something to tell you."

After hearing what the second prince said, the emperor pretended to nodded.

"What does the emperor have to say? You might as well say it like this. Today, your royal brother is here and we, father and son, can have a good discussion."

The second prince nodded after hearing the emperor's words, and told the emperor all about the conversation he had just had with Ouyang Zhengxiong.

Naturally, he did not tell who came up with the idea.

Chapter 2210

After hearing what the second prince said, the eldest prince and the emperor each had their own ideas.

The emperor felt that the second prince's statement was not bad, and if he replaced it with coarse grain, it would also reduce the expenditure on the treasury.

But if we just switch to coarse grains, it will inevitably lead to complaints and people will not be able to make a living.

But after the eldest prince heard what the second prince said, he became jealous beyond recognition.

What the second prince said was indeed reasonable. Why didn't he think of this?

It's just that the eldest prince felt that although the second prince's idea was a good one, the emperor might not agree with it.

Sure enough, when the eldest prince looked at the emperor, the emperor's brows were already frowning.

At this time, the eldest prince chose to strike first and looked at the second prince righteously.

"Second brother, how can you say that? Even if we are all eating fine grain, they are still our people. Now that natural disasters are ahead, shouldn't we protect them?"

After the second prince heard what the eldest prince said, he looked at the eldest prince with a very indifferent expression.

It was as if he had never taken the eldest prince's words to heart.

The second prince was very serious about what he said to the emperor. , he felt that what Ouyang Zhengxiong said made sense.

"Father, you should really consider this matter I mentioned, and I think this method is very reasonable and can also greatly reduce the expenditure of the national treasury."

After the emperor heard what the second prince said, he looked at him very seriously.

She wanted to know where the second prince came up with this idea? What did the second prince think about this idea?

"Huang'er, who taught you this method, and what do you think?"

After the second prince heard what the emperor said, he felt that she should not confess Ouyang Zhengxiong now.

If he confessed Ouyang Zhengxiong at this time, wouldn't he be telling the emperor that she and Ouyang Zhengxiong had become a team? Now that the emperor is trying to train Ouyang Zhengxiong to become a general, how can he let him form a clique?

"Reporting back to my father, I didn't dare to lie about this matter. It was indeed the adviser's idea, but I also felt that this matter was very reasonable and felt that it was Things can be done this way."

After the emperor heard what the second prince said, she couldn't help but sneer in her heart.

She had to say that the second prince's idea was indeed a good one, but when she brought it up at this time, she always felt that the second prince had ulterior motives.

"Your idea is indeed a good one, but have you ever thought about Jun Wu Xiyan? At this time, my fine grain has been distributed. Do you want me to go back on my word?"

After the second prince heard the emperor say such words, he knew that the emperor would probably put all the faults on her.

But it was not too late to do this now.

"The father and son know that this matter is the son's fault, and they did not come up with such a good solution in time, but the father is still some time away from the food actually reaching the hands of the victims."

After the emperor heard the second prince say such words, he knew what the second prince wanted to express.

But if he agreed to the second prince so easily, then he would not be able to contain the eldest prince and the second prince.

Since The second prince came up with this idea, so although the eldest prince should do it

"The second prince's idea is indeed a good one. I am very relieved that the second prince can now consider it so comprehensively."

After the second prince heard the emperor say such words, he knelt in front of the emperor respectfully.

At this time, the eldest prince was not to be outdone. When he came in front of the emperor, he looked like a father and a filial son. Just as everyone was watching When he felt that there was no way to deal with this matter, the emperor suddenly assigned this matter to the eldest prince.

"The second child's method is indeed very good. In this case, let the boss do this."

After the eldest prince heard the emperor's words, he was a little stunned by the emperor's words.

He seemed not to know what the emperor meant by these words, but he reacted the next second

"Yes, I will obey my father's will."

After the second prince heard what the eldest prince said, his expression did not change at all, as if he really didn't care about this matter.

But the eldest prince could imagine how aggrieved the second prince was.

He and his His subordinates finally came up with a way, and now he is the one reaping the benefits.

And this time he can also do more tricks when replacing fine grains with coarse grains.

If he wants to compete for the throne by then, The competitiveness will also be greater.

Whenever the eldest prince thinks of such a thing, his face will be very happy.

And after seeing the eldest prince like this, how could the emperor not know what the eldest prince is thinking?

But the eldest prince looks like this, It really chilled her. Now that there were natural and man-made disasters, he thought that all he could do was compete for the throne. He had never really cared about the lives and deaths of the people.
